

## **Contractor Licensing Testing Requirements and Scheduling Information**

The City of Wheat Ridge Municipal Code requires that applicants for a Contractor's License demonstrate qualification to obtain that license. Dependent upon the type of license for which application has been submitted, demonstration of qualification is achieved through one of several methods.

For license Classes 8 - Plumbing and 10 - Electrical, provision of a current contractors and Master's license issued by the State of Colorado is required.

For license Classes 4 - Subcontractor, 6 - Structure Moving, 7 - Demolition, 11 - Sign Contractor, 12 - Fire Protection, 13 - Lawn Sprinkler, and 15 - Electrical Signal (less than 50 volts), provision of copies of three current licenses of equivalent class issued by Colorado jurisdictions is required.

For license Classes 1 - Commercial Unlimited, 2 - Commercial Limited, 3 - Residential, 9 - Mechanical, and 14 - Roofing, provision of a copy of a current license from a recognized jurisdiction which requires examination as a part of licensing, or evidence of successful completion of an appropriate International Code Council examination, is required.

To schedule a contractor examination based on the International Code Council testing program, applicants should contact Pearson VUE at 1-877-234-6082 or go to [www.pearsonvue.com/icc](http://www.pearsonvue.com/icc) to register online. When registering, be sure to have the Exam ID # shown on the left of the chart above that corresponds to equivalent Wheat Ridge license class for which you wish to apply. Examinations are open book, with multiple choice questions. The cost for each examination is \$100. Pearson VUE testing locations are:

### **TEST LOCATIONS:**

**Bayfield:**

Bayfield Adult Learning Center
