

Kyle Brake Sports Scholarship Fund

What is the Kyle Brake Sports Scholarship Fund?

It is a scholarship fund established to help ease the financial burden associated with participating in organized team sports. This scholarship is available to children who are Kindergarten through 8th grade, who receive free or reduced lunches through Jefferson County School District, and reside in Wheat Ridge. This includes girls/boys team sports. Funds can be used for registration fees, uniforms and equipment costs for children participating in organized sports. Funds are available to club sport participants, as well.

Funding for this scholarship

Two accounts have been established for this program, the Endowment and Scholarship Funds.

The Endowment Fund is an account where donations are deposited and the money is invested by the Wheat Ridge Foundation. This account is intended to be a long term investment account where the monies are used for investment. However, the earnings from this account can/will be transferred to the Scholarship fund for disbursement. The principal amount will remain in the Endowment fund. Our long term goal is to increase the amount in this account and each year transfer the earnings for the scholarships.

The Scholarship Fund is an account where donations are deposited and used for scholarships. The money in this account is intended for immediate use by scholarship recipients.

Money can be deposited in either account. If you have a preference, please indicate which account you would prefer your donation to be placed. If you have no preference, we will make that determination for you.

The Wheat Ridge Foundation will send a letter to the donor with tax information.
