APPROVAL OF MINUTES Council Minutes of February 11, 2019 and March 11, 2019

APPROVAL OF AGENDA

CITIZENS' RIGHT TO SPEAK

- a. Citizens, who wish, may speak on any matter not on the Agenda for a maximum of 3 minutes and sign the <u>PUBLIC COMMENT ROSTER</u>.
- b. Citizens who wish to speak on an Agenda Item, please sign the <u>GENERAL</u> <u>AGENDA ROSTER</u>.
- c. Citizens who wish to speak on a Public Hearing item, please sign the <u>PUBLIC</u> <u>HEARING ROSTER</u> before the item is called to be heard.
- d. Citizens who wish to speak on Study Session Agenda Items for a maximum of 3 minutes and sign the <u>STUDY SESSION AGENDA ROSTER</u>.

1. CONSENT AGENDA

- a. Motion to award a contract and approve subsequent payments to Independent Roofing Specialists, LLC Commerce City Colorado in the amount of \$478,710 for hail damage repairs to Parks, Forestry, Open Space, and Public Works Structures
- Resolution <u>28-2019</u> approving an Intergovernmental Agreement with the City of Lakewood providing for resurfacing of 26th Ave. between Kipling Street and Oak Street
- c. Motion to approve a contribution to the Wheat Ridge Business District for the purpose of funding the Business Improvement Grant Program in the amount of \$90,000
- d. Resolution <u>29-2019</u> amending the Fiscal Year 2019 General Fund Budget to reflect the approval of a Supplemental Budget Appropriation in the amount of \$8,155 for the Foothills Animal Shelter Special Assessment
- e. Resolution <u>27-2019</u> approving the Memorandum of Understanding between Signal Behavioral Health Network and the City of Wheat Ridge to receive and distribute Narcan® Nasal Spray Kits

PUBLIC HEARINGS AND ORDINANCES ON SECOND READING

- 2. Resolution <u>31-2019</u> approving an amended and restated Service Plan and Intergovernmental Agreement with the Ward TOD Metropolitan District NOS. 1-3
- Resolution <u>32-2019</u> approving a Cooperation Agreement between the City of Wheat Ridge and the Wheat Ridge Urban Renewal Authority for the Applewood Village Redevelopment
- Council Bill <u>05-2019</u> an amending Section 16-132 and Subsection 16-133(H) of the Wheat Ridge Code of Laws to Exempt Needle-Stick Prevention and Syringe Exchange Program Participants from Criminal Prosecution
- Council Bill <u>02-2019</u> approving a zone change from Residential-Three (R-3) to Planned Residential Development (PRD) with and Outline Development Plan (ODP) for property located at 4000-4066 Upham Street (Case No. WZ-18-17/Ridgetop Village)
- 6. Resolution <u>19-2019</u> approving a Specific Development Plan (SDP) for property located at 4000-4066 Upham Street (Case No. WZ-18-18/Ridgetop Village)
- Resolution <u>20-1019</u> approving a Major Subdivision for property located at 4000-4066 Upham Street (Case No. WS-18-02/Ridgetop Village)
- Council Bill <u>06-2019</u> approving the rezoning of property located at 3300 Ames Street from Residential-Three (R-3) to planned Residential Development (PRD) with an Outline Development Plan (ODP) (Case No. WZ-18-25/Feaster)

PUBLIC HEARINGS AND ORDINANCES ON SECOND READING cont

9. Resolution <u>30-2019</u> – approving a Specific Development Plan (SDP) for property located at 3300 Ames Street (Case No. WZ-18-26/Feaster)

ORDINANCES ON FIRST READING

10. Council Bill <u>07-2019</u> – removing the local historic landmark status from an accessory structure on property located at 11480 W. 44th Avenue (Case No. WHL-19-01/McEntire)

CITY MANAGER'S MATTERS

CITY ATTORNEY'S MATTERS

ELECTED OFFICIALS' MATTERS

ADJOURNMENT

CITY OF WHEAT RIDGE, COLORADO 7500 WEST 29TH AVENUE, MUNICIPAL BUILDING

February 11, 2019

Mayor Starker called the Regular City Council Meeting to order at 7:00 p.m.

PLEDGE OF ALLEGIANCE TO THE FLAG OF THE UNITED STATES OF AMERICA

ROLL CALL OF MEMBERS

Zachary UrbanJaneece HoppeKristi DavisDavid KueterLarry MathewsLeah Dozeman

Absent: George Pond (excused)

Also present: City Clerk, Janelle Shaver; City Attorney, Gerald Dahl; City Manager, Patrick Goff; Community Development Director, Ken Johnstone; Parks & Recreation Director, Joyce Manwaring; other staff, guests and interested citizens.

Mr. Dahl had some questions for Mr. Kueter to establish for the record that he had not yet been appointed to the Council at the January 14 meeting. He affirmed, however, that he had been present in the room for the entire meeting, observed the public hearings for tonight's Items 2 & 5, and subsequently reviewed the packet material and recordings of those two items. Mr. Kueter stated he believes he is capable of making an informed decision on approval of the minutes for January 14, as well as the Council bills for the sale of parkland and the rezoning on Tabor Street.

With that record Mr. Dahl declared he is confident Councilmember Kueter can and should participate in those matters tonight.

APPROVAL OF CITY COUNCIL MINUTES of January 14, 2019

There being no objections, the City Council minutes of January 14, 2019 were approved as published.

PROCLAMATIONS AND CEREMONIES

Appointment of City Treasurer

City Treasurer Jerry DiTullio, having been elected to the office of Jefferson County Treasurer on November 6, 2018, resigned his position as City Treasurer effective midnight, January 7, 2019. Section 3.11 of the Wheat Ridge City Charter requires that when a vacancy occurs in the office of the city clerk or city treasurer, no special election

shall be called but such vacancy shall be filled by appointment by the City Council for the remainder of the term.

The vacancy was properly advertised and two applicants presented verbal resumes to the Council on February 4, 2019.

Motion by Councilmember Hoppe to appoint Christopher Miller as City Treasurer, term to expire November 25, 2019; seconded by Councilmember Kueter.

Substitute Motion by Councilmember Urban to substitute the name Korey Stites as City Treasurer; seconded by Councilmember Mathews; motion failed 2-4, with Councilmembers Dozeman, Hoppe, Davis and Kueter voting no.

The main motion carried 6-0.

Judge Randall administered the oath of office to Christopher Miller. Mr. Miller signed the appropriate documents.

Random Acts of Kindness Week

Mayor Starker read a proclamation designating the week of February 11-17 as Random Acts of Kindness Week. **Robin Baker** from Localworks thanked the Police Department and Compass Elementary school for their participation. **Amy Fleig**, teacher at Compass Montessori, explained what was done this year. Students **Anna Jane Kerr**, **Camila Hernandez**, **Julia Stamps**, **Maya Haines**, **Ella Haines**, **Emma Shaw**, **Cade Arvin**, **Quinn Matera**, and **Devyn Stevenson** read statements about what they did for acts of kindness.

Love Letters from Wheat Ridge

Rachel Hultin from the Wheaties group called up Chiefs John Simpson and Don Lombardi, a representative from Lutheran Hospital and Police Chief Brennan. The Wheaties group had partnered with 5 schools (Stober, Peak, Prospect Valley, Mountain Phoenix and WR Learning Academy), Boy Scout Troop 613, patrons of Colorado Plus, Lucky's Market and Bardo's Coffee House, and city staff to make sure all first responder in the city received a note of gratitude on Valentine's Day. 440 Thank You notes were presented to be distributed to first responders.

CITIZENS RIGHT TO SPEAK

John Butler (WR) distributed articles to the Council about a list of children who have died due to marijuana. Colorado leads the nation – 13 in the last year 6 years. A second handout was the transcription of a conversation with a doctor from Pueblo (who sees young people every day who smoke marijuana) concerning the erroneous perceptions that marijuana is not harmful, not addictive, safer than cigarettes, and does not damage the brain. He recommended marijuana be a class 2 drug.

Barbara St. John (WR) told of the Denver City Council's 12-1 vote to open a safe heroin injection site (SIS) – the first ever in the Unites States. If passed by the legislature, every City in Colorado could do this. She told how local radio personalities from KNUS 710 visited Vancouver, BC where there are 6 SIS's, and witnessed the bad situation, crime, and deplorable conditions in the 4-8 block area surrounding these sites. She suggested that rehab facilities are a better solution to solve the heroin problem and encouraged folks to look at KNUS Peter Boyles' website for photos and information.

Kelly Baillie (WR) attempted to speak on the rezoning case of Item #5. She had been at the January 14 meeting but was not allowed to speak.

Mayor Starker asked for guidance from the City Attorney on whether she could speak – since the public hearing had been closed.

Mr. Dahl advised that the hearing had indeed been closed [to public comment] at the January 14 meeting. He did however suggest that citizens be allowed to speak on it, with the knowledge that their comments cannot be part of the official record from which the Council makes its decisions.

Mayor Starker allowed her to speak and Ms. Baillie continued with her remarks.

Jeffrey Schitter (WR) lives just off 48th and Wadsworth and believes when the project is finished his property will be 70% of its current size. Has attended all the Wadsworth widening meetings since 2016. All was fine until last June when planners decided to remove access to 48th on the east side and impair access to Wadsworth and I-70 from both sides of 48th. He described how this will affect his and everyone's property values north of 44th within a mile of Wadsworth. That said, his biggest issue is the lack of communication between the project team and the public. He believes staff is trying to keep the plans secret until it is too late. The project manager told the residents it was too late to change the plans. Advertisement for meetings have been advertised to only 5% of the people impacted. He has had fears this will get pushed through so he organized outreach to the neighbors. He advised there are solutions for mitigation that will not hurt eligibility for federal grants; he'd be happy to share them.

Margarete Parker (WR) lives near Wadsworth. She listed a number of problems with the Wadsworth project. She said people are not aware of the plans. The plans are not being presented on the City website. These plans are the best kept secret in WR. She feels this project, as it is now, will lower property values north of 44th by 5-10% and negatively impact quality of life. She feels the project currently only helps pass through traffic from neighboring cities and doesn't benefit the citizens of WR at all. That is what the Council is charged to do. Council needs to dig a little deeper and serve the community. She lives on 48th Circle and didn't even know about the June meeting. She advised the Council that most of the community doesn't know about this, and details are not on the website as promised.

Rachel Hultin (WR) is one of the co-chairs for WRNRS. **Kathleen Martell** and **Korey Stites** were with her. They are working with 26 steering committee members. A citizen survey will be available on the City website starting this Wednesday through March 1. Resident are encouraged to take the survey and send it to their neighbors. Four open houses will be held on March 19 and 20 to review results of the survey and look at next steps towards adoption. Details are available on the City website.

Merissa Silverberg (Lakewood) is the community food mobilizer for Jeffco Public Health. On Friday Feb 22 there will be an event called Health from the Ground Up: Meet Your Local Farmers at St. James Episcopal Church. The idea is to purchase a share of local produce at the beginning of the season. There will be 10 Jeffco farmers and several speakers. More information is on the Jeffco Public Health website.

Ihor Figlus (WR) commented that the Council Rules and Procedures, as used at the January 14 meeting, have caused one of his neighbors to not ever want to attend another Council meeting. He encouraged Council to develop rules that encourage citizens to speak rather than discouraging them -- especially when it involves a topic that is important for particular neighborhoods where some have more time to speak and others are restricted.

John Clark (WR) spoke on zoning. He read from the minutes of a recent Planning Commission meeting which say that Kelly Baillie, the owner of 11661 W. 44th Ave, is open to working with Mr. Lyons to include her property with the development at 4440 Tabor. This 1.5 acres could support another 18 units besides the already proposed 26 units at 4440 Tabor. Mr. Clark added the matter of the single family house at 4430 Tabor that is part of the 20% legal protest. When examining the number of units and the eventual traffic all these future developments need to be considered.

There was discussion about having public comment on Items 2 and 5 because the public hearings are closed.

Suzanna Coates (WR) commented that when two private businesses make a private arrangement, that is their business. There is no reason the City should be involved.

Fran Singer (WR) said Council will be voting on a parcel of land that the neighbors worked hard for with a vision of a link between Crown Hill and Clear Creek. She cited a Jan 14 Denver Post article that says we need more open spaces – that building mania is hurting the residents in the Denver area. Research indicates that direct access to green space is essential and key to a livable quality of life. Commercialization of this space will 1) Impact the health of the residents, 2) Create major traffic congestion, 3) impact safety, 4) dramatically changing the neighborhood forever, and 5) Uglify our park and our City. The greater good is for this land to remain parkland for all to enjoy.

Odarka Figlus (WR) commented on how recommendations are presented to Council.

- 1) The statement that the parkland property proposed for sale is "excess property" is not substantiated. There was no public process or public involvement in that determination. There was no analysis from the Parks Dept on other potential uses or benefits of development as a park.
- 2) The fact that the parcel is "zoned C-1" is irrelevant; all of the park is zoned C-1.
- 3) Saying that unless the land is sold "it has no value" stretches credibility. The appraisal does not even mention the value of the land as parkland, so how impartial was this appraisal?

- 4) "Apple Ridge wants to relocate." Apple Ridge is free to move elsewhere; it's a free market. (And how is it "free market" to subsidize giant CVS at the expense of local WR Pharmacy that has served the community for decades?)
- 5) "CVS will generate revenue." There are no numbers to back this up, and no mention of the subsidy they will likely request in the form of an offsetting TIF.

Generally speaking, the packets need to provide more analysis behind the recommendations that are made by staff – including the possibility of TIF's.

Councilmember Urban responded to comments about 48th Ave. On January 30 he emailed a request to have those drawings put on the website and hoped that would be done soon. Why aren't they? Mr. Goff said the drawings have been there for several weeks. Discussion followed. Further directions will be given on the website to help viewers locate the 48th Ave site.

Councilmember Mathews responded to comments about marijuana shops. He announced that safe injection sites are scheduled for discussion on Feb 25 at a Special Study Session.

Councilmember Davis asked for further explanation about how to find the 48th Ave drawings on the website. Mr. Goff explained. In the Wadsworth Improvement section viewers should scroll down to the last page to see the 48th Ave drawings.

APPROVAL OF AGENDA

Councilmember Hoppe noted the applicant for Item 5 has requested a continuance. She asked that Item 5 be moved up to be taken after the Consent Agenda so potential speakers don't have to wait around all night, only to have it continued.

Councilmember Davis noted that Item 2 requires a vote of all eight councilmembers. Mr. Goff recommended continuing Item 2 until eight councilmembers are seated.

1. CONSENT AGENDA

- a. Motion to award Janitorial Services to American Facility Services Group, Lakewood, CO, and approve payments not to exceed \$99,586.22 [budgeted]
- b. Motion to approve payments to Charles Abbott Associates, Inc. for ongoing building permit, plan review and inspection services in the amount of \$802,400 as approved in the City's 2019 Budget and authorizing all subsequent payments [outsourced services contract]
- c. Resolution <u>10-2019</u> amending the Fiscal Year 2019 Budget to reflect the approval of a Supplemental Budget Appropriation for the Re-Appropriation and Re-Encumbrance of 2018 Fiscal Year Encumbered Funds in the amount of \$9,789,009.05 [63 open purchase orders from 2018 for projects that are not fully completed]

 d. Resolution <u>12-2019</u> – granting an Easement to Metro Wastewater Reclamation District for the purpose of providing a sewer line metering station in City owned Open Space [*north of 44th Ave, east of Field St*]

Councilmember Hoppe introduced the Consent Agenda.

Councilmember Urban asked to pull Item a).

Motion by Councilmember Hoppe to approve the Consent Agenda items b), c), and d); seconded by Councilmember Mathews; carried 6-0.

Motion by Councilmember Hoppe to approve Item a); seconded by Councilmember Urban;

Councilmember Urban had questions about an entry marked as a "math error". Purchasing Agent Jennifer Nellis explained; it was an error by the bidder. She also confirmed that the winning bidder is the same company currently being used.

carried 6-0.

PUBLIC HEARINGS AND ORDINANCES ON SECOND READING

 <u>Council Bill 33-2018</u>: Ordinance 1663 – an ordinance approving a zone change from Agricultural-One (A-1) to Planned Residential Development (PRD) with an Outline Development Plan (ODP) for property located at 4440 Tabor Street (Case No. WZ-18-15/Clear Creek Terrace) (continued from January 14, 2019 for Council Action)

The purpose of the request for rezoning is to allow for the development of a twenty-six unit townhome project. The public hearing was held on January 14, 2019 at which time a legal protest was entered into the record. The public hearing was closed and the case was continued to February 11, 2019 for action.

Councilmember Dozeman introduced Council Bill 33-2018 [which has already been assigned Ordinance No.1663 by City Clerk Shaver].

Mr. Goff made note of a letter the City had received that afternoon from the applicant; he had distributed the letter to the Council. The applicant had requested another continuance to April 8.

Motion by Councilmember Dozeman to postpone Item 5 until there is a full Council, April 8; seconded by Councilmember Davis; carried 6-0.

 <u>Council Bill 34-2018</u>: Ordinance 1664 – an ordinance approving the sale of designated Park Land at the Intersection of West 38th Avenue and Johnson Street and, in connection therewith, authorizing execution of an agreement for said sale (continued from January 14, 2019 for Council Action) Councilmember Mathews introduced Item 2.

Clerk Shaver advised the ordinance had already been numbered Ordinance 1664.

Motion by Councilmember Mathews to postpone second reading consideration of Council Bill No.<u>34-2018</u>, an ordinance approving the sale of designated park land at the intersection of West 38th Avenue and Johnson Street to the Council's regular meeting on April 8, 2019; seconded by Councilmember Dozeman.

Councilmember Mathews proposed that postponement was the fair thing to do since a unanimous vote of eight councilmember is required for approval and there are not now eight seated members.

Councilmember Davis inquired of Mr. Goff about other contingencies for CVS related to development of this parcel and potential granting of TIF. Mr. Goff replied there are many contingencies and no guarantees of anything, but the first hurdle is to sell the parkland.

The motion carried 6-0.

 Resolution <u>11-2019</u> – a resolution approving an Eighty-Nine Lot Subdivision Replat for Property Zoned Mixed Use-Neighborhood (MU-N) and Planned Residential Development (PRD) at the Northwest Corner of Yarrow Street and 42nd Avenue (Case No. WS-18-07/Yarrow Gardens Filing No. 3)

The requested subdivision replat does not alter the previously approved number of townhomes (89) or the internal private street network; it simply allows for a slightly different mix of building types, which range from 3-plexes to 6-plexes.

Councilmember Davis introduced Resolution <u>11-2019</u>.

Mayor Starker opened the public hearing and swore in the speakers.

Staff presentation – Lauren Mikulak

- Ms. Mikulak entered into the record the case file, zoning ordinance, subdivision regulations and the digital presentation. She testified that all posting and notice requirements had been met.
- She reviewed the rezoning, platting, and ownership history of the property.
- As the project proceeded into final design by the current owner it became clear that some of the townhomes lots need to be modified.
- She displayed the approved platting as compared to the suggested reconfiguration.
 - The approved platting has units of three, six, and five units.
 - The reconfiguration removes the tri-plexes and redistributes the same number of units into buildings with four and five units.
 - Lot lines and tracts are altered to accommodate the changes. The process for review of a re-plat is the same as the original platting process.
- There are no changes to the total unit count, easements, ROW, overall design, or drainage and traffic.

- No outside agencies expressed concern from the replat.
- No public comment was received on the re-plat.
- The Planning Commission and staff recommend approval, with one change related to payment of fees in lieu of parkland dedication.

Public Comment

Roger Loecher (WR) agrees with the project, but has issues with how the traffic is being managed.

- Traffic is routed to Yarrow Street and dead ends at 44th.
- A traffic light on 44th was considered, but turned down.
- A right-turn-only lane was considered, but that will take away parking spaces.
- Another consideration was the taking of land on 44th to provide room for the right turn lane. This would remove parking for the commercial spaces on the street.
- He's also troubled by the statement that if the Graul property is developed, staff would make them put in a street – i.e. extending 42nd Ave through more commercial property [to Wadsworth].
- He suggested a more logical approach would be to exit traffic to the west on to Ammons Street where a stoplight already exists on 44th.
- He doesn't think it's too late to correct this problem.

Council Questions

Councilmember Mathews asked what changed to require the replatting. Ms. Mikulak said the new owners want to eliminate the tri-plexes because they are not cost efficient.

Councilmember Urban delved deeper about plans for 42nd Ave. Ms. Mikulak said no signal is warranted at 44th at this time and there are no plans to extend 42th at this time. Public Works will continue to monitor this as it comes on line and as there are other changes in the area related to the Wadsworth widening. Mr. Urban said he is fervently against extending 42nd through the Happiness Gardens. Ms. Mikulak confirmed that the failure of warrants for a signal at 44th & Yarrow is based on projected traffic.

Councilmember Davis likes the development company, but expressed her serious concerns about how the traffic will put a burden on the neighborhood to the south. "Keeping an eye on it" isn't good enough.

Councilmember Hoppe noted this agenda item only redraws lines; there is no change in the number of units.

Councilmember Dozeman asked if the retaining wall will be retained. Ms. Mikulak said it is her understanding that it will remain.

Mayor Starker closed the public hearing.

Motion by Councilmember Davis to approve Resolution No. <u>11-2019</u>, a resolution approving an eighty-nine lot subdivision replat for property zoned Mixed Use-Neighborhood (MU-N) and Planned Residential Development (PRD) at the Northwest Corner of 42nd Avenue and Yarrow Street (Case No. WS-18-07/Yarrow Gardens Townhomes), for the following reasons:

- 1. City Council has conducted a proper public hearing meeting all public notice requirements as required by Section 26-109 and 26-407 of the Code of Laws.
- 2. The requested subdivision has been reviewed by the Planning Commission, which has forwarded its recommendation for approval.
- 3. All requirements of the zoning code and subdivision regulations have been met.
- 4. Utility districts can serve the property with improvements installed at the developer's expense.

With the following condition:

1. The developer shall pay parks fees at the time of plat recording in the amount of \$222,258.

seconded by Councilmember Dozeman; carried 6-0.

4. <u>Council Bill 01-2019</u> – an ordinance amending the Wheat Ridge Code of Laws to regulate the creation of Flag Lots (Case NO. ZOA-18-05)

If approved, this ordinance would discontinue administrative approval of a subdivision containing a flag lot, and would require, at a minimum, a Planning Commission public hearing. Administrative approval of other subdivisions of three or fewer lots would remain.

This issue arose due to public concern about the administrative approval of a flag lot subdivition in the Bel-Aire neighborhood last October. At issue are the appropriateness of flag lots and the extent to which subdivisions should be reviewed and approved administratively. A temporary moratorium on this process was enacted and staff was directed to draft an ordinance requiring minor subdivisions with flag lots to be subject to a Planning Commission hearing.

Councilmember Urban introduced Council Bill 01-2019.

City Clerk Shaver assigned Ordinance 1665.

Mayor Starker opened the public hearing.

Staff presentation - Ken Johnstone

Mr. Johnstone noted a handout that was distributed to Council tonight listing the subdivisions that had been granted administratively in 2017 and 2018. None have been submitted in 2019.

Chris Chidley (WR) read parts of letters from Walter Lamendola and Mike Cunningham, who both had to leave, and added his own thoughts.

- Studies show that
 - Neighborhoods that preserve and enhance their housing stock and values include, among other things, restricted traffic access, large lots, ample setbacks, and walkable streetscape.
 - Success is greatest when maximizing the potential of historic residential areas.

- Neighborhood participation in decisions is not served by administrative approval.
- There is no security of the future character of a neighborhood if neighbors are not allowed to participate in decisions that affect them.
- Flag lots are a way around R-1 zoning (single family houses) by actually creating duplexes - which are not allowed in R-1. The Community Development Director rushed the recent approval of the flag lot on Everett St; it could have been done with a public process.
- For his statement Mr. Chidley read the intent and purpose of the R-1 zone as stated in the Zoning Code. It is to be a safe, quiet, low density neighborhood. Activities that aren't compatible with the residential character are to be prohibited. In 2014 the definition of minor subdivision was changed from two to three lots. They are requesting that all subdivisions, including flag lots, require public input.

Karen Jenni (WR) thanked Council for making an effort to get more neighborhood input for flag lots. She would like to see that go further. She noted that people who buy property, change its character and don't intend to live there don't have as much of an investment. She would like to see no administrative approval of subdivisions.

George Mayfield (WR) supports getting neighborhood input for approval of flag lots.

Katharyn Grant (WR) spoke also for **Elizabeth Grant** (WR). They support public input for subdivisions and flag lots. They support not allowing flag lots in certain areas that have been planned in a beautiful way. They don't want high density housing in their neighborhood as it will change the character of the neighborhood. When one person buys and changes a property it affects the value of all the properties in the area. It is offensive to her that someone would buy a property and change it drastically just for their investment, to create a rental -- at the expense of the neighborhood. One person who does not live in the neighborhood should not be making that decision.

Carol Mathews suggested that administrative approval discriminates against the citizens of established neighborhoods. When a single administrator makes decisions, behind closed doors, that alter the character of a neighborhood, 1) residents have no incentive to improve their properties, 2) the City administration is villainized and the perception of co-option is created, and 3) prospective home buyers are discouraged because they have no security about the future character of their neighborhood. She read from the zoning code about how arrangement of parcels is to contribute to preserving neighborhood character. To eliminate the hostility between administration and property owners she urged Council to eliminate administrative approval for subdivisions, and restore it to minor subdivision status which requires public notice, neighborhood input, and review by Planning Commission and City Council.

Rachel Hultin (WR) thinks there is a need for public input. If anything is added beyond the published change about flag lots, she requested this be tabled so residents can have an opportunity for input.

Michael Pisney (WR) supports the public hearing component. He related an issue in his neighborhood where people from Bailey are going to split a lot, build a second house in the back yard, make a million dollars and ruin the view of four neighbors. This

should be about Wheat Ridge neighbors, not out of towners who only want to make money.

Jeffrey Schitter (WR) thinks this is an important task. Denver is exploding, and the developers are only interested in making money - not living here. He believes in property rights, but it should go both ways. He would like to see a transparent scenario and have the decisions made by more than a single person; it should be a shared, open process. He left north Denver several years ago and came to Wheat Ridge because it is special. He hopes Council will get a handle on this to ensure changes are smart.

Ihor Figlus (WR) expressed opposition to the proposed ordinance. He believes it creates a free for all. He suggested the existing wording should be retained, but add an element of approval of Planning Commission and City Council.

Council Questions

Councilmember Urban received confirmation from Mr. Johnstone that with the ordinance change would provide that no flag lots could be approved administratively – even if they meet criteria.

Councilmember Mathews appreciated receiving that list of administrative approvals for the last two years. There have been 11 of them, so this is not a rare occurrence; it's about one every other month. He'd like to know why this transparency was removed.

Councilmember Dozeman supports the ordinance. She also wants to discuss all categories of minor subdivisions in a transparent way.

Councilmember Urban suggested that giving some decision-making capabilities to boards and commissions is a good thing. He favors discussing removing the administrative approval of subdivisions and doesn't think it would place an undue work burden on Council.

Councilmember Kueter asked if any of the other subdivisions on the chart included flag lots. Mr. Johnstone wasn't sure, but didn't think so.

Councilmember Davis has mixed feelings about the various types of subdivisions, but favors consistency. She suggested requiring Council approval may lead to Council being swayed by public input – rather than being consistent, because each case is different.

Councilmember Urban countered that since each application is different, he thinks the consistency is about listening to the citizens and judging each case on its merits. He thinks the opinions of adjacent and nearby property owners are important, and that applying the same set of criteria for cases that are drastically different is not good policy.

Councilmember Hoppe asked Mr. Johnstone to go through the subdivision process. He agreed with her that inviting the public to a hearing where they think they will have meaningful input is a bit of a set-up if a proposal meets all development criteria.

Councilmember Kueter inquired how something could be "not encouraged", but permitted. Mr. Johnstone explained the wording that gives him discretion (that is not defined) is being replaced with a requirement that "if three criteria are met."

Mayor Starker closed the public hearing.

Motion by Councilmember Urban to approve Council Bill <u>01-2019</u>, an ordinance amending the Wheat Ridge Code of Laws to regulate the creation of flag lots, on second reading, and that it take effect 15 days after final publication, seconded by Councilmember Davis.

Discussion followed. Councilmembers expressed their opinions about the ordinance.

Councilmember Hoppe thinks this ordinance sets up expectations for the public that their opinion will matter. She believes the way to address this issue is to change the criteria. If something meets a minimum of criteria, it can be allowed. This topic did not go through a study session and overlay zones have not been discussed.

Councilmember Kueter agreed and added he thinks this is a city-wide solution to a specific problem.

Councilmember Mathews expounded on the people's dislike of things done behind closed doors (and not receiving notice), people wanting to be involved and listened to, and the Council's responsibility to listen to the people and make hard decisions – not hide behind ordinances that provide no discretion.

Motion by Councilmember Mathews to amend Section 3 at the top of page 3 to replace "Community Development Director" with "Planning Commission"; seconded by Councilmember Dozeman.

Following discussion, Councilmember Mathews withdrew his motion.

Councilmember Mathews stated, for the record, that this ordinance was approved unanimously by the Planning Commission.

The motion failed 4-2, with Councilmembers Hoppe and Kueter voting no. (5 votes required for passage)

CITY MANAGER'S MATTERS

CITY ATTORNEY'S MATTERS

ELECTED OFFICIALS' MATTERS

Larry Mathews had three announcements.

- Tomorrow, February 12th, CDOT will be having an open house from 5-7 at the Rec Center for final citizen input on the I-70 & Kipling interchange.
- There will be an upcoming discussion about Safe Injection Sites.

 A new street tree planting program will be starting soon. People should watch for notice and consider participating. Guidance will be provided by our Forestry division. Planting will start in June.

Kristi Davis received clarification that the street tree program will only be in identified areas this first time. If successful, the program will be expanded citywide.

Zachary Urban noted he is not in favor of Safe Injection Sites, but hopes the upcoming discussion will bring attention to the opioid crisis. ~ Regarding the issue of 48th & Wadsworth, he announced that he and the Mayor had met with staff about working on a way to meet with CDOT and the Federal Highway Administration to meet with the public about alternatives and solutions. An update is coming shortly.

Janeece Hoppe asked Mr. Dahl why public comment is taken before the agenda is approved. He advised that was what the Council put in their Rules. Ms. Hoppe said in the future she will ask for a change to Approve the Agenda before Public Comment. ~ She added that on Friday, February 22 people can "Meet Their Farmer" at St. James Church. Folks can learn what a "crop share" is and how the program works.

Mayor Starker announced receiving a letter from Councilmember Tim Fitzgerald resigning his position effective February 10 due to ill health.

Motion by Councilmember Hoppe to accept Mr. Fitzgerald's resignation with thanks; seconded by Councilmember Urban; carried 6-0.

Councilmember Urban noted that Councilmember Fitzgerald's attendance and work ethic were unmatched.

The Mayor congratulated Mr. Miller on his appointment as City Treasurer and thanked Mr. Stites for applying. He offered thanks for the Love Notes for the first responders and thanked the students of Compass Montessori for their acts of kindness.

ADJOURNMENT

The City Council Meeting adjourned at 10:01 pm.

Janelle Shaver, City Clerk

APPROVED BY CITY COUNCIL ON MAY 13, 2019

Janeece Hoppe, Mayor Pro tem

The preceding Minutes were prepared according to §47 of Robert's Rules of Order, i.e. they contain a record of what was *done* at the meeting, not what was *said* by the members. <u>March 11, 2019</u>

Mayor Pro-Tem Hoppe called the Regular City Council Meeting to order at 7:00 p.m.

PLEDGE OF ALLEGIANCE TO THE FLAG OF THE UNITED STATES OF AMERICA

ROLL CALL OF MEMBERS

Zachary Urban Janeece Hoppe Kristi Davis Tim Fitzgerald Larry Mathews

Absent: Mayor Starker (excused), George Pond (excused), Leah Dozeman (excused),

Also present: City Clerk, Janelle Shaver; City Attorney, Gerald Dahl; Parks & Recreation Director, Joyce Manwaring (filling in for Mr. Goff); other staff, guests and interested citizens.

<u>APPROVAL OF CITY COUNCIL MINUTES</u> of February 25, 2019 and Special Council Minutes of March 4, 2019

There being no objections, the City Council minutes of February 25, 2019 and Special Council Minutes of March 4, 2019 were approved as published.

APPROVAL OF THE AGENDA

CITIZENS RIGHT TO SPEAK

Dan Larson (WR), member of Planning Commission and board of Garrison Village Condos, gave an update on the repair of hail damage that has been done. The roofs were repaired. The lawsuit against the insurance company has been settled. Siding will be replaced starting in April. He thanked the City for its help and the residents for their patience.

Abigail Lantz (Golden) Her property is next to Clear Creek Crossing. The developer has been working with the neighbors. She wanted council to know that Evergreen Development Company has raised the height of site PA 5 which will be a hotel – now making the hotel much higher. Now the 5 stories will look into their bedrooms. She expressed other concerns, such as the migrant population on Clear Creek, and drainage. A drainage ditch has been removed. This is all going to affect their property value. The neighbors were told this would be a family friendly development – not on top

of them. She recommended Evergreen should be required to put in a barrier – for safety and privacy.

Rachel Hultin (WR) said 25 people came to Coffee with the Mayor. She is grateful when elected officials take time to meet with the people.

Carol Mathews (WR) congratulated the City for the NRS response by citizens. She announced dates for the Open Houses that will be held and urged people to come and provide input.

• March 19: 9-11 at the Active Adult Center, and 4-6pm at WR High School.

March 20: 7:30-9:30am at the rec center and 5-7pm at Colorado Plus

There will also be presentations to the Planning Commission on March 18, and to the City Council on March 21. These are also opportunities for the public to come give input about the future of Wheat Ridge.

Andy Rasmussen (WR) presented some letters for former Councilmember Tim Fitzgerald. He explained how Tim helped him learn about Wheat Ridge. He and Rachel Hultin presented the letters and spoke in tribute to Tim Fitzgerald.

Councilmember Mathews responded concerning the problems the Garrison Condos have been having. He has been in contact with them for 2 years on this, and will be attending a meeting with them this week.

ORDINANCES ON FIRST READING

 Council Bill <u>04-2019</u> – An Ordinance amending Sections 11-51, 11-52, 11-53, 11-56, 11-63, 11-64 and 17-27 of the Wheat Ridge Code of Laws concerning the licensing and use of alcohol beverages and making additional housekeeping revisions to said Code updating statutory citations to conform to recent legislative changes

Consideration of an ordinance updating the Wheat Ridge Code to reflect amendments that have been made to the state's Liquor and Beer Codes.

Councilmember Kueter introduced Council Bill 04-2019.

Motion by Councilmember Kueter to approve Council Bill No. <u>04-2019</u>, an ordinance amending Sections 11-51, 11-52, 11-53, 11-56, 11-63, 11-64 and 17-27 of the Wheat Ridge Code of Laws concerning the licensing and use of alcohol beverages and making additional housekeeping revisions to said Code updating statutory citations to conform to recent legislative changes on first reading, order it published, public hearing set for Monday, March 25, 2019 at 7:00 p.m. in City Council Chambers, and, if adopted, that it take effect 15 days after final publication; seconded by Councilmember Urban; carried 6-0.

DECISIONS, RESOLUTIONS AND MOTIONS

2. Resolution No. <u>15-2019</u> – A Resolution amending the Fiscal Year 2019 Public Art Fund Budget to reflect the approval of a Supplemental Budget Appropriation in the amount of \$18,500 and approving payment to Nancy Lovendahl in the amount of \$79,500 with a \$4,000 Contingency for the purchase of "Sweet Grass Dance", a stone sculpture

The sculpture is part of the renovation of Anderson Park.

Councilmember Mathews introduced Item 2.

Staff presentation - Joyce Manwaring

Ms. Manwaring introduced **Dina Miller**, hired by the City to oversee the public art process.

Ms. Miller outlined the selection process as defined in the Public Art Management Plan

- An art selection Committee made up of citizens, representation from the Cultural Commission and Councilmember Mathews met twice between Oct. and Jan.
- The Committee set the parameters for design and artist selection criteria.
 - o They defined the function of the art, the theme and aesthetic quality.
 - They wanted the piece to add to the park not overwhelm it, celebrate the park as a festival park, and be interactive and immersive.
- They reviewed qualified artists and selected an artist and a design to recommend to the Cultural Commission.
- A limestone sculpture entitled "Sweet Grass Dance" by artist Nancy Lovendahl was selected unanimously by the Committee.
- Ms. Miller explained the message of the piece.
- It will be located at a junction of three paths between the pavilion and the parking lot.
- It will include 8 pieces of stone reminiscent of grass blades, with a dot pattern on one side of each stone to depict dew drops.
- A model was presented. The tallest stones will be 8 feet tall.
- She presented the budget for the project.
- Cost of the acquisition is \$79,500 plus a \$4,000 contingency for unanticipated issues.
- A summer installation is planned.
- There is a plan to have graffiti proof covering on the stone.
- "Dew drops" will be acid stained onto the nearby sidewalk.

Councilmember Urban asked about the flood plain. Ms. Miller said a flood would not affect the structures.

Councilmember Mathews noted the Committee put a lot of thought and effort into this; he enjoyed working with them. He assured other grumpy old men this will not have any blazing red eyes. It will enhance the park, and he looks forward to seeing it installed. Clerk Shaver had questions about the aerial view. The dots in the grass are from the landscape overlay. The pinkish ground is crusherfine, so mowers can go around the sculptures without running into them.

Councilmember Mathews added that the layout accommodates emergency vehicles.

Motion by Councilmember Mathews to approve Resolution 15-2019 a resolution amending the Fiscal Year 2019 Public Art Fund Budget to reflect the approval of a Supplemental Budget Appropriation in the amount of \$18,500 and approving payment to Nancy Lovendahl in the amount of \$79,500 with a \$4,000 Contingency for the purchase of "Sweet Grass Dance", a stone sculpture; seconded by Councilmember Urban; carried 6-0.

3. Resolution No. <u>16-2019</u> – A Resolution in support of House Bill 19-1009 concerning supports for persons recovering from substance use disorders

House Bill 19-1009 is a bill designed to support individuals recovering from substance abuse addiction in Colorado communities through the regulation of substance abuse recovery residences and establishment of state funding and support services for housing assistance for qualified individuals.

Councilmember Urban introduced Item 3.

In lieu of a staff presentation, Councilmember Urban took questions – as he has done a great deal of research on this.

- Regarding the status of the bill, it has passed out of the House and will go to the Senate.
- Councilmember Urban will make sure the legislature is aware of the support from the City of Wheat Ridge.
- Mr. Urban noted that to allay citizen concerns about recovery houses/facilities, this bill requires that such houses be certified by the Colorado Association of Recovery Residences. This will help deal with issues that arise and ensure the facilities are safe for the individuals in recovery.
- Councilmember Hoppe thanked Councilmember Urban for bringing this to the Council so they can support it.

<u>Motion</u> by Councilmember Urban to approve Resolution 16-2019, a resolution in support of House Bill 19-1009 concerning supports for persons recovering from substance abuse disorders; seconded by Councilmember Davis.

The motion carried 6-0.

 Resolution No. <u>17-2019</u> – A Resolution in support of Senate Bill 19-008 concerning treatment of individuals with substance use disorders who come into contact with the Criminal Justice System

SB 19-008 is designed to provide services and treatment to addicted individuals in lieu of entering the criminal justice system. It adds low level drug crimes to a simplified record sealing process and identifies funding to expand the Law Enforcement Assisted Diversion (LEAD) programs. in Colorado communities through the regulation of substance abuse recovery residences and establishment of state funding and support services for housing assistance for qualified individuals.

Councilmember Urban introduced Item 4.

There was no staff presentation or questions from the Council.

Motion by Councilmember Urban to approve Resolution 17-2019, a resolution in support of Senate Bill 19-008 concerning treatment of individuals with substance abuse disorders who come into contact with the Criminal Justice System; seconded by Councilmember Mathews; carried 6-0.

5. Resolution No. <u>18-2019</u> – A Resolution authorizing Wheat Ridge's participation in the 2019 Metro Mortgage Assistance Plus Program and delegating to the City and County of Denver the Authority of Wheat Ridge to take action and exercise power under a Delegation and Participation Agreement on behalf of Wheat Ridge with respect to the program

This is the renewal of an agreement with the City and County of Denver to participate in the Metro Mortgage Assistance (MMA) Plus Program. MMA helps low- and moderate-income persons or families with competitive mortgage loans, down payments and closing costs. The City has participated in this program since 2013.

Councilmember Davis introduced Item 5.

Councilmember Davis listed some of the particulars of the program. She noted that since 2013 this program has helped originate nine loans in Wheat Ridge - totaling \$2,172,307 in loan amount and \$86,892 in closing costs.

Councilmember Mathews noted there is no cost to the City and it helps folks out.

Councilmember Urban encouraged first-time home buyers to attend a HUD approved homebuyers' education class. They are free. There will be classes on March 15 and 23, and April 12 and 27 in Edgewater.

Councilmember Davis remarked that she had used a program like this when she bought her first home in Denver, and the classes are very helpful.

Motion by Councilmember Davis to approve Resolution 18-2019, a resolution authorizing Wheat Ridge's participation in the 2019 Metro Mortgage Assistance Plus Program and delegating to the City and County of Denver the Authority of Wheat Ridge to take action and exercise power under a Delegation and Participation Agreement on behalf of Wheat Ridge with respect to the program, seconded by Councilmember Urban; carried 6-0.

CITY MANAGER'S MATTERS

CITY ATTORNEY'S MATTERS

ELECTED OFFICIALS' MATTERS

Kristi Davis asked for someone to join her in putting the Clear Creek Crossing issues on a study session agenda so Council, as a body, can follow up on the concerns of the neighbors. Mr. Urban agreed to join her on that.

David Keuter congratulated Mayor pro tem Hoppe on the short length of the meeting.

Mayor pro tem Hoppe welcomed Councilmember Weaver and thanked Carol Mathews for reminding folks about the NRS open houses coming up. She added that all the gatherings except the one at Colorado Plus will have an ASL interpreter. ~ She announced that the NRS will be reporting to Council at the March 18 Study Session and on March 21 to the Planning Commission.

Larry Mathews asked if those meetings were on the website. Ms. Hoppe said they were.

ADJOURNMENT

The meeting adjourned at 7:51 pm.

ISSUE:

The May 8, 2017 hailstorm caused extensive damage to a majority of Parks, Forestry, Open Space and Public Works structures. CIRSA, the City's insurance company, evaluated the damage and provided insurance estimates to the City to repair the damage. Repair services were formally solicited by the Purchasing and Contracting Division and Independent Roofing Specialists, LLC is the low bidder in the amount of \$478,710.

PRIOR ACTION:

None

FINANCIAL IMPACT:

Funding was appropriated in the 2019 Central Charges budget for these repairs. CIRSA will reimburse the City was the work is completed.

BACKGROUND:

Three bids were accepted for ITB-19-04 on April 16, 2019. Independent Roofing Specialists, LLC is the low bidder at \$478,710. Awarding this contract will provide the funds necessary to

Council Action Form – Hail Damage Repairs May 13, 2019 Page 2

repair or replace roofs, siding and paint at all Parks, Forestry, Open Space and Public Works structures damaged during the May 8, 2017 hailstorm.

RECOMMENDATIONS:

Staff recommends the award of the contract to Independent Roofing Specialists LLC, for hail damage repair to Parks, Forestry, Open Space, and Public Works structures.

RECOMMENDED MOTION:

"I move to award a contract and approve subsequent payments to Independent Roofing Specialists LLC, Commerce City, Co., in the amount of \$478,710 for hail damage repair to Parks, Forestry, Open Space, and Public Works structures.

Or,

"I move to deny award of a contract and subsequent payments to Independent Roofing Specialists LLC, Commerce City, Co., in the amount of \$478,710 for the hail damage repair to Parks, Forestry, Open Space, and Public Works structures.

ITEM NO: <u>1b.</u> DATE: May 13, 2019

REQUEST FOR CITY COUNCIL ACTION

TITLE: RESOLUTION NO. <u>28-2019</u> - A RESOLUTION APPROVING AN INTERGOVERNMENTAL AGREEMENT WITH THE CITY OF LAKEWOOD PROVIDING FOR RESURFACING OF 26TH AVENUE BETWEEN KIPLING STREET AND OAK STREET

| PUBLIC HEARING BIDS/MOTIONS RESOLUTIONS | | ES FOR 1 ST READING ES FOR 2 ND READING |
|---|-----|--|
| QUASI-JUDICIAL: | YES | NO NO |
| Director of Public Works | | City Manager |

ISSUE:

The cities of Wheat Ridge and Lakewood both engage in annual pavement rehabilitation and resurfacing projects. 26th Avenue serves as a common boundary between the two cities between Kipling Street and Oak Street. In accordance with the pavement management and maintenance schedules for both cities, this stretch of 26th Avenue is scheduled for resurfacing in 2019.

In such instances where more than one municipality shares a common boundary or street, it has consistently proven more cost effective and less disruptive if a single project is performed by a single entity, rather than each individual city conducting its own project. As such, staff from each city have mutually identified and developed a project that meets the needs of both cities and have prepared an Intergovernmental Agreement (IGA). This IGA provides for the street resurfacing to be administered by the City of Lakewood with the City of Wheat Ridge compensating Lakewood for its appropriate share of the project costs. Such arrangement has occurred on 26th Avenue in the past and the cities have alternated being the lead agency.

Council Action Form – 26th Avenue Resurfacing IGA May 13, 2019 Page 2

PRIOR ACTION:

None

FINANCIAL IMPACT:

Funding for this work was approved in the 2019 Capital Improvement Program budget, Preventive Maintenance Projects (30-303-800-884). The total approved budget for this budget line item is \$1,900,000, which includes asphalt resurfacing, miscellaneous concrete work, patching, and crack sealing. The estimated contribution from the City of Wheat Ridge for 26th Avenue resurfacing between Kipling Street and Oak Street is \$42,252.56, which easily fits within the total budget that includes other resurfacing, concrete, and maintenance work identified for 2019.

BACKGROUND:

The annual Street Resurfacing Program was developed to provide needed maintenance to a number of selected streets by priority in accordance with the citywide maintenance plan. The program is intended to extend the life of pavement on streets that are structurally sound. For the 2019 project, 26th Avenue between Kipling Street and Oak Street will be resurfaced along with other selected local streets. The overall program also includes the following: concrete and curb ramp replacements on streets being resurfaced, striping maintenance of high volume streets throughout the City by priority, spot pavement patching citywide and crack sealing.

26th Avenue is shared as a common boundary between Wheat Ridge and Lakewood between Kipling Street and Oak Street, and both cities have identified and scheduled this street for resurfacing in 2019. As a result of meetings between staff from both cities, it was collectively determined that a single project administered by the City of Lakewood with Wheat Ridge contributing its fair share would serve as the most efficient means of performing the resurfacing work.

RECOMMENDATIONS:

Staff recommends approving the attached resolution authorizing approval of an Intergovernmental Agreement (IGA) with the City of Lakewood.

RECOMMENDED MOTION:

"I move to approve Resolution No. <u>28-2019</u>, a Resolution approving an Intergovernmental Agreement with the City of Lakewood, providing for resurfacing of 26th Avenue between Kipling Street and Oak Street"

Or:

"I move to postpone indefinitely Resolution No. <u>28-2019</u>, a Resolution approving an Intergovernmental Agreement with the City of Lakewood, providing for resurfacing of 26th Avenue between Kipling Street and Oak Street for the following reason(s):"

CITY OF WHEAT RIDGE, COLORADO RESOLUTION NO. <u>28</u> Series of 2019

TITLE: A RESOLUTION APPROVING AN INTERGOVERNMENTAL AGREEMENT WITH THE CITY OF LAKEWOOD FOR RESURFACING OF 26th AVENUE BETWEEN KIPLING STREET AND OAK STREET

WHEREAS, 26th Avenue between Oak Street and Kipling Street serves as the boundary between the cities of Wheat Ridge and Lakewood, with each city being responsible for the portion of the street lying within its corporate boundary; and

WHEREAS, 26th Avenue is in need of maintenance and resurfacing work in accordance with the maintenance needs and policies of both cities; and

WHEREAS, the cities of Lakewood and Wheat Ridge desire to complete the resurfacing work as a single project, with costs split in accordance with the amount of pavement surface located in each respective city; and

WHEREAS, the project will be administered by the city of Lakewood with the city of Wheat Ridge compensating Lakewood for its appropriate share of the cost; and

WHEREAS, an Intergovernmental Agreement (IGA) between the city of Wheat Ridge and the city of Lakewood has been prepared to govern the administration and cost sharing for the project, as permitted by Section 14.2 of the Wheat Ridge Charter.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the city of Wheat Ridge, Colorado, that:

Section 1. Agreement Approved.

The Intergovernmental Agreement between the city of Lakewood and the city of Wheat Ridge for resurfacing of 26th Avenue, attached as **Exhibit A**, is hereby approved, and the Mayor and City Clerk are authorized and directed to execute the same.

This Resolution shall be effective immediately upon adoption.

DONE AND RESOLVED this _____ day of _____, 2019.

Bud Starker, Mayor

ATTEST:

Janelle Shaver, City Clerk

ATTACHMENT 1

Exhibit A Intergovernmental Agreement [Attached]

INTERGOVERNMENTAL AGREEMENT BETWEEN CITY OF LAKEWOOD AND CITY OF WHEAT RIDGE REGARDING 32ND AVENUE MILLING/PATCHING/OVERLAY PROJECT

THIS INTERGOVERNMENTAL AGREEMENT BETWEEN CITY OF LAKEWOOD AND CITY OF WHEAT RIDGE REGARDING 26th AVENUE MILLING/PATCHING/OVERLAY PROJECT (the "IGA") is made and entered into this _____ day of ______, 2019 (the "Effective Date"), by and between the **CITY OF LAKEWOOD**, a Colorado home rule municipal corporation whose principal business address is 480 South Allison Parkway Lakewood, Colorado 80226 ("Lakewood"), and between the **CITY OF WHEAT RIDGE**, a home rule municipal corporation of the State of Colorado, whose principal business address is 7500 W. 29th Avenue, Wheat Ridge, Colorado 80033 ("Wheat Ridge").

WHEREAS, Article XIV, Section 18(2)(a), of the Constitution of the State of Colorado and Part 2, Article 1, Title 29, C.R.S., encourage and authorize intergovernmental agreements;

WHEREAS, C.R.S. § 29-1-203 authorizes governments to cooperate and contract with one another to provide any function, service or facility lawfully authorized to each;

WHEREAS, the parties desire to enter into this IGA to engage in a shared Milling/Patching/Overlay project on 26th Avenue between Oak Street and Kipling Steet (the "Project");

WHEREAS, Wheat Ridge is responsible for approximately forty-five percent (45%) of the maintenance responsibilities along the north side of 26th Avenue between Oak Street and Kipling Street;

WHEREAS, the total area for the Project is approximately 101,304 square feet with Lakewood responsible for approximately 55,979 square feet thereof, Wheat Ridge responsible for approximately 45,325 square feet thereof;

WHEREAS, on January 18, 2018, Lakewood entered into a contract with Martin Marietta Materials, Inc. ("Contractor"), to perform Lakewood's Overlay Program (the "Overlay Contract"), which Contract was renewed on March 1, 2019, for Lakewood's 2019 Overlay Program; and

WHEREAS, the parties desire to enter into this IGA to extend Contractor's work under the Overlay Contract to include milling/patching/overlay work along 26th Avenue as desired by Wheat Ridge.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, the sufficiency of which is expressly acknowledged, the parties hereby agree as follows:

- 1. <u>WORK</u>. Pursuant to this IGA, Contractor shall perform the Wheat Ridge maintenance obligations on 26th Avenue between Oak Street and Kipling Street, as set forth in the Scope of Work in **Attachment A**, attached hereto and incorporated herein by this reference, and in accordance with the standards set forth in the Overlay Contract.
- <u>CONSIDERATION</u>. In exchange for Contractor's services, Wheat Ridge shall pay Lakewood in accordance with the following table. Payment shall be made in a lump sum within thirty (30) days following substantial completion and acceptance by Wheat Ridge.

Page 1 of 5

ATTACHMENT 2

| ltem | <u>Unit</u> | <u>Quantity</u> | <u>Price</u> | TOTAL |

| | | | | \$42,252.56 |

<u>Pricing does not reflect any patching that may be required</u>. If patching is required, Wheat Ridge shall compensate Lakewood in accordance with the costs set forth in Attachment A. In the event there are unforeseen and/or additional work items not covered in this Agreement, such additional work (including costs) will proceed only upon mutual agreement between the two cities.

- 3. <u>TERM</u>. The Term of this IGA shall be from the Effective Date through ______ 2019.
- 4. LIABILITY/GOVERNMENTAL IMMUNITY.
 - A. <u>Liability of the Parties</u>. Each party shall be liable and responsible for the acts and omissions of its own employees, agents and elected and appointed, and neither party shall be responsible for the acts or omissions of the other party's employees, agents or elected or appointed officials.
 - B. <u>CGIA</u>. Both parties are governmental entities subject to and protected by the limitations on liability set forth in the Colorado Governmental Immunity Act, C.R.S. Title 24, Article 10 (the "CGIA"). Nothing herein shall be deemed to waive any rights or immunities established pursuant to the CGIA or otherwise provided by law.
- 5. <u>NOTICES</u>. Notices provided to a party pursuant to this IGA shall be in writing, addressed to the parties as follows:

- 6. <u>GENERAL PROVISIONS</u>.
 - A. <u>INTEGRATED AGREEMENT</u>. This Agreement contains the entire agreement of the parties relating to the subject matter hereof and, except as provided herein, may not be modified or amended except by written agreement of the parties.
 - B. <u>No Third-Party Beneficiaries</u>. It is expressly understood and agreed that enforcement of the terms and conditions of this IGA and all rights of action relating to such enforcement shall be strictly reserved to the parties. It is the express intention of the parties that any person other than Lakewood and Wheat Ridge shall be deemed to be only an incidental beneficiary under this IGA.
 - C. <u>Governing Law and Venue</u>. This IGA shall be governed by the laws of the State of Colorado. Venue shall be in the County of Jefferson, State of Colorado, or, for federal claims, in the United States District Court for the District of Colorado.

- D. <u>Headings</u>. Paragraph headings used in this IGA are for convenience of reference and shall in no way control or affect the meaning or interpretation of any provision of this IGA.
- E. <u>Severability</u>. In the event a court of competent jurisdiction holds any provision of this IGA invalid or unenforceable, such holding shall not invalidate or render unenforceable any other provision of this IGA.
- F. <u>Counterparts; Electronic Disposition</u>. This IGA may be executed in any number of counterparts, each of which shall be deemed to be an original and all such counterparts taken together shall be deemed to constitute one and the same instrument. The parties acknowledge and agree that the original of this IGA, including the signature page, may be scanned and stored in a computer database or similar device, and that any printout or other output readable by sight, the reproduction of which is shown to accurately reproduce the original of this IGA, may be used for any purpose as if it were the original, including proof of the content of the original writing.
- G. <u>Authority</u>. The parties represent and warrant that they have taken all actions necessary to legally authorize the undersigned signatories to execute this IGA on behalf of the parties and to bind the parties to its terms.

[Remainder of page intentionally blank – signatures follow.]

IN WITNESS WHEREOF, the parties have executed this IGA as of the Effective Date.

ATTACHMENT A – SCOPE OF WORK

Contractor will perform the following work for Wheat Ridge:

- A two-inch (2") full mill of 26th Avenue between Oak Street and Kipling Street.
 - Necessary patching will follow the milling operation
 - Patching shall be at six inches (6") thick or match existing mat thickness, whichever is greater
 - 2019 pricing for patching is \$119.60 per ton for HBP 'A' Patch (grade S) (Haul & Asphalt (Collector))
 - Any patching required will be discussed among the parties and paid for by the responsible party
 - Once patching is complete, Contractor will overlay the milled portion of 26th Avenue with a two-inch (2") final lift Overlay using SX 58-28 Hot Mix Asphalt
 - Striping will be installed by Lakewood's in-house striping crew

City Manager

ISSUE:

The 2019 City budget includes a contribution to the Wheat Ridge Business District (WRBD) in the amount of \$90,000 for a matching grant program. An invoice was received from the WRBD for this funding. Expenditures over \$75,000 require City Council approval.

PRIOR ACTION:

City Council approved \$90,000 in funding during the 2019 budget process for the WRBD Grant Program.

FINANCIAL IMPACT:

The 2019 budget includes a total of \$90,000 for the Wheat Ridge Business District.

The City has contributed funding to the WRBD beginning in 2011 in the following amounts:

| Year | WRBD Contribution | Year | WRBD Contribution |
|------|-------------------|------|-------------------|
| 2011 | \$95,000 | 2015 | \$45,000 |
| 2012 | \$40,000 | 2016 | \$45,000 |
| 2013 | \$90,000 | 2017 | \$45,000 |
| 2014 | \$45,000 | 2018 | \$45,000 |

BACKGROUND:

The Wheat Ridge Business District (WRBD) was formed in a joint partnership between local business owners and the City of Wheat Ridge to help revitalize 38th Avenue – the City's traditional "Main Street." The effort has been expanded to serve businesses throughout the City of Wheat Ridge.

The Wheat Ridge Business District administers several grant programs for Wheat Ridge businesses. The grant programs are matching grants up to specified limits. WRBD offers the following programs:

- Revitalization Incentive Program (RIP) provides assistance for facade (including architectural design fees) and sign improvements.
- Accessibility Grant Program offers assistance for accessibility issues such as handicap bathrooms and ramps.
- Commercial Exterior Paint Program is for businesses painting the exterior of their business.
- Commercial Landscape Grant is a one-time grant for landscape improvements.
- Façade Plus Program is an effort to have a larger category to consider larger in scope projects that include substantial changes to the façade.

The grant programs are matching grants up to specified limits. This means for every \$1 spent by the business, the WRBD will match \$1 up to the specified limits.

Grants include:

- Up to \$3,750 for sign improvements
- Up to \$6,000 for conversion of pole signs to monument signs
- Up to \$7,500 for facade improvements
- Up to \$2,500 for architectural/design assistance
- Up to \$6,000 towards a completed accessibility project
- Up to \$3,000 towards a Visual Impact Special Project that increases curb appeal
- Up to \$900 for a landscaping project
- Up to \$600 for exterior painting project supplies

RECOMMENDATIONS:

Staff recommends approval of the contribution to the WRBD in the amount of \$90,000 for the Business Improvement Grant Program.

RECOMMENDED MOTION:

"I move to approve a contribution to the Wheat Ridge Business District for the purpose of funding the Business Improvement Grant Program in the amount of \$90,000."

Or,

 \mathbb{X} NO

ISSUE:

Since 2011, entities in Jefferson County have paid a special assessment to the Foothills Animal Shelter in order to continue operations of this facility. The Police Department budgeted \$47,040 for 2019; however, the actual assessment is \$55,195.

PRIOR ACTION:

City Council approved a budgeted amount of \$47,040 as part of the 2019 Budget approval process.

FINANCIAL IMPACT:

The supplemental budget request is \$8,155. There are adequate reserves in the General Fund to meet this request.

BACKGROUND:

The Foothills Animal Shelter serves as Jefferson County's animal shelter, providing essential animal welfare services to eleven entities in the County. On July 16, 2018, the Foothills Animal Shelter Board of Directors met with Jefferson County and City Managers to review expenditures, Budget Supplemental Request for Foothills Animal Shelter May 13, 2019 Page 2

financial projections and licensing and assessment revenue opportunities. The Board expressed a need to maintain a revenue stream in the amount of \$1.6 million from dog licensing revenue and assessments from the Jefferson County jurisdictions in 2019. In September 2018, Foothills Animal Shelter provided a Pet Licensing Program Activity Report that pet licensing goals were below the goals established for all jurisdictions resulting in lower overall revenue numbers.

The city budgeted \$47,040 for a special assessment in the 2019 Budget. Written notification was received on October 9, 2018, of a special assessment in the amount of \$55,195, resulting in a gap of \$8,155.

RECOMMENDATIONS:

Staff recommends approval of this supplemental budget request.

RECOMMENDED MOTION:

"I move to approve Resolution No. $\underline{29-2019}$ – a resolution amending the Fiscal Year 2019 General Fund Budget to reflect the approval of a supplemental budget appropriation in the amount of \$8,155 for the Foothills Animal Shelter Special Assessment."

Or,

"I move to postpone indefinitely Resolution No. $\underline{29-2019}$ – a resolution amending the Fiscal Year 2019 General Fund Budget to reflect the approval of a supplemental budget appropriation in the amount of \$8,155 for the Foothills Animal Shelter Special Assessment for the following reason(s) ______."

TITLE: A RESOLUTION AMENDING THE FISCAL YEAR 2019 GENERAL FUND BUDGET TO REFLECT THE APPROVAL OF A SUPPLEMENTAL BUDGET APPROPRIATION IN THE AMOUNT OF \$8,155 FOR THE FOOTHILLS ANIMAL SHELTER SPECIAL ASSESSMENT

WHEREAS, the City Council recognizes the important role that the Foothills Animal Shelter plays in providing animal welfare services to the City of Wheat Ridge and Jefferson County; and

WHEREAS, the 2019 Special Assessment is required in order to continue to provide quality services at the animal shelter; and

WHEREAS, the 2019 Special Assessment request from Foothills Animal Shelter is \$8,155 more than the amount budgeted for this year; and

WHEREAS, the Wheat Ridge Charter requires that amendments to the budget be effected by the City Council adopting a Resolution.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Wheat Ridge, Colorado, as follows:

A. The City Council authorizes the transfer of \$8,155 from the General Fund undesignated reserves to account number 01-203-700-721 and amending the 2019 fiscal year budget accordingly.

MEMORANDUM

October 9, 2018

TO: Jefferson County and City ManagersFROM: Foothills Animal Shelter Board of DirectorsSUBJECT: 2019 Operational Assessment and FAQs

Operational Assessment

The Foothills Animal Shelter Board of Directors met with the Jefferson County and City Managers on July 16, 2018, to review expenditures, financial projections, and licensing and assessment revenue opportunities. The Board expressed a need to remain at a stable revenue stream from licensing and assessments of \$1,600,000 in 2019.

Per that meeting, the Board of Directors proposes to move forward with a modified licensing and assessment charge. Each jurisdiction would be expected to contribute, from both licensing and assessments, a proportion of the \$1,600,000 based on estimated dog population. All licensing revenue would then be applied to the proportional charge, with any remaining balance charged as an assessment. The 2019 estimate for budgeting is as follows:

| | Total | Estimated Licensing Revenue | Net - Requested to Budget as 2019 Assessment |
|---------------------|-------------|--------------------------------|--|
| Jefferson County | \$477,120 | \$304,485 | \$172,635 |
| Arvada | \$283,680 | \$137,070 | \$146,610 |
| Edgewater | \$14,880 | \$2,560 | \$12,320 |
| Golden | \$49,120 | \$26,000 | \$23,120 |
| Lakewood | \$415,840 | \$202,110 | \$213,730 |
| Westminster | \$268,480 | \$110,745 | \$157,735 |
| Wheat Ridge | \$91,040 | \$35,845 | \$55,195 |
| TOTAL | \$1,600,160 | \$818,815 | \$781,345 |

Questions from Elected Officials:

At the Quarterly Commissioners / Municipalities Breakfast on June 7, 2018, a number of important questions were asked of the Foothills Animal Shelter. The Board seeks to respond below.

- Does Foothills Animal Shelter track actual usage by jurisdiction? Could that be used to allocate costs?
 - FAS does track usage by each entity, in terms of total animal intake from animal control officers, citizens, and strays. This usage could be utilized to allocate the costs of operating the FAS back to each entity. That said, allocation in this manner presents an issue with providing stable estimates for costs by jurisdiction, because certain cases (like hoarding incidents) can cause a greatly increased utilization of the FAS by a single jurisdiction. Because of this volatility, the Board has sought to strike a balance for financial planning by using the estimated dog population.
- Larimer County has mandatory rabies reporting. What are their penalties?
 - Pursuant to Larimer County Code, Section 6-151, "The penalty for violation of any provision of article II (dog licensing), article III (rabies control), section 6-76 (dogs at large), or section 6-77 (disturbance of peace and quiet) shall be \$40.00 for the first offense, \$100.00 for the second offense, and \$150.00 for subsequent offenses."
- How do I register my pet? Is it online?
 - You can register your pet online, by mail, or in person at one of nearly 50 locations or a licensing clinic. You may register your pet online at https://foothillsanimalshelter.org/services/license-your-pet/.
- Why does FAS bring in animals from outside Jefferson County?
 - Foothills Animal Shelter maintains a transfer program that brings in desirable animals from outside of Jefferson County to:
 - Raise additional revenue (in 2017, the program experienced \$57,745 in gross profit);
 - Ensure we have adoptable animals on a more regular basis; and
 - Bring in traffic that helps other animals be adopted.
- Have the FAS expenses been reviewed to find cost savings?
 - The Board of Directors of the Foothills Animal Shelter is appointed to represent each jurisdiction. The Board of Directors monthly reviews expenses and revenues. Additionally, the Board of Directors approves an annual budget. Additionally, the Board of Directors and the City Managers reviewed FAS expenditures prior to their meeting on July 16, 2018.
- Can FAS implement a three-year license to match the three-year rabies vaccinations?
 - The Board of Directors will review the possibility of implementing a three-year license with the ongoing discussion of mandatory rabies reporting.

January 24, 2019

Marianne Schilling Assistant to the City Manager City of Wheat Ridge 7500 W. 29th Avenue Wheat Ridge, CO 80033

Dear Marianne:

As Foothills Animal Shelter continues to provide necessary animal sheltering services to the Jefferson County community, Wheat Ridge's contribution to the Shelter's operating budget is crucial to maintaining adequate animal shelter support to the Wheat Ridge Police Department, as well as the residents and citizens of Wheat Ridge.

Based on the Foothills Animal Shelter 2019 budget, the IGA formula calculation for the 2019 Special Assessment (tied to the long-term sustainability plan) for the City of Wheat Ridge is \$55,195.

If you would, please forward this request to the appropriate parties for review and processing. Checks may be sent to:

Foothills Animal Shelter 580 McIntyre Street Golden, CO 80401 Attn: Tiffany Hurst

Please do not hesitate to contact me if you have questions. I can be reached by phone at 720-407-5219, or via email at thurst@fas4pets.org.

On behalf of the animals and people served by Foothills Animal Shelter, we appreciate your support and look forward to our continued partnership.

Sincerely,

Tiffany Hurst Director of Administration

Foothills Animal Shelter 580 McIntyre Street, Golden CO 80401 www.foothillsanimalshelter.org

REQUEST FOR CITY COUNCIL ACTION

TITLE: RESOLUTION NO. <u>27-2019</u> – A RESOLUTION APPROVING THE MEMORANDUM OF UNDERSTANDING BETWEEN SIGNAL BEHAVIORAL HEALTH NETWORK AND THE CITY OF WHEAT RIDGE TO RECEIVE AND DISTRIBUTE NARCAN® NASAL SPRAY KITS

| PUBLIC HEARING BIDS/MOTIONS RESOLUTIONS | | S FOR 1 ST READING S FOR 2 ND READING |
|---|-----|--|
| QUASI-JUDICIAL: | YES | NO NO |
| Brennon Chief of Police | | City Manager |

ISSUE:

The Wheat Ridge Police Department is undertaking the development and deployment of a Narcan program for all uniformed personnel in order to proactively impact opioid overdose situations as they are encountered.

PRIOR ACTION:

None

FINANCIAL IMPACT:

There will be no financial impact to the City of Wheat Ridge for the purchase of Narcan kits. The department will spend approximately \$678.96 from Fund 17 for individual storage kits for the Narcan.

BACKGROUND

The Wheat Ridge Police Department is undertaking the development and deployment of a Narcan program for all uniformed personnel in order to proactively impact opioid overdose situations as they are encountered. To that end, the police department has secured 72 full Narcan kits, a total of 144 doses of Narcan at no cost through a program administered by the Colorado Association of Chiefs of Police (CACP). These 72 Narcan kits would otherwise have a cost to

Council Action Form - Signal Behavioral Health Network MOU May 13, 2019 Page 2

law enforcement of \$75 per kit, or \$5,400. However, by entering into an MOU with Signal Behavioral Health Network, through the program administered by CACP, the Narcan kits will carry no cost to the organization.

A policy is currently being developed to ensure industry best practices are met with respect to the acquisition and deployment of Narcan. The MOU directs WRPD to obtain standing orders from the Colorado Department of Public Health and Environment within six months of execution. This process has been initiated. The MOU also requires training to be provided to individuals before they administer Narcan. Steps to meet the training requirements have already been initiated. The final requirement of the MOU is with regard to reporting, which will be met by the Narcan program administrator in compliance with the MOU and to be set forth by policy currently being written.

Equipping uniformed personnel with Narcan, and providing them with the training and support to deploy such on scenes of cases involving opioid overdose, provides the police department a recognized method and course of action to save lives in such events.

RECOMMENDATIONS:

Staff recommends that City Council approve the Memorandum of Understanding between Signal Behavioral Health Network and the City of Wheat Ridge.

RECOMMENDED MOTION:

"I move to approve Resolution No. <u>27-2019</u>, a Resolution approving the Memorandum of Understanding between Signal Behavioral Health Network and the City of Wheat Ridge to received and distribute Narcan® Nasal Spray kits."

Or,

"I move to postpone indefinitely Resolution No. <u>27-2019</u>, a Resolution approving the Memorandum of Understanding between Signal Behavioral Health Network and the City of Wheat Ridge to receive and distribute Narcan® Nasal Spray kits for the following reason(s) ______."

CITY OF WHEAT RIDGE, COLORADO RESOLUTION NO. <u>27-2019</u> Series of 2019

TITLE: A RESOLUTION APPROVING THE MEMORANDUM OF UNDERSTANDING BETWEEN SIGNAL BEHAVIORAL HEALTH NETWORK AND THE CITY OF WHEAT RIDGE TO RECEIVE AND DISTRIBUTE NARCAN® NASAL SPRAY KITS

WHEREAS, the City of Wheat Ridge, Colorado (the "City"), acting through its City Council ("Council") is a home rule municipality with statutory and constitutional authority to enact ordinances and enter into agreements for protection of the public health, safety and welfare; and

WHEREAS, Part 2 of Article 1 of Title 29, C.R.S., authorizes the City to enter into agreements with other governmental entities to cooperate in the provision of any function, service, or facility each is authorized to provide; and

WHEREAS, Signal Behavioral Health Network ("Signal") is the State of Colorado's largest Managed Services Organization (MSO), responsible for providing a continuum of substance use disorder (SUD) services on behalf of the State of Colorado; and

WHEREAS, in such capacity, Signal has obtained grant funding from the Substance Abuse Mental Health Services Administration (SAMHSA), regarding State Targeted Response (STR) and the State Opioid Response (SOR) to the Opioid Crisis Grants, to purchase and distribute Naloxone kits; and

WHEREAS, Naloxone is a medication that reverses an opiate overdose, and Narcan® nasal spray is a Food and Drug Administration (FDA) approved product that allows a lay person to administer Naloxone to someone experiencing an overdose; and

WHEREAS, Signal wishes to make Narcan® nasal spray kits available to first responders who may encounter individuals experiencing a potentially fatal opioid/opiate overdose, and the City wishes to receive and use such kits through its Police Department, in furtherance of the mutual goal of reducing deaths in Colorado due to opiate/opioid overdose; and

WHEREAS, Section 14.2 of the Wheat Ridge Home Rule Charter authorizes the Council, acting by resolution or ordinance, to approve such agreements.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Wheat Ridge, Colorado, as follows:

Section 1. The attached Memorandum of Understanding between Signal Behavioral Health Network and the City of Wheat Ridge, concerning Narcan® Nasal Spray Kits, is hereby approved. The Mayor and Clerk are authorized to execute the same.

DONE AND RESOLVED this _____ day of ______, 2019.

Bud Starker, Mayor

ATTEST:

Janelle Shaver, City Clerk

SIGNAL BEHAVIORAL HEALTH NETWORK MEMORANDUM OF UNDERSTANDING Narcan® Nasal Spray

This Memorandum of Understanding (MOU) sets forth the terms and understanding between Signal Behavioral Health Network (Signal) and the City of Wheat Ridge (Agency) to receive and distribute Narcan® Nasal Spray kits.

Background

The Office of Behavioral Health (OBH) under the Colorado Department of Human Services received a Notice of Award from the Substance Abuse Mental Health Services Administration (SAMHSA) regarding State Targeted Response (STR) and the State Opioid Response (SOR) to the Opioid Crisis Grants.

The purchase and distribution of Naloxone kits is one of the primary activities funded through the STR and SOR grants. Funding for Narcan® nasal spray is made available through the Federal Cures Act and the subsequent grant from the Substance Abuse and Mental Health Services Administration.

Purpose

The overall goal is to reduce deaths in Colorado due to opiate/opioid overdose. Naloxone is a medication that reverses an opiate overdose. Narcan® nasal spray is a Food and Drug Administration (FDA) approved product that allows a lay person to easily administer naloxone to someone experiencing an overdose. Narcan® nasal spray is to be distributed to first responders who may encounter individuals experiencing a potentially fatal opioid/opiate overdose.

Requirements

It is strongly recommended for all organizations receiving Narcan® nasal spray overdose reversal kits to complete the steps required to distribute or administer naloxone through standing orders. This can be done by using the process outlined on the Colorado Department of Public Health and Environment (CDPHE) website at:

<u>https://www.colorado.gov/pacific/cdphe/naloxoneorders</u> unless the organization has a medical provider who shall develop their own standing orders. For agencies who currently do not have a standing order, by signing this MOU, the agency is committing to obtain a standing order within six months of MOU execution date.

Agency shall provide training to each recipient of the Narcan® kit on administering the medication. Additionally, Agency will be provided, by Signal, printed handouts including information on the OpiRescue mobile application and online training resources. These resources must accompany each kit that is distributed to a client or individual. Further information about OpiRescue can be found here at <u>https://opirescue.com/</u>

Agency is prohibited from selling kits to other organizations. Kits are only for law enforcement use and/or distribution to clients.

Reporting

Agency shall report all reversals in the OpiRescue app within 3 days of the administration of Naloxone.

Distribution

Agency will receive a total of 72 Narcan® Nasal Spray kits from Adapt Pharma at the following address:

Wheat Ridge PD Commander Darrel Guadnola 7500 W. 29th Ave. Wheat Ridge, CO 80033

All kits must be distributed to clients or individuals by December 31, 2019.

This MOU shall become effective upon signature by the authorized officials from the list below and will remain in effect until modified or terminated by any one of the partners by mutual consent. In the absence of mutual agreement by the authorized officials from the list below this MOU shall end on September 30, 2020.

Contact Information

REQUEST FOR CITY COUNCIL ACTION

TITLE: RESOLUTION <u>31-2019</u> - A RESOLUTION APPROVING AN AMENDED AND RESTATED SERVICE PLAN AND INTERGOVERNMENTAL AGREEMENT WITH THE WARD TOD METROPOLITAN DISTRICT NOS. 1-3

| ➢ PUBLIC HEARING ☐ BIDS/MOTIONS ➢ RESOLUTIONS | | ANCES FOR 1 ST READING ANCES FOR 2 ND READING |
|---|-----|--|
| QUASI-JUDICIAL: | YES | NO NO |
| Callade! | | Danifor |
| City Attorney | | City Manager |

ISSUE:

State statute requires that special districts conform so far as practical to their approved service plan. The current service plan for the Ward TOD Metropolitan District was approved on April 9, 2012 based on development plans for 477 residential units and approximately 225,000 sq. ft. of commercial development, and anticipated public parking for the Wheat Ridge Ward commuter rail station. The current development plan includes only 200 residential units, significantly less commercial development and no public parking for the commuter rail station. Because of these development changes, the developer for this project is requesting that City Council approve an amended and restated service plan.

PRIOR ACTION:

City Council approved the current Ward TOD Service Plan in 2012 based on a proposed development at that time. City Council received a presentation from Megan Murphy with White Bear Ankele Tanaka & Waldron at the May 6, 2019 study session requesting the approval of an amended service plan.

Council Action Form – Amended Service Plan for Ward TOD May 13, 2019 Page 2

FINANCIAL IMPACT:

No financial impacts on the City. The District would be authorized to impose a mill levy on the properties within the District for the purpose of supporting bonds for construction of improvements and for the purpose of maintaining them.

BACKGROUND:

On April 22, 2019, City Council approved a major subdivision for a 13-acre property located at 5060 Ward Road, adjacent to the Wheat Ridge Ward commuter rail station, for the 200-unit Ridge at Ward Station townhome project. The City received a draft Amended and Restated Service Plan for the Ward TOD Metropolitan District Nos. 1-3 on April 4, 2019.

The proposed Service Plan describes and sets forth those powers and authorities the District shall have as allowed by Colorado law. The exercise of such powers, however, will at all times be governed by and subject to the terms of a City IGA. State law allows local governments to exert significant control over the organization and operation of special districts. The service plan approval process is the key to exercising that control.

Metropolitan districts in Colorado are a common tool for financing the public infrastructure portion of development projects. All special districts in Colorado organized under Title 32 of the Colorado Revised Statutes (C.R.S.) are required to file a service plan with the city council of the municipality in which the district is proposed. The purpose of the District is to provide public infrastructure improvements within and without the Property. The District will acquire and/or design, finance, construct and install public improvements for the use and benefit of the residents and taxpayers located with the boundaries of the District.

RECOMMENDATION:

Staff recommends approval of the resolution.

RECOMMENDED MOTION:

"I move to approve Resolution No. <u>31-2019</u>, a resolution approving an Amended and Restated Service Plan and Intergovernmental Agreement with the Ward TOD Metropolitan District Nos. 1-3."

Or,

"I move to postpone indefinitely Resolution No. <u>31-2019</u>, a resolution approving an Amended and Restated Service Plan and Intergovernmental Agreement with the Ward TOD Metropolitan District Nos. 1-3, for the following reason(s): ______

CITY OF WHEAT RIDGE, COLORADO RESOLUTION NO. <u>31</u> Series of 2019

TITLE: A RESOLUTION APPROVING AN AMENDED AND RESTATED SERVICE PLAN AND INTERGOVERNMENTAL AGREEMENT WITH THE WARD TOD METROPOLITAN DISTRICT NOS. 1-3

WHEREAS, the Ward TOD Metropolitan District Nos. 1-3 ("District") was organized pursuant to the Colorado Special District Act §§ 32-1-101, *et seq.*, C.R.S.; and

WHEREAS, the District has submitted the District's Amended and Restated Service Plan for City Council approval (the "Service Plan"); and

WHEREAS, the Service Plan provides for the District's provision and financing of public improvements and services for the development of a residential project within the City.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Wheat Ridge, Colorado, as follows:

- 1. The above and foregoing recitals are incorporated herein by reference and are adopted as findings and determinations of the City.
- 2. The City further finds and determines that all applicable requirements of §§ 32-1-202(2), 32-1-203(2) and 32-1-204.5, C.R.S. relating to the submittal and requirements of the Service Plan and the consideration thereof by the City, have been met.
- 3. Based upon the Service Plan, the City hereby determines as follows:
 - The Service Plan meets the requirements of § 32-1-202 (2), C.R.S. regarding the contents thereof.
 - The Service Plan meets the requirements of §32-1-203(2) as follows:
 - The Service Plan demonstrates a sufficient existing and projected need for the provision of organized service within the District's boundaries.
 - Without the District, the existing service in the area is inadequate to serve the services proposed to be provided within the District's boundaries.

- o The District is capable of providing economical and sufficient service to the area within its proposed boundaries.
- The area included within the District's boundaries and financing mechanisms contemplated in the Service Plan have, or will have, the financial ability to discharge the proposed indebtedness on a reasonable basis.
- 4. Pursuant to § 32-1-204.5(1), C.R.S., the City does hereby approve the Service Plan as submitted to the City on April 4, 2019.
- 5. A certified copy of this Resolution shall be attached to the Service Plan as Exhibit H, filed in the records of the City, and the Petition for the organization of the District shall be required to comply with all other filings required by law.
- 6. All resolutions or parts thereof in conflict with the provisions hereof shall be and the same are hereby repealed.

DONE AND RESOLVED this 13th day of May 2019.

I. <u>BACKGROUND</u>

The Service Plan for WARD TOD Metropolitan District Nos. 1-3 was approved by the City of Wheat Ridge on April 9, 2012 (the "**Original Service Plan**"). Since April 9, 2012, no development has occurred within the Project.

This Amended and Restated Service Plan for WARD TOD Metropolitan District Nos. 1-3 is in compliance with the Special District Act.

II. <u>INTRODUCTION</u>

A. <u>Purpose and Intent</u>.

The purpose of the Districts will be to provide all or a portion of Public Improvements as further defined and described in this Service Plan (within and without the Districts' boundaries as will be determined by the Board to be in the best interest of the Districts and in accordance with the Service Plan), for the benefit of the residents and taxpayers located within the Project. The primary purpose of the Districts will be to finance the construction of these Public Improvements and have authorization as is necessary to own, operate and maintain Public Improvements not otherwise transferred to another public entity. The Districts shall also be authorized, but not required, to provide covenant enforcement and design review services in accordance with the Special District Act. Upon completion to City standards, the Districts will convey to the City such Public Improvements as are constructed by the Districts in accordance with the Approved Development Plan. The Districts are independent units of local government, separate and distinct from the City, and, except as may otherwise be provided for by State or local law or this Service Plan, their activities are subject to review by the City only insofar as they may deviate in a material matter from the requirements of the Service Plan.

B. <u>Need for the Districts</u>.

The Project is not presently served with the facilities and/or services proposed to be provided by the Districts, nor does the City nor any other special district have any plans to provide such services within a reasonable time and on a comparable basis. There are currently no other governmental entities, including the City, located in the immediate vicinity of the Districts that consider it desirable, feasible or practical to undertake the planning, design, acquisition, construction, installation, relocation, redevelopment and financing of the Public Improvements needed for the Project. The Districts are therefore necessary in order for the Public Improvements required for the Project to be provided in the most economic manner possible. Approval of this Service Plan shall not indicate, implicitly or expressly, that any land use applications now on file with the City or any land use applications filed in the future will be approved by the City.

C. <u>Objective of the City Regarding Service Plan</u>.

The City's objective in approving the Service Plan for the Districts is to authorize the Districts to provide for the planning, design, acquisition, demolition, construction, installation, relocation and redevelopment of the Public Improvements from the proceeds of Debt to be issued by the Districts and to further authorize the Districts to own, operate and maintain certain of the Public Improvements. All Debt is expected to be repaid by taxes imposed and collected for no longer than the Maximum Debt Mill Levy Imposition Term and at a mill levy no higher than the Maximum Debt Mill Levy, and/or repaid by Fees as limited by Section IV.A.7. Debt which is issued within these parameters will insulate property owners from excessive tax and Fee burdens to support the servicing of the Debt and will result in a timely and reasonable discharge of the Debt. It is the intent of this Service Plan to assure to the extent possible that no property bear an economic burden that is greater than that associated with the Maximum Debt Mill Levy Imposition Term in duration even under that associated with the Maximum Debt Mill Levy Imposition Term in duration even under bankruptcy or other unusual situations. Generally, the cost of Public Improvements that cannot be funded within these parameters are not costs to be paid by the Districts.

This Service Plan is intended to establish financial constraints and requirements associated with the Districts that are not to be violated under any circumstances. The primary purpose is to provide for the Public Improvements and services associated with the Project and regional needs.

III. <u>DEFINITIONS</u>

In this Service Plan, the following terms shall have the meanings indicated below, unless the context clearly requires otherwise:

<u>Approved Development Plan</u>: means a development plan, subdivision improvement plan, or other process established by the City (including but not limited to approval of a final plat, minor development plat or site plan) for identifying, among other things, Public Improvements necessary for facilitating development for property within the Service Area, as approved by the City pursuant to the City Code, and as may be amended pursuant to the City Code from time to time.

<u>Board</u>: means the board of directors of one District or the boards of directors of all Districts, in the aggregate, as the context may require.

<u>Capital Plan</u>: means the capital plan attached hereto as **Exhibit E** and referenced in Section IV.B which includes (i) a description of the type of capital facilities to be developed by the Districts; (ii) an estimate of the cost of the proposed facilities; and (iii) a capital expenditure plan correlating expenditures with development.

<u>City</u>: means the City of Wheat Ridge, Colorado.

<u>City Council</u>: means the City Council of the City of Wheat Ridge, Colorado.

<u>C.R.S.</u>: means Colorado Revised Statutes.

<u>Debt</u>: means bonds, notes or other multiple fiscal year financial obligations for the payment of which the District has pledged to impose an ad valorem property tax mill levy. The definition of Debt shall not include intergovernmental agreements between and among any of the Districts.

<u>District</u>: means any one of the WARD TOD Metropolitan District No. 1, WARD TOD Metropolitan District No. 2, or WARD TOD Metropolitan District No. 3.

<u>Districts</u>: means WARD TOD Metropolitan District No. 1, WARD TOD Metropolitan District No. 2, and WARD TOD Metropolitan District No. 3 collectively.

<u>District Boundaries</u>: means the legal boundaries of the District as described in **Exhibit A** attached hereto.

<u>District Boundary Map</u>: means the map attached hereto as **Exhibit B**, depicting the boundaries of the District.

District No. 1: means WARD TOD Metropolitan District No. 1.

<u>District No. 2</u>: means WARD TOD Metropolitan District No. 2.

District No. 3: means WARD TOD Metropolitan District No. 3.

<u>End User</u>: means any owner, or tenant of any owner, of any platted Taxable Property within the District for which a certificate of occupancy has been issued. By way of illustration, a resident homeowner, renter, commercial property owner, or commercial tenant is an End User. The business entity that constructs homes or commercial structures is not an End User.

<u>External Financial Advisor</u>: means a consultant that: (i) advises Colorado governmental entities on matters relating to the issuance of securities by Colorado governmental entities, including matters such as the pricing, sales and marketing of such securities and the procuring of bond ratings, credit enhancement and insurance in respect of such securities; (ii) shall be an underwriter, investment banker, or individual listed as a public finance advisor in the Bond Buyer's Municipal Market Place; and (iii) is not an officer or employee of the Districts and has not been otherwise engaged to provide services in connection with the transaction related to the applicable Debt.

<u>Fees</u>: means any fee imposed by the District for services, programs or facilities provided by the District, as described in Section IV.A.7. below.

<u>Financial Plan</u>: means the Financial Plan described in Section V which generally describes (i) how the Public Improvements are anticipated to be financed; (ii) how the Debt is expected to be incurred; and (iii) the estimated operating revenue derived from property taxes for the first budget year. Such Financial Plan may be adjusted by the Board in the future as is necessary to accommodate phasing or other financial or development considerations so long as any such adjustment does not exceed either the Maximum Debt Mill Levy or the Maximum Debt Mill Levy Imposition Term. The Financial Plan is based upon current estimates and will change based on actual development of the Project.

<u>Maximum Debt Mill Levy</u>: means the maximum mill levy the District is permitted to impose for payment of Debt as further set forth in Section V.C below, including adjustments to the Maximum Debt Mill Levy as are permitted under Section V.C.

<u>Maximum Debt Mill Levy Imposition Term</u>: means the maximum term for imposition of a debt service mill levy on a particular property as set forth in Section V.D below.

<u>Original Service Plan</u>: means the Service Plan for WARD TOD Metropolitan District Nos. 1-3 approved by the City on April 9, 2012.

<u>Project</u>: means the development or property commonly referred to as Ridge at Ward Station.

<u>Public Improvements</u>: means a part or all of the improvements authorized to be planned, designed, acquired, constructed, installed, relocated, redeveloped and financed as generally described in the Special District Act, except as specifically limited in Section IV below, to serve the future taxpayers and inhabitants of the Service Area as determined by the Board.

Service Area: means the property within the District Boundaries.

<u>Service Plan</u>: means this Amended and Restated Service Plan for the Districts approved by City Council.

<u>Service Plan Amendment</u>: means an amendment to the Service Plan approved by City Council in accordance with the City Code and applicable state law.

Special District Act: means Section 32-1-101, et seq., C.R.S., as amended from time to time.

State: means the State of Colorado.

TABOR: the Colorado Taxpayer's Bill of Rights.

<u>Taxable Property</u>: means real or personal property within the Service Area subject to ad valorem taxes imposed by the District.

IV. <u>BOUNDARIES PROPOSED LAND USE/POPULATION PROJECTIONS/</u> <u>ASSESSED VALUATION</u>

The area of the District Boundaries includes approximately 12.905 acres. A legal description of the District Boundaries is attached hereto as **Exhibit A**. A District Boundary Map is attached hereto as **Exhibit B**. A vicinity map is attached hereto as **Exhibit C**. It is anticipated that a District's boundaries may change from time to time as it undergoes inclusions and exclusions pursuant to Section 32-1-401, et seq., C.R.S., and Section 32-1-501, et seq., C.R.S., subject to the limitations set forth in Section IV below.

Approval of this Service Plan by the City does not imply approval of the development of a specific area within the Service Area, nor does it imply approval of the number of residential units identified in this Service Plan or any of the exhibits attached thereto, unless the same is contained within an Approved Development Plan.

V. <u>DESCRIPTION OF PROPOSED POWERS, IMPROVEMENTS AND SERVICES</u>

A. <u>Powers of the Districts and Service Plan Amendment.</u>

The Districts shall have the power and authority to provide the Public Improvements and related ownership, operation and maintenance services within and without the boundaries of the Districts as such power and authority is described in the Special District Act, and other applicable statutes, common law and the State constitution, subject to the limitations set forth herein.

1. <u>Operations and Maintenance Limitation</u>. The purpose of the Districts is to plan for, design, acquire, construct, install, relocate, redevelop and finance the Public Improvements. The Districts shall dedicate the Public Improvements to the City or other appropriate jurisdiction in a manner contemplated under the Approved Development Plan and other rules and regulations of the City and applicable provisions of the City Code. The Districts shall be authorized, but not obligated, to own, operate and maintain Public Improvements not otherwise dedicated to the City or other public entity.

2. <u>Fire Protection Limitation</u>. The Districts shall not be authorized to plan for, design, acquire, construct, install, relocate, redevelop, finance, operate or maintain fire protection facilities or services, unless such facilities and services are provided pursuant to an intergovernmental agreement with the City. The authority to plan for, design, acquire, construct, install, relocate, redevelop or finance fire hydrants and related improvements installed as part of the water system shall not be limited by this provision. Fire protection and emergency response services will be provided by the Arvada Fire Protection District.

3. <u>Construction Standards Limitation</u>. The Districts will ensure that Public Improvements constructed by the Districts are designed and constructed in accordance with the standards and specifications of the City and of other governmental entities having proper jurisdiction, including the Colorado Department of Health, and other applicable local, state or federal agencies.

4. <u>Inclusion Limitation</u>. The Districts shall not include within their boundaries any property outside the Service Area without the prior written consent of the City.

5. <u>Overlap Limitation</u>. The Districts shall not consent to the organization of any other district organized under the Special District Act within the Service Area which will overlap the boundaries of the Districts unless the aggregate mill levy for payment of Debt of such proposed districts will not at any time exceed the Maximum Debt Mill Levy of the Districts.

6. <u>Total Debt Issuance Limitation</u>. The Districts collectively shall not issue Debt in excess of Twenty Five Million Dollars (\$25,000,000). Debt that is issued for the purpose of refunding outstanding Debt shall not be counted against such total debt issuance limitation, provided, however, that if the aggregate principal amount of the refunding Debt exceeds the outstanding aggregate principal amount of the refunded Debt, the increase in principal amount shall be counted against such debt limitation.

7. <u>Privately Placed Debt Limitation</u>. Prior to the issuance of any privately placed Debt, the issuing District shall obtain the certification of an External Financial Advisor substantially as follows:

We are [I am] an External Financial Advisor within the meaning of the Districts' Service Plan.

We [I] certify that (1) the net effective interest rate (calculated as defined in Section 32-1-103(12), C.R.S.) to be borne by [insert the designation of Debt] does not exceed a reasonable current [tax-exempt] [taxable] interest rate, using criteria deemed appropriate by us [me] and based upon our [my] analysis of comparable high yield securities; and (2) the structure of [insert designation of the Debt], including maturities and early redemption provisions, is reasonable considering the financial circumstances of the District.

8. <u>Fee Limitation</u>. The Districts may impose and collect Fees as a source of revenue for repayment of Debt, capital costs, and/or for operations and maintenance. No Fee related to repayment of Debt shall be authorized to be imposed upon or collected from Taxable Property owned or occupied by an End User. Notwithstanding any of the foregoing, the restrictions in this definition shall not apply to any Fee imposed upon or collected from Taxable Property for the purpose of funding operation and maintenance costs of the Districts, including the establishment of a reserve fund for future repairs or replacement costs.

9. <u>Consolidation Limitation</u>. The Districts shall not file a request with any Court to consolidate with another district organized under the Special District Act, without the prior written consent of the City.

10. <u>Bankruptcy Limitation</u>. All of the limitations contained in this Service Plan, including, but not limited to, those pertaining to the Maximum Debt Mill Levy, Maximum Debt Mill Levy Imposition Term and the Fees have been established under the authority of the City to approve a Service Plan with conditions pursuant to Section 32-1-204.5, C.R.S. It is expressly intended that such limitations:

(a) shall not be subject to set-aside for any reason or by any court of competent jurisdiction, absent a Service Plan Amendment; and

(b) are, together with all other requirements of State law, included in the "political or governmental powers" reserved to the State under the U.S. Bankruptcy Code (11 U.S.C.) Section 903, and are also included in the "regulatory or electoral approval necessary under applicable nonbankruptcy law" as required for confirmation of a Chapter 9 Bankruptcy Plan under Bankruptcy Code Section 943(b)(6).

Any Debt, issued with a pledge or which results in a pledge, that exceeds the Maximum Debt Mill Levy and the Maximum Debt Mill Levy Imposition Term, shall be deemed a material modification of this Service Plan pursuant to Section 32-1-207, C.R.S. and shall not be an authorized issuance of Debt unless and until such material modification has been approved by the City as part of a Service Plan Amendment.

11. <u>Service Plan Amendment Requirement</u>. This Service Plan has been designed with sufficient flexibility to enable the Districts to provide Public Improvements and services and facilities under evolving circumstances without the need for numerous amendments. The Districts may seek formal approval from the City of modifications to this Service Plan which are not material, but for which the Districts may desire a written amendment and approval by the City. Such approval may be evidenced by any instrument executed by the City Manager, City Attorney, or other designated representative of the City as to the matters set forth therein and shall be conclusive and final.

B. <u>Preliminary Engineering Survey.</u>

The Districts shall have authority to provide for the planning, design, acquisition, construction, installation, relocation, redevelopment, maintenance and financing of the Public Improvements within and without the boundaries of the Districts. An estimate of the costs of the Public Improvements which may be planned for, designed, acquired, constructed, installed, relocated, redeveloped, maintained or financed was prepared based upon a preliminary engineering survey and estimates derived from the preliminary zoning on the property in the Service Area and is approximately (\$4,626,427.78). The Capital Plan attached hereto as **Exhibit E** includes a description of the types of capital facilities to be developed by the Districts, an estimate of the cost of the proposed facilities, and a capital expenditure plan correlating expenditures with development. The actual Public Improvements to be constructed will be determined by the Approved Development Plan, notwithstanding the Capital Plan, and are necessary and for the benefit of all homeowners, residents and property owners within the Districts in order to provide for a coordinated system of Public Improvements for the development of the Project.

All of the Public Improvements constructed by the Districts will be designed in such a way as to assure that the Public Improvements will be compatible with those of the City and shall be in accordance with the requirements of the City. All construction cost estimates are

based on the assumption that construction conforms to applicable local, State or Federal requirements. The actual Public Improvements to be constructed will be determined by the City and the Districts, and variations from the Capital Plan or Financial Plan shall not constitute a material modification of this Service Plan. All Public Improvements contemplated for the Project benefit the residents, property owners, and taxpayers of the District, and such benefit accrues to such residents, property owners, and taxpayers of the District regardless of the specific or general location of the various Public Improvements.

The Public Improvements generally depicted and described in the Capital Plan or Financial Plan have been presented for illustration only, and the exact design, subphasing of construction and location of the Public Improvements will be determined at the time of City approvals and public works approval and such decisions shall not be considered to be a material modification of the Service Plan.

C. <u>Other Powers</u>.

The Districts shall also have the following authority:

1. <u>Service Plan Amendments</u>. To amend the Service Plan as needed, subject to the appropriate statutory procedures and City Code.

2. <u>Phasing, Deferral</u>. Without amending this Service Plan, to defer, forego, reschedule, or restructure the financing and/or construction of Public Improvements and facilities, to better accommodate the pace of growth, resource availability, and potential inclusions of property within the Districts.

3. <u>Additional Services</u>. Except as specifically provided herein, to provide such additional services and exercise such powers as are expressly or impliedly granted by Colorado law, as may be amended from time to time.

D. <u>Facilities to be Constructed and/or Acquired.</u>

The Districts propose to provide and/or acquire Public Improvements necessary and for the benefit of the Project, and the residents, property owners and taxpayers of the Districts as are set forth in the Approved Development Plan.

Notwithstanding anything in this Service Plan to the contrary, the Districts shall have the authority to enter into any intergovernmental agreements deemed necessary to effectuate the plans of the Districts without further approval from the City. In addition, the Districts shall have the authority to seek electorate authorization to effectuate all purposes set forth in this Service Plan in order to comply with all applicable constitutional and statutory requirements.

VI. <u>FINANCIAL PLAN</u>

A. <u>General</u>.

The Districts shall be authorized to provide for the planning, design, acquisition, construction, installation, relocation and/or redevelopment of the Public Improvements by and through the proceeds of Debt to be issued by the Districts. The Financial Plan for the Districts shall be to issue such Debt as the Districts can reasonably pay within the Maximum Debt Mill Levy Imposition Term from revenues derived from the Maximum Debt Mill Levy, Fees and other legally available revenues. A Financial Plan is attached hereto as Exhibit F, which provides preliminary projections demonstrating that the Districts can reasonably discharge the proposed Debt, consistent with the requirements of the Special District Act. The total Debt that the Districts collectively shall be permitted to issue shall not exceed Twenty Five Million Dollars (\$25,000,000) and shall be permitted to be issued in amounts and on a schedule in such year or years as the issuing District, in its discretion, determines is necessary to serve development as it occurs and can be issued within the parameters established herein. All bonds and other Debt issued by the Districts may be payable from any and all legally available revenues of the Districts, including, but not limited to, ad valorem taxes and Fees. The Districts will also rely upon various other revenue sources authorized by law. These will include the power to assess Fees, rates, tolls, penalties, or charges as provided in Section 32-1-1001(1), C.R.S., as amended from time to time.

The parameters in the Financial Plan are based upon current estimates and will change based on actual development of the Project. The Financial Plan is one projection of the issuance of Debt by the Districts based on certain development assumptions. It is expected that actual development (including, but not limited to product types, market values, and absorption rates) will vary from that projected and illustrated in the Financial Plan, which variations and deviations shall not constitute a material modification of this Service Plan.

Notwithstanding anything in this Service Plan to the contrary, the projections set forth in this Service Plan and the Financial Plan are projections based upon current market conditions. The actual amounts, interest rates, and terms of any Debt will likely change from that reflected in the Financial Plan, and each issue of Debt will be based upon the actual conditions existing at the time of issuance, subject to the limitations of the Service Plan.

B. <u>Maximum Voted Interest Rate and Maximum Underwriting Discount</u>.

The interest rate on any Debt is expected to be the market rate at the time the Debt is issued. In the event of a default, the proposed maximum interest rate on any Debt is not expected to exceed eighteen percent (18%). The proposed maximum underwriting discount will be five percent (5%). Debt, when issued, will comply with all relevant requirements of this Service Plan, State law and Federal law as then applicable to the issuance of public securities.

C. <u>Maximum Debt Mill Levy</u>.

The "**Maximum Debt Mill Levy**" shall be the maximum mill levy a District is permitted to impose upon the taxable property within such District for payment of Debt, and shall be determined as follows:

1. For the portion of any aggregate Debt which exceeds fifty percent (50%) of the District's assessed valuation, the Maximum Debt Mill Levy for such portion of Debt shall

be sixty (60) mills less the number of mills necessary to pay unlimited mill levy Debt described in Section V.C.2 below; provided that if, on or after January 1, 2018, changes are made in the method of calculating assessed valuation or any constitutionally mandated tax credit, cut or abatement; the mill levy limitation applicable to such Debt may be increased or decreased to reflect such changes, such increases or decreases to be determined by the Board in good faith (such determination to be binding and final) so that to the extent possible, the actual tax revenues generated by the mill levy, as adjusted for changes occurring after January 1, 2018, are neither diminished nor enhanced as a result of such changes. For purposes of the foregoing, a change in the ratio of actual valuation shall be deemed to be a change in the method of calculating assessed valuation.

2. For the portion of any aggregate Debt which is equal to or less than fifty percent (50%) of the District's assessed valuation, either on the date of issuance or at any time thereafter, the mill levy to be imposed to repay such portion of Debt shall not be subject to the Maximum Debt Mill Levy and, as a result, the mill levy may be such amount as is necessary to pay the Debt service on such Debt, without limitation of rate.

3. For purposes of the foregoing, once Debt has been determined to be within Section V.C.2 above, such that the District is entitled to pledge to its payment an unlimited ad valorem mill levy, such District may provide that such Debt shall remain secured by such unlimited mill levy, notwithstanding any subsequent change in such District's Debt to assessed ratio. All Debt issued by the District must be issued in compliance with the requirements of Section 32-1-1101, C.R.S. and all other requirements of State law.

To the extent that the District is composed of or subsequently organized into one or more subdistricts as permitted under Section 32-1-1101, C.R.S., the term "District" as used herein shall be deemed to refer to the District and to each such subdistrict separately, so that each of the subdistricts shall be treated as a separate, independent district for purposes of the application of the definitions and limitations herein.

D. <u>Maximum Debt Mill Levy Imposition Term.</u>

The District shall not impose a levy for repayment of any and all Debt (or use the proceeds of any mill levy for repayment of Debt) on any single property developed for residential uses which exceeds forty (40) years after the year of the initial imposition of such Debt mill levy unless a majority of the Board of the District imposing the mill levy are residents of the District and have voted in favor of a refunding of a part or all of the Debt and such refunding will result in a net present value savings as set forth in Section 11-56-101, C.R.S.; et seq., as may be amended from time to time.

E. <u>Debt Repayment Sources</u>.

All bonds and other Debt issued by the Districts may be payable from any and all legally available revenues of the Districts, including, but not limited to, general ad valorem taxes and Fees. The Districts will also rely upon various other revenue sources authorized by law. These will include the power to assess Fees, rates, tolls, penalties, or charges as provided in Section 32-1-1001(1), C.R.S., as amended from time to time. In no event shall the debt service

mill levy in the District exceed the Maximum Debt Mill Levy or the Maximum Debt Mill Levy Imposition Term, except pursuant to an intergovernmental agreement between a District and the City.

F. <u>Security for Debt.</u>

The Districts shall not pledge any revenue or property of the City as security for the indebtedness. Approval of this Service Plan shall not be construed as a guarantee by the City of payment of any of the Districts' obligations; nor shall anything in the Service Plan be construed so as to create any responsibility or liability on the part of the City in the event of default by any District in the payment of any such obligation.

G. <u>TABOR Compliance</u>.

The Districts will comply with the provisions of TABOR. In the discretion of the Board, a District may set up other qualifying entities to manage, fund, construct and operate facilities, services, and programs. To the extent allowed by law, any entity created by a District will remain under the control of the District's Board.

H. <u>District's Operating Costs</u>.

The estimated cost of planning services, engineering services, legal services and administrative services, together with the estimated costs of the Districts' initial operations, are anticipated to be One Hundred Thousand Dollars (\$100,000), which will be eligible for reimbursement from Debt proceeds.

In addition to the capital costs of the Public Improvements, the Districts will require operating funds for administration and to plan and cause the Public Improvements to be constructed owned, operated and maintained by the Districts. The 2019 operating budget is estimated to be Fifty Thousand Dollars (\$50,000) which is anticipated to be derived from property taxes and other revenues.

The Maximum Debt Mill Levy for the repayment of Debt shall not apply to the District's ability to increase its mill levy as necessary for the provision of administrative, operation and maintenance services.

VII. ANNUAL REPORT

A. <u>General</u>.

The Districts shall be responsible for submitting an annual report to the City Clerk at the City's administrative offices no later than September 1st of each year following the year in which the Service Plan is approved by the City Council. The annual report shall reflect activity and financial events of the District through the preceding December 31st (the "Report Year").

- B. <u>Reporting of Significant Events</u>.
 - 1. The annual report shall include information as to any of the following:

2. A narrative summary of the progress of the Districts in implementing its service plan for the Report Year.

3. Except when an exemption from audit has been granted for the report year under the Local Government Audit Law, the audited financial statements of the Districts for the Report Year including a statement of financial condition (i.e. balance sheet) as of December 31 of the report year and the statement of operations (i.e. revenues and expenditures) for the Report Year.

4. Unless disclosed within a separate schedule to the financial statements, a summary of the capital expenditures incurred by the Districts in development of public facilities in a Report Year, as well as any capital improvements or projects proposed to be undertaken in the five (5) years following the report year.

5. Unless disclosed within a separate schedule to the financial statements, a summary of the financial obligations of the Districts at the end of the report year, including the amount of outstanding indebtedness, the amount and terms of any new District indebtedness or long-term obligations issued in the Report Year, the amount of payment or retirement of existing indebtedness of the Districts in the Report Year, the total assessed valuation of all taxable properties within the Districts as of January 1 of the Report Year, and the current mill levy of the Districts pledged to debt retirement in the Report Year.

6. The Districts' budget for the calendar year in which the annual report is submitted.

7. A summary of residential and commercial development which has occurred within the Districts for the report year.

8. A summary of all fees, charges and assessments imposed by the Districts as of January 1 of the Report Year.

9. The name, business address and telephone number of each member of the Board and its chief administrative officer and general counsel, together with the date, place and time of the regular meetings of the Board.

VIII. <u>DISSOLUTION</u>

Upon an independent determination of the City Council that the purposes for which the Districts was created have been accomplished, the Districts agree to file a petition in the appropriate District Court for dissolution, pursuant to the applicable State statutes. In no event shall a dissolution occur until the Districts have provided for the payment or discharge of all of their outstanding indebtedness and other financial obligations as required pursuant to State statutes.

IX. <u>DISCLOSURE TO PURCHASERS</u>

The Districts will use reasonable efforts to assure that all developers of the property located within the Districts provides written notice to all purchasers of property in the Districts

regarding the Maximum Debt Mill Levy, as well as a general description of the Districts' authority to impose and collect rates, Fees, tolls and charges. The form of notice shall be filed with the City prior to the initial issuance of the Debt of the Districts and shall be recorded in the Service Area.

X. <u>INTERGOVERNMENTAL AGREEMENT</u>

The form of the intergovernmental agreement, relating to the limitations imposed on the Districts' activities, is attached hereto as **Exhibit D**. The Districts shall approve the intergovernmental agreement in the form attached as **Exhibit D** at their first Board meeting after approval of the Service Plan by the City. The City Council shall approve the intergovernmental agreement in the form attached as **Exhibit D** at the public hearing approving the Service Plan.

XI. <u>CONCLUSION</u>

It is submitted that this Service Plan for the Districts, as required by Section 32-1-203(2), C.R.S., establishes that:

1. There is sufficient existing and projected need for organized service in the area to be serviced by the Districts;

2. The existing service in the area to be served by the Districts is inadequate for present and projected needs;

3. The Districts are capable of providing economical and sufficient service to the area within its proposed boundaries; and

4. Adequate service is not, and will not be, available to the area through the City or county or other existing municipal or quasi-municipal corporations, including existing special districts, within a reasonable time and on a comparable basis.

5. The facility and service standards of the Districts are compatible with the facility and service standards of the City within which the special districts are to be located and each municipality which is an interested party under Section 32-1-204(1), C.R.S.

6. The proposal is in substantial compliance with a master plan adopted pursuant to Section 30-28-108, Colorado Revised Statutes;

7. The proposal is in compliance with any duly adopted City, regional or state long-range water quality management plan for the area.

8. The creation of the Districts is in the best interests of the area proposed to be served.

Intergovernmental Agreement between District and City of Wheat Ridge

AMENDED AND RESTATED

INTERGOVERNMENTAL AGREEMENT BETWEEN

THE CITY OF WHEAT RIDGE, COLORADO

AND WARD TOD METROPOLITAN DISTRICT NOS. 1-3

THIS INTERGOVERNMENTAL AGREEMENT (the "Agreement") is made and entered into as of this ______ day of ______, 2019, by, between and among the CITY OF WHEAT RIDGE, Colorado ("City"), and WARD METROPOLITAN DISTRICT NO. 1, a quasi-municipal corporation and political subdivisions of the State of Colorado; WARD TOD METROPOLITAN DISTRICT NO. 2, a quasi-municipal corporation and political subdivision of the State of Colorado; and WARD TOD METROPOLITAN DISTRICT NO. 3, a quasi-municipal corporation and political subdivision of the State of Colorado (each a "District" and collectively the "Districts"). The City and the Districts are each referred to herein as a "Party" and collectively referred to herein as the "Parties".

RECITALS

WHEREAS, the Districts was organized to provide those services and to exercise powers as are more specifically set forth in the Amended and Restated Service Plan for WARD TOD Metropolitan District Nos. 1-3, approved by the City on May 13, 2019 ("Service Plan"); and

WHEREAS, the Service Plan requires that the Districts approve this Agreement after approval of the Service Plan by the City; and

WHEREAS, the City and the Districts have determined it to be in the best interests of their respective taxpayers, residents and property owners to enter into this Agreement; and

WHEREAS, all defined terms set forth herein shall have the same meaning as set forth in the Service Plan.

NOW, THEREFORE, in consideration of the covenants and mutual agreements herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

COVENANTS AND AGREEMENTS

1. <u>Operations and Maintenance</u>. The Districts shall dedicate the Public Improvements to the City or other appropriate jurisdiction in a manner contemplated under the Approved Development Plan and other rules and regulations of the City and applicable provisions of the City Code. The Districts shall be authorized, but not obligated, to own, operate and maintain Public Improvements not otherwise dedicated to the City or other public entity. The Parties anticipate the division of operations and maintenance responsibilities as set forth in Exhibit A attached hereto.

2. <u>Construction Standards</u>. The Districts will ensure that Public Improvements constructed by the Districts are designed and constructed in accordance with the standards and specifications of the City and of other governmental entities having proper jurisdiction, including the Colorado Department of Health, and other applicable local, state or federal agencies.

3. <u>Inclusion of Property</u>. The Districts shall not include within its boundaries any property outside the Service Area without the prior written consent of the City.

4. <u>Total Debt Issuance</u>. The Districts collectively shall not issue Debt in excess of Twenty Five Million Dollars (\$25,000,000). Debt that is issued for the purpose of refunding outstanding District Debt shall not be counted against such \$25,000,000 debt limitation, provided, however, that if the aggregate principal amount of the refunding Debt exceeds the outstanding aggregate principal amount of the refunded Debt, the increase in principal amount shall be counted against such debt limitation.

5. <u>Bankruptcy</u>. All of the limitations contained in the Service Plan, including, but not limited to, those pertaining to the Maximum Debt Mill Levy, Maximum Debt Mill Levy Imposition Term and the Fees have been established under the authority of the City to approve the Service Plan with conditions pursuant to Section 32-1-204.5, C.R.S. It is expressly intended that such limitations:

(a) shall not be subject to set-aside for any reason or by any court of competent jurisdiction, absent a Service Plan Amendment; and

(b) are, together with all other requirements of State law, included in the "political or governmental powers" reserved to the State under the U.S. Bankruptcy Code (11 U.S.C.) Section 903, and are also included in the "regulatory or electoral approval necessary under applicable nonbankruptcy law" as required for confirmation of a Chapter 9 Bankruptcy Plan under Bankruptcy Code Section 943(b)(6).

Any Debt, issued with a pledge or which results in a pledge, that exceeds the Maximum Debt Mill Levy and the Maximum Debt Mill Levy Imposition Term, shall be deemed a material modification of this Service Plan pursuant to Section 32-1-207, C.R.S. and shall not be an authorized issuance of Debt unless and until such material modification has been approved by the City as part of a Service Plan Amendment.

7. <u>Dissolution</u>. Upon an independent determination of the City Council that the purposes for which the Districts was created have been accomplished, the Districts agrees to file a petition in the appropriate District Court for dissolution, pursuant to the applicable State statutes. In no event shall a dissolution occur until the Districts have provided for the payment or discharge of all of its outstanding indebtedness and other financial obligations as required pursuant to State statutes.

8. <u>Disclosure to Purchasers</u>. The Districts will use reasonable efforts to assure that all developers of the property located within the Districts provide written notice to all purchasers of property in the Districts regarding the Maximum Debt Mill Levy, as well as a general description of the Districts' authority to impose and collect rates, Fees, tolls and charges. The

form of notice shall be filed with the City prior to the initial issuance of the Debt by the Districts and shall be recorded in the Service Area.

9. <u>Annual Report</u>. The Districts shall be responsible for submitting an annual report to the City Clerk at the City's administrative offices by no later than September 1st of each year following the year in which the Service Plan is approved by the City Council. The annual report shall reflect activity and financial events of the District during the Report Year.

10. <u>Maximum Debt Mill Levy</u>. The "**Maximum Debt Mill Levy**" shall be the maximum mill levy a District is permitted to impose upon the taxable property within such District for payment of Debt, and shall be determined as follows:

(a) For the portion of any aggregate Debt which exceeds fifty percent (50%) of the District's assessed valuation, the Maximum Debt Mill Levy for such portion of Debt shall be Sixty (60) mills less the number of mills necessary to pay unlimited mill levy Debt described in Section V.C.2 below; provided that if, on or after January 1, 2018, changes are made in the method of calculating assessed valuation or any constitutionally mandated tax credit, cut or abatement; the mill levy limitation applicable to such Debt may be increased or decreased to reflect such changes, such increases or decreases to be determined by the Board in good faith (such determination to be binding and final) so that to the extent possible, the actual tax revenues generated by the mill levy, as adjusted for changes occurring after January 1, 2018, are neither diminished nor enhanced as a result of such changes. For purposes of the foregoing, a change in the ratio of actual valuation shall be deemed to be a change in the method of calculating assessed valuation.

(b) For the portion of any aggregate Debt which is equal to or less than fifty percent (50%) of the District's assessed valuation, either on the date of issuance or at any time thereafter, the mill levy to be imposed to repay such portion of Debt shall not be subject to the Maximum Debt Mill Levy and, as a result, the mill levy may be such amount as is necessary to pay the Debt service on such Debt, without limitation of rate.

(c) For purposes of the foregoing, once Debt has been determined to be within Section V.C.2 above, such that the District is entitled to pledge to its payment an unlimited ad valorem mill levy, such District may provide that such Debt shall remain secured by such unlimited mill levy, notwithstanding any subsequent change in such District's Debt to assessed ratio. All Debt issued by the District must be issued in compliance with the requirements of Section 32-1-1101, C.R.S. and all other requirements of State law.

To the extent that the District is composed of or subsequently organized into one or more subdistricts as permitted under Section 32-1-1101, C.R.S., the term "District" as used herein shall be deemed to refer to the District and to each such subdistrict separately, so that each of the subdistricts shall be treated as a separate, independent district for purposes of the application of the definitions and limitations herein.

11. <u>Notices</u>. All notices, demands, requests or other communications to be sent by one Party to the other hereunder or required by law shall be in writing and shall be deemed to have been validly given or served by delivery of same in person to the address or by courier

delivery, via United Parcel Service or other nationally recognized overnight air courier service, or by depositing same in the United States mail, postage prepaid, addressed as follows:

| To the District: | WARD TOD Metropolitan District Nos. 1-3 2154 East Commons Ave., Suite 2000 Centennial, CO 80122 ATTN: Clint C. Waldron, Esq. Phone: (303) 858-1800 Fax: (303) 858-1801 Email: cwaldron@wbapc.com |
|------------------|--|
| To the City: | City of Wheat Ridge 7500 W. 29 th Ave., Wheat Ridge, CO 80033 ATTN: Patrick Goff, City Manager Phone: (303) 235-2805 Email: <u>pgoff@ci.wheatridge.co.us</u> |
| With a copy to: | Murray Dahl Kuechenmeister & Renaud LLP 710 Kipling Street, Suite 300 Lakewood, CO 80215 ATTN: Gerald Dahl Phone: (303) 493-6670 Email: <u>gdahl@mdkrlaw.com</u> |

All notices, demands, requests or other communications shall be effective upon such personal delivery or 1 business day after being deposited with United Parcel Service or other nationally recognized overnight air courier service or 3 business days after deposit in the United States mail. By giving the other party hereto at least 10 days written notice thereof in accordance with the provisions hereof, each of the Parties shall have the right from time to time to change its address.

12. <u>Amendment</u>. This Agreement may be amended, modified, changed, or terminated in whole or in part only by a written agreement duly authorized and executed by the Parties hereto and without amendment to the Service Plan.

13. <u>Assignment</u>. No Party hereto shall assign any of its rights nor delegate any of its duties hereunder to any person or entity without having first obtained the prior written consent of all other Parties, which consent will not be unreasonably withheld. Any purported assignment or delegation in violation of the provisions hereof shall be void and ineffectual.

14. <u>Default/Remedies</u>. In the event of a breach or default of this Agreement by any Party, the non-defaulting Parties shall be entitled to exercise all remedies available at law or in equity, specifically including suits for specific performance and/or monetary damages. In the event of any proceeding to enforce the terms, covenants or conditions hereof, the prevailing Party/Parties in such proceeding shall be entitled to obtain as part of its judgment or award its reasonable attorneys' fees.

15. <u>Governing Law and Venue</u>. This Agreement shall be governed and construed under the laws of the State of Colorado and venue shall be in the District Court in and for the county in which the Districts are located.

16. <u>Inurement</u>. Each of the terms, covenants and conditions hereof shall be binding upon and inure to the benefit of the Parties hereto and their respective successors and assigns.

17. <u>Integration</u>. This Agreement constitutes the entire agreement between the Parties with respect to the matters addressed herein. All prior discussions and negotiations regarding the subject matter hereof are merged herein.

18. <u>Parties Interested Herein</u>. Nothing expressed or implied in this Agreement is intended or shall be construed to confer upon, or to give to, any person other than the District and the City any right, remedy, or claim under or by reason of this Agreement or any covenants, terms, conditions, or provisions thereof, and all the covenants, terms, conditions, and provisions in this Agreement by and on behalf of the District and the City shall be for the sole and exclusive benefit of the District and the City.

19. <u>Severability</u>. If any covenant, term, condition, or provision under this Agreement shall, for any reason, be held to be invalid or unenforceable, the invalidity or unenforceability of such covenant, term, condition, or provision shall not affect any other provision contained herein, the intention being that such provisions are severable.

20. <u>Counterparts</u>. This Agreement may be executed in one or more counterparts, each of which shall constitute an original and all of which shall constitute one and the same document.

21. <u>Paragraph Headings</u>. Paragraph headings are inserted for convenience of reference only.

22. <u>Defined Terms</u>. Capitalized terms used herein and not otherwise defined shall have meanings ascribed to them in the Service Plan.

(Signature page follows)

IN WITNESS WHEREOF, this Agreement is executed by the City and District as of the date first above written.

CERTIFICATE CONCERNING NOTICES OF PUBLIC HEARING ON THE SERVICE PLAN

IN RE THE SERVICE PLAN FOR WARD TOD METROPOLITAN DISTRICT NOS. 1-3, CITY OF WHEAT RIDGE, COUNTY OF JEFFERSON, STATE OF COLORADO

I, Allison L. Hanson, a paralegal at the law firm of White Bear Ankele Tanaka & Waldron Professional Corporation, acting on behalf of Ward TOD Metropolitan District Nos. 1-3 (collectively the "Districts"), do hereby certify as follows:

- 1. That the City of Wheat Ridge (the "City") set a public hearing for May 13, 2019 at 7:00 p.m. at 7500 West 29th Avenue, Wheat Ridge, Colorado (the "Hearing"), for the purpose of considering the Amended and Restated Service Plan (the "Service Plan") for the Districts and to form a basis for adopting a resolution approving, conditionally approving or disapproving the Service Plan;
- 2. That, pursuant to § 32-1-204(1), C.R.S., the Notice of Public Hearing on the Service Plan, a copy of which is attached hereto as **Exhibit A** and incorporated herein by this reference, was provided by U.S. mail on April 18, 2019, to the Petitioners and to the governing body of any existing municipality or special district that has levied an ad valorem tax within the next preceding tax year and that has boundaries within a radius of three miles of the proposed Districts' boundaries, as set forth on the list attached hereto as **Exhibit B** and incorporated herein by this reference;
- 3. That, pursuant to § 32-1-204(1), C.R.S., the Notice of Public Hearing on the Service Plan, a copy of which is attached hereto as **Exhibit A**, was published on April 18, 2019, in the *Wheat Ridge Transcript*. A copy of the Affidavit of Publication of Notice of Public Hearing on the Service Plan is attached hereto as **Exhibit C** and incorporated herein by this reference;
- 4. That, pursuant to § 32-1-204(1.5), C.R.S., the Notice of Public Hearing on the Service Plan, a copy of which is attached hereto as **Exhibit A**, was sent by U.S. mail on April 18, 2019 (which date is no more than thirty days nor less than twenty days prior to the Hearing), to the property owners within the proposed Districts as listed on the records of the County Assessor, as set forth on the list attached hereto as **Exhibit D** and incorporated herein by this reference; and
- 5. That, pursuant to § 32-1-202(1)(a), C.R.S., the Notice of Public Hearing on the Service Plan, a copy of which is attached hereto as **Exhibit A**, was provided by U.S. mail on April 18, 2019 to the Division of Local Government.

(Notice of Public Hearing on the Service Plan)

NOTICE OF PUBLIC HEARING FOR SERVICE PLAN OF A SPECIAL DISTRICT

IN RE THE SERVICE PLAN FOR WARD TOD METROPOLITAN DISTRICT NOS. 1-3, CITY OF WHEAT RIDGE, COUNTY OF JEFFERSON, STATE OF COLORADO

NOTICE IS HEREBY GIVEN that, pursuant to § 32-1-204(1), C.R.S., an Amended and Restated Service Plan (the "Service Plan") for the WARD TOD Metropolitan District Nos. 1-3 (collectively, the "Districts") has been filed and is available for public inspection in the office of the City Clerk of the City of Wheat Ridge, Colorado.

A study session on the Service Plan will be held by the City Council of the City of Wheat Ridge (the "**City Council**") on Monday, May 6, 2019, at 6:30 p.m., at 7500 West 29th Avenue, Wheat Ridge, Colorado, or as soon thereafter as the City Council may hear such matter.

A public hearing on the Service Plan will be held by the City Council on Monday, May 13, 2019, at 7:00 p.m., at 7500 West 29th Avenue, Wheat Ridge, Colorado, or as soon thereafter as the City Council may hear such matter.

The Districts are existing metropolitan districts organized under the provisions of Title 32, Colorado Revised Statutes. The purpose of the Districts is to finance, construct, acquire, own, operate and maintain public improvements such as water, streets, traffic and safety control, sanitation, storm sewers and drainage, parks and recreation, transportation, television relay and translation, mosquito and pest control and other improvements and services within the Districts' boundaries. The maximum mill levy the Districts are permitted to impose upon the taxable property within the Districts for payment of Debt and shall be 60 mills, subject to the limitations set forth in the Service Plan.

A description of the land contained within the boundaries of the proposed Districts is as follows: the southeast corner of West 52nd Avenue and Ward Road, City of Wheat Ridge, County of Jefferson, State of Colorado, containing approximately 14 acres, as further described in the Service Plan.

All protests and objections must be <u>submitted in writing</u> to the City Manager at or prior to the public hearing or any continuance or postponement thereof in order to be considered. All protests and objections to the District shall be deemed to be waived unless presented at the time and in the manner specified herein.

BY ORDER OF THE CITY COUNCIL OF THE CITY OF WHEAT RIDGE

Public Notice

NOTICE OF PUBLIC HEARING FOR SERVICE PLAN OF A SPECIAL DISTRICT

IN RE THE SERVICE PLAN FOR WARD TOD METROPOLITAN DISTRICT NOS. 1-3, CITY OF WHEAT RIDGE, COUNTY OF JEFFERSON, STATE OF COLORADO

NOTICE IS HEREBY GIVEN that, pursuant to § 32-1-204(1), C.R.S., an Amended and Restated Service Plan (the "Service Plan") for the WARD TOD Metropolitan District Nos. 1-3 (collectively, the "Districts") has been filed and is available for public inspection in the office of the City Clerk of the City of Wheat Ridge, Colorado.

A study session on the Service Plan will be held by the City Council of the City of Wheat Ridge (the "City Council") on Monday, May 6, 2019, at 6:30 p.m., at 7500 West 29th Avenue, Wheat Ridge, Colorado, or as soon thereafter as the City Council may hear such matter.

A public hearing on the Service Plan will be held by the City Council on Monday, May 13, 2019, at 7:00 p.m., at 7500 West 29th Avenue, Wheat Ridge, Colorado, or as soon thereafter as the City Council may hear such matter.

The Districts are existing metropolitan districts organized under the provisions of Title 32, Colorado Revised Statutes. The purpose of the Districts is to finance, construct, acquire, own, operate and maintain public improvements such as water, streets, traffic and safety control, sanitation, storm sewers and drainage, parks and recreation, transportation, television relay and translation, mosquito and pest control and other improvements and services within the Districts' boundaries. The maximum mill levy the Districts are permitted to impose upon the taxable property within the Districts for payment of Debt and shall be 60 mills, subject to the limitations set forth in the Service Plan.

A description of the land contained within the boundaries of the proposed Districts is as follows: the southeast corner of West 52nd Avenue and Ward Road, City of Wheat Ridge, County of Jefferson, State of Colorado, containing approximately 14 acres, as further described in the Service Plan.

All protests and objections must be submitted in writing to the City Manager at or prior to the public hearing or any continuance or postponement thereof in order to be considered. All protests and objections to the District shall be deemed to be waived unless presented at the time and in the manner specified herein.

BY ORDER OF THE CITY COUNCIL OF THE CITY OF WHEAT RIDGE

City Manager

ISSUE:

On March 19, 2019, Renewal Wheat Ridge (RWR) entered into a Tax Increment Financing (TIF) Agreement with Regency Centers, the owners of the Applewood Shopping Center, for redevelopment of the vacant Walmart building at the southeast corner of 38th Avenue and Youngfield Street. The TIF Agreement utilizes property and sales tax increment to finance public improvements associated with the redevelopment project. A request is being made of City Council to adopt a resolution approving a Cooperation Agreement between the City and RWR to share up to a maximum of \$2,000,874 in sales tax increment generated from the project for a period of 5 years.

PRIOR ACTION:

On April 15, 2019, City Council was briefed on this issue during its study session.

BACKGROUND:

When Walmart ceased operations in July 2017, Regency began plans to re-tenant the building. In early 2018, Regency entered into letters of intent with Hobby Lobby, Sierra

Trading Post, HomeGoods and Ulta to backfill the vacant Walmart space. To attract these quality, national retail tenants, significant improvements to the 35-year old structure and site would be necessary.

The new uses would require dividing the space into five separate spaces for four retail tenants and a yet to be determined 17,000 sq. ft. space. The redevelopment also includes a complete reface of the building façade, reconstruction of the parking lot for more efficient use, creation of a new retail pad at the corner of 38th and Youngfield, and streetscape improvements along Youngfield and 38th. The City is also utilizing a portion of its 1% Xcel funding to underground all the utilities from 32nd and Youngfield to the terminus of the old Walmart building on 38th Avenue.

In total, Regency will invest approximately \$20 million into this redevelopment project. Over \$5.4 million of this investment has been determined to be eligible public improvements including general site improvements, Youngfield streetscape and signalized intersection improvements, façade upgrades, wet utilities, 38th Avenue right of way improvements, demolition of blighted buildings and environmental remediation of asbestos. Regency has requested that RWR assist in paying these eligible public improvements through a property tax TIF Agreement in the amount of \$6.1 million and sales tax TIF Agreement in the amount \$2.0 million.

In order for RWR to consider the use of TIF, the project is required to demonstrate a need for public assistance. RWR hired Economic and Planning Systems (EPS) to conduct an analysis of the project and the need for the use of TIF for this project. For a project of this type, a typical developer's return on cost is somewhere between 6-8%. If this redevelopment project received no public assistance through the TIF, it would generate a return of 5.13%, which equates to a financial gap of \$4,878,360 in present value (real value). In order for this project to achieve a 6.75% return, a subsidy totaling \$8,143,573 million dollars in nominal dollars or \$4,878,360 in present value dollars is required for the developer to meet a 6.75% return.

In addition to the TIF Agreement between RWR and Regency, the a Cooperation Agreement between RWR and the City is necessary to obligate the City to deposit the pledged sales tax increment revenues into a special fund of RWR to reimburse Regency for eligible public improvements associated with the redevelopment project.

FINANCIAL IMPACT:

If approved, the City will share one (1.0) cent of its three and one-half (3¹/₂) cent sales tax generated from this project in an amount not-to-exceed \$2,000,874. At stabilization, redevelopment of the Walmart site is estimated to generate just under \$1.0 million per year in City sales tax, increasing to roughly \$2.0 million per year in 2040 for a total of just over \$31 million over the next 21 years.

Council Action Form - Regency Cooperation Agreement May 13, 2019 Page 3

RECOMMENDATIONS:

Staff recommends the adoption of the Resolution approving the Cooperation Agreement for the following reasons:

- The costs associated with the redevelopment and the requested participation by the City of Wheat Ridge and RWR have been thoroughly vetted by an independent third party working on behalf of the City of Wheat Ridge and RWR; and
- The improvements to the shuttered Walmart building will provide a needed facelift to the almost 50-year old building; and
- The participation will provide for a higher quality tenant mix in the repurposed building; and
- The overall development will create an additional retail pad space at the corner of Youngfield and W. 38th Avenue that provides for potential sales tax generation to the City of Wheat Ridge; and
- The new tenants will draw new shoppers from a larger geographic area (app. 3 miles) compared to Walmart (app. 1 mile).

RECOMMENDED MOTION:

"I move to approve Resolution No. <u>32-2019</u>, a resolution approving a Cooperation Agreement between the City of Wheat Ridge and the Wheat Ridge Urban Renewal Authority for the Applewood Village Redevelopment."

Or,

"I move to postpone indefinitely Resolution No. <u>32-2019</u>, a resolution approving a Cooperation Agreement between the City of Wheat Ridge and the Wheat Ridge Urban Renewal Authority for the Applewood Village Redevelopment for the following reason(s) ______."

CITY OF WHEAT RIDGE, COLORADO RESOLUTION NO. <u>32</u> Series of 2019

TITLE: RESOLUTION NO. <u>32-2019</u> - A RESOLUTION APPROVING A COOPERATION AGREEMENT BETWEEN THE CITY OF WHEAT RIDGE AND THE WHEAT RIDGE URBAN RENEWAL AUTHORITY FOR THE APPLEWOOD VILLAGE REDEVELOPMENT

WHEREAS, the City is a home rule municipality and political subdivision of the State of Colorado organized and existing under a home rule charter pursuant to Article XX of the Constitution of the State of Colorado; and

WHEREAS, the City Council of the City (the "City Council") established the Wheat Ridge Urban Renewal Authority d/b/a/ Renewal Wheat Ridge (the "Authority") on October 18, 1981, as an urban renewal authority pursuant to Colorado Revised Statutes, Part 1 of Title 31, Article 25, as amended; and

WHEREAS, the City Council has adopted the I-70/Kipling Corridors Urban Renewal Plan (the "Urban Renewal Plan" or the "Plan") for the area described therein (the "Urban Renewal Area"); and

WHEREAS, Regency LLC (the "Developer") owns and is rehabilitating a building located at the northern end of the Applewood Village Shopping Center (the "Property"), which is in the Urban Renewal Area; and

WHEREAS, the Developer has submitted a proposal to the City and the Authority to redevelop the Property (the "Project") and has identified four new users within the building; and

WHEREAS, the City has determined and hereby determines that it is in the best interests of the City and its citizens to assist in the redevelopment of the Project; and

WHEREAS, the Authority has determined that the redevelopment of the Project, in order to remediate blight, is consistent with and in furtherance of the purposes of the Authority and the Plan; and

WHEREAS, the Urban Renewal Plan contemplates that a primary method of financing projects within the Urban Renewal Area will be through the use of property tax increment revenues and City sales tax increment revenues; and

WHEREAS, the Plan adopted the utilization of property and sales tax increment for the Property and authorizes the Authority to pledge such property tax increment revenues and City sales tax increment revenues to finance public infrastructure that benefits the Urban Renewal Area pursuant to one or more Cooperation Agreements (as defined therein); and

ATTACHMENT 1

WHEREAS, the Authority and the Developer entered into a Redevelopment Agreement on March 15, 2019 (the "Redevelopment Agreement") that sets forth the rights and responsibilities of each party with respect to the financing and construction of the Project; and

WHEREAS, in order to finance certain eligible improvements for the Project, the Redevelopment Agreement provides that, upon compliance with certain conditions precedent, the Authority will reimburse the Developer for eligible costs incurred in connection with such eligible improvements in the maximum amount of \$8,441,138 (the "Reimbursement Amount") with the Reimbursement Amount to be payable solely from property tax increment revenues and sales tax increment revenues to be generated from the redevelopment of the Project; and

WHEREAS, in connection with the execution and delivery of the Redevelopment Agreement and the repayment of the Reimbursement Amount in accordance therewith, the City and the Authority believe it is in the best interests of the City and the Authority to enter into a Cooperation Agreement (the "Cooperation Agreement") **EXHIBIT A** related to the Project; and

WHEREAS, there has been filed with the City Clerk of the City (the "City Clerk") the proposed form of the Cooperation Agreement.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Wheat Ridge, Colorado, that:

Section 1. Finding of Best Interests and Public Purpose. The City Council hereby finds and determines, pursuant to the Constitution, the laws of the State and the City's home rule charter (the "Charter"), and in accordance with the foregoing recitals, that adopting this Resolution, redeveloping the Project and entering into the Cooperation Agreement are in the best interests of the inhabitants of the City.

Section 2. Approval of Cooperation Agreement. The Cooperation Agreement, in substantially the form on file with the City Clerk, is in all respects approved, authorized and confirmed. The Mayor is hereby authorized and directed to execute and deliver the Cooperation Agreement, for and on behalf of the City, in substantially the form and with substantially the same contents as is on file with the City Clerk, provided that such document may be completed, corrected or revised as deemed necessary by the parties thereto in order to carry out the purposes of this Resolution. The execution of the Cooperation Agreement by the Mayor shall be conclusive evidence of the approval by the City Council of such document in accordance with its terms.

<u>Section 3.</u> <u>Direction to Act.</u> The City Clerk is hereby authorized and directed to attest all signatures and acts of any official of the City in connection with the matters authorized by this Resolution and to place the seal of the City on any document authorized and approved by this Resolution. The Mayor, the City Manager, the City Clerk, the City Attorney, and all other appropriate officials or employees of the City

are hereby authorized and directed to execute and deliver for and on behalf of the City any and all additional certificates, documents, instruments and other papers, and to perform all other acts that they deem necessary or appropriate, in order to facilitate the redevelopment of the Project and implement and carry out the transactions and other matters authorized by this Resolution.

Section 4. Ratification. All actions (not inconsistent with the provisions of this Resolution) heretofore taken by the City Council or the officers, employees or agents of the City directed toward the redevelopment of the Project and the execution and delivery of the Cooperation Agreement are hereby ratified, approved and confirmed.

<u>Section 5.</u> <u>Severability</u>. If any section, subsection, paragraph, clause or provision of this Resolution or the documents hereby authorized and approved shall for any reason be held to be invalid or unenforceable, the invalidity or unenforceability of such section, subsection, paragraph, clause or provision shall not affect any of the remaining provisions of this Resolution or such documents, the intent being that the same are severable.

Section 6. Repealer. All prior resolutions, or parts thereof, inconsistent herewith are hereby repealed to the extent of such inconsistency.

Section 7. Effectiveness. This Resolution shall take effect immediately.

DONE AND RESOLVED this 13th day of May, 2019.

Bud Starker, Mayor

Attest:

Janelle Shaver, City Clerk

EXHIBIT A

COOPERATION AGREEMENT BETWEEN THE CITY OF WHEAT RIDGE AND WHEAT RIDGE URBAN RENEWAL AUTHORITY

THIS COOPERATION AGREEMENT (this "Agreement") dated as of May 13, 2019, is made and entered into between the CITY OF WHEAT RIDGE, COLORADO (the "City") and the WHEAT RIDGE URBAN RENEWAL AUTHORITY d/b/a/ RENEWAL WHEAT RIDGE (the "Authority").

WHEREAS, the City is a Colorado home rule municipality with all the powers and authority granted pursuant to Article XX of the Colorado Constitution and its home rule charter (the "Charter"); and

WHEREAS, the Authority is a Colorado Urban Renewal Authority, with all the powers and authority granted to it pursuant to Title 31, Article 25, Part 1, Colorado Revised Statutes ("C.R.S.") (the "Urban Renewal Law"); and

WHEREAS, pursuant to Article XIV of the Colorado Constitution, and Title 29, Article 1, Part 2, C.R.S., the City and the Authority are authorized to cooperate and contract with one another to provide any function, service or facility lawfully authorized to each governmental entity; and

WHEREAS, the City Council of the City (the "City Council") has previously adopted the I-70/Kipling Corridors Urban Renewal Plan, as amended (the "Urban Renewal Plan" or the "Plan") for the area described therein (the "Urban Renewal Area"); and

WHEREAS, U.S. Retail Partners, LLC, a Delaware limited liability company (the "Developer"), has the desire to redevelop the vacant Walmart retail building consisting of approximately 126,000 square feet within the Applewood Shopping Center, which is in the Urban Renewal Area; and

WHEREAS, the redeveloped property will be divided into five new spaces which will include Ulta, Hobby Lobby, Sierra Trading Post, and HomeGoods; and

WHEREAS, the Developer has submitted a proposal to the City and the Authority to redevelop the Property (the "Project"); and

WHEREAS, the Project is being undertaken to facilitate the elimination and prevention of blighted areas and to promote redevelopment, conservation and rehabilitation of the Urban Renewal Area; and

WHEREAS, pursuant to section 31-25-112, C.R.S., the City is specifically authorized to do all things necessary to aid and cooperate with the Authority in connection with the planning or undertaking of any urban renewal plans, projects, programs, works, operations, or activities of the Authority, to enter into agreements with the Authority respecting such actions to be taken by the City, and appropriating funds and making such expenditures of its funds to aid and cooperate with the Authority in undertaking the Project and carrying out the Plan; and

WHEREAS, the Authority and the Developer expect to enter into a Redevelopment Agreement (the "Redevelopment Agreement") that sets forth the rights and responsibilities of each party with respect to the financing and construction of the Project; and

WHEREAS, in order to finance certain eligible improvements for the Project, the Redevelopment Agreement provides that, upon compliance with certain conditions precedent, the Authority will provide reimbursement of \$8,441,138 (the "Payment") with such Payment to be payable from the Pledged Property Tax Increment Revenue and Pledged Sales Tax Increment Revenues as the same are defined in the Redevelopment Agreement to be generated from the redevelopment of the Project; and

WHEREAS, the maximum amount of sales tax pledged will be for a period of five years, ending December 31, 2025 or \$2,000,874, whichever shall occur first; and

WHEREAS, in order to implement the provisions regarding the use of Pledged Sales Tax Increment Revenues generated from the Project, this Cooperation Agreement is necessary to cause the City to deposit such Pledged Sales Tax Increment Revenues into the Special Fund of the Authority to reimburse the Developer for Eligible Costs of the Project as defined in the Redevelopment Agreement; and

WHEREAS, capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Redevelopment Agreement.

NOW, THEREFORE, in consideration of the mutual promises set forth below, the City and the Authority agree as follows:

I. <u>COOPERATION</u>.

- a. The City shall continue to make available such employees of the City as may be necessary and appropriate to assist the Authority in carrying out any authorized duty or activity of the Authority pursuant to the Urban Renewal Law, the Plan, or any other lawfully authorized duty or activity of the Authority.
- b. The City agrees to assist the Authority by pursuing all lawful procedures and remedies available to it to collect and transfer to the Authority on a timely basis all Pledged Sales Tax Increment Revenues for deposit into the Project Account of the Special Fund until the total amount of Pledged Revenues as defined in the Redevelopment Agreement paid to Developer equals the Reimbursement Amount, or December 31, 2025, whichever first occurs.
- c. To the extent lawfully possible, the City will take no action that would have the effect of reducing tax collections that constitute Pledged Sales Tax Increment Revenues.

II. <u>GENERAL PROVISIONS</u>.

(a) <u>Separate Entities</u>. Nothing in this Agreement shall be interpreted in any manner as constituting the City or its officials, representatives, consultants, or employees as the agents of the Authority, nor as constituting the Authority or its officials, representatives, consultants, or employees as agents of the City. Each entity shall remain a separate legal entity pursuant to applicable law. Neither party shall be deemed hereby to have assumed the debts, obligations, or liabilities of the other.

(b) <u>Third Parties</u>. Neither the City nor the Authority shall be obligated or liable under the terms of this Agreement to any person or entity not a party hereto, provided, however, that the Lender is a third party beneficiary to the provisions hereof related to the collection and remittance to the Authority of the Pledged Revenues.

(c) <u>Modifications</u>. No modification or change of any provision in this Agreement shall be made, or construed to have been made, unless such modification is mutually agreed to in writing by both parties and incorporated as a written amendment to this Agreement. Memoranda of understanding and correspondence shall not be construed as amendments to the Agreement.

(d) <u>Entire Agreement</u>. This Agreement shall represent the entire agreement between the parties with respect to the subject matter hereof and shall supersede all prior negotiations, representations, or agreements, either written or oral, between the parties relating to the subject matter of this Agreement and shall be independent of and have no effect upon any other contracts.

(e) <u>Severability</u>. If any provision of this Agreement is held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired.

(f) <u>Assignment</u>. Except for the pledge under the Loan Documents, this Agreement shall not be assigned, in whole or in part, by either party without the written consent of the other.

(g) <u>Waiver</u>. No waiver of a breach of any provision of this Agreement by either party shall constitute a waiver of any other breach or of such provision. Failure of either party to enforce at any time, or from time to time, any provision of this Agreement shall not be construed as a waiver thereof. The remedies reserved in this Agreement shall be cumulative and additional to any other remedies in law or in equity.

IN WITNESS WHEREOF, this Agreement is executed by the Parties as of _____, 2019

REDEVELOPMENT AGREEMENT

THIS REDEVELOPMENT AGREEMENT (this "Agreement") dated as of March 19, 2019, is made by and between WHEAT RIDGE URBAN RENEWAL AUTHORITY d/b/a/ RENEWAL WHEAT RIDGE, an urban renewal authority and a body corporate and politic of the State of Colorado (the "Authority"), U.S. RETAIL PARTNERS, LLC, a Delaware limited liability company (the "Developer"). The Authority and Developer are sometimes collectively called the "Parties," and individually, a "Party."

RECITALS

All capitalized terms used, but not defined, in these Recitals, have the meanings ascribed to them in this Agreement. The Recitals are incorporated to this Agreement as though fully set forth in the body of this Agreement.

WHEREAS, the City of Wheat Ridge, Colorado (the "**City**") is a home rule municipality and political subdivision of the State of Colorado organized and existing under a home rule charter pursuant to Article XX of the Constitution of the State of Colorado;

WHEREAS, the City Council of the City (the "City Council") established the Authority on October 18, 1981;

WHEREAS, the City Council has adopted the I-70/Kipling Corridors Urban Renewal Plan, as amended (the "Urban Renewal Plan" or the "Plan");

WHEREAS, the Developer seeks to construct Eligible Improvements (hereinafter defined) within the Applewood Shopping Center (the "**Project**") upon the property more particularly described in **Exhibit A**, attached hereto and incorporated herein by this reference (the "**Redevelopment Property**");

WHEREAS, the Authority has determined that the redevelopment of the Project in order to remediate blight is consistent with and in furtherance of the purposes of the Authority and the Urban Renewal Plan;

WHEREAS, in order to facilitate the acquisition, construction and installation of the Project, the Authority seeks to reimburse the Developer for the cost of certain eligible Improvements up to a maximum aggregate amount of Eight Million Four Hundred Forty One Thousand, One Hundred and Thirty Eight Dollars (\$8,441,138.00) (as further defined below, the "Reimbursement Amount") as set forth in this Agreement through utilization of property tax increment and sales tax increment;

WHEREAS, pursuant to the Colorado Urban Renewal Law, C.R.S. § 31-25-101, *et seq.*, and the Urban Renewal Plan, the Authority may finance undertakings pursuant to the Plan by any method authorized under the Act or any other applicable law, including, without limitation, issuance of notes, bonds and other obligations in an amount sufficient to finance all or part of the Plan; borrowing of funds and creation of indebtedness; advancement of reimbursement agreements; agreements with public or private entities; and loans, advances and grants from any other available sources; and the Plan authorizes the Authority to pay the principal and interest on any such

indebtedness from property and sales tax increments, or any other funds, revenues, assets or properties legally available to the Authority;

WHEREAS, the Urban Renewal Plan, as amended, contemplates that a primary method of financing projects within the urban renewal area will be through the use of property tax increment revenues and sales tax increment revenues; and

WHEREAS, the Parties have agreed to enter into this Agreement for the redevelopment of the Property in accordance with the Urban Renewal Plan and the Act.

NOW, THEREFORE, in consideration of the mutual covenants and promises of the Parties contained in this Agreement, and other valuable consideration, the receipt and adequacy of which are acknowledged, the Parties agree to the terms and conditions in this Agreement.

AGREEMENT

1. **DEFINITIONS.** In this Agreement, unless a different meaning clearly appears from the context, capitalized terms mean:

"Act" means the Colorado Urban Renewal Law, Part 1 of Article 25 of Title 31 of the Colorado Revised Statutes, as amended.

"Agreement" means this Redevelopment Agreement, as it may be amended or supplemented in writing. References to Sections or Exhibits are to this Agreement unless otherwise qualified. All exhibits attached to and referenced in this Agreement are hereby incorporated into this Agreement.

"Authority" means Wheat Ridge Urban Renewal Authority d/b/a Renewal Wheat Ridge, an urban renewal authority and a body corporate and politic of the State of Colorado which has been duly created, organized, established and authorized by the City to transact business and exercise its powers as an urban renewal authority, all under and pursuant to the Act, and its successors and assigns.

"Certificate Relating to Reimbursement Amount" means the certification in substantially the form of <u>Exhibit C</u>, attached hereto relating to the satisfaction of the conditions precedent set forth in Section 3.1 relating to the payment of the Reimbursement Amount.

"**City**" means the City of Wheat Ridge, Colorado, a home rule municipality and political subdivision of the State of Colorado organized and existing under a home rule charter pursuant to Article XX of the Constitution of the State of Colorado.

"City Requirements" means, collectively, the Wheat Ridge Zoning and Development Code, Architectural and Site Design Manual, Streetscape Design Manual, International (Building) Codes and Site Drainage Requirements, except as may be amended by mutual written agreement of the City and Developer through land use or building permit approvals or otherwise. "Commence Construction" means the commencement by Developer or a tenant of Developer of actual physical work on the Project, including without limitation deconstruction, demolition and/or site grading on the Property as required for the Project.

"Default" or "Event of Default" means any of the events described in Section 15; provided, however, that such events will not give rise to any remedy until effect has been given to all grace periods, cure periods and periods of enforced delay provided for in this Agreement.

"Developer" means U.S. RETAIL PARTNERS, LLC, a Delaware limited liability company, and any successors and assigns approved in accordance with this Agreement.

"Developer Advances" means, collectively, amounts advanced or incurred by Developer to pay any Eligible Costs.

"Effective Date" means the date of this Agreement.

"Eligible Costs" means, collectively, the reasonable and customary expenditures for the acquisition, design, construction and installation of the Eligible Improvements, including, without limitation, reasonable and customary soft costs and expenses, as set forth in Exhibit B attached hereto, as it may be amended hereunder. Eligible Costs also includes all reasonable and customary costs and expenses related to the engineering and design work for the Eligible Improvements. The maximum amount of Eligible Costs to be paid or reimbursed pursuant to this Agreement shall be the Reimbursement Amount as defined in this Agreement.

"Eligible Improvements" means the improvements set forth on Exhibit B attached hereto, as amended in accordance with this Agreement.

"Executive Director" means the Executive Director of the Authority.

"Exhibits" The following Exhibits attached to this Agreement are hereby incorporated into and made a part of this Agreement:

| Exhibit A: | Legal Description of the Property |
|--------------------|--|
| <u>Exhibit B</u> : | Eligible Improvements |
| Exhibit C: | Certificate Relating to Reimbursement Amount |

"Party" or "Parties" means one or both of the parties to this Agreement.

"Pledged Property Tax Increment Revenue" means one hundred percent (100%) of the annual ad valorem property tax revenue received by the Authority from the Jefferson County Treasurer in excess of the amount produced by the levy of those taxing bodies that levy property taxes against the Property Tax Base Amount in the TIF Area in accordance with the Act and the regulations of the Property Tax Administrator of the State of Colorado, but not including, any offsets collected by the Jefferson County Treasurer for return of overpayments or any reserve funds retained by the Authority for such purposes in accordance with C.R.S. §§ 31-25-107(9)(a)(III) and (b). Provided however, Pledged Property Tax Revenue shall not include fifty percent (50%) of

the TIF Revenue generated from the mill levy of the West Metro Fire Protection District (the "District"), which is shared back with the District.

"Pledged Sales Tax Increment Revenues" means, for each year that this Agreement remains in effect, one third (1/3) or one percent (1%) of the three percent (3%) sales tax rate of that portion of the Sales Tax revenue received by the City, and remitted to the Authority in accordance with the Act and the Plan, equal to the product of the Sales Tax rate of [three percent (3.00%)] times the amount of the taxable transactions subject to the Sales Tax in the TIF Area, less the Sales Tax Base Amount.

"Pledged Revenues" means the total aggregate principal amount of the Reimbursement Amount as defined in this Agreement.

"Pledged Tax Increment Revenues" means, collectively, the Pledged Property Tax Increment Revenues and the Pledged Sales Tax Increment Revenues.

"**Project**" means the redevelopment of the Property by performing the Eligible Improvements.

"**Project Account**" means the account of the Special Fund created in Section 5.2 into which the Authority shall deposit the Pledged Tax Increment Revenues.

"Property" means the real property described in Exhibit A attached hereto.

"Property Tax Base Amount" means the amount certified by the Jefferson County Assessor as the valuation for assessment of all taxable property within the TIF Area in accordance with Section 31-25-107(9)(a)(I) of the Act. The Property Tax Base Amount and increment value shall be calculated and adjusted from time to time by the Jefferson County Assessor in accordance with C.R.S. § 31-25-107(9) and the rules and regulations of the Property Tax Administrator of the State of Colorado.

"Property Tax Increment Termination Date" shall be December 31, 2040, or payment of the Reimbursement Amount in full, whichever first occurs.

"Reimbursement Amount" means a maximum amount equal to Eight Million Four Hundred Forty One Thousand, One Hundred and Thirty Eight Dollars (\$8,441,138.00), which is the maximum amount that will be paid to the Developer to reimburse the Developer for Eligible Costs in accordance with the terms and provisions hereof. No interest shall accrue on the Reimbursement Amount.

"Sales Tax" means the municipal sales tax of the City on sales of goods and services that are subject to municipal sales taxes pursuant to the Wheat Ridge City Code.

"Sales Tax Base Amount" means the total collection of Sales Taxes levied at the rate of [three percent (3.00%)] within the TIF Area for the applicable twelve-month period in accordance with Section 31-25-107(9)(a)(l) of the Act.

"Sales Tax Increment Termination Date" shall be five years from the date Sales Tax is first collected on the Property.

"Special Fund" means the special fund of the Authority defined in C.R.S. § 31-25-107(9)(a)(II).

"TIF Area" means that part of the urban renewal area described in the Urban Renewal Plan within which the tax increment provisions of C.R.S. § 31-25-107(9) apply. The TIF Area is the same as the Property.

"Urban Renewal Plan" or "Plan" means the I-70/Kipling Corridors Urban Renewal Plan, approved by the City Council, as amended, and as may hereinafter be amended from time to time.

2. FINANCING AND CONSTRUCTION OF PROJECT.

2.1 <u>Construction of Project</u>. As set forth in Section 4, if Developer proceeds with the Project, then Developer shall be responsible for acquiring, constructing and installing the Eligible Improvements, and shall be responsible for compliance in all respects with the City Requirements.

2.2 <u>Financing the Eligible Improvements</u>. Developer shall be responsible for initially financing the costs and expenses in connection with the acquisition, construction and installation of the Eligible Improvements, including, without limitation, all design costs, engineering costs and other soft costs incurred in connection therewith.

3. CONDITIONS PRECEDENT TO PAYMENT OF REIMBURSEMENT AMOUNT.

3.1 <u>Conditions Precedent</u>. Unless waived in writing by the Executive Director, the following conditions precedent shall be satisfied prior to Developer receiving reimbursement for Eligible Costs pursuant to the terms and provisions of this Agreement:

(a) Substantially all of the Eligible Improvements (except for the Youngfield Road streetscape improvements, which work does not have to be completed before Developer begins receiving reimbursement for Eligible Costs) are completed.

(b) No Events of Default by Developer shall have occurred and be continuing under this Agreement.

4. <u>DEVELOPER</u>.

4.1 <u>Acquisition, Construction and Installation of Project</u>. This Agreement shall not obligate the Developer to proceed with the Project. If Developer proceeds with the Project, Developer shall be responsible for the financing, design, acquisition, construction and installation of the Eligible Improvements, subject to the provisions in this Agreement regarding reimbursement of Eligible Costs in accordance herewith. The design and construction of the Project shall comply in all material respects with all applicable codes and regulations of entities having jurisdiction, including the City Requirements. Notwithstanding any provisions to the contrary contained herein, the Developer shall be entitled to reimbursement for Eligible Costs incurred in connection with an Eligible Improvement only if such Eligible Improvement complies with City Requirements.

If Developer proceeds with the Project, Developer will pay or cause to be paid all required fees and costs, including those imposed by the City, in connection with the design, construction, applicable warranty requirements, and use of the Project.

The Parties agree that if the Developer has not Commenced Construction of the Project by June 1, 2019, that this shall not constitute an Event of Default hereunder, but that the Authority shall have the right to terminate this Agreement as set forth in Section 17 prior to the date Developer has Commenced Construction.

4.2 <u>Eligible Improvements</u>. The list of Eligible Improvements set forth in **Exhibit B**, attached hereto may be amended at the written request of Developer with the written consent of the Executive Director, unless such consent is not required pursuant to the terms of **Exhibit B**.

4.3 <u>Access to Property</u>. Subject to the terms and restrictions of any leases and/or other documents encumbering the Property, Developer will permit representatives of the City and the Authority access to the Property and the Project at reasonable times during regular business hours and with prior notice as necessary for the purpose of carrying out or determining compliance with this Agreement, the Urban Renewal Plan, the City Requirements or any City code or ordinance, including, without limitation, inspection of any work being conducted. The City and the Authority shall not interfere with the operation or use of the Property in connection with any such access.

4.4 <u>Appeal of Property Taxes</u>. Developer shall provide written notice to the Authority of any requested reduction by Developer in any portion of the Property's real property tax assessed valuation or abatement of any portion of the Property's real property taxes.

4.5 <u>Notification of Sale of Property</u>. Developer shall provide written notice to the Authority of the sale of all or any portion of the Property by Developer during the term of this Agreement.

5. <u>THE AUTHORITY</u>.

Payment of Reimbursement Amount. Upon compliance with the conditions 5.1 precedent set forth in Section 3.1 relating to the payment of the Reimbursement Amount, or the Executive Director's waiver of any such conditions precedent, the Authority agrees that it shall reimburse Developer for Eligible Costs incurred in connection with the acquisition, construction and installation of Eligible Improvements in an amount equal to the Reimbursement Amount, but solely from the Pledged Revenues received by the Authority as described in Section 6 below. The Authority will have thirty (30) days after the Developer has submitted the Certificate Relating to Reimbursement Amount to confirm whether or not such Certificate complies with the terms and provisions of this Agreement and whether the conditions precedent set forth in Section 3.1 have been satisfied or waived by the Executive Director. If the Authority does not provide written approval or disapproval within such thirty (30) day period, the Certificate shall be deemed approved by the Authority. If the Authority notifies Developer in writing within such thirty (30) day period that the Authority disputes that the conditions precedent set forth in Section 3.1 have been satisfied or waived, or that there is not sufficient documentation relating to all or any portion of the Eligible Costs that have been incurred by the Developer, and sets forth a detailed explanation why the conditions precedent have not been satisfied, waived or sufficiently documented, such portion of the Reimbursement Amount that is in dispute shall not become due and payable until

Developer and Authority have resolved the dispute. The Parties agree to cooperate in good faith to resolve any dispute relating to the satisfaction of the conditions precedent set forth in Section 3.1 within thirty (30) days after either Party's written request therefor.

5.2 <u>Special Fund</u>; <u>Project Account</u>. The Authority agrees to establish the Special Fund in accordance with the provisions of the Act and to establish the Project Account as a separate trust account within the Special Fund. The Authority agrees to deposit the Pledged Tax Increment Revenues into the Project Account of the Special Fund upon receipt of the same. All Pledged Tax Increment Revenues on deposit in the Project Account of the Special Fund are hereby pledged to the payment of the Reimbursement Amount as set forth herein.

5.3 <u>No Election Required</u>. The Parties acknowledge that according to the decision of the Colorado Court of Appeals in Olson v. City of Golden, 53 P.3d 747 (2002), an urban renewal authority is not a local government and therefore is not subject to the provisions of Article X, Section 20 of the Colorado Constitution. Accordingly, the Authority may enter into this Agreement with Developer, and agree to remit the Pledged Revenues to Developer to reimburse Developer for Eligible Costs in accordance with the provisions of this Agreement without electoral authorization, and such obligations are not subject to annual appropriation.

5.4 <u>No Impairment</u>. The Authority will not enter into any agreement or transaction that impairs the rights of the Parties, including without limitation, the right to receive and apply the Pledged Revenue in accordance with the terms and provisions of this Agreement.

6. <u>PAYMENT OR REIMBURSEMENT OF ELIGIBLE COSTS</u>. Upon compliance with the conditions precedent set forth in Section 3.1, Developer shall be reimbursed annually by the Authority for Eligible Costs, but solely from Pledged Revenues deposited into the Special Fund as defined herein, in an amount not to exceed the Reimbursement Amount as follows:

6.1 <u>Pledged Property Tax Increment Revenue</u>. The Authority shall reimburse one hundred percent (100%) of the Pledged Property Tax Increment Revenue to Developer received by the Authority from the Jefferson County Treasurer as defined herein until the total amount of Pledged Revenues paid to Developer equals the Reimbursement Amount.

6.2 <u>Pledged Sales Tax Increment Revenues</u>. The Authority shall reimburse one percent (1%) of the three percent (3%) sales tax rate of that portion of the Sales Tax revenue received by the City, and remitted to the Authority in accordance with the Act and the Plan until the Sales Tax Increment Termination Date for a period of five (5) years. After the Sales Tax Increment Termination Date, the City shall no longer be obligated to pay the Sales Tax Increment into the Special Fund of the Authority.

7. <u>INSURANCE</u>. On or prior to the Commencement of Construction, Developer will provide the City and the Authority with certificates of insurance showing that Developer is carrying, or causing prime contractors to carry, the following insurance: General Liability, with a general aggregate of Two Million Dollars (\$2,000,000); fire damage of One Hundred Thousand Dollars (\$100,000); medical expense of Five Thousand Dollars (\$5,000); products/completed operations aggregate of Two Million Dollars (\$2,000,000); personal and advertising injury of One Million Dollars (\$1,000,000) with each occurrence up to One Million Dollars (\$1,000,000), with deductible of Twenty-five Hundred Dollars (\$2,500) per claim. Excess liability shall be covered in an amount equal to Ten Million Dollars (\$10,000,000) per occurrence/ Ten Million Dollars (\$10,000,000) aggregate.

8. <u>INDEMNIFICATION</u>. From Commencement of Construction of the Project through Completion of Construction of the Project, and for any action arising during that time period, Developer agrees to indemnify, defend and hold harmless the City and the Authority, its officers, agents and employees, from and against all liability, claims, demands, and expenses, including fines imposed by any applicable state or federal regulatory agency, court costs and attorney fees, on account of any injury, loss, or damage to the extent arising out of any of the work to be performed by Developer, any subcontractor of Developer, or any officer, employee, agent, successor or assign of Developer under this Agreement, but only to the extent such injury, loss, or damage is caused by the negligent act or omission, error, professional error, mistake, accident, or other fault of Developer, any subcontractor of Developer, or any officer, employee, agent, successor or assign of Developer, but excluding any injuries, losses or damages which are due to the gross negligence, breach of contract or willful misconduct of the Authority.

9. <u>REPRESENTATIONS AND WARRANTIES</u>.

9.1 <u>Representations and Warranties by the Authority</u>. The Authority represents and warrants as follows:

(a) The Authority is a body corporate and politic of the State of Colorado, duly organized under the Act, and has the power to enter into and has taken all actions to date required to authorize this Agreement and to carry out its obligations.

(b) The Authority knows of no litigation, proceeding, initiative, referendum, investigation or threat of any of the same contesting the powers of the Authority or its officials with respect to this Agreement that has not been disclosed in writing to Developer.

(c) The execution and delivery of this Agreement and the documents required and the consummation of the transactions contemplated by this Agreement will not (i) conflict with or contravene any law, order, rule or regulation applicable to the Authority or to its governing documents, (ii) result in the breach of any of the terms or provisions or constitute a default under any agreement or other instrument to which the Authority is a party or by which it may be bound or affected, or (iii) permit any party to terminate any such agreement or instruments or to accelerate the maturity of any indebtedness or other obligation of the Authority.

(d) The Pledged Revenues are not subject to any other or prior pledge or encumbrance, and the Authority will not pledge or encumber the Pledged Revenues prior to full payment of the Reimbursement Amount without the prior written consent of Developer.

(e) This Agreement constitutes a valid and binding obligation of the Authority, enforceable according to its terms, except to the extent limited by bankruptcy, insolvency and other laws of general application affecting creditors' rights and by equitable principles, whether considered at law or in equity.

9.2 <u>Representations and Warranties by Developer</u>. Developer represents and warrants as follows:

(a) Developer is a Delaware limited liability company in good standing and authorized to do business in the State of Colorado and has the power and the authority to enter into and perform in a timely manner its obligations under this Agreement.

(b) The execution and delivery of this Agreement has been duly and validly authorized by all necessary action on its part to make this Agreement valid and binding upon Developer.

(c) The execution and delivery of this Agreement will not (i) conflict with or contravene any law, order, rule or regulation applicable to Developer or to Developer's governing documents, (ii) result in the breach of any of the terms or provisions or constitute a default under any agreement or other instrument to which Developer is a party or by which it may be bound or affected, or (iii) permit any party to terminate any such agreement or instruments or to accelerate the maturity of any indebtedness or other obligation of Developer.

(d) Developer knows of no litigation, proceeding, initiative, referendum, or investigation or threat or any of the same contesting the powers of Developer or any of its principals or officials with respect to this Agreement that has not been disclosed in writing to the Authority.

(e) This Agreement constitutes a valid and binding obligation of Developer, enforceable according to its terms, except to the extent limited by bankruptcy, insolvency and other laws of general application affecting creditors' rights and by equitable principles, whether considered at law or in equity.

10. <u>TERM</u>. The term of this Agreement is the period commencing on the Effective Date and terminating on the date that the Reimbursement Amount is paid in full by the Authority from the Pledged Revenues as defined in this Agreement; or December 31, 2040, whichever first occurs, provided, that the following provisions shall continue beyond the term of this Agreement: (A) any rights and remedies that a Party has for an Event of Default hereunder; (B) any rights that a Party has to inspect books and records as set forth herein for a period of four (4) years following termination of this Agreement; and (C) the indemnification provisions set forth in Section 8.

11. <u>CONFLICTS OF INTEREST</u>. None of the following will have any personal interest, direct or indirect, in this Agreement: a member of the governing body of the Authority or the City, an employee of the Authority or of the City who exercises responsibility concerning the Urban Renewal Plan, or an individual or firm retained by the City or the Authority who has performed consulting services to the Authority or the City in connection with the Urban Renewal Plan or this Agreement. None of the above persons or entities will participate in any decision relating to the Agreement that affects his or her personal interests or the interests of any corporation, partnership or association in which he or she is directly or indirectly interested.

12. <u>ANTI-DISCRIMINATION</u>. Developer, for itself and its successors and assigns, agrees that in the construction of the Eligible Improvements and in the use and occupancy of the Property and the Eligible Improvements, Developer will not discriminate against any employee or applicant

for employment because of race, color, creed, religion, sex, sexual orientation, disability, marital status, ancestry, or national origin.

13. <u>NOTICES</u>. Any notice required or permitted by this Agreement will be in writing and will be deemed to have been sufficiently given for all purposes if delivered in person, by prepaid overnight express mail or overnight courier service, by certified mail or registered mail, postage prepaid return receipt requested, addressed to the Party to whom such notice is to be given (and such Party's additional persons to copy) at the address(es) set forth on the signature page below or at such other or additional addresses as may be furnished in writing to the other Parties. The Parties may also agree on a different means of providing written notice hereunder, including without limitation, notice via electronic mail.

Notice shall be deemed received: (i) if delivered in person, upon actual receipt (or refusal to accept delivery), (ii) if by prepaid overnight express mail or overnight courier service, on the first business day following sending of the notice, and (iii) if by certified mail or registered mail, postage prepaid return receipt requested, on the earlier of the date of the receipt or the third business day following sending of the notice.

14. <u>DELAYS: FORCE MAJEURE</u>. Subject to the following provisions, time is of the essence. Any delays in or failure of performance by any Party of its obligations under this Agreement shall be excused if such delays or failure are a result of acts of God, fires, floods, earthquake, strikes, labor disputes, regulation or order of civil or military authorities, or other causes, similar or dissimilar, which are beyond the control of such Party.

15. <u>EVENTS OF DEFAULT</u>. The following events shall constitute an Event of Default under this Agreement:

(a) Any representation or warranty made by any Party in this Agreement proves to have been untrue or incomplete in any material respect when made and which untruth or incompletion would have a material adverse effect upon the other Party.

(b) So long as the Reimbursement Amount has not been paid in full, the Authority fails to remit the Pledged Revenues on deposit with the Authority to Developer on or prior to February 15 of each year.

(c) Except as otherwise provided in this Agreement, any Party fails in the performance of any other covenant in this Agreement and such default continues for thirty (30) days after written notice specifying such default and requiring the same to be remedied is given by a non-defaulting Party to the defaulting Party. If such default is not of a type which can be cured within such thirty (30) day period and the defaulting Party gives written notice to the non-defaulting Party or Parties within such thirty (30)-day period that it is actively and diligently pursuing such cure, the defaulting Party shall have a reasonable period of time given the nature of the default following the end of such thirty (30)-day period to cure such default, provided that such defaulting Party is at all times within such additional time period actively and diligently pursuing such cure in good faith.

16. <u>REMEDIES</u>. Upon the occurrence and continuation of an Event of Default, the nondefaulting Party's remedies will be limited to the right to enforce the defaulting Party's obligations by an action for injunction, specific performance, or other appropriate equitable remedy or for mandamus, or by an action to collect and enforce payment of sums owing hereunder, and no other remedy, and no Party will be entitled to or claim damages for an Event of Default by the defaulting Party, including, without limitation, lost profits, economic damages, or actual, direct, incidental, consequential, punitive or exemplary damages. In the event of any litigation or other proceeding to enforce any of the terms, covenants or conditions of this Agreement, the prevailing party in such litigation or other proceeding shall receive, as part of its judgment or award, its reasonable attorneys' fees and costs.

17. <u>TERMINATION</u>. This Agreement may be terminated by the Developer at any time prior to the Commencement of Construction of the Project. In the event that Developer has not Commenced Construction of the Project on or prior to June 1, 2019, then the Authority shall each have the option to terminate this Agreement at any time prior to such Commencement of Construction.

In order to terminate this Agreement, a Party shall provide written notice of such termination to the other Party. Such termination shall be effective thirty (30) days after the date of such notice, without any further action by the Parties, unless prior to such time, the Parties are able to negotiate in good faith to reach an agreement to avoid such termination. Upon such termination, this Agreement shall be null and void and of no effect, and no action, claim or demand may be based on any term or provision of this Agreement, except as otherwise expressly set forth herein. In addition, the Parties agree to execute a mutual release or other instruments reasonably required to effectuate and give notice of such termination.

18. <u>PAYMENT OF FEES AND EXPENSES</u>. Each Party agrees to pay for its own fees, costs and expenses incurred by such Party in connection with the execution and delivery of this Agreement and related agreements and documents.

19. <u>NONLIABILITY OF OFFICIALS, AGENTS, MEMBERS, AND EMPLOYEES</u>. Except for willful or wanton actions, no trustee, board member, commissioner, official, employee, consultant, manager, member, shareholder, attorney or agent of any Party, nor any lender to any Party or to the Project, will be personally liable under the Agreement or in the event of any default or for any amount that may become due to any Party.

20. <u>ASSIGNMENT</u>. Except as hereinafter provided, this Agreement shall not be assigned in whole or in part by any Party without the prior written consent of the other Party; provided, however, Developer has the right to assign this Agreement to any party that acquires fee title to the Property without the prior written consent of any other Party.

21. <u>SECTION CAPTIONS</u>. The captions of the Sections are set forth only for the convenience and reference of the Parties and are not intended in any way to define, limit, or describe the scope or intent of this Agreement.

22. ADDITIONAL DOCUMENTS OR ACTION.

22.1 The Parties agree to execute any additional documents or take any additional action, including, without limitation, estoppel documents requested or required by third parties, including, without limitation, lenders, tenants or potential purchasers, that is necessary to carry out this Agreement or is reasonably requested by any Party to confirm or clarify the intent of the provisions of this Agreement and to effectuate the agreements and the intent. Notwithstanding the foregoing, however, no Party shall be obligated to execute any additional document or take any additional action unless such document or action is reasonably acceptable to such Party.

22.2 If all or any portion of this Agreement, or other agreements approved in connection with this Agreement are asserted or determined to be invalid, illegal or are otherwise precluded, the Parties, within the scope of their powers and duties, will cooperate in the joint defense of such documents and, if such defense is unsuccessful, the Parties will use reasonable, diligent good faith efforts to amend, reform or replace such precluded items to assure, to the extent legally permissible, that each Party substantially receives the benefits that it would have received under this Agreement.

22.3 The Executive Director shall have the authority to act on behalf of the Authority under this Agreement.

23. <u>AMENDMENT</u>. This Agreement may be amended only by an instrument in writing signed and delivered by the Parties.

24. <u>WAIVER OF BREACH</u>. A waiver by any Party to this Agreement of the breach of any term or provision of this Agreement must be in writing and will not operate or be construed as a waiver of any subsequent breach by any Party.

25. <u>GOVERNING LAW</u>. The laws of the State of Colorado govern this Agreement.

26. <u>BINDING EFFECT</u>. This Agreement will inure to the benefit of and be binding upon the Parties and their respective legal representatives, successors, heirs, and assigns, provided that nothing in this paragraph permits the assignment of this Agreement except as set forth in Section 20.

27. <u>EXECUTION IN COUNTERPARTS</u>. This Agreement may be executed in several counterparts, each of which will be deemed an original and all of which will constitute but one and the same instrument.

28. <u>LIMITED THIRD-PARTY BENEFICIARIES</u>. Except as hereinafter provided, this Agreement is not intended and shall not be deemed to confer any rights on any person or entity not named as a Party to this Agreement; provided, however, that the City shall be deemed to be a third-party beneficiary under this Agreement to the extent that Developer or Authority have agreed to undertake certain actions for the benefit of the City.

29. <u>NO PRESUMPTION</u>. The Parties and their attorneys have had a full opportunity to review and participate in the drafting of the final form of this Agreement. Accordingly, this Agreement will be construed without regard to any presumption or other rule of construction against the Party causing the Agreement to be drafted.

30. <u>SEVERABILITY</u>. If any provision of this Agreement as applied to any Party or to any circumstance is adjudged by a court to be void or unenforceable, the same will in no way affect any other provision of this Agreement, the application of any such provision in any other circumstances or the validity, or enforceability of the Agreement as a whole.

31. <u>DAYS</u>. If the day for any performance or event provided for herein is a Saturday, a Sunday, a day on which national banks are not open for the regular transactions of business, or a legal holiday pursuant to Section 24-11-101(1), C.R.S., such day will be extended until the next day on which such banks and state offices are open for the transaction of business.

32. <u>GOOD FAITH OF PARTIES</u>. In the performance of this Agreement or in considering any requested approval, consent, acceptance, or extension of time, the Parties agree that each will act in good faith and will not act unreasonably, arbitrarily, capriciously, or unreasonably withhold, condition, or delay any approval, acceptance, or extension of time required or requested pursuant to this Agreement.

33. <u>PARTIES NOT PARTNERS</u>. Notwithstanding any language in this Agreement or any other agreement, representation, or warranty to the contrary, the Parties will not be deemed to be partners or joint venturers, and no Party is responsible for any debt or liability of any other Party.

34. <u>NO WAIVER OF IMMUNITY</u>. Nothing contained in this Agreement constitutes a waiver of sovereign immunity or governmental immunity by the Authority under applicable state law.

[The remainder of this page is intentionally left blank.]

IN WITNESS WHEREOF, this Agreement is executed by the Parties as of 2019.

FORM OF CERTIFICATE RELATING TO REIMBURSEMENT AMOUNT

Wheat Ridge Urban Renewal Authority 7500 West 29th Avenue Wheat Ridge, Colorado 80033 Attention: Executive Director

The undersigned representative of ______ (the "Developer") hereby makes the following certifications in accordance with the terms and provisions of section 3.1 of the Redevelopment Agreement dated as of ______, 2019 (the "Redevelopment Agreement"), between the Wheat Ridge Urban Renewal Authority and Developer. All capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Redevelopment Agreement.

The following conditions have been satisfied or waived in writing by the Executive Director:

1. Intentionally Deleted.

2. Substantially all of the Eligible Improvements set forth in Section 3.1(a) of the Redevelopment Agreement have been completed.

3. No Events of Default by Developer have occurred and are continuing under the Redevelopment Agreement.

The total amount of Eligible Costs for which reimbursement is requested is \$______. Attached to this Certificate is documentation related to the Eligible Costs incurred by the Developer in connection with the financing, acquisition, construction and installation of the Eligible Improvements for which such reimbursement is requested.

The foregoing certification shall constitute the Certificate Relating to Reimbursement Amount under the Redevelopment Agreement.

[Developer],

Date:_____

By:____

Name: Title: Within thirty (30) days of receipt of this Certificate by the Authority, the Authority shall complete the applicable provision below and remit to Developer:

The Authority hereby verifies that: (a) this Certificate Relating to Reimbursement Amount complies with the terms and conditions of the Redevelopment Agreement and that the conditions precedent set forth in Section 3.1 of the Redevelopment Agreement have been satisfied or waived in writing by the Executive Director, and (b) the documentation submitted with this Certificate is sufficient to verify that the Reimbursement Amount requested pursuant to this Certificate has been allocated to the reimbursement of Eligible Costs incurred in connection with Eligible Improvements in accordance with the Redevelopment Agreement.

The Authority hereby notifies Developer that (a) the Authority disputes that the conditions precedent set forth in Section 3.1 of the Redevelopment Agreement have been satisfied or waived, and/or (b) that the documentation submitted with this Certificate is not sufficient to verify that the total Reimbursement Amount requested pursuant to this Certificate is for the reimbursement of Eligible Cost incurred in connection with Eligible Improvements. Set forth below is a detailed explanation of the reasons why the Authority disputes that these conditions precedent have been satisfied or waived or that such documentation is insufficient:

REQUEST FOR TAX INCREMENT FINANCING

Applewood Village Redevelopment

730 17th Street, Suite 630 • Denver, CO 80202 303.623.3557 • www.epsys.com

ATTACHMENT 3

OVERVIEW

APPLEWOOD VILLAGE TIF REQUEST

PURPOSE

- Regency Centers has submitted a request for property tax and sales tax increment to help fund a portion of the redevelopment of Applewood Village.
- The URA approved the request for property tax increment on March 19th, 2019.
- The purpose of this presentation is to provide the Wheat Ridge City Council with an overview of the project and a summary of the request for TIF.

PRESENTATION OVERVIEW

- Project Description
- I-70/Kipling Urban Renewal Plan Overview
- Eligible Cost Summary
- "But for" Analysis
- TIF Revenue Sharing Proposal

EPS

REAL ESTATE ECONOMICS PUBLIC FINANCE LAND USE & TRANSPORTATION ECONOMIC DEVELOPMENT & REVITALIZATION FISCAL & ECONOMIC IMPACT ANALYSIS HOUSING POLICY PUBLIC PRIVATE PARTNERSHIPS (P3) PARKS & OPEN SPACE ECONOMICS

PROJECT DESCRIPTION

APPLEWOOD VILLAGE REDEVELOPMENT

Location

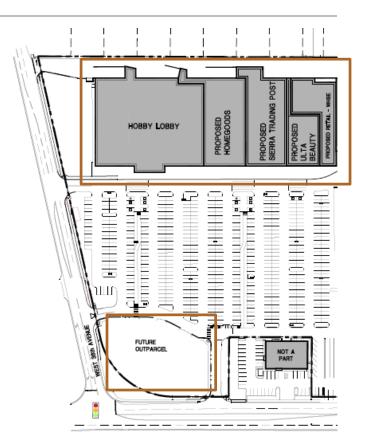

- 38th Avenue and Youngfield Street
- Northern section of Applewood Village

Redevelopment Program

- Redevelopment of the vacant Walmart
- Program is anticipated to include roughly 126,000 sf of retail space
- Current tenant line-up includes Hobby Lobby, HomeGoods, Sierra Trading Post, and Ulta

Project Value

Total redevelopment costs are estimated at \$20.3 million

I-70/KIPLING URBAN RENEWAL AREA

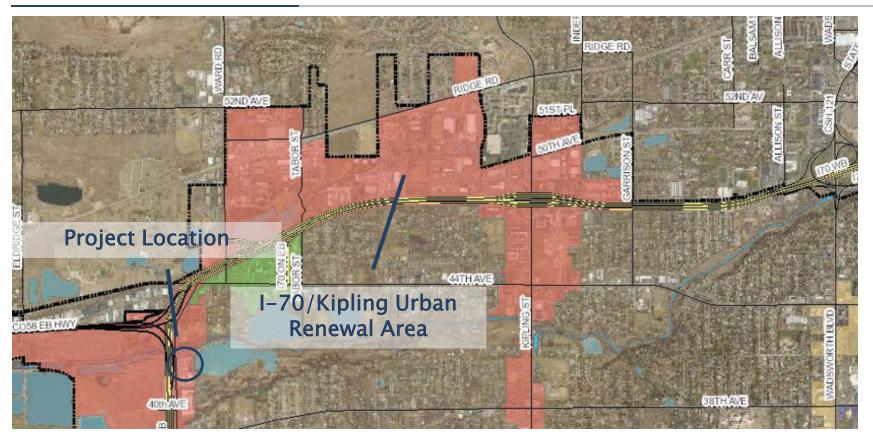

PURPOSE

• To reduce, eliminate and prevent the spread of blight within the Area and to stimulate growth and investment within the Area boundaries.

FINANCING MECHANISMS

- Approved to utilize sales tax and property tax increment for projects located in the plan area.
- It is at the discretion of the Authority to determine the appropriate projects, funding periods, and revenue sharing amounts.
- The City must agree to any proposed sales tax sharing agreements between the URA and a developer
- Approved December, 2015
- 25 Year TIF Clock (exp. 2040)

I-70/KIPLING PLAN AREA AND PROJECT AREA

PROJECT EVALUATION CRITERIA

APPLEWOOD VILLAGE REDEVELOPMENT

Three primary criteria for evaluating project requests for TIF:

- 1. Eligible Costs
- 2. Developer Returns ("But-for" analysis)
- 3. Project Revenue Generation Potential

#1 – ELIGIBLE COSTS

APPLEWOOD REDEVELOPMENT

| Description | Total | % of Total |
|--|-------------|------------|
| General Site Improvements | \$1,978,670 | 33.40% |
| Youngfield Streetscape & Signalized Intersection Improvements Budget | \$1,172,898 | 19.80% |
| Wal-Mart Building - Façade Upgrade (50% of total cost) | \$574,912 | 19.40% |
| Wet Utilities | \$624,952 | 10.50% |
| 38th Avenue ROW Improvements | \$609,943 | 10.30% |
| Demolition of Blighted Buildings | \$295,000 | 5.00% |
| Environmental Remediation (asbestos abatement) | \$100,000 | 1.70% |
| TOTAL PUBLIC IMPROVEMENTS | \$5,356,375 | 100.0% |

#2 – DEVELOPER RETURNS ("BUT FOR" ANALYSIS)

APPLEWOOD VILLAGE

PURPOSE: To use market-based metrics of return to evaluate the need for public financing and identity the extent of gap closure funding needed to make the project feasible.

METHODOLOGY

- 1. Summarize total project costs and annual net operating income (NOI)
- 2. Determine appropriate performance metric
 - For the purposes of this analysis we are using return on cost (Annual NOI / Total Cost)
 - Typical developer target = 6.0% to 8.0%
 - This project = 6.75%
- 3. Estimate amount of public subsidy necessary for developer to realize an appropriate rate of return

DEVELOPER RETURN

WITH AND WITHOUT PUBLIC INVESTMENT

PROJECT COST

 Includes site work, infrastructure, architecture & engineering, vertical construction, and others.

ANNUAL REVENUE

- Assumes a weighted average rental rate of \$9.00/sf (NNN) and a stabilized vacancy rate of 7.0%
- Rental rates reflects current LOIs that the developer has received from potential tenants

Gap Closure Target

ELIGIBLE COST ESTIMATE

= \$5.36 million (not a limiting factor)

| Description | Without Public Investment | Investment |
|---------------------------|------------------------------|--------------------|
| Return on Cost Target | 6.75% | 6.75% |
| Project Cost | | |
| Total Project Cost | -\$20,277,155 | -\$20,277,155 |

Economic & Planning Systems

POTENTIAL FUNDING SOURCES

Property Tax Increment

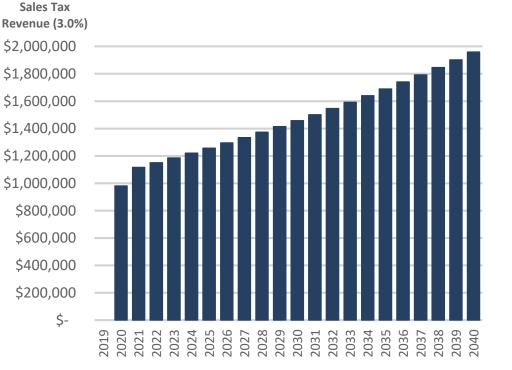

- The URA has approved the use of property tax increment to fund eligible public improvements.
- The URA board has agreed to provide the Project with 100% of property tax increment through 2040. The present value of the future property tax increment revenues are estimated at \$3.25 million. There is a remaining gap of \$1.63 million.

Sales Tax Revenue

- **The Wheat Ridge City Council** can approve the use of sales tax generated by the new development to fund eligible improvements and close the remaining gap.
- Potential sales tax sharing strategy:
 - 1.0% through 2025 (total City tax rate is 3.5%)

TOTAL SALES TAX REVENUE

- Average Annual Sales Tax Revenue = \$1.35 million (based on 3.0% tax rate)
- Total Revenue through 2040 = \$31.0 million
- This analysis is solely focused on the additional sales tax revenue generated by the redeveloped portion of the site
- While it is outside the scope of this analysis, the redevelopment of this portion of the center is likely to have a positive impact on sales in other areas of the center
- If sales increase by 5% elsewhere in the center, annual sales tax revenues could increase by roughly \$160,000 per year or a total of \$3.7 million through 2040.

NOMINAL VS REAL VALUE OF FUTURE PUBLIC REVENUES

- This analysis accounts for the nominal and real value of future public revenues.
- The real value or present value of future revenues is used when determining the total amount of public revenues required to close a project gap.
- Future public revenues are discounted at a 5.0% rate to account for a number of factors that include the following:
 - 5.0% is a rough estimate for the cost of public debt (i.e. the interest rate the City or the URA would have to pay in order to secure financing)
 - Recognizes the fact that the developer will need to fund improvements upfront and finance these costs through a loan that is typically at an interest rate higher than 5.0%
 - Accounts for a certain degree of risk associated with future public revenues (i.e. leasing challenges, economic downturn, etc.)

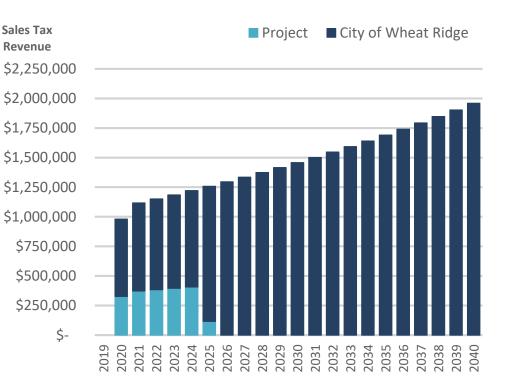

SALES TAX SHARING

Project

- Average Annual Shareback: \$333,479
- Total Shareback: \$2.0 million
- Present Value (@ 5.0%): \$1.63 million

City of Wheat Ridge

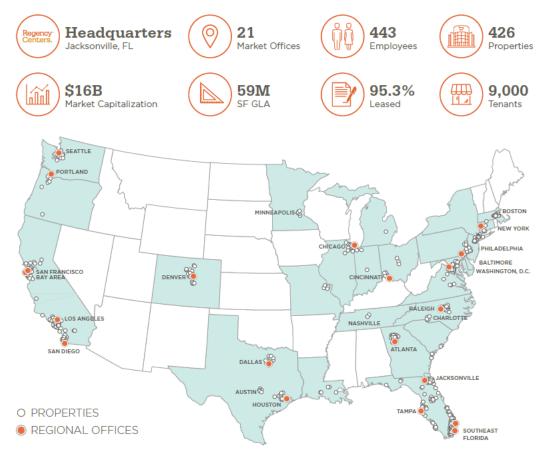

- Average Annual Revenue: \$1.4 million
- Total Revenue: \$29.0 million
- Present Value (@ 5.0%): \$15.4 million
- Percent of Total Revenue: 94%

SUMMARY OF SALES TAX SHARING STRATEGY

| | Nominal Value | Present Value |
|------------------------|----------------|----------------|
| Total Gap | N/A | \$4.88M |
| Public Revenues | | |
| Property Tax Increment | \$6.14M | \$3.25M |
| Sales Tax Increment | <u>\$2.00M</u> | <u>\$1.63M</u> |
| Total Revenue | \$8.14M | \$4.88M |

QUASI-JUDICIAL:

YES

 \mathbb{X} NO

City Manager

City Attorney

ISSUE:

Council Bill <u>05-2019</u> provides exemptions from criminal prosecution for individuals who actively alert law enforcement or first responders to the presence of injection devices and for participants in clean syringe exchange programs.

PRIOR ACTION:

At the February 25, 2019, Study Session, Council provided consensus to bring forward an ordinance that conforms the Wheat Ridge Code of Laws to the needle-stick prevention and clean syringe program provisions of state law, currently found in C.R.S. §§ 18-18-428 and 18-18-430.5.

FINANCIAL IMPACT:

No financial impact is projected.

BACKGROUND:

The possession of injection devices, such as needles and syringes, and other paraphernalia and devices that are used to ingest controlled substances has long been unlawful, under both state and

Council Action Form – Ordinance Amending §16-132 Possession of Injection Devices May 13, 2019 Page 2

local law. Criminalizing the possession of the devices used to consume illegal drugs is one method of deterring the actual consumption.

Injection devices present a serious threat of harm by their capacity to transfer blood and fluidborne diseases, some of which can be terminal. As such, state laws have been amended to incentivize individuals who have needles or syringes in their possession to actively alert law enforcement and other first responders to the location of these items. The incentive provided is an exemption from criminal prosecution for possessing the injection device.

State law extends this same exemption to individuals who are participating in a clean syringe exchange program. Exchange programs offer educational and referral resources in addition to clean devices.

RECOMMENDATIONS:

Staff recommends approval of the ordinance.

RECOMMENDED MOTION:

"I move to approve Council Bill No. <u>05-2019</u>, an ordinance amending Section 16-132 and Subsection 16-133(H) of the Wheat Ridge Code of Laws to Exempt Needle-Stick Prevention and Syringe Exchange Program participants from criminal prosecution, on second reading, and that it take effect fifteen (15) days after final publication."

Or,

"I move to postpone indefinitely Council Bill No. <u>05-2019</u>, an ordinance amending Section 16-132 and Subsection 16-133(H) of the Wheat Ridge Code of Laws to Exempt Needle-Stick Prevention and Syringe Exchange Program participants from criminal prosecution, for the following reason(s) _______."

REPORT PREPARED AND REVIEWED BY:

Carmen Beery, City Attorney's Office Patrick Goff, City Manager

1. Council Bill No. <u>05-2019</u>

CITY OF WHEAT RIDGE, COLORADO INTRODUCED BY COUNCIL MEMBER URBAN Council Bill No. <u>05</u> Ordinance No. _____ Series of 2019

TITLE: AN ORDINANCE AMENDING SECTION 16-132 AND SUBSECTION 16-133(H) OF THE WHEAT RIDGE CODE OF LAWS TO EXEMPT NEEDLE-STICK PREVENTION AND SYRINGE EXCHANGE PROGRAM PARTICIPANTS FROM CRIMINAL PROSECUTION

WHEREAS, the City of Wheat Ridge, Colorado (the "City"), is a Colorado home rule municipality, duly organized and existing pursuant to Section 6 of Article XX of the Colorado Constitution; and

WHEREAS, pursuant to its home rule authority and C.R.S. § 31-15-401, the City, acting through its City Council (the "Council"), is authorized to adopt rules and regulations prohibiting certain conduct and defining general offenses that harm or pose a threat to the public health, safety or welfare; and

WHEREAS, pursuant to such authority, the Council has previously defined and adopted certain general offenses, codified as Chapter 16 of the Wheat Ridge Code of Laws ("Code"), including prohibitions of possessing injection devices, such as needles and syringes, generally consistent with state statute; and

WHEREAS, state statutes have evolved to provide exemptions from criminal prosecution for individuals who actively alert law enforcement and first responder personnel to the presence of syringes and needles in their possession and who possess syringes in connection with a clean syringe exchange program operated by a public health agency; and

WHEREAS, the City Council finds that such criminal exemptions incentivize individuals to protect law enforcement and first responders from potentially grave injury and harm via needle-sticks and to protect the public health generally by participation in approved clean syringe exchange programs; and

WHEREAS, the City Council therefore finds that it would promote the public health, safety and welfare to provide exemptions from City prosecution for such individuals in a manner that mirrors the exemptions provided under state law.

NOW THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WHEAT RIDGE, COLORADO:

Section 1. Section 16-132 of the Wheat Ridge Code of Laws, concerning injection devices, is hereby amended as follows:

Sec. 16-132. Possession of injection devices.

(A) It shall be unlawful for any person to possess any hypodermic needle, syringe or similar device which may be adapted or used for injecting drugs or other substances by subcutaneous or intracutaneous injection into the body, unless such possession has been authorized for medical or physical treatment by a licensed medical doctor or osteopathic physicians; provided,

ATTACHMENT 1

however, that the prohibitions contained in this section shall not apply to manufacturers, jobbers, licensed medical technicians, hospitals, nursing homes, technologists, nurses, laboratories, research teaching institutes, medical doctors, osteopathic physicians, dentists, veterinarians or persons who lawfully use injection devices for the sole purpose of providing medical treatment to their pets or livestock, pharmacists and embalmers selling or using such devices in the legal course of their respective businesses or professions. A violation of this section shall be subject to the penalty provided in section 16-4 of this Code, together with a surcharge of ten dollars (\$10.00) to be paid to the police department through the court to offset the expense of destruction of drugs, injection devices and drug paraphernalia, whether or not any of those items was confiscated from the defendant.

PRIOR TO SEARCHING A PERSON, A PERSON'S (B) (1) PREMISES, OR A PERSON'S VEHICLE, A PEACE OFFICER MAY ASK THE PERSON WHETHER THE PERSON IS IN POSSESSION OF A HYPODERMIC NEEDLE OR SYRINGE THAT MAY CUT OR PUNCTURE THE OFFICER OR WHETHER SUCH A HYPODERMIC NEEDLE OR SYRINGE IS ON THE PREMISES OR IN THE VEHICLE TO BE SEARCHED. IF A HYPODERMIC NEEDLE OR SYRINGE IS ON THE PERSON, ON THE PERSON'S PREMISES, OR IN THE PERSON'S VEHICLE AND THE PERSON, EITHER IN RESPONSE TO THE OFFICER'S QUESTION OR VOLUNTARILY, ALERTS THE OFFICER OF THAT FACT PRIOR TO THE SEARCH, ASSESSMENT, OR TREATMENT, THE PEACE OFFICER SHALL NOT ARREST OR CITE THE PERSON PURSUANT TO THIS SECTION. NOR SHALL THE CITY PROSECUTOR CHARGE OR PROSECUTE SUCH OFFENSE. THE CIRCUMSTANCES DESCRIBED IN THIS PARAGRAPH (B) MAY BE USED AS A FACTOR IN A PROBABLE CAUSE OR REASONABLE SUSPICION DETERMINATION OF ANY CRIMINAL OFFENSE IF THE ORIGINAL STOP OR SEARCH WAS LAWFUL.

(2) PRIOR TO ASSESSING OR TREATING A PERSON, AN EMERGENCY MEDICAL SERVICE PROVIDER OR OTHER FIRST RESPONDER MAY ASK THE PERSON WHETHER THE PERSON IS IN POSSESSION OF A HYPODERMIC NEEDLE OR SYRINGE THAT MAY CUT OR PUNCTURE THE TECHNICIAN OR FIRST RESPONDER. IF A HYPODERMIC NEEDLE OR SYRINGE IS ON THE PERSON, AND THE PERSON, EITHER IN RESPONSE TO THE QUESTION OR VOLUNTARILY, ALERTS THE EMERGENCY MEDICAL SERVICE PROVIDER OR FIRST RESPONDER OF THAT FACT, A PEACE OFFICER SHALL NOT ARREST OR CITE THE PERSON PURSUANT TO THIS SECTION, NOR SHALL THE CITY PROSECUTOR CHARGE OR PROSECUTE SUCH OFFENSE.

Section 2. Subsection 16-133(h) of the Wheat Ridge Code of Laws, concerning exemptions to offenses related to drug paraphernalia, is hereby amended as follows:

(h) The provisions of this section shall not apply to the possession, display, purchase, transport or use in private by any person that is twenty-one (21) years of age or older of drug paraphernalia that is used, intended for use, or designed for use in planting, propagating, cultivating, growing, harvesting, composting, manufacturing, compounding, converting, producing, processing, preparing, testing, analyzing, packaging,

repackaging, storing, vaporizing, or containing marijuana or for ingesting, inhaling, or otherwise introducing marijuana into the human body; OR TO ANY PERSON PARTICIPATING AS AN EMPLOYEE, VOLUNTEER, OR PARTICIPANT IN AN APPROVED SYRINGE EXCHANGE PROGRAM CREATED PURSUANT TO SECTION 25-1-520, C.R.S.

<u>Section 3.</u> <u>Safety Clause</u>. The City Council hereby finds, determines, and declares that this Ordinance is promulgated under the general police power of the City of Wheat Ridge, that it is promulgated for the health, safety, and welfare of the public and that this Ordinance is necessary for the preservation of health and safety and for the protection of public convenience and welfare. The City Council further determines that the Ordinance bears a rational relation to the proper legislative object sought to be attained.

<u>Section 4.</u> <u>Severability; Conflicting Ordinances Repealed.</u> If any section, subsection or clause of this Ordinance shall be deemed to be unconstitutional or otherwise invalid, the validity of the remaining sections, subsections and clauses shall not be affected thereby. All other ordinances or parts of ordinances in conflict with the provisions of this Ordinance are hereby repealed.

<u>Section 5.</u> <u>Effective Date</u>. This Ordinance shall take effect fifteen (15) days after final publication, as provided by Section 5.11 of the Charter.

INTRODUCED, READ, AND ADOPTED on first reading by a vote of 8 to 0 on this 22nd day of April, 2019 (continued from April 8, 2019), ordered published in full in a newspaper of general circulation in the City of Wheat Ridge and Public Hearing and consideration on final passage set for May 13, 2019, at 7:00 o'clock p.m., in the Council Chambers, 7500 West 29th Avenue, Wheat Ridge, Colorado.

READ, ADOPTED AND ORDERED PUBLISHED on second and final reading by a vote of _____, this _____ day of _____, 2019.

SIGNED by the Mayor on this _____ day of _____, 2019.

| BIDS/MOTIONS |
| RESOLUTIONS |

□ ORDINANCES FOR 1ST READING (02/25/2019)
 □ ORDINANCES FOR 2ND READING (05/13/2019)
 (hearing on 04/08/2019, approved for reconsideration 04/22/2019)

QUASI-JUDICIAL:

YES

Community Development Director

NO

City Manager

ISSUE:

The applicant is requesting approval of a zone change from Residential-Three (R-3) to Planned Residential Development (PRD) with an Outline Development Plan for property located at 4000 to 4066 Upham Street. The purpose of this request is to prepare the property for development of a 38-unit townhome project. This request is one of three related requests for this development, the other two being requests for approval of a Specific Development Plan and major subdivision plat.

On April 8, 2019, a public hearing was conducted for these related cases, and City Council voted five (5) to three (3) to approve this Council Bill. However, a legal protest was received for this case; therefore an affirmative vote of six (6) councilmembers was required to approve. On April 22, the bill was approved for reconsideration. The public hearing will not be reopened, but a new vote will take place. If approved, the SDP and subdivision plat will also be voted upon.

PRIOR ACTION:

Planning Commission heard this request at a public hearing on February 7, 2019. Planning Commission gave a recommendation of approval for the zone change and ODP for the following reasons:

- 1. The proposed zone change will promote the public health, safety, or welfare of the community and does not result in an adverse effect on the surrounding area.
- 2. The proposed zone change is consistent with the goals and objectives of the City's Comprehensive Plan.
- 3. The proposed zoning is consistent with the intent of a planned development, compatible with surrounding land uses, and will result in a high-quality development.
- 4. The criteria used to evaluate a zone change support the request.

With the following conditions:

- 1. All minor corrections occur prior to City Council public hearing.
- 2. Prior to plat, SDP and subdivision recordation the applicant enters into a formal agreement with any necessary easements with Jefferson County Public Schools as required by the City.

All minor corrections have been addressed, so the first condition is not included in City Council's recommended motion. The second condition is recommended as part of the subdivision application. The staff report and meeting minutes from the February 7 Planning Commission meeting are enclosed.

FINANCIAL IMPACT:

Fees in the amount of \$1,050.00 were collected for the review and processing of Case No. WZ-18-17. If approved, typical building permit fees and use tax will be charged. The project will also pay a fee-in-lieu of parkland dedication of \$84,907.86.

BACKGROUND:

Current Zoning/Property Description

The subject property is located on the east side of Upham Street between W. 38th Avenue and W. 44th Avenue. The property is currently comprised of four lots, each containing a single-story, single-family home. The homes are small by contemporary standards (averaging 1016 SF above grade) and particularly small relative to their respective lots; the Jefferson County Assessor classifies three of them in "fair" condition and the fourth in "average" condition. The applicant purchased all four lots in mid-2018, and the total size of the site is 1.9 acres.

The subject property is zoned Residential-Three (R-3) and is immediately surrounded by residential zoning, including R-2 and R-3. The R-3 zoning designation allows for single-, two-, or multi-family development up to 12 units per acre. The description of the R-3 district in Code Section 26-21 reads as follows: "The R-3 district is established to provide high quality, safe, quiet and stable medium to high-density residential neighborhoods, and to prohibit activities of any nature which are incompatible with the medium to high-density residential character."

Surrounding Land Uses

Upham Street is ¹/₂-mile in length between 38th and 44th Avenues and includes a wide mix of land uses. The subject property is in the middle third of this block. Immediately to the north is a 2¹/₂-story apartment building, which was constructed in 1960 and includes 23 units. Further north along Upham are a mix of single-family homes as well as the four-story Town Center Apartment buildings at 44th Avenue. Across Upham Street to the west of the subject property are three mid-century apartment complexes and two single-family homes. The apartments are 1 to 2.5 stories in height, and the densities for those adjacent complexes range from 20 to 26 units per acre. Those that exceed the City's maximum 21 dwelling units per acre are considered legally nonconforming because they predate the City's incorporation.

Immediately to the south of the subject property is a single-family home zoned R-3. Further south, Upham transitions from a residential neighborhood to mixed use as it approaches 38th Avenue. Land uses include an office building, fire station, Stevens Elementary, and the four-story West End 38 mixed use development. Zoning at the south end of the block is Mixed Use-Neighborhood (MU-N) and Mixed Use-Commercial (MU-C).

Behind the subject property to the east is a campus owned by Jeffco Public Schools including Stevens Elementary, Sobesky Academy, and outdoor play fields. The school property is approximately 19 acres in size and extends to Reed Street.

Proposed Zoning and Outline Development Plan

The proposed Planned Residential Development zoning and Outline Development Plan are intended to accommodate 38 townhome units. Each of the units will have an attached, rear-loaded two-car garage. Two curb cuts on Upham will provide access into the project. Under the current zoning, the site could be developed with 22 units at three stories in height. In many respects, the project complies with the existing R-3 zone district, including height, parking, and open space. The front setbacks are 15 feet which strikes a balance between the R-3 setbacks on Upham and the zero-foot setbacks for new projects at 38th and 44th. The proposed density is nearly 21 units per acre, which is compatible with surrounding multifamily projects and within the City's Charter limitations. A unique feature of the proposed development is the focus on open spaces amenities. The alley widths are designed as narrow as possible to provide ample front yard space for each unit. In addition, the project is designed around a central open space amenity.

The proposed development standards are analyzed in more detail on page 3 of the Planning Commission staff report. The request appears to comply with the zone change criteria in Section 26-303 of the code, and staff makes the following findings based on the criteria:

• The change of zone promotes the health, safety, and general welfare of the community and will not result in a significant adverse effect. – The proposed development is compatible in terms of land use and density with the surrounding context, and the investment provides a new housing type for the area which does not have any townhome development in this block or nearby. The project follows other public and private investments on the nearby 38th Avenue Main Street corridor, and the zoning and

new housing stock will likely add value. The site design and proposed open space provide buffering and amenities. The proposed zoning meets safety and access requirements of the fire district and is not expected to result in adverse effects.

- The development proposed on the subject property is not feasible under any other zone district. Most of the proposed development standards comply with the existing R-3 zoning, however because the density exceeds 12 units per acre, the development is not feasible under the R-3 zone district. Because the site exceeds one acre in size, it is only eligible to be rezoned to a mixed use or planned development district. Given the proposed use and surrounding conditions, the PRD zoning is the most appropriate zone change option.
- Adequate infrastructure/facilities are available to serve the types of uses allowed by the change of zone, or the applicant will upgrade and provide such where they do not exist or are under capacity. Service providers and utility districts have indicated no concerns with the proposal; they can serve the property with improvements installed at the developer's expense.
- The change of zone is in conformance, or will bring the property into conformance, with the City of Wheat Ridge comprehensive plan goals, objectives and policies, and other related policies or plans for the area. – *Envision Wheat Ridge*, the City's 2009 comprehensive plan, is organized around six key values, one of which is to "promote vibrant neighborhoods and an array of housing options." Upham Street has an incredible diversity of housing options, including single family homes, duplexes, new market-rate apartments, mid-century apartments, and income- and age-restricted apartments. The provision of a townhome product introduces a complementary option that promotes the key value of the comprehensive plan.

The site is located at the intersection of three land use designations: mixed use town center, neighborhood transition, and neighborhood. These designations surrounding the subject property, reflect and call for the diversity of land uses on Upham Street. The proposed zone change is consistent with these designations, and the townhome project supports the City's stated goals of increasing options for homeownership and attracting a range of household types.

The comprehensive plan identifies 38th Avenue as a priority reinvestment corridor. To that end, the City's 38th Avenue Subarea Plan was adopted in 2011. The vision statement for the corridor calls for "a strong identity and robust commercial and residential markets." The proposed rezoning contributes to a stronger residential market in the area, which in turn attracts a more robust commercial market to the 38th Avenue corridor. The properties in question are within both the Town Center and Downtown sub-districts in this Subarea Plan. • A change of character in the area has occurred or is occurring to such a degree that it is in the public interest to encourage redevelopment of the area or to recognize the changing character of the area. – The area has long included a mix of housing types, ages, and densities. The proposed zone change responds to the more recent public and private investments that bookend Upham Street at 38th and 44th Avenues. The investments and changes complement the diversity of land uses in the area and strengthen the residential market.

Related Applications

Rezoning to a planned development in the City of Wheat Ridge entails approval of two documents. The first is the Outline Development Plan, which, if approved, changes the zoning designation on the land, establishes allowed uses and development standards for the property, and establishes access configurations for vehicles, pedestrians, and bicycles. The second document is the Specific Development Plan (SDP), which focuses on specific details of a development such as site design, architecture, landscaping, and drainage design.

Section 26-302 of the Municipal Code allows for concurrent *or* sequential applications for the ODP and SDP, and also allows for concurrent review of the SDP and plat. In this case, the applicant is requesting concurrent review of all three applications: ODP, SDP, and plat.

All three applications—the ODP, SDP, and subdivision plat—were presented together at the public hearing. The SDP and plat are described in the following Council Action Forms that accompany Resolution Nos. 19-2019 and 20-2019.

RECOMMENDATIONS:

The subject of this Council Action Form is a rezoning of the subject property. This action is quasijudicial, and as a result, the applicant was entitled to a public hearing on the application.

As Council is aware, rezoning in Wheat Ridge is accomplished by ordinance (Charter Sec. 5.10; Code Section 26-112). Ordinances require two readings, and by Charter, the public hearing took place on <u>second</u> reading.

Per City Code, the City Council shall use the criteria in Section 26-303 of the code to evaluate the applicant's request for a zone change. A detailed Planning Commission staff report is enclosed with this criteria analysis, as well as additional information on the existing conditions and zone districts. Staff is ultimately recommending approval of this request.

RECOMMENDED MOTION:

"I move to approve Council Bill No. <u>02-2019</u>, an ordinance approving the rezoning of property located at 4000-4066 Upham Street from Residential-Three (R-3) to Planned Residential Development (PRD) with approval of an Outline Development Plan, on second reading, and that it takes effect 15 days after final publication, for the following reasons:

- 1. The Planning Commission has recommended approval of the rezoning after conducting a proper public hearing.
- 2. The proposed rezoning has been reviewed by the Community Development Department, which has forwarded its recommendation of approval.
- 3. The proposed rezoning has been found to comply with the "criteria for review" in Section 26-303 of the Code of Laws.

Or,

"I move to deny Council Bill No. <u>02-2019</u>, an ordinance approving the rezoning of property located at 4000-4066 Upham Street from Residential-Three (R-3) to Planned Residential Development (PRD) with approval of an Outline Development Plan, for the following reasons:

and direct the City Attorney

to prepare a Resolution of Denial, to be scheduled for Council consideration at the next available regular business meeting."

REPORT PREPARED/REVIEWED BY:

Lauren Mikulak, Planning Manager Kenneth Johnstone, Community Development Director Patrick Goff, City Manager

CITY OF WHEAT RIDGE INTRODUCED BY COUNCIL MEMBER DOZEMAN COUNCIL BILL NO. <u>02</u> ORDINANCE NO. _____ Series of 2019

TITLE: AN ORDINANCE APPROVING A ZONE CHANGE FROM RESIDENTIAL-THREE (R-3) TO PLANNED RESIDENTIAL DEVELOPMENT (PRD) WITH AN OUTLINE DEVELOPMENT PLAN (ODP) FOR PROPERTY LOCATED AT 4000-4066 UPHAM STREET (CASE NO. WZ-18-17 / RIDGETOP VILLAGE)

WHEREAS, Chapter 26 of the Wheat Ridge Code of Laws establishes procedures for the City's review and approval of requests for land use cases; and,

WHEREAS, Upham Partners, LLC submitted a land use application for approval of a zone change to the Planned Residential Development (PRD) District for property at 4000, 4042, 4062, and 4066 Upham Street; and,

WHEREAS, the City of Wheat Ridge has adopted a Comprehensive Plan, Envision Wheat Ridge, which calls for vibrant neighborhoods, diversification of housing stock and household types, and reinvestment in the town center area and 38th Avenue corridor; and,

WHEREAS, the subject property is at the crossroads of the neighborhood, neighborhood transition, town center, and downtown Wheat Ridge designations within the Comprehensive Plan and 38th Avenue corridor plans; and,

WHEREAS, the zone change criteria support the request; and,

WHEREAS, the City of Wheat Ridge Planning Commission held a public hearing on February 7, 2019 and voted to recommend approval of the rezoning of the property to Planned Residential Development (PRD).

NOW THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WHEAT RIDGE, COLORADO:

Section 1. Upon application by Upham Partners, LLC for approval of a zone change ordinance from Residential-Three (R-3) to Planned Residential Development (PRD) for property located at 4000-4066 Upham Street, and pursuant to the findings made based on testimony and evidence presented at a public hearing before the Wheat Ridge City Council, a zone change is approved for the following described land:

A PARCEL OF LAND SITUATED IN THE EAST 1/2 OF THE NORTHWEST 1/4 OF THE SOUTHWEST 1/4 OF THE SOUTHEAST 1/4 OF SECTION 23, TOWNSHIP 3 SOUTH, RANGE 69 WEST OF THE 6TH PRINCIPAL MERIDIAN,

ATTACHMENT 1

CITY OF WHEAT RIDGE, COUNTY OF JEFFERSON, STATE OF COLORADO, MORE PARTICULARLY DESCRIBED AS FOLLOWS:

COMMENCING AT THE EAST 1/4 CORNER OF SAID SECTION 23; THENCE S41°50'16"E A DISTANCE OF 1960.91 FEET TO THE POINT OF BEGINNING;

THENCE S00°14'00"E ALONG THE EAST LINE OF SAID EAST 1/2 A DISTANCE OF 264.61 FEET;

THENCE S89°39'47"W A DISTANCE OF 328.96 FEET TO A POINT ON THE WEST LINE OF SAID EAST 1/2;

THENCE N00°13'09"W ALONG SAID WEST LINE A DISTANCE OF 55.00 FEET;

THENCE N89°39'47"W A DISTANCE OF 20.00 FEET;

THENCE N00°13'09"W ALONG A LINE THAT IS 20.00 FEET EAST OF AND PARALLEL WITH SAID WEST LINE A DISTANCE OF 209.63 FEET;

THENCE N89°39'59"E ALONG A LINE THAT IS 132.00 FEET SOUTH OF AND PARALLEL WITH THE NORTH LINE OF SAID EAST 1/2 A DISTANCE OF 308.89 FEET TO THE POINT OF BEGINNING.

PARCEL CONTAINS (82,849 SQUARE FEET) 1.9020 ACRES AND IS KNOWN AS 4000 – 4066 UPHAM STREET.

Section 2. <u>Vested Property Rights.</u> Approval of this zone change does not create a vested property right. Vested property rights may only arise and accrue pursuant to the provisions of Section 26-121 of the Code of Laws of the City of Wheat Ridge.

Section 3. Safety Clause. The City of Wheat Ridge hereby finds, determines, and declares that this ordinance is promulgated under the general police power of the City of Wheat Ridge, that it is promulgated for the health, safety, and welfare of the public and that this ordinance is necessary for the preservation of health and safety and for the protection of public convenience and welfare. The City Council further determines that the ordinance bears a rational relation to the proper legislative object sought to be attained.

<u>Section 4</u>. <u>Severability: Conflicting Ordinance Repealed.</u> If any section, subsection or clause of the ordinance shall be deemed to be unconstitutional or otherwise invalid, the validity of the remaining sections, subsections and clauses shall not be affected thereby. All other ordinances or parts of ordinances in conflict with the provisions of this Ordinance are hereby repealed.

Section 5. Effective Date. This Ordinance shall take effect 15 days after final publication, as provided by Section 5.11 of the Charter.

INTRODUCED, READ, AND ADOPTED on first reading by a vote of 7 to 0 on this 25th day of February 2019, ordered it published with Public Hearing and consideration on final passage set for Monday, April 8, 2019 at 7:00 o'clock p.m. (Failed 5-3); reconsidered at Council Meeting, April 22, 2019 passed 6-2 to schedule Council Action for **May 13, 2019 at 7:00 p.m.**, in the Council Chambers, 7500 West 29th Avenue, Wheat Ridge, Colorado, and that it takes effect 15 days after final publication.

READ, ADOPTED AND ORDERED PUBLISHED on second and final reading by a vote of _____ to ____, this _____ day of _____, 2019.

SIGNED by the Mayor on this _____ day of _____, 2019.

Bud Starker, Mayor

ATTEST:

Janelle Shaver, City Clerk

Approved as to Form

Gerald Dahl, City Attorney

DIGITAL PRESENTATION

Planning Commission Case Nos. WZ-18-17, WZ-18-18, WS-18-02 / Ridgetop Village

JURISDICTION:

All notification and posting requirements have been met; therefore, there is jurisdiction to hear this case.

I. REQUEST

This request is for approval of three related applications for the purpose of developing a 38-unit townhome project. The specific case numbers and applications are:

- Case No. WZ-18-17 Request for approval of a zone change from Residential-Three (R-3) to Planned Residential Development (PRD) with an Outline Development Plan (ODP)
- Case No. WZ-18-18 Request for approval of a Specific Development Plan (SDP), and
- Case No. WS-18-02 Request for approval of a 38-lot major subdivision.

Rezoning to a planned development in the City of Wheat Ridge entails approval of two documents. The first is the Outline Development Plan, which, if approved, changes the zoning designation on the land, establishes allowed uses and development standards for the property, and establishes access configurations for vehicles, pedestrians, and bicycles. The second document is the Specific Development Plan (SDP), which focuses on specific details of a development such as site design, architecture, landscaping, and drainage design. The SDP must be found to be compliant with the ODP in order to be approved.

Section 26-302 of the Municipal Code allows for concurrent *or* sequential applications for the ODP and SDP, and also allows for concurrent review of the SDP and plat. In this case, the applicant is requesting concurrent review of all three applications: ODP, SDP, and plat *(Exhibit 1, Applicant Proposal)*. All three documents must be reviewed at a public hearing before the Planning Commission who will make its recommendations to City Council. The three documents are inextricably related, and for that reason are presented together in this staff report. Three separate motions are provided.

II. EXISTING CONDITIONS/PROPERTY HISTORY

The subject property is located on the east side of Upham Street between W. 38th Avenue and W. 44th Avenue. The property is currently comprised of four lots, each containing a single-family home *(Exhibit 2, Aerial)*. The homes are small by contemporary standards and particularly small relative to their respective lots. A summary of conditions is provided in the table below; all data in the table comes from the Jefferson County Assessor.

| Address | Lot Size | House Size | Year Built | Condition |
|------------|----------------------|------------|------------|-----------|
| 4000 Upham | 18,121 sf (0.416 ac) | 1,053 sf | 1952 | Average |
| 4042 Upham | 25,439 sf (0.584 ac) | 1,240 sf | 1928 | Fair |
| 4062 Upham | 21,780 sf (0.500 ac) | 699 sf | 1947 | Fair |
| 4066 Upham | 21,780 sf (0.500 ac) | 1,072 sf | 1940 | Fair |

The applicant purchased all four lots in mid-2018, and the total size is 1.9 acres. The property is flat and nearly square with 264 feet of frontage on Upham Street and a depth of 308 feet.

The subject property is zoned Residential-Three (R-3) and is immediately surrounded by residential zoning, including R-2 and R-3 *(Exhibit 3, Zoning Map)*. The R-3 zoning designation allows for single-, two-, or multi-family development up to 12 units per acre. The R-3 district is established to provide high quality, safe, quiet and stable medium to high-density residential neighborhoods, and to prohibit activities of any nature which are incompatible with the medium to high-density residential character

Upham Street is ½-mile in length between 38th and 44th Avenues and includes a wide mix of land uses *(Exhibit 4, Land Use and Exhibit 5, Site Photos)*. The subject property is in the middle third of this block. Immediately to the north is a 2½-story apartment building, which was constructed in 1960 and includes 23 units. Further north along Upham are a mix of single-family homes and duplexes as well as the four-story Town Center Apartment buildings at 44th Avenue. Across Upham Street to the west of the subject property are three mid-century apartment complexes and two single-family homes. The densities for the multifamily projects immediately surrounding the subject site range from 20 to 26 units per acre. Those that exceed the City's maximum 21 dwelling units per acre are considered legally nonconforming because they predate the City's incorporation.

Immediately to the south of the subject property is a single-family home zone R-3. Further south, Upham transitions from a residential neighborhood to mixed use as it approaches 38th Avenue. Land uses include an office building, fire station, Stevens Elementary, and the four-story West End 38 mixed use development. Zoning at the south end of the block is Mixed Use-Neighborhood (MU-N) and Mixed Use-Commercial (MU-C).

Behind the subject property to the east is a campus owned by Jeffco Public Schools including Stevens Elementary, Sobesky Academy, and outdoor play fields. The school property is approximately 19 acres in size and extends to Reed Street.

III. OUTLINE DEVELOPMENT PLAN

Attached is a copy of the proposed Outline Development Plan (ODP) which contains two sheets *(Exhibit 6, Outline Development Plan)*. The first page is a typical cover page with certification and signature blocks for the property owners, and Planning Commission, City Council, and Mayor. Also on the first page is a character of development statement, list of permitted uses, and other standard notes. The second page incudes the conceptual layout of the property, including right-of-way, alley, and open space locations.

Development Standards

The cover sheet includes the development standards that will govern future development on the site. These are typically expressed as parameters (minimums and maximums) with references to the code sections with which the development will comply. The development standards are summarized here:

• Uses – The applicant has proposed a townhome development in which the only permitted primary uses are townhome units and open space. Accessory uses are limited to home occupations and household pets which are customary in all residential zone districts. The ODP prohibits detached accessory structures and RV/boat storage within the development, which is also typical of the City's more recent PRDs.

- Maximum Height The proposed maximum height is 35 feet which is consistent with the maximum height in the City's residential zone districts.
- Maximum Units/Density The ODP proposes a maximum of 38 townhomes which results in a density of 20.8 dwelling units per acre. Maximum allowable density for a PRD is 21 dwelling units per acre, consistent with the City Charter.
- Minimum Setbacks The ODP proposes to orient townhomes toward Upham Street with a minimum front setback of 15 feet. Side setbacks for the westernmost units along Upham are proposed to be 10 feet, but side setbacks increase to a minimum of 20 feet for the rest of the site. This was intentional to provide additional buffering particularly for the single-family home to the south. Rear setbacks are proposed at a minimum of 5 feet where adjacent to the Jeffco Schools drainage facility.
- Parking The ODP requires that the townhomes are wide enough to accommodate two-car garages for each unit. This is consistent with the R-3 standard which requires spaces based on bedrooms (2 spaces for every 2 or 3 bedroom unit). Additionally, the ODP requires 9 off-street parking spaces. This roughly equates to 1 visitor space for every 8 spaces. This exceeds the typical R-3 standard of 1 visitor space for every 10 parking spaces.
- Open Space/Landscaping The OPD proposes 30% open space which is consistent with R-3 multifamily requirements. R-3 standards do not require that open space be consolidated or amenitized, but the intent of a Planned Development is to provide elevated designs and unique developments. To that end, a unique feature of the ODP is the requirement for a community park in the central portion of the development (labeled as use area B). Additionally, as noted in the character statement, this project is unique in providing fenced, landscaped front yards for all townhome units. Artificial turf in limited areas are permitted in front yards. General planting requirements (eg numbers of shrubs, trees, plant sizes) will comply with the City's zoning code.
- Architecture and Site Design The character of the project is intended to incorporate contemporary and traditional elements with references to mid-century modern architecture. To that end, the ODP proposes slight modifications to the Architectural and Site Design Manual that correspond with and memorialize this architectural approach.
- Code compliance In all other areas, the project is proposed to comply with the zoning code including related to lighting, signage, fencing, streetscape design, and setback encroachments (eg chimneys, eaves).

Conceptual Layout

The second sheet of the ODP provides a sketch plan of the development which indicates two access points on Upham, with buildings located along the north, west, and south perimeter of the site. Two access points have been required by the West Metro Fire District, and the internal loop road configuration also meets water district requirements. Because the ODP and SDP are being processed concurrently, the specific site design is further described below in Section V.

IV. ZONE CHANGE CRITERIA

Staff has provided an analysis of the zone change criteria outlined in Section 26-303.D. The Planning Commission shall base its recommendation in consideration of the extent to which the following criteria have been met:

1. The change of zone promotes the health, safety, and general welfare of the community and will not result in a significant adverse effect on the surrounding area.

As described above, the proposed development is a compatible land use and density with the surrounding land uses, and the investment provides a new housing type for the area which does not have any townhome development in this block or nearby. The project follows other public and private investments on the nearby 38th Avenue Main Street corridor. The zoning and new housing stock will likely add value. The site design, setbacks, and proposed open space promote will add visual enhancement and appropriate buffering.

The Planned Residential Development zoning is expected to have a positive impact on the neighborhood from a property value perspective. The proposed zoning complies with safety and access requirements of the fire district. The project will not result in significant adverse effects on the surrounding area.

Staff concludes that this criterion has been met.

2. The development proposed on the subject property is not feasible under any other zone district, and would require an unreasonable number of variances or waivers and conditions.

Most of the proposed development standards comply with the existing R-3 zoning, however because the density exceeds 12 units per acre, the development is not feasible under any straight residential zone district. Because the site exceeds one acre in size, it is only eligible to be rezoned to a mixed use or planned development district. Given the proposed use and surrounding conditions, the PRD zoning is the most appropriate zone change option.

Staff concludes that this criterion has been met.

3. Adequate infrastructure/facilities are available to serve the types of uses allowed by the change of zone, or the applicant will upgrade and provide such where they do not exist or are under capacity.

All of the service providers and utility districts have indicated that they have no concerns with the proposal and have indicated they can serve the property with improvements installed at the developer's expense. The width of Upham Street in front of the property is currently substandard, and a right-of-way dedication will be required as part of the subdivision plat.

Staff concludes that this criterion has been met.

4. The Planning Commission shall also find that at least <u>one (1)</u> of the following conditions exists:

a. The change of zone is in conformance, or will bring the property into conformance, with the City of Wheat Ridge comprehensive plan goals, objectives and policies, and other related policies or plans for the area.

Envision Wheat Ridge, the City's 2009 comprehensive plan, is organized around six key values, one of which is to "promote vibrant neighborhoods and an array of housing options." With single family homes, duplexes, new market-rate apartments, mid-century apartments, and income- and age-restricted apartments; Upham Street already has an incredible diversity of housing options. The provision of a townhome product introduces a complementary option that reflects the key value of the comprehensive plan.

Within *Envision Wheat Ridge*, the Structure Plan map provides high-level guidance for achieving the City's vision by designating development priorities and future land areas *(Exhibit 7, Adopted Plans)*. The "mixed use town center" designation encompasses the east side of Wadsworth and extends toward Upham Street. The west side of Upham is designated "neighborhood transition" which reflects this close proximity to Wadsworth. The east side of Upham is designated "neighborhood," and 38th Avenue to the south is designated as a "main street." This multitude of designations surrounding the subject property, reflect and call for the diversity of land uses on Upham Street. The proposed zone change is consistent with these designations, and the townhome project supports the City's stated goals of increasing options for homeownership and attracting a range of household types.

The comprehensive plan identifies 38th Avenue as a priority reinvestment corridor. To that end, the City's 38th Avenue Subarea Plan was adopted in 2011. The vision statement for the corridor calls for "a strong identity and robust commercial and residential markets." The proposed rezoning contributes to a stronger residential market in the area, which in turn attracts a more robust commercial market to the 38th Avenue corridor.

The Subarea Plan also identifies a series of sub-districts. The subject property is within the areas denoted as "Downtown Wheat Ridge" and "Wadsworth Town Center" *(Exhibit 7, Adopted Plans)*. These designations call for and recognize a mix of uses and higher intensity development as compared with the "Residential" sub-district and neighborhoods further east.

Staff concludes that this criterion <u>has</u> been met.

b. The existing zone classification currently recorded on the official zoning maps of the City of Wheat Ridge is in error.

Staff finds no evidence of an error on the official zoning maps.

Staff concludes that this criterion is not applicable.

c. A change of character in the area has occurred or is occurring to such a degree that it is in the public interest to encourage redevelopment of the area or to recognize the changing character of the area.

The area has long included a mix of housing types, ages, and densities. The proposed zone change responds to the more recent public and private investments that bookend Upham

Street at 38th and 44th Avenues. The investments and changes complement the diversity of land uses in the area and strengthen the residential market.

Staff concludes that this criterion <u>has</u> been met.

d. The proposed rezoning is necessary in order to provide for a community need that was not anticipated at the time of the adoption of the City of Wheat Ridge comprehensive plan.

Staff finds no evidence of an unanticipated need. The proposed zone change responds directly to goals identified in the comprehensive plan.

Staff concludes that this criterion is not applicable.

Staff concludes that the criteria used to evaluate zone change support this request.

V. SPECIFIC DEVELOPMENT PLAN

The Specific Development Plan is comprised of 16 sheets and provides details regarding site design, building design, landscaping, and lighting *(Exhibit 8, Specific Development Plan)*. In addition, the SDP includes details on fencing, furnishing, light fixtures, and a utility plan. In addition to standard certification and signature blocks, the site data table on the cover sheet confirms the SDP complies with the development standards provided by the ODP. Key components of the site design are described below and explained in the applicant's proposal letter *(Exhibit 1, Applicant Proposal)*.

Site Design

The 38 proposed townhomes are distributed among nine buildings ranging in size from two to six units. There is some variety among unit widths, but all accommodate a standard width two-car garage and all are alley loaded. In addition, all townhomes have front yards, which is a unique feature amid the townhome developments the City has recently reviewed. The yards are enclosed by a low fence and have concrete patios. These are best illustrated in the artistic renderings provided in *(Exhibit 9, Renderings)*.

Alleys are arranged in a grid and are designed at the minimum possible width to allow more open space elsewhere on the site and in front yards. The central community park is encircled by specialty paving and visitor parking and also includes bicycle parking, mail kiosks, and benches. Sidewalks extend along the fronts of all units and connect out to a new sidewalk along the Upham Street frontage. These sidewalks are illuminated by downcast bollards and pathway lights (shown on sheets 15 and 16).

The project provides 76 garage spaces, 9 off-street visitor spaces (including one accessible space), and 8 on-street spaces. The developer will be responsible for constructing curb, gutter, and attached sidewalk along Upham where none exists today, and the consolidation of four existing driveways to two increases the existing on-street parking by two spaces. On-street parking is common on Upham Street, especially recently throughout the construction of the nearby West End 38 project. The applicant has responded to staff requests to reduce the size of the central park in order to provide off-street spaces.

Architecture

The townhomes are proposed to be three stories in height, and the architectural style is intended to include traditional and contemporary design features with elements of mid-century modern design. The elevations include abundant windows, and variations in the roofline include shed and gable designs. Materials include brick, and horizontal and vertical siding. Colors palettes vary to provide interest among the buildings, including two different bricks and several siding and accent colors. Front elevations have variation in plane depth through offsets in the building façade, recessed entries and window bays, and incorporation of balconies. Publicly visible side and rear elevations, including those adjacent to the central park and Upham also feature enhanced elevations with additional material changes and inset garage doors. The plane changes are best illustrated on SDP sheets 9, 10 and 11.

Landscaping

The project exceeds the minimum requirements in terms of plant material with 8 street trees along Upham and 42 trees within the site (where only 25 are required by code). Landscape areas include a mix of sod and planting beds. The SDP prescribes the landscaping in the "public" areas including along walking paths, along the perimeter, and within the park. All front yards include patios and landscape beds and may be further customized to include additional patio space or dog-friendly artificial turf. A perimeter fence is proposed along the north, east, and south property lines.

Drainage

The site is relatively flat and there is no storm sewer in Upham Street, so the applicant has worked closely with Jeffco Public Schools to coordinate shared use of an existing detention facility immediately east of the site on the school district's property. The school district has provided written consent to this arrangement and an access and maintenance agreement is prepared be executed if the project is approved by the City. The developer will be responsible for slight modifications to the existing detention design to accommodate the additional volume from the townhome project.

VI. SDP CRITERIA

Staff has provided an analysis of the zone change criteria outlined in Section 26-305.D. The Planning Commission shall base its recommendation in consideration of the extent to which the following criteria have been met:

1. The proposed specific development plan is consistent with the purpose of a planned development as stated in section 26-301 of this article.

The purpose of utilizing planned development zoning is to provide flexibility while accommodating well-designed, innovative developments that demonstrate efficient use of land and may not be feasible under a standard zone district. The SDP achieves these goals and proposes a particularly unique townhome development with an emphasis on front yard open space that promotes a neighborhood-like character within the development.

Staff concludes this criterion <u>has</u> been met.

2. The proposed specific development plan is consistent with the design intent or purpose of the approved outline development plan.

The SDP is consistent with the intent and character statements of the outline development plan.

Staff concludes this criterion has been met.

3. The proposed uses indicated in the specific development plan are consistent with the uses approved by the outline development plan.

The SDP is consistent with the use standards of the outline development plan.

Staff concludes this criterion <u>has</u> been met.

4. The site is appropriately designed and is consistent with the development guidelines established in the outline development plan.

The SDP is consistent with the development guidelines of the outline development plan in all respects including related to height, density, setbacks, parking, landscaping, lighting, fencing, signage and building design.

Staff concludes this criterion has been met.

5. Adequate infrastructure/facilities are available to serve the subject property, or the applicant will upgrade and provide such where they do not exist or are under capacity.

All responding agencies have indicated they can serve the property with improvements installed at the developers' expense.

Staff concludes this criterion has been met.

6. The proposed specific development plan is in substantial compliance with the applicable standards set forth in the *Architectural and Site Design Manual*, *Streetscape Design Manual*, and other applicable design standards.

The SDP is in substantial compliance with the site design and multifamily building design standards of the *Architectural and Site Design Manual* (chapters 3 and 4.2). These standards relate specifically to pedestrian connectivity, building placement, open space design, façade design, roof forms, building materials, and windows.

Because Upham is classified as a local street, the *Streetscape Design Manual* does not apply, however, the proposed private street trees are consistent with the manual's guidance relative to these plantings.

Staff concludes this criterion has been met.

Staff concludes that the criteria used to evaluate the SDP support the request.

VII. SUBDIVISION PLAT

The proposed plat document consists of three pages. The first page includes a legal description of the property; signature blocks for the owner, City, surveyor and County; and standard declarations and notes. The second page includes the proposed lot layout, including lot lines, tracts, and easements *(Exhibit 10, Proposed Plat)*.

Lot Configuration

The second sheet shows the proposed lot configuration. As noted above the site is nearly square in shape at approximately 264 feet in width and 308 feet in depth. The lot layout corresponds to the SDP with establishment of 38 townhome lots. Because of the proposed yard spaces, the lots are larger than the building footprints, and several lots are irregular in shape or oversized because of additional side yard space (this includes Lots 1, 3, 6, 7, 11, 16, 21, 22, 27, 30, 33, 34, and 38). Neither the ODP, nor the zoning code establish a minimum size or width for attached townhome lots. A plat note on the cover sheet restricts the property from being developed as anything other than townhomes.

Tract Configuration

A series of nine tracts are established for a variety of purposes in the development. The purpose of each tract is noted in a table on sheet one; they include:

- Tracts A, B, D, F, G and H correspond to the locations of sidewalks and/or plantings and are denoted for access.
- Tract C corresponds to the alley locations and is denoted for access.
- Tract E corresponds to the location of the community park, parking, and loop road and is denoted as such.
- Tract I includes the area being dedicated for right-of-way (ROW). When new lots are created through the City's subdivision process, staff reviews adjacent street improvements to confirm that they meet current roadway standards. Upham is considered to be substandard in width, so the majority of Tract I dedicates 6.5 feet in width. This will enable the developer to provide on-street parking, curb, gutter, and an attached 5-foot sidewalk along the frontage of the project. The southern portion of Tract I is wider and effectively dedicates the eastern half of Upham Street because it was never officially dedicated to the City and has existed as a prescriptive easement.

Easements

The third sheet of the proposed subdivision shows the easements that traverse the site. Wheat Ridge is not a full-service city, so the applicant has been actively working with utility providers to identify where wet and dry utility service will be located. Water and sanitation easements are shown as coterminous with the internal alleys. These easements will be recorded by separate document but cross-referenced on this sheet in the provided blanks. The applicant is actively working with Xcel designers who requires that appropriate dry utility easements be provided by separate document upon completion of final design. Given that utility coordination is often ongoing through a development process, staff has recommended a standard condition that any additional utility information that is available prior to recordation be updated accordingly on the plat.

Drainage easements are provided at the far eastern end of the property where inlet structures convey flows to the offsite detention facility. A note on the cover sheet provides a blanket cross access easement over all tracts within the property boundary, including for alleys, sidewalks and the park.

Homeowners' Association

Because of the maintenance obligation of tracts, the City typically requires formation of a Homeowners' Association (HOA). A standard condition of approval requires staff review of HOA covenants to ensure maintenance of common areas and drainage. The applicant has expressed an interest in potentially forming a metropolitan district to serve this function. Formation of such a district would be subject to City Council review and approval. Notes on the cover sheet of the plat allow for either an HOA or metro district.

Fees in Lieu of Parkland

Pursuant to Section 26-414 of the Code of Laws, parkland dedication is required for all new residential subdivisions. When land is not dedicated for a public park, a fee in lieu of parkland is required. The Parks Department has indicated that fees in lieu of land dedication will be required, and the City adopted fee amount is \$2,497.29 per unit. Credit is given for the four pre-existing single family homes, so the total fee owed will be \$84,907.86. This fee is required to be paid at the time of plat recording as a condition of approval.

VIII. NEIGHBORHOOD MEETING & PUBLIC INPUT

Pursuant to Section 26-109 of the Code of Laws, the applicant notified all property owners and residents within 600 feet of the site of the neighborhood meeting. Neighborhood meetings are required prior to submittal of an application for a zone change.

The neighborhood input meeting was held on January 16, 2018. Nine members of the public attended the meeting in addition to the applicant and staff. Reactions to the conceptual designs included positive, neutral, and negative comments. Questions were related to site and building design, potential prices, parking, and timing. A full summary of the meeting is attached in *Exhibit I1, Neighborhood Meeting Notes*.

Public noticing is required prior to public hearings, and as of February 1, three letters of support have been submitted. They are attached as *Exhibit 12, Public Comment*.

If any comments are provided prior to the Planning Commission public hearing on February 7, they will be entered into the record and distributed to Commissioners at the public hearing.

IX. AGENCY REFERRAL

All affected service agencies were contacted for comment on the zone change, ODP, SDP, and subdivision, specifically regarding the ability to serve the property. Referral responses follow:

Wheat Ridge Public Works: The ODP, SDP, plat and supporting technical documents have been reviewed and approved.

Wheat Ridge Parks & Recreation: Fees in lieu of parkland dedication are required.

Wheat Ridge Building Division: No comments provided. Coordination will continue through development.

West Metro Fire District: Can serve, proposed access and hydrant design is acceptable. Coordination will continue through development.

Xcel Energy: Can serve. Utility coordination is ongoing.

Century Link: Can serve. Utility coordination is ongoing.

Comcast Cable: No comments provided. Utility coordination is ongoing.

Wheat Ridge Water District: No comments provided. Utility coordination is ongoing.

Wheat Ridge Sanitation District: Can serve. Utility coordination is ongoing.

Jeffco Public Schools: Coordination on drainage design is ongoing.

X. STAFF CONCLUSIONS AND RECOMMENDATION

Regarding the zone change request and Outline Development Plan, Staff concludes that the proposed zone change promotes the health, safety and general welfare of the community and will not result in a significant adverse effect on the surrounding area. Staff further concludes that utility infrastructure is adjacent to and can serve the property at the developer's expense. Finally, Staff concludes that the zone change is consistent with the goals and objectives of the City's adopted plans by diversifying housing stock and household types and by providing homeownership opportunities. Because the zone change evaluation criteria support the zone change request, Staff recommends approval of the zone change.

Regarding the Specific Development Plan, Staff has concluded that the proposed SDP is consistent with the planned development regulations, with the goals and policies of the City's guiding documents, and with the proposed ODP. Because the review criteria support the SDP, Staff recommends approval of the Specific Development Plan.

Regarding the subdivision plat, Staff concludes that the proposed subdivision is compliant with subdivision regulations (Article VI of the zoning code) and with the proposed zoning regulations. Staff further concludes that the subdivision plat results in a logical lot layout for the proposed development and that all utility agencies can serve the property with improvements installed at the developer's expense. For these reasons, Staff recommends approval of the plat with the conditions listed below.

XI. SUGGESTED MOTIONS – ZONE CHANGE

Option A:

"I move to recommend APPROVAL of Case No. WZ-18-17, a request for approval of a zone change from Residential-Three to Planned Residential Development with an Outline Development Plan (ODP) for property located at 4000 to 4066 Upham Street, for the following reasons:

- 1. The proposed zone change will promote the public health, safety, or welfare of the community and does not result in an adverse effect on the surrounding area.
- 2. The proposed zone change is consistent with the goals and objectives of the City's Comprehensive Plan.
- 3. The proposed zoning is consistent with the intent of a planned development, compatible with surrounding land uses, and will result in a high-quality development.
- 4. The criteria used to evaluate a zone change support the request.

Option B:

"I move to recommend DENIAL of Case No. WZ-18-17, a request for approval of a zone change from Residential-Three to Planned Residential Development with an Outline Development Plan (ODP) for property located at 4000 to 4066 Upham Street, for the following reasons:

- 1.
- 2. ..."

XII. SUGGESTED MOTIONS – SPECIFIC DEVELOPMENT PLAN

Option A:

"I move to recommend APPROVAL of Case No. WZ-18-18, a request for approval of a Specific Development Plan on property located at 4000 to 4066 Upham Street, for the following reasons:

- 1. The specific development plan is consistent with the purpose of a planned development, as stated in Section 26-301 of the Code of Laws.
- 2. The specific development plan is consistent with the intent and purpose of the outline development plan.
- 3. The proposed uses are consistent with those approved by the outline development plan.
- 4. All responding agencies have indicated they can serve the property with improvements installed at the developers' expense.
- 5. The specific development plan is in substantial compliance with the applicable standards set forth in the outline development plan and with the City's adopted design manuals.

Option B:

"I move to recommend DENIAL of Case No. WZ-18-18, a request for approval of a Specific Development Plan on property located at 4000 to 4066 Upham Street, for the following reasons:

1.

2."

XIII. SUGGESTED MOTIONS – SUBDIVISION

Option A:

"I move to recommend APPROVAL of Case No. WS-18-02, a request for approval of a 38-lot major subdivision plat for property located at 4000 to 4066 Upham Street, for the following reasons:

- 1. All requirements of the subdivision regulations have been met.
- 2. The plat is consistent with zoning on the property.
- 3. Utility districts can serve the property with improvements installed at the developer's expense.

With the following conditions:

- 1. Sheet 2 shall be updated prior to the City Council public hearing to remove the existing parcel line between 4062 and 4066 Upham Street.
- 2. Note 4 shall be updated prior to recordation to indicate the current zoning as PRD.
- 3. The applicant shall continue to coordinate utility service with the appropriate agencies and any updated information regarding dry utility easements shall be reflected on the plat at recordation.
- 4. The developer shall enter into a subdivision improvement agreement prior to recordation of the subdivision plat.
- 5. The developer shall pay parks fees at the time of plat recording in the amount of \$84,907.86.
- 6. The Homeowners' Association covenants and/or metropolitan district service plan shall be reviewed by Staff prior to issuance of a building permit."

Option B:

"I move to recommend DENIAL of Case No. WS-18-02, a request for approval of a 38-lot subdivision plat for property located at 4000 to 4066 Upham Street, for the following reasons:

1.

2. ..."

EXHIBIT 1: APPLICANT PROPOSAL

January 28, 2019

RidgeTop Village - Development and Project Vision

Overview

RidgeTop Village is comprised of approximately 1.84 acres, currently zoned R-3. The subject addresses currently include 4 single family detached residential homes built in the 1940's-1950's, and are in poor condition. The adjacent properties to the site include a mix of single story and 2.5 story post World War II apartment style buildings, a few isolated single-family homes, an office building, Stevens Elementary School and West Metro fire station. The general vicinity would best be described as transitional as you move south to 38th Avenue. Our proposal is to build a 38 unit, fee simple town home project that supports the long term redevelopment plans along 38th Avenue, contributes and benefits from the new mixed-use developments currently under construction nearby and is compatible with the surrounding area.

The recent influx of both public and private investment near the intersection of Wadsworth and 38th Avenue has recently changed the dynamic to enhance the 38th Avenue corridor. The recently opened "Corners" project and two high density apartment projects under construction are creating a diversity of housing types in the immediate area. The lack of for-sale new home product in the area was a major factor in our decision to purchase the property and pursue the zone change. We felt the time was right to introduce this product to the area.

We embraced the City's vision in reviewing the two major redevelopment plans for the area and recognized there was a dynamic energy along the western portion of 38th Avenue. The project site is just outside the confluence of The 38th Corridor Plan and the Wadsworth Boulevard Redevelopment Plan. Located just north of 38th Avenue and a short drive or walk to Wadsworth Boulevard creates a very unique opportunity to provide a high-density residential project to take advantage of the redeveloping commercial corridors nearby. The site is currently zoned R-3 which promotes medium density land uses. The site is surrounded by other R-3 Zoned parcels and the existing apartment projects have densities similar to the density proposed. This change of zone will enable opportunities for unique live work environments along with nearby shopping and recreation opportunities. The added density allowed under a PRD will help support the nearby commercial uses along 38th and Wadsworth while maintaining the integrity of the adjacent R-3 residential uses.

Site Planning

During our due diligence and preliminary site planning we discovered that the property naturally surface flows to the east but was eventually impeded by the raised sports fields of Stevens Elementary School. Within these sports fields was an existing storm water detention basin built at the time to accommodate the needs of the school site. We contacted the facilities department for Jeffco School District to investigate the opportunity to accept drainage from our property and received supportive initial feedback. We then did additional engineering studies and worked in conjunction with Jeffco schools to further refine the concept. We have received preliminary approval from Jeffco schools to proceed with the design. The ability to use an off-site stormwater basin resulted in the unique opportunity to create a project with additional open space and building separation all while effectively maximizing the allowable

density under the PRD Zoning. Having the centrally located park with units flanking the perimeter will create a greater sense of privacy, pride of ownership, and attractive views of the park for many of the units. The units in Buildings 5 and 6 will be the only two buildings directly facing each other. However, that creates a landscaped corridor that leads both physically and visually to the park and the two complement each other very well.

The other major feature of RidgeTop Village which is very unique to other town home projects is the addition of a private landscaped yard area for each unit. Buyers are looking for outdoor living space, areas for entertaining, a place for a pet or child to play, and the ability to personalize their space such as a vegetable garden. All while still having a low maintenance requirement.

Street Scene

The street scene along Upham was one of the most important design features of the project. We originally intended to have a single point of access but during our due diligence and preliminary site planning we were informed that the water districts would require a loop system for this size of a project. That resulted in also having two vehicular points of access to coincide with the water loop. In working with adjacent owners, they were sensitive to not having a roadway against the property lines so we worked to put a duplex on the north and south side of the frontage and a fourplex in the middle. The result is

only three buildings, 8 units, and less massing along the street. Having a duplex adjacent to the SFR to the south was determined to be the most compatible building type and creates a very unique street scene that is unique to the rest of the project.

Set Backs

Careful consideration was given to the building setbacks proposed for the project. The setback along Upham is 15' and will enhance the pedestrian scale along the street. The setback will contain the low fenced private yards creating a very social environment for pedestrians and residents. At the very initial neighborhood meeting we heard from the homeowners across the street that they did not want a truly urban setting with minimum or zero lot line along Upham. Our north and south setbacks are varied. For the units along Upham only those two duplexes are 10' from their adjacent Property Line and is constricted to be just the initial 25% of the side Property Line. The remaining 75% of the side Property Line is restricted to have a 20' setback. This was done to have a more compatible environment to the adjacent neighbors. By having the private yards and common area landscaping we were able to accomplish very attractive buffer to the adjacent owners for privacy and massing concerns.

Parking

Each townhome includes an attached 2 car garage, there are 9 guest parking spaces centrally located at the center of the project adjacent to the park. The parking along Upham Street is also improved due to the reduction of curb cuts from four to two and increases the amount of on-street parking from currently 6 spaces to 8 spaces. During the SDP review process and working with staff the project evolved to increase the guest parking around the park along with suggested floor plan revisions to the product to effectively make the garages wider and more capable for 2 cars, garbage & recycling bins, and additional storage. The minimum width of the units was increased from 17' to 20' wide. Overall parking ratio onsite is 2.24/unit.

Buyer Profile

The target buyer for these units are anticipated to be single professionals, young couples and first time homebuyers. Young families will also consider RidgeTop Village due to the ample onsite open space, private yard area and proximity to the Stevens Middle School.

Their buying decisions are based on being a short distance from restaurants and amenities, near transportation corridors and employment centers. Our focus is to also remain affordable to the first-time homebuyer yet offer a slightly larger unit for the money. With the inclusion of the added open space features we feel we will be in strong demand to one of the few for-sale projects in the vicinity. The size of the project will also be attractive as there will be a greater sense of community, pride of ownership, opportunity for block parties and other neighborhood activities.

Architectural Design

The inspiration to the design of the townhome units came from many nearby examples within Wheat Ridge of Mid-Century Modern architecture. Design features include horizontal design features, shed roof lines, colors, materials, fence details, and front doors. Units will range from 1600 sf to 1790 sf with three distinct floor plans with 2-3 bedrooms. The majority of the units (79%) will be 2 bedrooms with the remaining units 3 bedrooms. There will be a diversity of building types throughout the project with duplex, 4, 5 and 6 plex buildings. To further enhance the variety within the project there are two color schemes proposed with color variations of brick, paint, and roof materials. We feel this will create a more attractive project that does not appear monotonous to those both living in the community and viewing it from Upham Street

Private Yards

Based on the market research and demographics of the target buyer profile our vision was to create a ground level outdoor living space for each homeowner. The intent was always to go beyond conventional decks and balconies as commonly used in numerous other Townhome projects. We wanted to create a truly private yard that can be furnished, decorated, customized, and used for outdoor living to suit the buyers' personal needs. A low wooden fence and gate will be installed to physically establish the areas. We intend to offer three preselected landscape designs buyers can choose from three pre-determined designs including hardscape, artificial turf, and a more xeriscape option. These yards range in depth from 12-15 feet.

We look forward to working with Wheat Ridge's Planning, Zoning, and Building Departments on this exciting new endeavor.

Sincerely

Neil Shea Managing Partner – Upham Partners LLC

EXHIBIT 2: AERIAL

The subject site is located at 4000-4066 Upham Street and is outlined in blue.

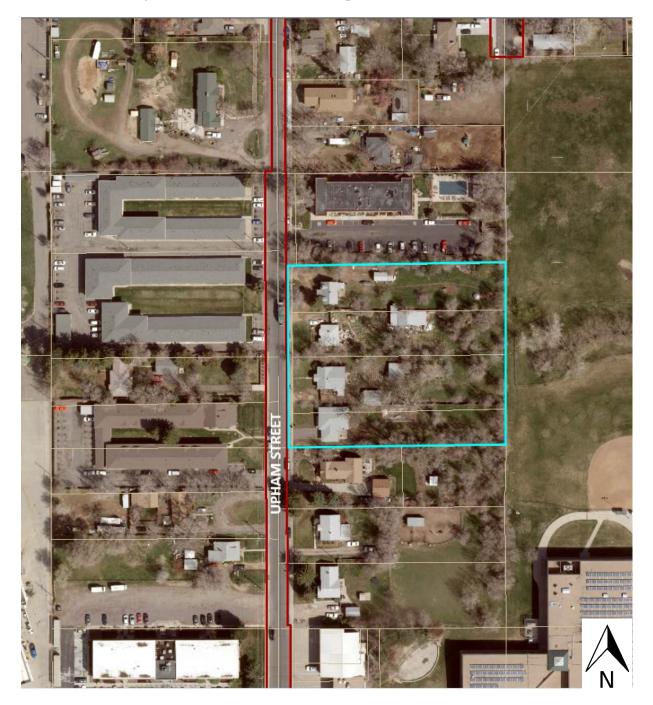

EXHIBIT 3: ZONING MAP

The subject site is located at 4000-4066 Upham Street and is outlined in blue.

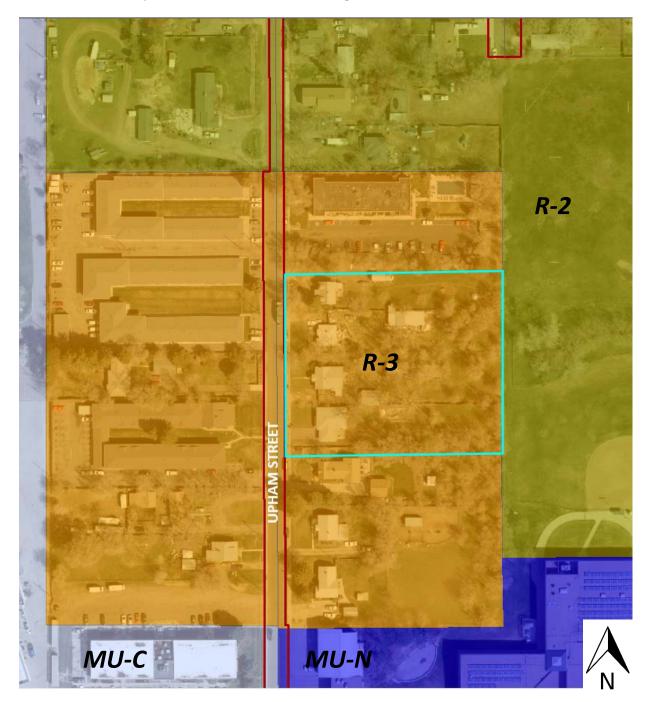

EXHIBIT 4: LAND USE PATTERN

The shading depicts the land use pattern for properties along Upham Street. The subject site is unshaded.

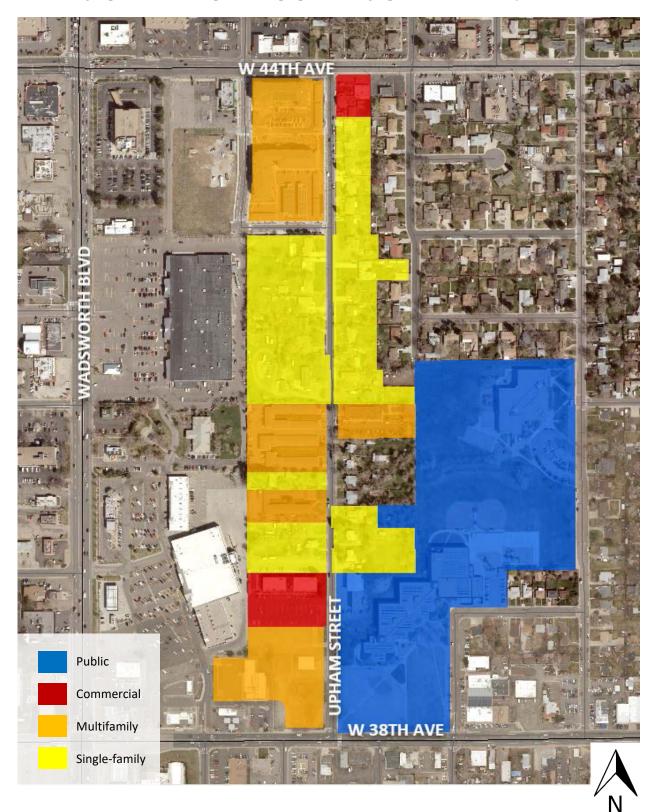

EXHIBIT 5: SITE PHOTOS

Looking north on Upham Street. The southernmost of the existing homes (4000 Upham) is on the right hand side; all four existing homes are in this image.

Looking south on Upham Street with the northernmost of the existing homes visible on the left side.

Looking east and northeast from Upham toward the existing 2½-story multifamily apartments immediately north of the subject property. A wooden fence, landscape area and parking lot separate this building from the subject site. The proposed units would be setback a minimum of 10-20 feet from this fence line.

Panoramic view looking north along Upham from the south side of the site. The existing two story apartments are visible on the left side of the image, and the existing brick single-family home immediately south of the subject site is visible on the right side of the image in the shade.

Panoramic view looking north along Upham from the north side of the site. The existing $2\frac{1}{2}$ story brick apartments immediately north of the subject site are visible on the left side of the image, and on the right side are the existing single-storyp multifamily apartments.

CHARACTER OF DEVELOPMENT

THE RIDGETOP VILLAGE PROJECT WILL CONSIST OF THIRTY-EIGHT FEE SIMPLE TOWN HOME UNITS CENTERED AROUND A COMMON GREENSPACE AMENITY. THERE WILL BE MULTIPLE CONNECTION POINTS THROUGHOUT THE DEVELOPMENT TO THE CENTRAL POCKET PARK. RIDGETOP VILLAGE IS LOCATED ON UPHAM STREET, LESS THAN HALF A BLOCK NORTH OF WHEAT RIDGE'S MAIN STREET, 38TH AVENUE. THE APPROXIMATELY 1.84 ACRE SITE WILL COMPLIMENT NEARBY REDEVELOPMENT.

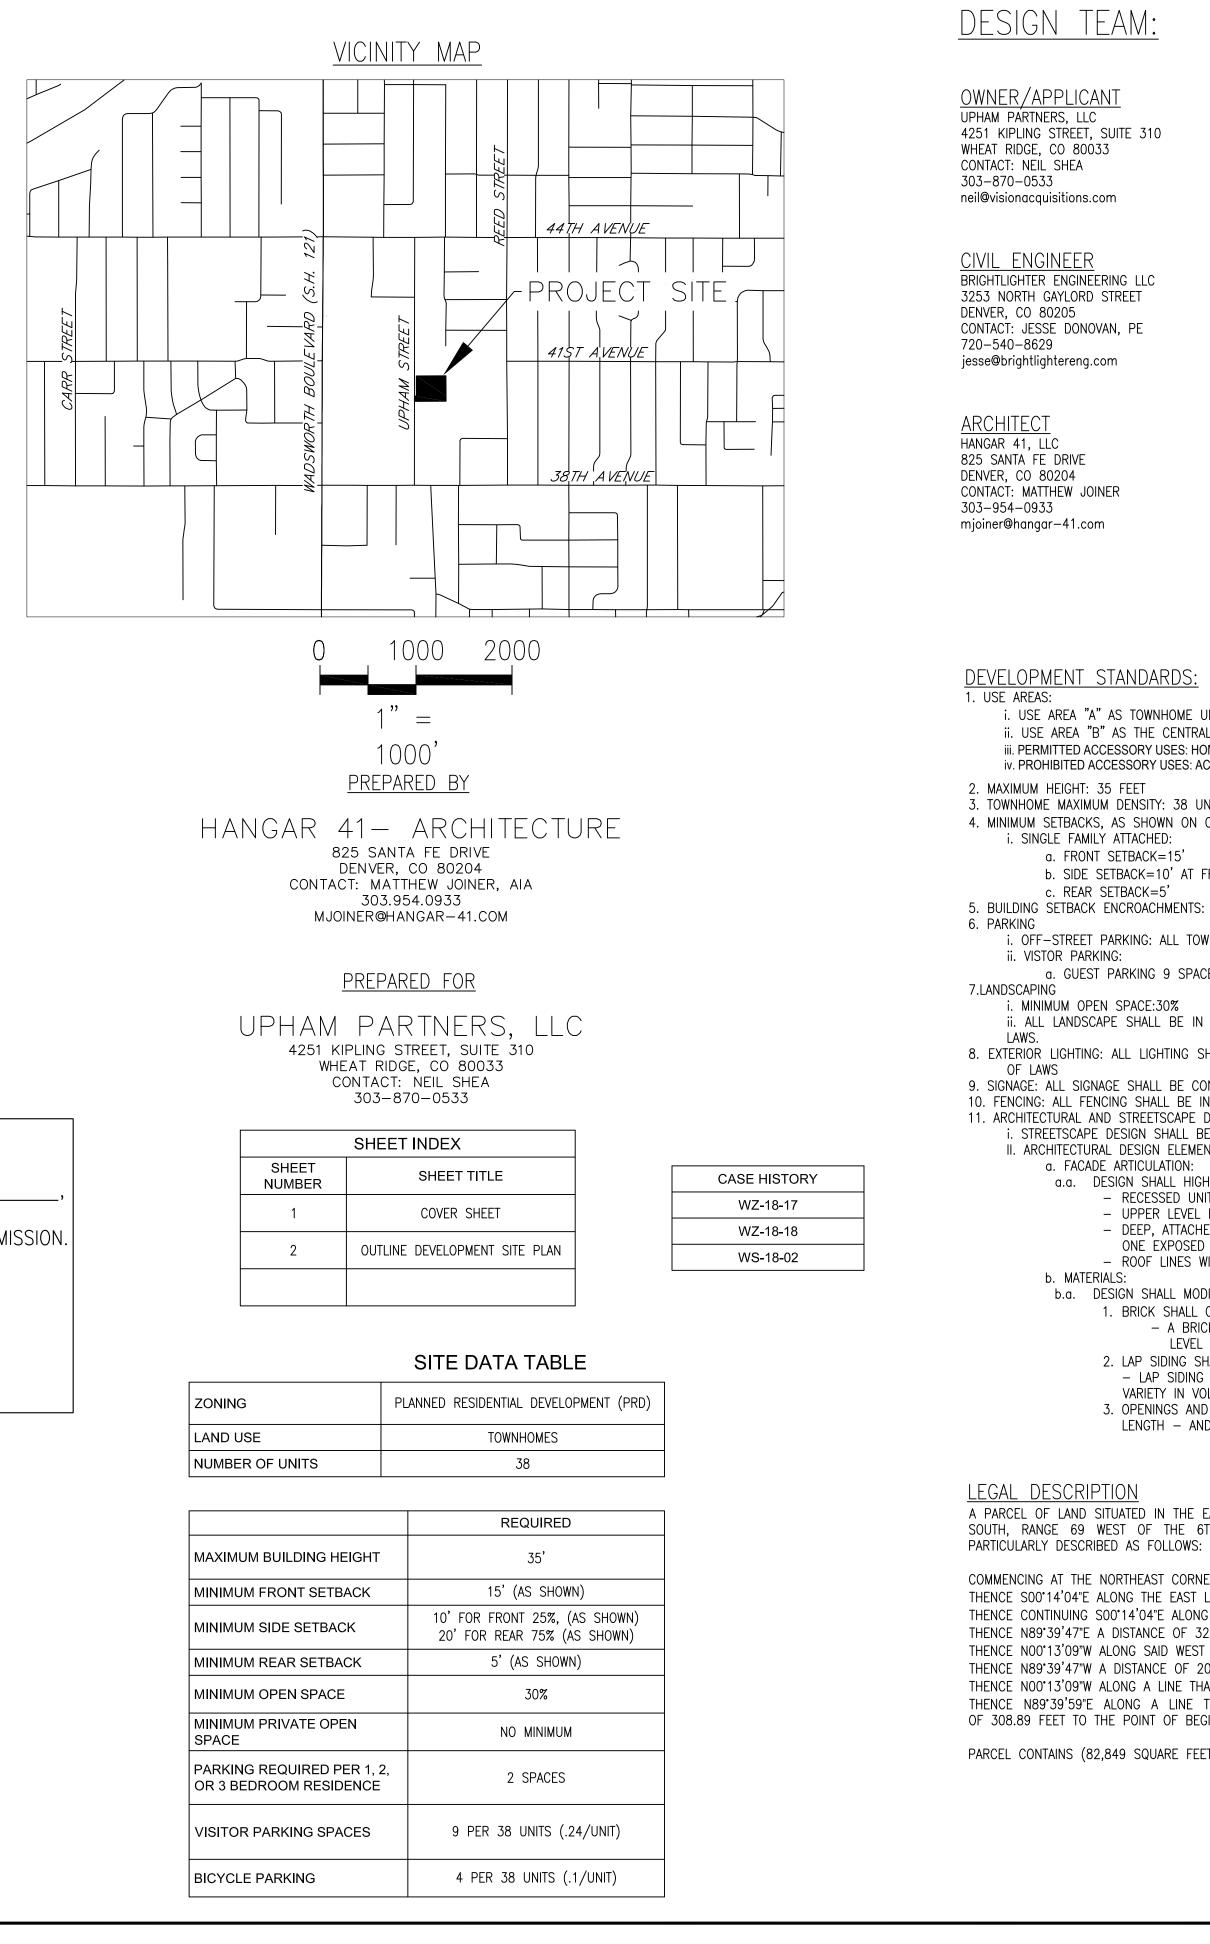

THE ARCHITECTURE IS A MARRIAGE OF CONTEMPORARY AND TRADITIONAL STYLES WITH SUBTLE DESIGN ELEMENTS OFFERING HOMAGE TO THE MID-CENTURY MODERN THEME PRESENT AMONG MANY OF WHEAT RIDGE'S OLDER NEIGHBORHOODS. THERE WILL BE TWO ENTRY POINTS INTO THE DEVELOPMENT FROM UPHAM STREET WITH STREETSCAPE AND SIGN MONUMENTS TO PROVIDE A SENSE OF ENTRY FOR THE NEIGHBORHOOD.

EACH OWNER WILL ENJOY BOTH PRIVACY OFFERED BY PRIVATE, LOW-FENCED YARDS WITH MINIMALIST LANDSCAPING, AS WELL AS EASY ACCESS TO THE MAIN FOCAL POINT OF THE DEVELOPMENT, A CENTRAL POCKET PARK. THIS GATHERING SPACE OFFERS A GENEROUS SOD LAWN BORDERED BY PEDESTRIAN WALKWAYS, PARK BENCHES, AND SHADE TREES, WHERE RESIDENTS MAY ENTERTAIN, PLAY, AND RELAX.

A SPECIFIC DEVELOPMENT PLAN IN WHEAT RIDGE, COLORADO

A PART OF THE SOUTHEAST QUARTER OF SECTION 23, TOWNSHIP 3 SOUTH, RANGE 69 WEST OF THE 6TH PRINCIPAL MERIDIAN, CITY OF WHEATRIDGE, COUNTY OF JEFFERSON, STATE OF COLORADO

GENERAL LANDSCAPE NOTES

1. ALL LOW PERENNIAL AND GROUNDCOVER PLANTING AREAS SHALL BE MULCHED WITH SHREDDED WESTERN RED CEDAR WOOD MULCH, AT A DEPTH OF 3". WEED BARRIER FABRIC IS NOT REQUIRED UNDER WOOD MULCH.

2. ALL PLANTING BED AREAS NOT DESIGNATED AS COBBLE SHALL BE MULCHED WITH 1-1/2" DARK GRAY ANGULAR GRANITE, AT A DEPTH OF 3", INSTALLED OVER PERMEABLE WEED BARRIER FABRIC. DO NOT INSTALL EDGING BETWEEN WOOD MULCH AND ROCK MULCH AREAS.

3. ALL PLANTING BED AREA DESIGNATED AS COBBLE SHALL BE MULCHED WITH 5-10" NATURAL GRAY COBBLE OVER PERMEABLE WEED BARRIER FABRIC. FILL IN GAPS WITH 3/4" ROCK MULCH OR PEA GRAVEL OF SIMILAR COLOR TO COBBLE SO THAT NO FABRIC IS VISIBLE

4. SOD EDGER SHALL BE 14 GAUGE ROLLED TOP STEEL EDGING (DARK GREEN COLOR) IN THE LOCATIONS SHOWN ON THE PLANS. EDGER IS NOT REQUIRED WHERE SOD ABUTS CONCRETE.

5. ALL AREAS TO BE LANDSCAPED SHALL HAVE ORGANIC AMENDMENTS THOROUGHLY INCORPORATED INTO THE SOIL AT A RATE OF 5 CUBIC YARDS PER 1,000 SQUARE FEET, AND TILLED TO A DEPTH OF 6 INCHES.

6. ALL SOD AREAS, BED AREAS, AND LANDSCAPE AREAS SHALL BE FINE GRADED PRIOR TO INSTALLATION OF NEW PLANT MATERIAL. ROCKS, WOOD, AND ANY MATERIAL LARGER THAN 1" IN DIAMETER SHALL BE REMOVED FROM ALL PLANTING AREAS PRIOR TO SODDING AND PLANTING NEW MATERIALS.

7. EXISTING TURF, SHRUBS, TREES, AND PLANT MATERIAL TO BE REMOVED SHALL BE FULLY REMOVED FROM THE SITE, INCLUDING ALL ROOTS.

8. ALL LANDSCAPED AREAS SHALL BE WATERED BY A FULLY AUTOMATIC UNDERGROUND IRRIGATION SYSTEM.

9. SOD AREAS SHALL BE ZONED SEPARATELY THAN BEDS, AND SHALL BE IRRIGATED VIA POP-UP SPRAY HEADS PROVIDING FULL (HEAD TO HEAD) COVERAGE. HEADS SHALL BE COMMERCIAL GRADE WITH REPLACEABLE NOZZLES, PRESSURE REGULATORS, AND CHECK VALVES.

10. BED AREAS SHALL BE ZONED SEPARATELY THAN SOD AREAS, AND SHALL BE IRRIGATED BY INDIVIDUAL DRIP EMITTERS TO EACH PLANT. DRIP COMPONENTS SHALL BE COMMERCIAL GRADE RAIN-BIRD OR EQUAL POINT SOURCE EMITTERS, WITH ALL PLANTS RECEIVING IRRIGATION.

PLANT MATERIAL NOTES AND SPECIFICATIONS

1. NO SUBSTITUTIONS WILL BE ALLOWED WITHOUT APPROVAL FROM THE LANDSCAPE ARCHITECT. VARIETIES HAVE BEEN CHOSEN FOR THEIR SPECIFIC CHARACTERISTICS.

2. CONTACT LANDSCAPE ARCHITECT, OR OWNERS REPRESENTATIVE AT LEAST 48 HOURS PRIOR TO TAGGING PLANT MATERIALS FOR THE PROJECT, TO CONFIRM WHETHER OR NOT LANDSCAPE ARCHITECT WANTS TO BE PRESENT TO SELECT ANY OF THE PLANT MATERIAL FOR THE PROJECT.

3. REQUIREMENTS FOR MEASUREMENTS, GRADING, BRANCHING, QUALITY, AND THE BALLING AND BURLAPPING OF PLANTS LISTED IN THE PLANT LIST SHALL FOLLOW THE CURRENT ISSUE OF AMERICAN STANDARD FOR NURSERY STOCK ISSUED BY THE AMERICAN ASSOCIATION OF NURSERYMEN, INC. (ANSI-Z 60.1, OR MOST CURRENT PUBLICATION).

4. PLANTS SHALL MEET OR EXCEED THE MEASUREMENTS SPECIFIED IN THE PLANT LIST, WHICH ARE MINIMUM ACCEPTABLE SIZES.

5. ALL MATERIALS SHALL BE SUBJECT TO INSPECTION AND APPROVAL. THE LANDSCAPE ARCHITECT RESERVES THE RIGHT TO REJECT WORK AND MATERIALS THAT THE LANDSCAPE ARCHITECT FEELS DO NOT MEET THESE SPECIFICATIONS, PRIOR TO FINAL ACCEPTANCE.

6. PLANTS ARE TO BE PROTECTED FROM WEATHER AND SUN WHEN BEING STORED AT THE SITE. KEEP ROOTS MOIST AT ALL TIMES.

7. EACH PLANT SHALL BE IDENTIFIED BY MEANS OF A GROWERS LABEL AFFIXED TO THE PLANT. REMOVE ALL LABELS AFTER PLANTING AND MAKE LABELS AVAILABLE TO THE OWNER OR LANDSCAPE ARCHITECT.

8. FOR BALLED AND BURLAPPED TREES AND SHRUBS, REMOVE BURLAP FROM THE TOP AND SIDES OF THE ROOT BALL, BUT NOT THE BOTTOM, AFTER SETTING THE ROOT BALL IN THE HOLE. A MINIMUM OF 3/4 OF THE WIRE BASKET AND SURPLUS NYLON OR BINDING SHALL BE COMPLETELY REMOVED.

NOTARY PUBLIC

WHEAT RIDGE GEODETIC INFORMATION:

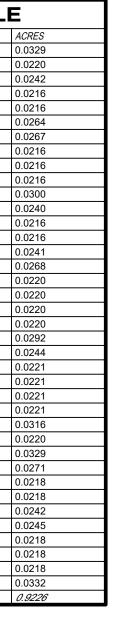

- 1. THE CURRENT CITY DATUM COORDINATE SYSTEM USED IS A GROUND-BASED MODIFIED FORM OF THE NAD83/92 STATE PLANE COORDINATE SYSTEM, COLORADO CENTRAL ZONE 0502.
- 2. VERTICAL DATUM USED IS THE NORTH AMERICAN VERTICAL DATUM OF 1988 (NAVD88).
- 3. GROUND TO GRID COMBINED SCALE FACTOR IS 0.99974780300, SCALED FROM BASE POINT PHAC 1 (PERMANENT HIGH ACCURACY CONTROL POINT #1) HAVING THE FOLLOWING NAD83/92 STATE PLANE COORDINATES: PHAC 1: NORTHING: 1701258.75, EASTING: 3118217.58, ELEVATION: 5471.62.

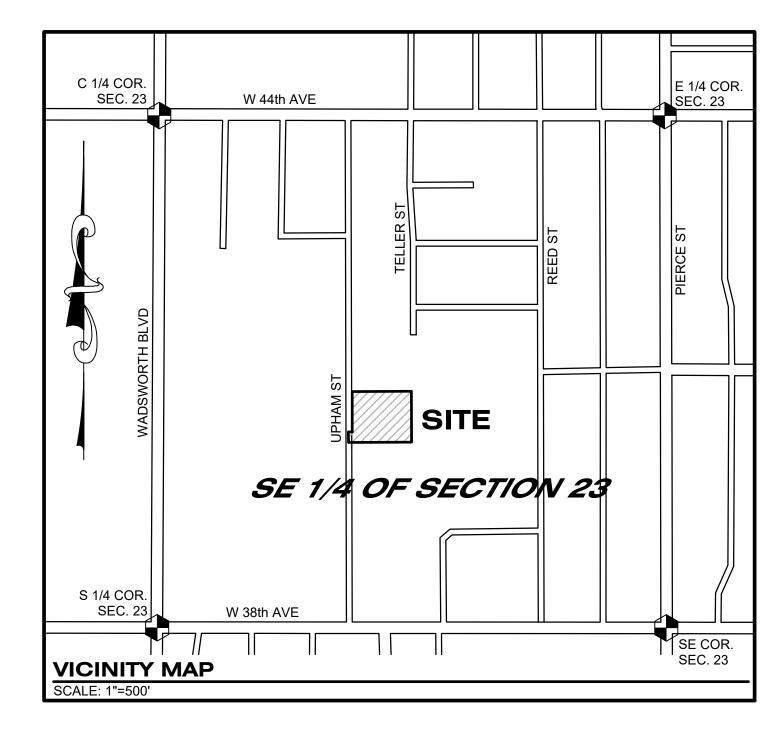

STATEMENT OF ACCURACY:

THE GEODETIC POINT COORDINATE DATA SHOWN HEREIN HAS BEEN DERIVED FROM THE NAD 83 HARN STATE PLANE COLORADO CENTRAL FIPS 0502 COORDINATE SYSTEM, AND HAS A HORIZONTAL ACCURACY CLASSIFICATION OF 0.07 U.S. SURVEY FEET AT THE 95% CONFIDENCE LEVEL, AS DEFINED IN THE GEOSPATIAL POSITIONING ACCURACY STANDARDS OF THE FEDERAL GEODETIC CONTROL SUBCOMMITTEE (FGDC-STD-007.2-1998).

RIDGETOP VILLAGE SUBDIVISION FILING NO. 1 SITUATED IN THE SOUTHEAST 1/4 OF SECTION 23, TOWNSHIP 3 SOUTH, RANGE 69 WEST OF THE 6TH PRINCIPAL MERIDIAN

CITY OF WHEAT RIDGE. COUNTY OF JEFFERSON. STATE OF COLORADO

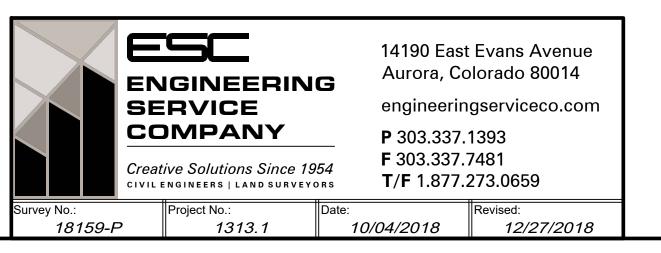

SURVEYOR'S NOTES:

- 1. THIS SURVEY WAS BASED ON TITLE COMMITMENT NUMBER 598-F0597699-150-KB3, AMENDMENT NO. 10 PREPARED BY FIDELITY NATIONAL TITLE COMPANY AS AGENT FOR FIDELITY NATIONAL TITLE INSURANCE COMPANY, WITH AN EFFECTIVE DATE OF MAY 24, 2018 AT 7:00 A.M., AND DOES NOT CONSTITUTE A TITLE SEARCH BY THIS SURVEYOR FOR OTHER EASEMENTS AND/OR EXCEPTIONS OF RECORD.
- 2. BY GRAPHIC PLOTTING ONLY THE SUBJECT PROPERTY IS SITUATED IN FLOOD ZONE "X" AREA DETERMINED TO BE OUTSIDE THE 0.2% ANNUAL CHANCE FLOOD PLAIN ACCORDING TO FLOOD INSURANCE RATE MAP (FIRM) COMMUNITY PANEL NO. 08059C0214F LAST REVISED FEBRUARY 5, 2014. NO OFFICE CALCULATIONS OR FIELD SURVEYING WAS PERFORMED TO DETERMINE THIS INFORMATION
- 3. BEARINGS ARE BASED ON THE EAST LINE OF THE SE 1/4 OF SECTION 23, TOWNSHIP 3 SOUTH, RANGE 69 WEST, OF THE 6TH PRINCIPAL MERIDIAN BEARING S00°17'47"E AS REFERENCED ON THE CITY OF WHEAT RIDGE HORIZONTAL CONTROL NETWORK AND BOUNDED BY THE MONUMENTS SHOWN HEREON.
- 4. THIS SITE IS CURRENTLY ZONED: R-3 (RESIDENTIAL 3) PER THE CITY OF WHEAT RIDGE.
- 5. THE ADDRESSES OF THE SURVEYED PROPERTY ARE 4000, 4042, 4062 & 4066 UPHAM STREET. THE PROPERTY WILL BE READDRESSED PRIOR TO BUILDING PERMIT.
- 6. PER COLORADO REVISED STATUTES SEC. 38-51-106 (L), ALL LINEAL UNITS DEPICTED ON THIS LAND SURVEY PLAT ARE U.S. SURVEY FEET. ONE METER EQUALS 39.37 DIVIDED BY 12 U.S. SURVEY FEET ACCORDING TO THE NATIONAL INSTITUTE OF STANDARDS AND TECHNOLOGY.
- 7. ACCORDING TO COLORADO LAW YOU MUST COMMENCE ANY LEGAL ACTION BASED UPON ANY DEFECT IN THIS SURVEY WITHIN THREE YEARS AFTER YOU FIRST DISCOVER SUCH DEFECT. IN NO EVENT, MAY ANY ACTION BASED UPON ANY DEFECT IN THIS SURVEY BE COMMENCED MORE THAN TEN YEARS FROM THE DATE OF THE CERTIFICATION SHOWN HEREON.
- 8. ANY PERSON WHO KNOWINGLY REMOVES, ALTERS, OR DEFACES ANY PUBLIC LAND SURVEY. MONUMENT, LAND BOUNDARY MONUMENT, OR ACCESSORY COMMITS A CLASS TWO (2) MISDEMEANOR, PURSUANT TO STATE STATUTE 18-4-508 OF THE COLORADO REVISED STATUTES.
- 9. TRACT I IS HEREBY DEDICATED AS PUBLIC RIGHT-OF-WAY.
- 10. INDIVIDUAL TOWNHOUSE LOTS SHALL NOT BE DEVELOPED FOR ANY PURPOSE OTHER THAN TOWNHOMES.
- 11. RIDGETOP VILLAGE HOA/METRO DISTRICT AND ITS SUCCESSORS AND ASSIGNS WILL BE SOLELY RESPONSIBLE FOR THE MAINTENANCE OF TRACTS A, B, C, D, E, F, G AND H.
- 12. RIDGETOP VILLAGE HOA/METRO DISTRICT AND ITS SUCCESSORS AND ASSIGNS WILL BE SOLELY RESPONSIBLE FOR THE MAINTENANCE OF ALL PRIVATELY OWNED UTILITY INFRASTRUCTURE.

CROSS ACCESS EASEMENT:

RIDGETOP VILLAGE HOA/METRO DISTRICT, AND ITS SUCCESSORS AND ASSIGNS GRANTS A BLANKET EASEMENT FOR ACCESS, AND TO FREE MOVEMENT THROUGH TRACTS A, B, C, D, E, F, G, AND H. SUCH GRANT OF EASEMENT SHALL BE LIMITED TO THE OWNERS, TENANTS, AND GUESTS OF THE OWNERS, AND SHALL FURTHERMORE GRANT ACCESS TO AND FREE MOVEMENT THROUGH SAID EASEMENTS TO THOSE ENTERING SAID EASEMENTS FROM ABUTTING PUBLIC STREETS.

CONSTRUCTION DEFECTS

THIS PLAT CONTAINS LOTS, BLOCKS, OR OTHER LAND INTENDED FOR THE DEVELOPMENT OF OWNER-OCCUPIED MULTI-FAMILY DWELLING UNITS OR ASSOCIATED COMMON AREAS, LIMITED COMMON ELEMENTS, OR IMPROVEMENTS (THE "MULTI-FAMILY DEVELOPMENT AREA"). TO THE EXTENT THAT THE FOLLOWING CLAIMS INVOLVE ANY MULTI-FAMILY DEVELOPMENT AREA (OR THE IMPROVEMENTS THEREON) WITHIN THE PROPERTY COVERED BY THIS PLAT, SUCH CLAIMS SHALL BE SUBMITTED TO BINDING ARBITRATION IN LIEU OF SUBMITTING ANY SUCH CLAIM TO A COURT OF LAW.

ANY AND ALL CLAIMS THAT ALLEGE A CONSTRUCTION DEFECT AS DEFINED AT SECTION 26-1302 OF THE CODE OF LAWS AND: (1) ARE BETWEEN ANY TWO OR MORE OF THE FOLLOWING PERSONS OR ENTITIES: (A) ANY OWNER OF ANY PORTION OF THE MULTI-FAMILY DEVELOPMENT AREA, (B) ANY COMMON INTEREST COMMUNITY ASSOCIATION CREATED WITH RESPECT TO THE MULTI-FAMILY DEVELOPMENT AREA, (C) THE SUBDIVIDER, DEVELOPER, CONTRACTOR, OR ANYONE CLAIMING UNDER OR THROUGH ANY SUCH PERSONS, (D) ANY PARTY THAT CONSTRUCTS OR DESIGNS ANY PORTION OF ANY RESIDENTIAL DWELLING UNITS UPON THE MULTI-FAMILY DEVELOPMENT AREA, AND (E) ANY CONSTRUCTION PROFESSIONAL AS DEFINED IN THE CONSTRUCTION DEFECT ACTION REFORM ACT, C.R.S. § 13-80-802.5, ET SEQ., AS AMENDED ("CDARA"); AND (2) THAT PERTAINS TO ANY OF: (A) THE MULTI-FAMILY DEVELOPMENT AREA, (B) ANY DWELLING UNIT, COMMON AREA DEVELOPMENT STRUCTURE, LIMITED COMMON ELEMENTS OR OTHER IMPROVEMENTS CONSTRUCTED ON THE MULTI-FAMILY DEVELOPMENT AREA, (C) THE COMMON INTEREST COMMUNITY TO BE CREATED FOR THE MULTI-FAMILY DEVELOPMENT AREA OR ANY PORTION THEREOF, OR (D) THE DECLARATION OR OTHER DOCUMENTS GOVERNING SUCH COMMUNITY.

THE FOREGOING SHALL NOT PRECLUDE ANY OF THE PERSONS OR ENTITIES DESCRIBED ABOVE FROM ENDEAVORING TO RESOLVE ANY SUCH CLAIM(S) THROUGH EITHER NEGOTIATION OR MEDIATION BEFORE SUBMITTING SUCH CLAIM(S) TO BINDING ARBITRATION. ADDITIONALLY, THE MULTI-FAMILY DEVELOPMENT AREA MAY ALSO BE SUBJECT TO A DECLARATION OF COVENANTS CONDITIONS AND RESTRICTIONS THAT MAY IMPLEMENT AND EXPAND UPON THE REQUIREMENTS OF THIS PLAT NOTE AND THAT MAY EXEMPT CERTAIN CLAIMS FROM THE REQUIREMENT THAT SUCH CLAIMS MUST BE SUBMITTED TO BINDING ARBITRATION, PROVIDED, HOWEVER, THAT ANY SUBSEQUENT AMENDMENT OR CHANGE TO SUCH DECLARATION OF COVENANTS, CONDITIONS OR RESTRICTION SHALL NOT ELIMINATE THIS REQUIREMENT THAT CONSTRUCTION DEFECT CLAIMS SHALL BE SUBMITTED TO BIDING ARBITRATION IN LIEU OF SUBMITTING ANY SUCH CLAIM TO A COURT OF LAW.

FOR PURPOSES OF THIS PLAT NOTE, BINDING ARBITRATION SHALL MEAN SUBMISSION OF ANY CLAIM DESCRIBED ABOVE TO THE ARBITRATION SERVICE PROVIDER SPECIFIED IN THE DECLARATION OR OTHER GOVERNING DOCUMENTS OF THE COMMON INTEREST COMMUNITY, IF QUALIFIED PURSUANT TO THE UNIFORM ARBITRATION ACT, PART 2 OF ARTICLE 22 OF TITLE 13 C.R.S., AND, IF NOT, AN ARBITRATION SERVICE PROVIDER SO QUALIFIED IN SUCH ARBITRATION; THE COSTS AND EXPENSES OF ARBITRATION TO BE BORNE EQUALLY BY THE PARTIES.

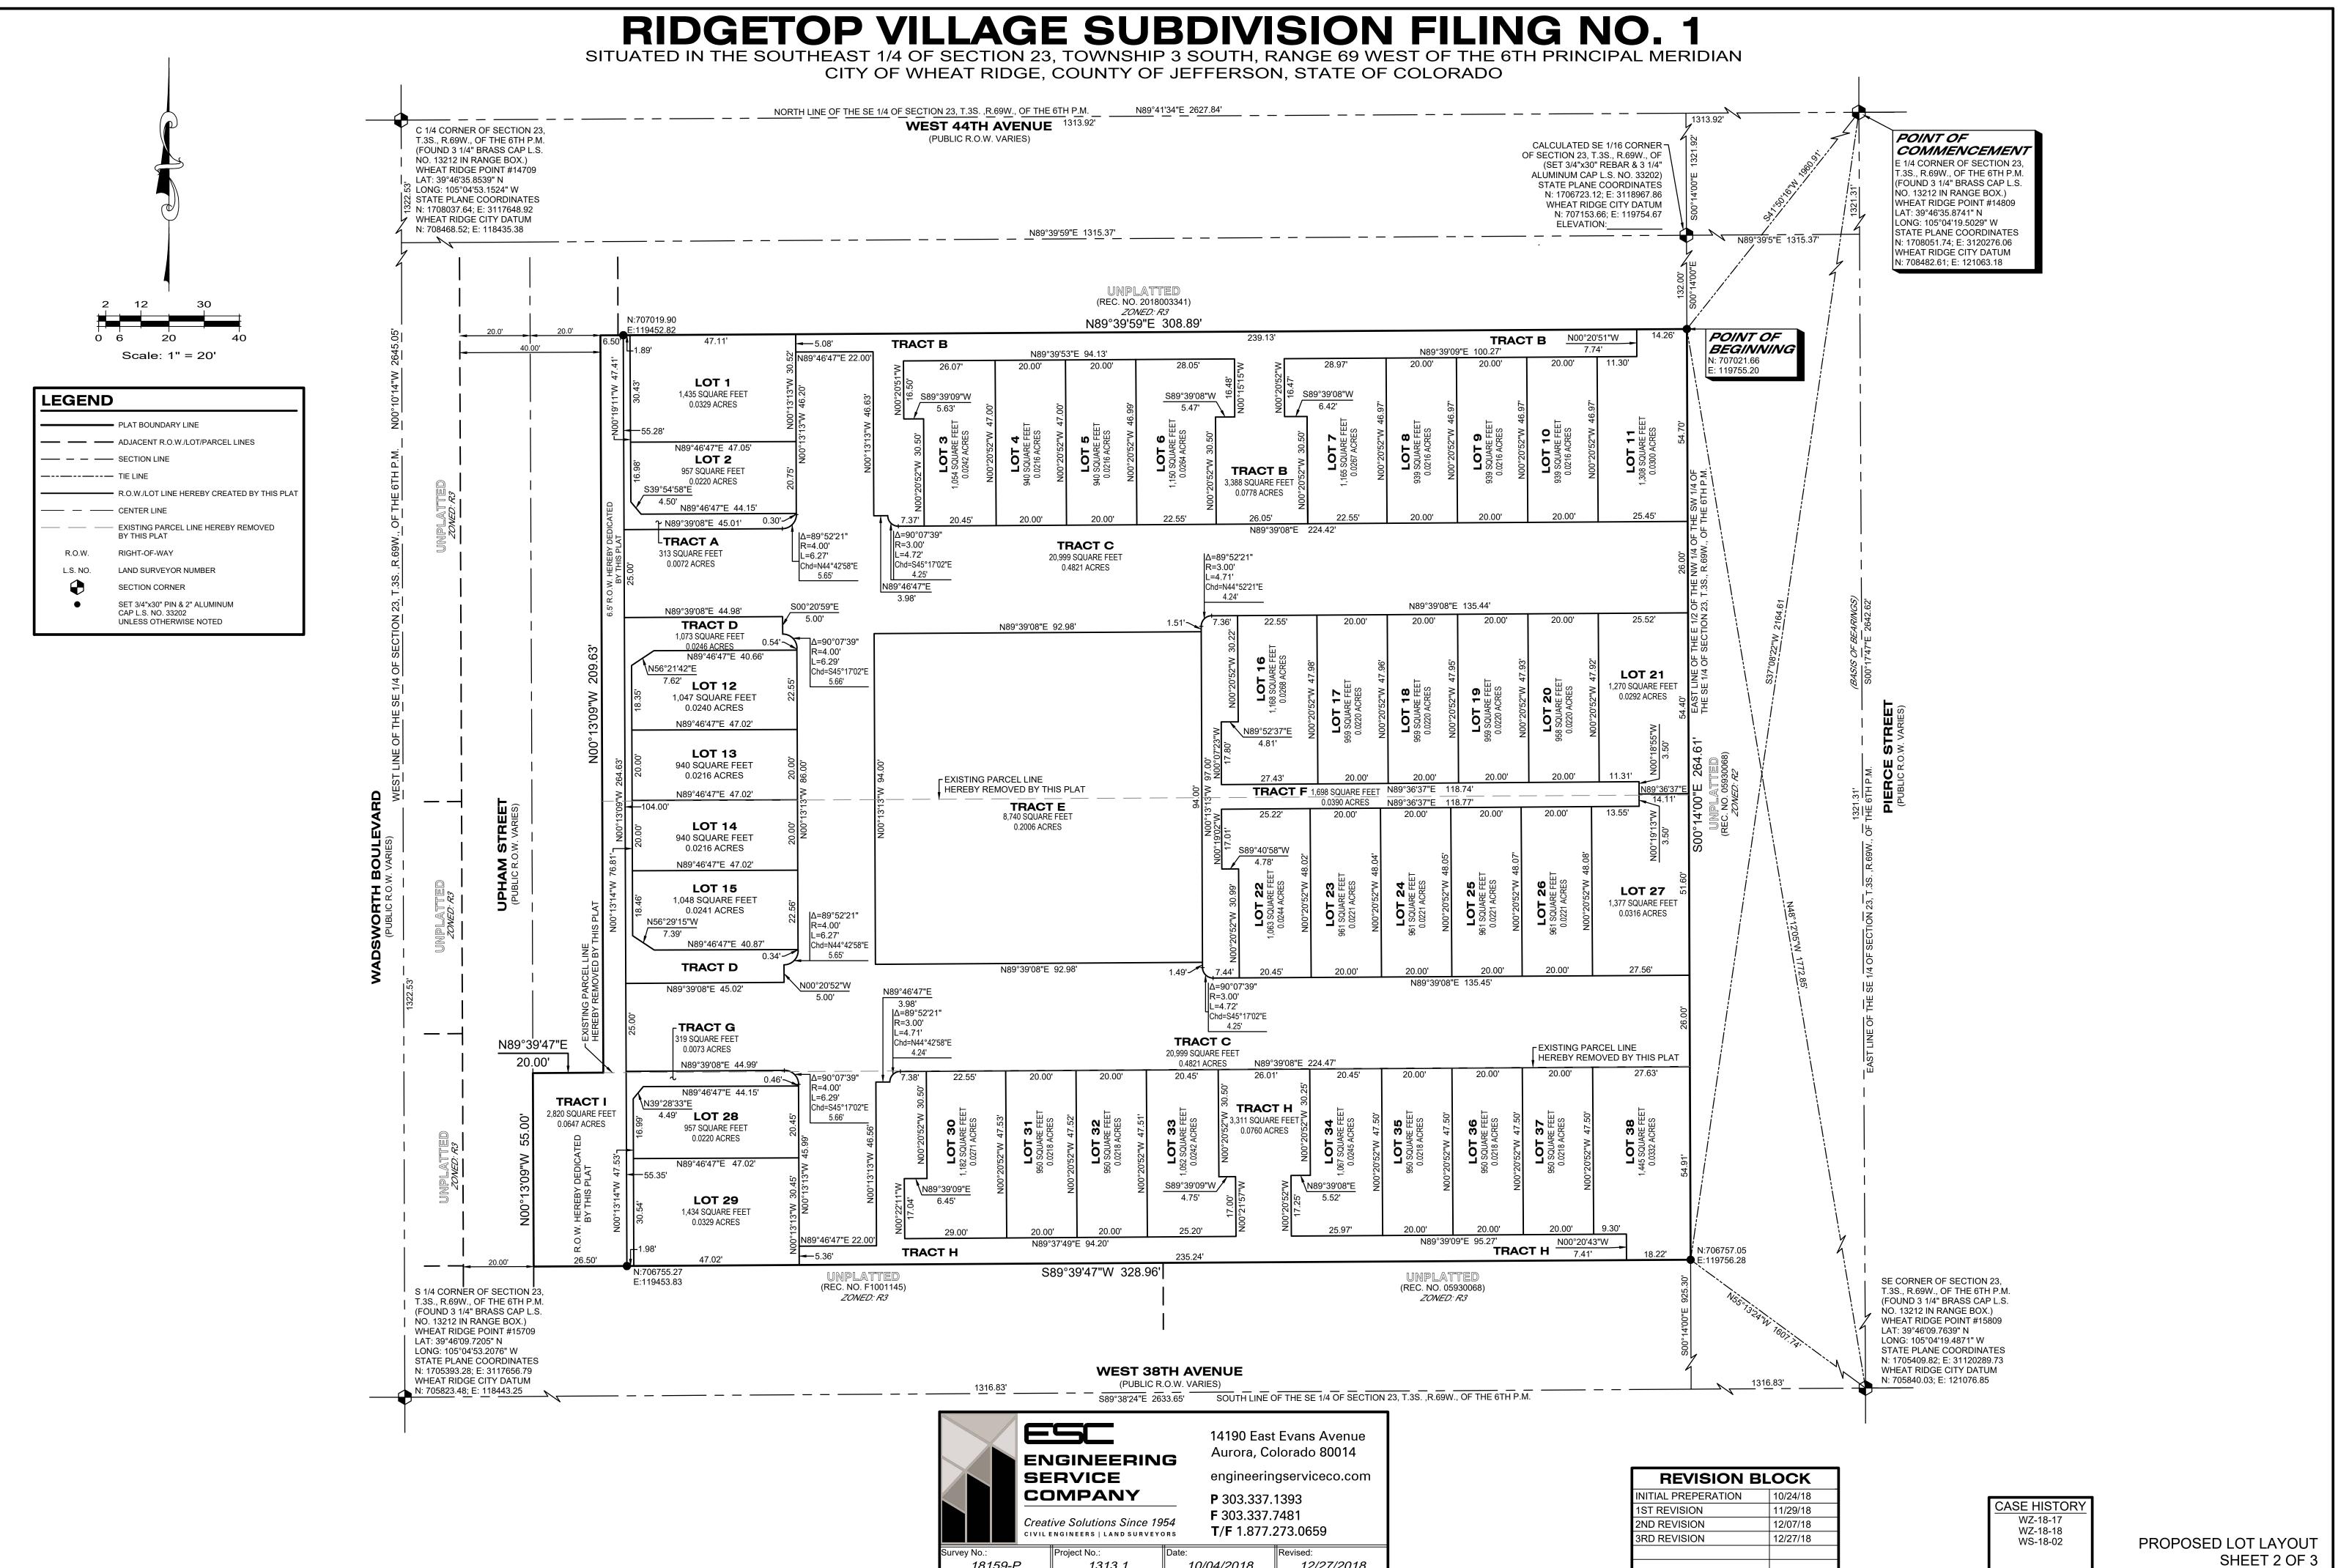

ALL FUTURE PURCHASERS OF ANY INTEREST IN THE MULTI-FAMILY DEVELOPMENT AREA ARE DEEMED TO HAVE ACCEPTED AND AGREED TO THE TERMS AND CONDITIONS OF THIS PLAT NOTE AND SHALL BE BOUND BY THE PLAT NOTE. WHICH IS RECORDED IN THE JEFFERSON COUNTY CLERK AND RECORDER'S OFFICE, DEEMED TO BE A COVENANT RUNNING WITH THE MULTI-FAMILY DEVELOPMENT AREA, AND BINDING UPON ALL SUCCESSORS IN INTEREST, GRANTEES, OWNERS, HEIRS, ASSIGNS, AND ALL OTHERS WHO ACQUIRE AN INTEREST IN OR TO THE MULTI-FAMILY DEVELOPMENT AREA, TOGETHER WITH ANY COMMON INTEREST COMMUNITY ASSOCIATION ASSOCIATED THEREWITH.

SURVEOR'S CERTIFICATE:

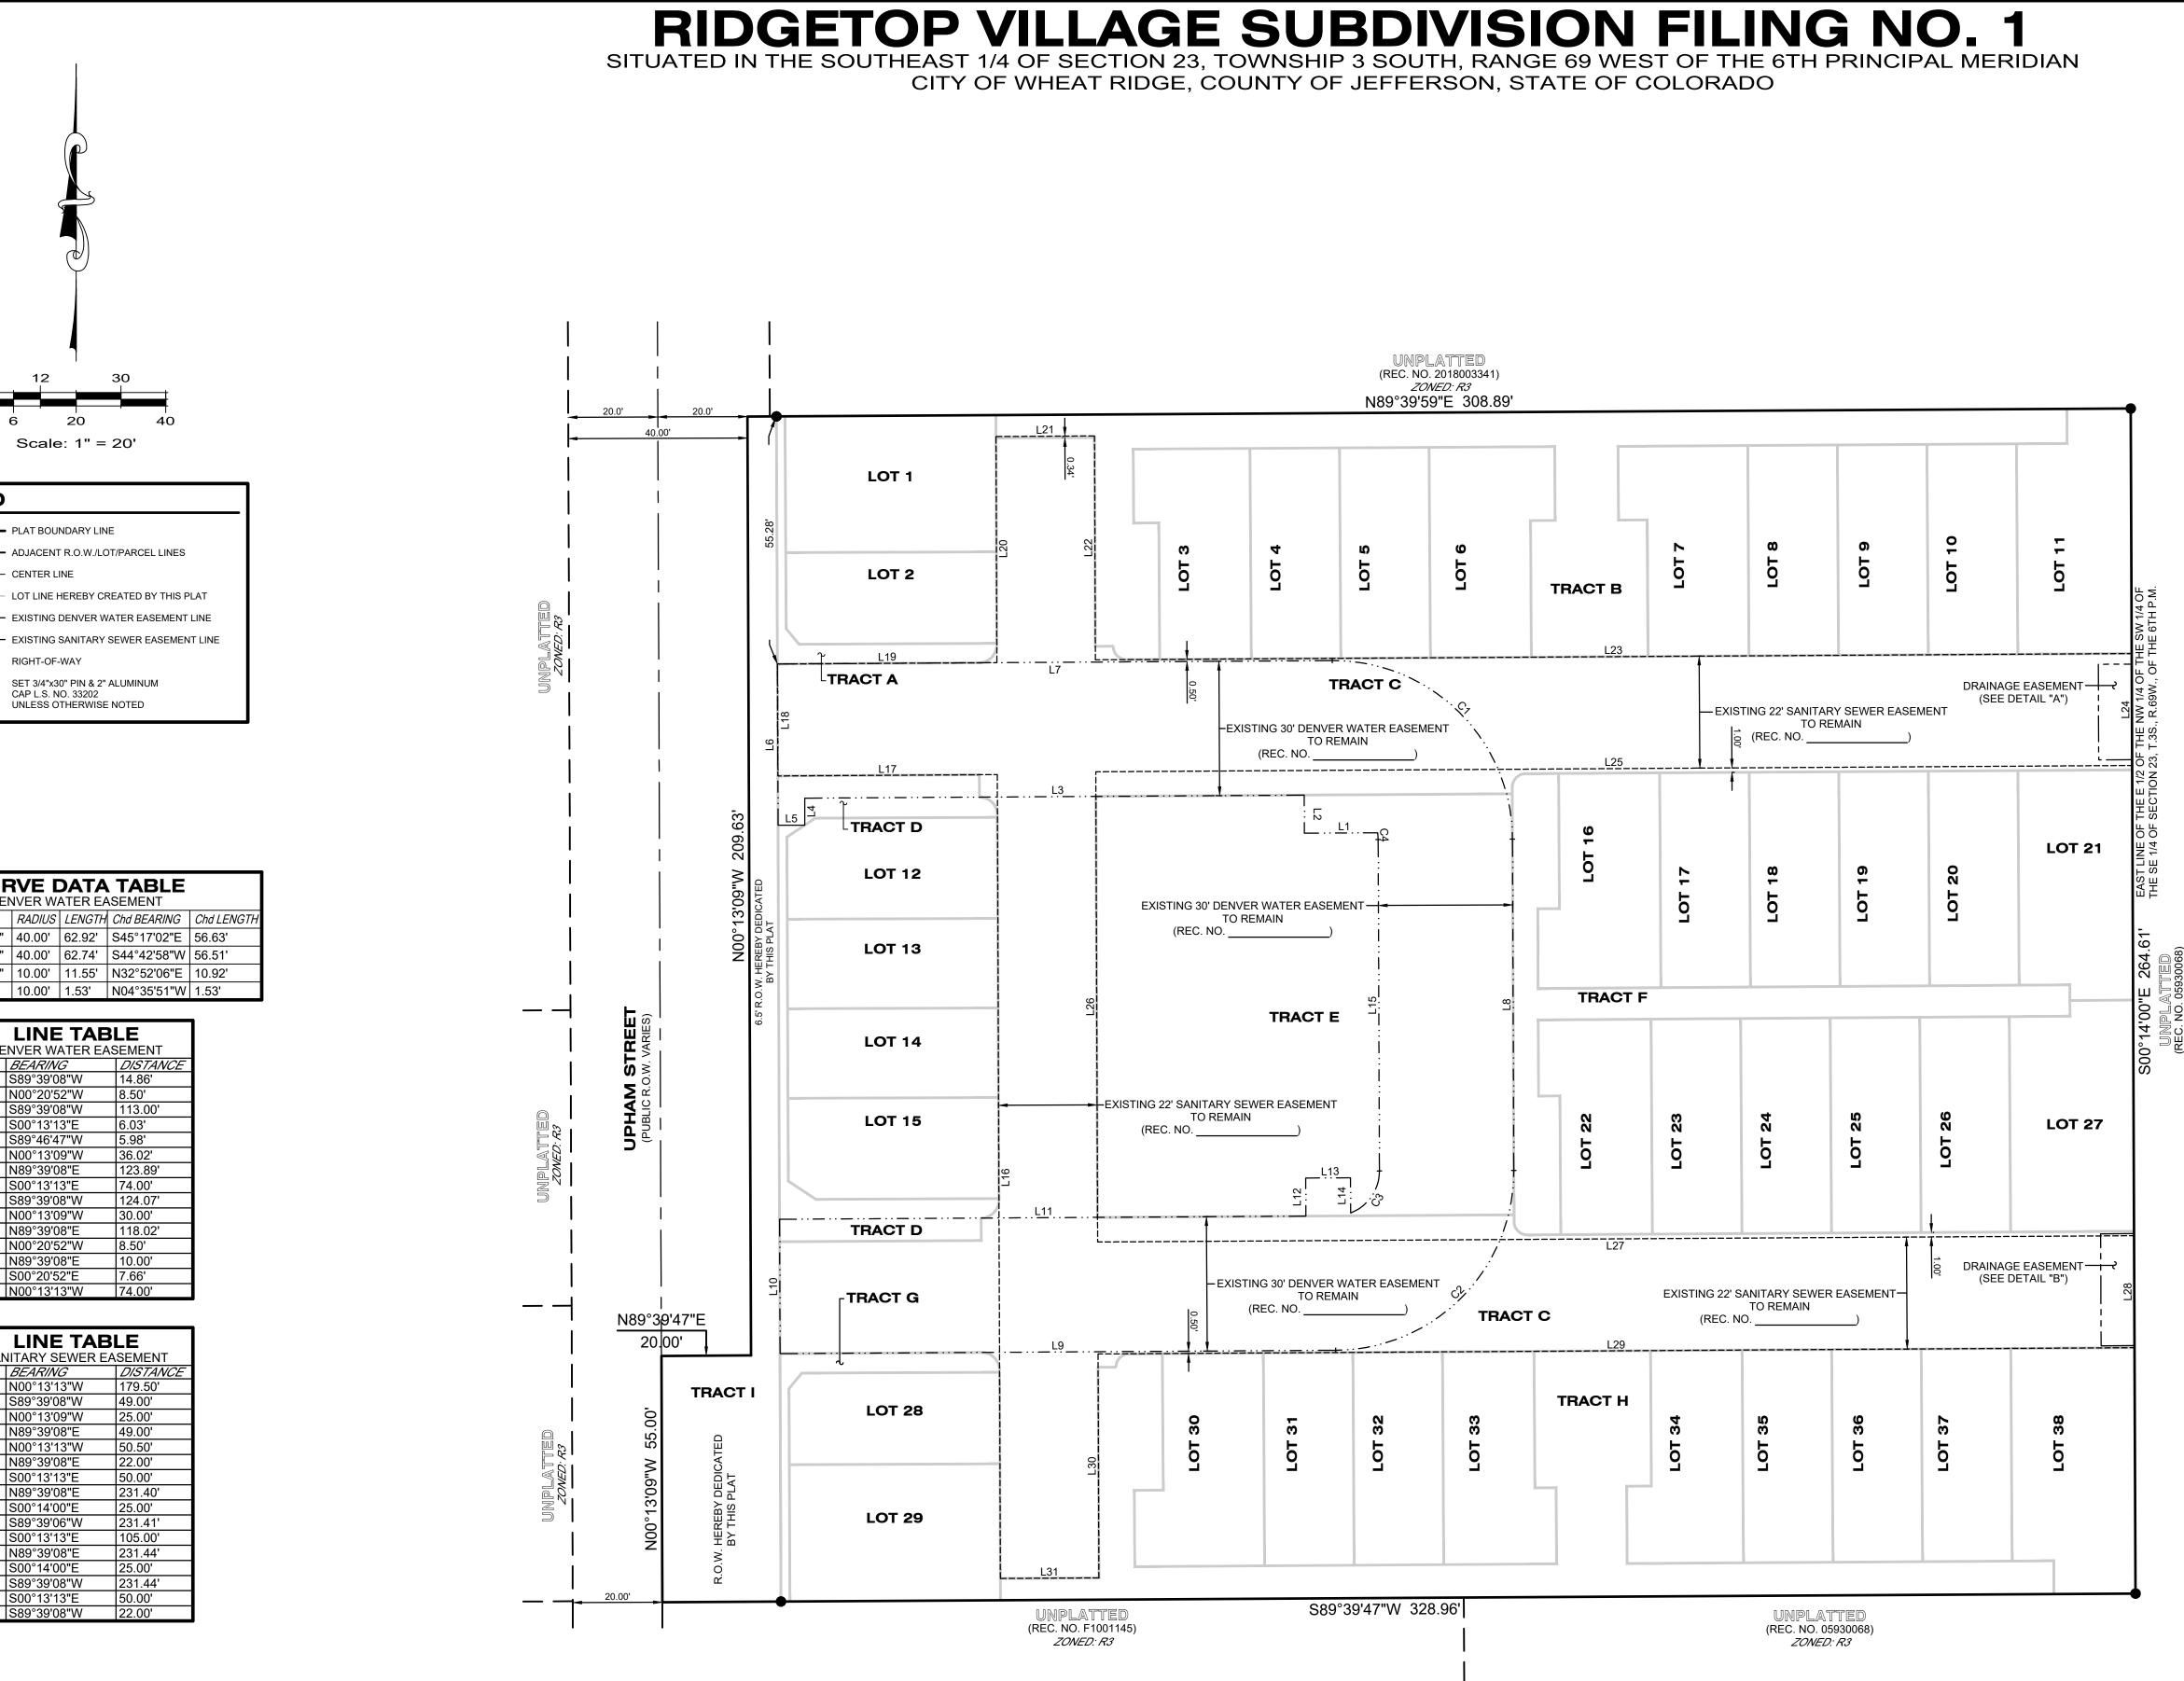

I, CHARLES N. BECKSTROM, DO HEREBY CERTIFY THAT THE SURVEY OF THE BOUNDARY OF RIDGETOP VILLAGE SUBDIVISION FILING NO. 1 WAS MADE BY ME OR UNDER MY DIRECT SUPERVISION AND TO THE BEST OF MY KNOWLEDGE, INFORMATION AND BELIEF, IN ACCORDANCE WITH ALL APPLICABLE COLORADO STATUTES, CURRENT REVISED EDITION AS AMENDED, THE ACCOMPANYING PLAT ACCURATELY REPRESENTS SAID SURVEY.

EASEMENT LAYOUT SHEET 3 OF 3

EXHIBIT 11: NEIGHBORHOOD MEETING

NEIGHBORHOOD MEETING NOTES

| Meeting Date: | January 16, 2018 |
|----------------------------|---|
| Attending Staff: | Lauren Mikulak, Planning Manager Zack Wallace Mendez, Planner II |
| Location of Meeting: | Wheat Ridge Municipal Center, Police Training Room |
| Property Address: | 4000-4066 Upham Street |
| Property Owner(s): | Nodef Colorado Inc. |
| Property Owner(s) Present? | No |
| Applicant: | Tony Del Grippo and Neil Shea |
| Applicant Present? | Yes |
| Existing Zoning: | Residential-Three (R-3) |
| Existing Comp. Plan: | Neighborhood |

Existing Site Conditions:

The subject properties are located on the east side of Upham Street between W. 38th Avenue and W. 44th Avenue. There are a total of four lots, each containing a single family home. The lots are zoned Residential-Three (R-3). According the Jefferson County Assessor, the four lots are under single ownership and collectively total approximately 87,000 square feet or 2 acres in size.

To the east are two JeffCo Public Schools: Stevens Elementary and Sobesky Academy. To the north is a 2.5 story apartment building built in 1960. Further north along Upham are a mix of single-family homes and duplexes. Across Upham Street to the west are three mid-century apartment complexes and a single family home; these properties, and properties to the south, are also zoned R-3. The 38th Avenue corridor to the south is zoned for mixed-use development and West End 38, a four-story apartment building with a retail component, is expected to break ground soon between Upham and Vance Streets.

Applicant Preliminary Proposal:

The applicant would like to rezone and subdivide the property to develop townhomes. (The proposed site plan shows 44 units, though the applicant acknowledged this number will need to be reduced.) The existing four homes would be demolished. The proposed site plan gains access from Upham Street at a centered entrance, with homes facing Upham Street on either side. Interior homes are

shown to be oriented east-west. The central homes are proposed to face a large landscape area that is centered on the site to the entrance. Garages would be accessed through a network of internal alleys. Pedestrian access would be to the front of the homes, with a network of internal sidewalks. A detention area for drainage is proposed at the east of the site.

The homes are proposed to be three stories with garage access on the first floor. Each building would contain 4-5 townhomes. The applicant noted the possibility of private patios or decks on the first or second floor which would face the landscaped areas. The homes would be on individual parcels and would be a for-sale product.

The following is a summary of the neighborhood meeting:

- In addition to the applicant and staff, nine members of the public attended the meeting.
- Staff discussed the site, its zoning and future land use.
- The applicant and members of the public were informed of the process for a planned development zone change.
- The members of the public were informed of their opportunity to make comments during the process and at the public hearing, if required.

The following issues were discussed regarding the proposed development:

- In general, attendees were interested in understanding why the zone change was desired, if there would be redevelopment, and what the applicant's long-term plans are for the property. Three attendees were supportive of the request. Two attendees were neutral. Some expressed distrust of the applicant's intentions, expressed concern that 44th Avenue would become overdeveloped, and expressed concern regarding multi-story infill development that was occurring in East Wheat Ridge.
- Will the units be for rent or for sale? *The units will be for sale product.*
- How much will the units sell for? *The applicant stated he believes they will be priced in the mid-400s, based on current market conditions.*
- Will there be visitor parking? *Yes, the City requires visitor parking spaces be provided for project of this nature.*
- A neighbor expressed concern over the current condition of the property, code violations, and any involvement of the current owner in the redevelopment plans. *The applicant stated the current owner would not be involved in the redevelopment. Staff added that Code Enforcement should be notified of any code violation concerns.*
- What are the proposed setbacks along Upham Street? *Current standards, under the R-3 zoning require a 25-foot setback. The applicant stated they would likely propose a similar setback, as they would like to provide private front yard space for the units in lieu of the typical rooftop decks seen in recent developments in Denver. The units will not be pushed up to the sidewalk.*
- How tall will the units be?

Current standards, under the R-3 zoning allow up to 35 foot tall structures. Due to fire department requirements the applicant stated they will aim to keep the units at 30 feet.

- Are there any plans for the City to widen Upham Street? *The applicant will be required to dedicate a portion of their land to ensure Upham Street is adequately sized for today's street section standards. This, however, will not add any travel lanes to Upham.*
- What will the lighting be like on the property? Lighting will be placed to ensure safety, but is required to be downcast. The City Code requires that light not spill over property lines.
- Are there any plans for fencing the property, especially along the south side adjacent to the single-family residential? *There will likely be a 6-foot tall solid wood fence there.*
- Timeline for the project? *The applicant stated they are in the very early stages of development. Best case scenario the applicant would start construction in 2019, with construction being phased and lasting approximately 2 years.*
- Will this be a covenant controlled community? *The property will be maintained by an HOA, yes.*
- Will any of these units be turned into rentals? Due to FHA loan requirements, the developer cannot sell to more than a certain number of investors (LLCs). However, they cannot guarantee people will not rent them out, so it is likely a few units will be turned into rentals after they are sold.

Aside from the neighbors at the meeting, staff received no comment from others in the area regarding the proposal in association with the neighborhood meeting.

see attached

January 17, 2019

Re: Upcoming Wheat Ridge Planning Commission Hearing for RidgeTop Village Town Homes on February 7, 2019

To Whom It May Concern:

As the owner of 3955 Upham St, Current Property Management is in support of the RidgeTop Village town home site for the proposed 38 town homes units.

The owners of 4000, 4042, 4062, & 4066 Upham St, Upham Partners LLC, have shared with us their site plan and overall vision for the project. We offer our full support of the project, and believe their project will have a positive economic and esthetic impact on the immediate neighborhood and the Ridge at 38th business district.

If we can be of any further assistance or answer any questions in regards to our opinion of the impact this project on Wheat Ridge and the immediate neighborhood, please don't hesitate to contact us.

Sincerely,

Current Property Management

Re: Upcoming Wheat Ridge Planning Commission Hearing for RidgeTop Village Town Homes on February 7, 2019

To Whom It May Concern:

As the owner of the 2 properties known as 3900 & 3920 Upham St, Moore Family Trust is in support of the RidgeTop Village town home site for the proposed 38 town homes units.

The owners of 4000, 4042, 4062, & 4066 Upham St, Upham Partners LLC, have met with the Moore family and shared with us their site plan and overall vision for the project. We offer our full support of the project, and believe their project will have a positive economic and esthetic impact on the immediate neighborhood and the Ridge at 38th business district.

If we can be of any further assistance or answer any questions in regards to our opinion of the impact this project on Wheat Ridge and the immediate neighborhood, please don't hesitate to contact us.

reff Moore, TRUSTEE Sincerely,

Moore Family Trust

JEFF MOORE 214-807-5359

Planning Commission, City of Wheat Ridge

Wheat Ridge City Council.

To whom it may concern.

I am writing to enthusiastically support the Ridge Top Village Town Home project at about 4000 Upham St.

I am planning on them being my new next-door neighbors.

My name is Rob McLeod and my wife is Michelle McLeod, we own and reside at 3960 Upham St.

Our home has been in our family, through Michelle's mother and grandparents since the home was new, and her grandparents, Joe and Vera Pearson were newlyweds in 1934. Joe Pearson was even one the fire chiefs the Wheat Ridge Fire Dept, and his family was deeply involved in early Wheat Ridge history. He was one of Wheat Ridge's carnation growers the city even now celebrates. As a matter of fact, we still get the water bill in his name, my wife has never wanted to change it.

My wife has fond memories of her child-hood here, and Upham Street was once a vibrant part of community.

We've have seen Upham Street begin to stagnate, and perhaps even begin to become very ill, and I am excited that Neil Shea, Vision Acquisitions and others have conceived of a way to bring new life to Upham Street and the community around us.

I know there will be the normal concerns of congestion, traffic, noise and the like, and I expect that. I believe these issues can, will be, and/or have been addressed.

I am excited to see new life and projects happening in the neighborhood, with the Corners and West End 38, and now the Ridge Top Village Town Home project.

I just want the City of Wheat Ridge to know that our family on Upham Street, is strongly supporting the Ridge Top Village Town home project and am looking forward to meeting many of our new neighbors.

Sincerely Rob and Michelle McLeod

PLANNING COMMISSION Minutes of Meeting February 7, 2019

1. CALL THE MEETING TO ORDER

The meeting was called to order by Chair BUCKNAM at 7:01 p.m. in the City Council Chambers of the Municipal Building, 7500 West 29th Avenue, Wheat Ridge, Colorado.

2. ROLL CALL OF MEMBERS

| Commission Members Present: | Alan Bucknam | | |

| Staff Members Present: | Lauren Mikulak, Planning Manager Jordan Jefferies, Civil Engineer II Tammy Odean, Recording Secretary | | |

3. PLEDGE OF ALLEGIANCE

4. APPROVE ORDER OF THE AGENDA

It was moved by Commissioner DORSEY and seconded by Commissioner LEO to approve the order of the agenda. Motion carried 8-0.

5. APPROVAL OF MINUTES – January 17, 2019

It was moved by Commissioner DORSEY and seconded by Commissioner WEAVER to approve the minutes of January 17, 2019, as written. Motion carried 7-0-1 with Commissioner LARSON abstaining.

6. **PUBLIC FORUM** (This is the time for any person to speak on any subject not appearing on the agenda.)

Planning Commission Minutes February 7, 2019

ATTACHMENT 3

- 1 -

No one wished to speak at this time.

7. **PUBLIC HEARING**

A. <u>Case No. WZ-18-17, WZ-18-18 and WS-18-02</u>: an application filed by Upham Partners, LLC for approval of a zone change from Residential-Three (R-3) to Planned Residential Development (PRD) with approval of an associated Outline Development Plan (ODP), Specific Development Plan (SDP), and subdivision plat for the construction of a 38-unit townhome project for the property located at 4000, 4042, 4062 and 4066 Upham Street.

Ms. Mikulak gave a brief presentation regarding the zone change, SDP, subdivision and the application. She entered into the record the contents of the case file, packet materials, the zoning ordinance, and the contents of the digital presentation. She stated the public notice and posting requirements have been met, therefore the Planning Commission has jurisdiction to hear this case.

Commissioner VOS asked if the utilities will be underground.

Ms. Mikulak explained that for all new subdivision all utilities are required to be underground.

Commissioner OHM inquired about the Jeffco Schools Letter of Intent with regard to the drainage and detention areas around Steven Elementary and if there can be a condition added to the motions to make sure the easements are in place.

Ms. Mikulak stated there are multiple ways to proceed, but the school is in agreement with the design and there can definitely be a condition in the motions regarding the easements being finalized.

Commissioner OHM asked why the heights are left blank on sheet one of the SDP.

Ms. Mikulak explained that was an oversight and per the ODP the maximum building height is 35 feet and the provided building height will be filled in and can be a condition of approval before going to City Council.

Commissioner PETERSON asked if the community park had been reduced in size due to parking.

Ms. Mikulak said that projects evolve and over time the visitor parking has increased which has shrunk the size of the park. She added the visitor parking is around the park.

Commissioner asked if all the buildings will be 35 feet in height.

Ms. Mikulak explained the roof lines vary and will range in height from 30 to 34 feet.

Commissioner LARSON wondered about having a Metropolitan District over an HOA.

Ms. Mikulak gave a brief explanation about the difference between Metro Districts and HOAs. Like an HOA, a Metropolitan District can be responsible for long term maintenance of shared facilities, including the park, drive aisles and detention. Unlike an HOA, Metro Districts are funded by a mill levy instead of fees. Metro Districts are a quasigovernmental entity and can issue bonds to pay for infrastructure costs associated with new development. The City is seeing more inquiries about Metro Districts because of the infrastructure costs often associated with infill development. She gave examples of existing Metro Districts in the City, explained the process by which they are created, and noted that the applicant is still evaluating the pros and cons of a Metro District versus and HOA.

Commissioner BUCKNAM asked if the community park will be open to the general public.

Ms. Mikulak said it is not intended for the neighborhood at large, but for the residents and their visitors.

Tony Del Grippo, Upham Partners, LLC (Applicant) 19209 W 53rd Loop, Golden

Mr. Del Grippo explained that Upham Partners has the opportunity to do something unique with this property and are excited about the prospect. He gave a brief explanation about the surrounding area and other projects that are currently under construction and their hopes of keeping this project affordable and utilize the density without doing slot homes. Mr. Del Grippo mentioned the opportunity for the park and the infill situation. He also confirmed they are in final agreements for a temporary construction easement with the school district which will be replaced by a long term agreement for the detention area. He added this will be an amazing little village and their vision will have no 2 buildings looking the same.

Commissioner OHM asked about sheets 12 and 13 of the SDP with regards to ornamental trees the City's code states xeric water wise plant material should be used so he wondered why the Poplar tree was chosen.

Julie Gunther (Project Landscape Architect)

Ms. Gunther said the Poplar grows and fills in quickly, but a Columnar Oak could be a nice substitute.

Commissioner OHM asked why the trees were shown in the site triangle.

Ms. Gunter and Ms. Mikulak explained that the trees canopy will be higher than the clear zone area and tree trunks along with utility poles can be allowed by the City, because they are not completely obstructive.

Commissioner OHM also asked about artificial turf possible being used.

Ms. Mikulak stated artificial turf is typically not allowed and the ODP includes a note to allow it in these limited front yard areas.

Commissioner OHM also inquired about the one Blue Spruce which typically provides a lot of shade and can be a risk for residents to the north in the winter time.

Ms. Gunter said a deciduous tree could be substituted.

Commissioner OHM asked if an existing fence on the east side of the property will be removed. If a new one is installed, he asked if it would go around the catch basins.

Mr. Del Grippo confirmed there is a fence that will be removed and replaced by a wood fence and will be maintained by the Metro District; he added the fence will go on top of the catch basins and not impede flows.

Commissioner LARSON asked if there is an issue with the electric service easements for the subdivision plat.

Jessie Donovan, Bright Letter Engineering (Project Engineer) 3265 Gaylor Street, Denver

Mr. Donovan explained there is a preliminary layout with Xcel, and they require building size information first for the load panels then they will know where to place the transformers. Xcel has a 6 week design process, but currently there are 2 transformers within the park area.

Commissioner LARSON asked where the easement will enter the property.

Mr. Donovan stated the utility easement will be along the southern end of the property.

Commissioner VOS asked if the developer has worked in the City of Wheat Ridge before and said she appreciated the 5-foot setback from the sidewalks. She also wondered how the Ridgetop Village name was chosen. Mr. Del Grippo mentioned this is the first project in the Wheat Ridge area and they are excited about it. He added the team liked the happenings at the Ridge at 38 and wanted to incorporate Ridge with village since the feel of this project is a village.

Commissioner VOS asked the applicant to explain the architectural theme and asked what was intended by the modifications to the Architectural and Site Design Manual.

Buddy Poppitt (Project Architect) 7382 S Odessa Circle, Centennial

Mr. Del Grippo and Mr. Poppitt explained the architecture is a mix of mid-century modern and traditional elements along with creating a vibrant village feel with variations of textures and colors so it does not feel like a cookie cutter architecture.

Ms. Mikulak explained the slight modifications refers to the fact that the project will comply with the ASDM, with the exception of slight modifications to the windows and siding ASDM standards which have been adapted to the proposed architectural themes.

Rhonda Norman 4110 Upham Street

Ms. Norman mentioned she has concerns about the multifamily project and if the zoning will extend to other properties wanting to also do zone changes in the future. She also has concerns about the affordable housing and what it implies. Finally, she is curious about the timeline of construction and if it will overlap with the construction at 38th and Upham. Ms. Norman added she likes the architecture and the feel of the village atmosphere.

Becky Zachmeier 4200 Upham Street

Ms. Zachmeier wondered what the notification process is for projects of this type. She also was curious about affordable housing in this project and how many of these townhomes will be rentals. She mentioned there are also concerns about truck traffic in the surrounding neighborhood and would like to see them go south instead of north on Upham.

Rob McCleod 3960 Upham Street

Mr. McCleod said that he and his wife are very enthusiastic about Ridgetop Village coming to the neighborhood. He mentioned the house they live in south of the property was his wife's grandparents and she has fond memories about the vitality

of the Upham Street community and can't wait for new life coming back to the neighborhood.

Commissioner BUCKNAM had the public's questions answered:

• Zone changes in the neighborhood

Ms. Mikulak explained that each zone change stands alone and there is no plan to change all of Upham and the Comprehensive Plan wants there to be a good mix of housing types.

Public notifications

Ms. Mikulak said the codified requirement is 600 feet for neighborhood meetings and 300 feet for public hearings, along with posting signs on the property.

• Haul routes

Ms. Mikulak said the Public Works Division will complete a condition analysis regarding the haul routes to determine the best route. She added Upham St is due for a mill and overlay which is scheduled in 2020 after the construction is complete. Ms. Mikulak also mention the West End 38 project should close to completion by the end of 2019, beginning of 2020.

• Time line for construction

Mr. Del Grippo said that vertical construction will hopefully start the 4^{th} quarter of 2019 with approximately 2 ½ years of construction until completion.

• Intent of rentals

Mr. Del Grippo said the intent for these townhomes is owner occupied, but there might be some investors who purchase as well. The starting point for townhome price will be \$400,000 and they will all be market rate home.

Commissioner Larson asked if the City requires a soil sample of the property.

Ms. Mikulak said geotechnical reports are required as a part of the building permits for foundations. Also, a property owner might complete a phase 1 environmental study to see if there is any contaminant when they purchase the home.

Commissioners OHM, WEAVER and BUCKNAM mentioned that they really like this project including the direction the doors face the street, the drainage on the site, along with the pocket park. They think it is a creative infill use.

It was moved by Commissioner OHM and seconded by Commissioner WEAVER to recommend APPROVAL of Case No. WZ-18-17, a request for approval of a zone change from Residential –Three to Planned Residential Development with an Outline Development Plan (ODP) for property located at 4000 to 4066 Upham Street, for the following reasons:

- 1. The proposed zone change will promote the public health, safety, or welfare of the community and does not result in an adverse effect on the surrounding area.
- 2. The proposed zone change is consistent with the goals and objectives of the City's Comprehensive Plan.
- 3. The proposed zoning is consistent with the intent of a planned development, compatible with surrounding land uses, and will result in a high-quality development.
- 4. The criteria used to evaluate a zone change support the request.

With the following conditions:

- 1. All minor corrections occur prior to City Council public hearing.
- 2. Prior to plat SDP and subdivision recordation the applicant enters into a formal agreement with any necessary easements with Jefferson County Public Schools as required by the City.

Motion carried 8-0.

It was moved by Commissioner OHM and seconded by Commissioner VOS to recommend APPROVAL of Case No. WZ-18-18, a request for approval of a Specific Development Plan on property located at 4000 to 4066 Upham Street, for the following reasons:

- 1. The specific development plan is consistent with the purpose of a planned development, as stated in Section 26-301 of the Code of Laws.
- 2. The specific development plan is consistent with the intent and purpose of the outline development plan.
- 3. The proposed uses are consistent with those approved by the outline development plan.
- 4. All responding agencies have indicated they can serve the property with improvements installed at the developers' expense.
- 5. The specific development plan is in substantial compliance with the applicable standards set forth in the outline development plan and with the City's adopted design manuals.

With the following conditions:

- 1. All minor corrections occur prior to City Council public hearing.
- 2. Prior to plat SDP and subdivision recordation the applicant enters into a formal agreement with any necessary easements with Jefferson County Public Schools as required by the City.

Motion carried 8-0.

Commissioner Peterson asked what staff looks at in condition 6 in the following motion.

Ms. Mikulak said common spaces are usually looked at because the City does not regulate the covenants.

It was moved by Commissioner OHM and seconded by Commissioner WEAVER to recommend APPROVAL of Case No. WS-18-02, a request for approval of a 38-lot major subdivision plat for property located at 4000 to 4066 Upham Street, for the following reasons:

- 1. All requirements of the subdivision regulations have been met.
- 2. The plat is consistent with zoning on the property.
- 3. Utility districts can serve the property with improvements installed at the developer's expense.

With the following conditions:

- 1. Sheet 2 shall be updated prior to the City Council public hearing t remove the existing parcel line between 4062 and 4066 Upham Street.
- 2. Note 4 shall be updated prior to recordation to indicate the current zoning as PRD.
- 3. The applicant shall continue to coordinate utility service with the appropriate agencies and any updated information regarding dry utility easements shall be reflected on the plat at recordation.
- 4. The developer shall enter into a subdivision improvement agreement prior to recordation of the subdivision plat.
- 5. The developer shall pay parks fees at the time of plat recording in the amount of \$84,907.86.
- 6. The Homeowners' Association covenants and/or metropolitan district service plan shall be reviewed by Staff prior to issuance of a building permit.
- 7. All minor corrections occur prior to City Council public hearing.

8. Prior to plat SDP and subdivision recordation the applicant enters into a formal agreement with any necessary easements with Jefferson County Public Schools as required by the City.

Motion carried 8-0.

8. OLD BUSINESS

9. **NEW BUSINESS**

A. Resolution 01-2019

Commissioners VOS and LARSON asked about the purpose of this resolution.

It was moved by Commissioner WEAVER and seconded by Commissioner LEO to approve Resolution 01-2019

Motion passed 8-0

B. Ms. Mikulak noted that the NRS study session is March 21and the week of March 18 is NRS Blitz week which including a City Council study session and 4 public open houses ending with the PC study session. She mentioned more information can be found at www.ci.wheatridge.co.us/nrs

Commissioner LARSON asked who will be in attendance at the PC study session.

Ms. Mikulak said the czb consultant, some of the steering committee members, staff and co-chairs. The meeting will be televised and is a public meeting.

Commissioner LARSON asked if the Commissioners will be asked to make recommendations.

Ms. Mikulak input from the Commissioners will be needed for draft recommendations for the final report especially if they include code amendments or programs and the committee would like the Commissioners reactions to the recommendations.

10. ADJOURNMENT

It was moved by Commissioner DORSEY and seconded by Commissioner LEO to adjourn the meeting at 8:40 p.m.

Motion passed 8-0.

Scott-Ohm, Acting Chair

C Tammy Odean, Recording Secretary

Planning Commission Minutes February 7, 2019

Janelle Shaver

From:Kristi DavisSent:Monday, April 1, 2019 6:39 PMTo:RL Norman; Zachary UrbanCc:Janelle ShaverSubject:RE: Invitation to attend community meeting regarding development at 40th & Upham
St.

Good Evening,

Thank you so much for the email and the invitation. I appreciate that you are out discussing these matters with your neighbors and in the community. This Item is a quasi-judicial matter so unfortunately we are unable to attend, as all public comment and feedback needs to be shared with and heard by the entire council. I do hope you have a good attendance at the meeting on the 8th. I have shared this with Ms. Shaver so that she can make this a part of the records.

Thanks again Kristi

Kristi Davis City Council District II Phone: 303-981-8809

From: RL Norman <rlnormanpowell@gmail.com> Sent: Monday, April 1, 2019 6:13 PM To: Kristi Davis <KDavis@ci.wheatridge.co.us>; Zachary Urban <zurban@ci.wheatridge.co.us> Subject: Invitation to attend community meeting regarding development at 40th & Upham St.

Councilwoman Davis and Councilman Urban,

Recently a group of residents have been meeting regularly to discuss the proposed development at 40th and Upham (for the record, we live at 4110 Upham St.). Below is an email to my husband (who attended) identifying some of group's concerns. More of this conversation can be found on Nextdoor — a sort of neighborhood social media platform I encourage you as council members to join — under a thread titled "Rezoning."

I invite you to attend the group's next meeting, scheduled for this Saturday, April 6, 1:00PM at the Wheat Ridge Co-op (7250 W. 38th Ave.) to hear concerns and provide accurate information. I also encourage you to invite a representative from the developer to attend for the same reason.

The primary issues seem to be density, the effect of the development on traffic, and the aesthetics of the buildings. I admit to sharing that last concern as the conceptual elevation included in the email does not resemble the documents presented at the Planning Commission's January meeting. If the drawing from the email is accurate, then there is a sort of bait-and-switch element here that arouses suspicion of both the developer's intent and City Council's transparency.

ATTACHMENT 4

It has also been mentioned that once City Council approves the development, the developer is free to ask for — and be granted without public notice — variances to bulk plane requirements, height restrictions, stormwater management and number of units. It would be most unfortunate if these fears were realized; residents would most likely see that as affirmation that their elected representatives do not have their best interests in mind.

Perhaps you can address these concerns and thereby address what, from my point of view, appears to be a growing level of misinformation, disquiet and distrust.

Sincerely,

R. Norman & Bill Powell 303.332.7451

From: Better Wheat Ridge <<u>betterwheatridge@gmail.com</u>> Date: March 31, 2019 at 3:45:41 PM MDT To: Better Wheat Ridge <<u>betterwheatridge@gmail.com</u>> Subject: Important City Council Meeting coming up

Dear Neighbors,

Please plan to come to the WR City Council Meeting on Monday, April 8, at 7:00 PM.

WE NEED A BIG TURNOUT! BRING YOUR FRIENDS AND NEIGHBORS! The Council is set to vote on and hear several Important issues:

- A vote on the sale of Discovery Park land to CVS of construction of a building up to 50 feet tall,
- A vote on the rezoning of a 2-acre property at 45th and Tabor to PRD, which will allow the construction of up to 42 "townhomes" (slot homes are coming to Wheat Ridge!),
- A hearing and vote on the proposed rezoning of properties at 40th and Upham to PRD which will allow the construction 38 "townhomes" on 1.8 acres (SLOT HOMES ARE COMING TO WHEAT RIDGE!). Here is an image of the proposed construction on Upham:

The properties to be rezoned are currently zoned R-3 which could be used to construct single-family patio homes rather than the high-density housing that is proposed. As a matter of fact, a regular, single-family home was recently built nearby which proves that such homes continue to be desirable and economically feasible as new construction. The construction of this high-density housing is driven simply by greed to make the maximum profit without regard for our community.

Although the Public Hearing on the sale of Park land is closed (the will be no opportunity for citizens to speak at the meeting on this topic), you can still contact City Council representatives and voice your opinion on this issue prior to the City Council Meeting. Below is a list of WR City Council persons and their contact information.

ITEM NO: <u>6.</u> DATE: May 13, 2019

REQUEST FOR CITY COUNCIL ACTION

TITLE: RESOLUTION NO. <u>19-2019</u> – A RESOLUTION APPROVING A SPECIFIC DEVELOPMENT PLAN (SDP) FOR PROPERTY LOCATED AT 4000-4066 UPHAM STREET (CASE NO. WZ-18-18 / RIDGETOP VILLAGE)

| PUBLIC HEARING BIDS/MOTIONS RESOLUTIONS | | S FOR 1 ST READING S FOR 2 ND READING | |
|---|--------|--|--|
| QUASI-JUDICIAL: | YES | □ NO | |
| Community Development Dir | rector | City Manager | |

ISSUE:

The applicant is requesting approval of a Specific Development Plan (SDP) for property located at 4000 to 4066 Upham Street. Approval of an SDP is the second step in the City's approval process for a Planned Residential Development; it provides site plan and design details for the subject property.

On April 8, 2019, a public hearing was conducted for this request, but there was no vote on this resolution after the rezoning (Council Bill 02-2019) failed to be approved. If the zoning is approved upon reconsideration, a vote will be required for this SDP.

PRIOR ACTION:

Planning Commission heard this request at a public hearing on February 7, 2019. Planning Commission gave a recommendation of approval for the SDP for the following reasons:

1. The specific development plan is consistent with the purpose of a planned development, as stated in Section 26-301 of the Code of Laws.

- 2. The specific development plan is consistent with the intent and purpose of the outline development plan.
- 3. The proposed uses are consistent with those approved by the outline development plan.
- 4. All responding agencies have indicated they can serve the property with improvements installed at the developers' expense.
- 5. The specific development plan is in substantial compliance with the applicable standards set forth in the outline development plan and with the City's adopted design manuals.

With the following conditions:

- 1. All minor corrections occur prior to City Council public hearing.
- 2. Prior to SDP and subdivision recordation the applicant enters into a formal agreement with any necessary easements with Jefferson County Public Schools as required by the City.

All minor corrections have been addressed, so the first condition is not included in City Council's recommended motion. The second condition is recommended as part of the subdivision approval. The staff report and meeting minutes from the February 7 Planning Commission (PC) meeting are attached to the preceding CAF for Council Bill 02-2019.

FINANCIAL IMPACT:

Fees in the amount of \$1,500.00 were collected for the review and processing of Case No. WZ-18-18. Parkland fees in lieu of land dedication in the amount of \$84,907.86 will be paid prior to the issuance of any building permits, as will typical building permit fees and associated use tax.

BACKGROUND:

For background information regarding the property, please refer to the Council Action Form for Council Bill 02-2019 which relates to the proposed rezoning and Outline Development Plan (ODP). The ODP includes general development parameters, whereas the Specific Development (SDP) provides details regarding site design, building design, landscaping, lighting, and utilities. Key components of the site design are described here. The SDP plan set as well as colored threedimensional renderings are included with the Planning Commission staff report.

Proposed Development

Site Design

The 38 proposed townhomes are distributed among nine buildings ranging in size from two to six units. There is some variety among unit widths, but the applicant has modified the design to ensure that all units accommodate a standard width, alley-loaded, two-car garage. In addition, all townhomes have front yards, which is a unique feature amid the townhome developments the City has recently reviewed.

Landscaping / Open Space

The alleys are arranged in a grid and are designed at the minimum possible width to allow more open space elsewhere in front yards and in a central community park. The central park feature and emphasis on open space distinguish this project and are best illustrated in the colored renderings

attached to the PC report. The project exceeds the minimum requirements in terms of plant material with 8 street trees along Upham and 42 trees within the site (where only 25 are required by code). Landscape areas include a mix of sod and planting beds. The SDP prescribes the landscaping in the "public" areas including along walking paths, along the perimeter, and within the park. All front yards include patios and landscape beds and may be further customized to include additional patio space or dog-friendly artificial turf.

Parking

The project provides 76 garage spaces, 9 off-street visitor spaces (including one accessible space), and 8 on-street spaces for a total of 93 spaces in and adjacent to the site. The applicant has responded to staff requests to reduce the size of the central park in order to provide off-street spaces. The developer will be responsible for constructing curb, gutter, and attached sidewalk along Upham where none exists today, and the consolidation of four existing driveways to two increases the existing on-street parking by two spaces.

Architecture

The townhomes are proposed to be three stories in height, and the architectural style is intended to include traditional and contemporary design features with elements of mid-century modern design. The elevations include abundant windows, and variations in the roofline include shed and gable designs. Materials include brick with horizontal and vertical siding. Colors palettes vary to provide interest among the buildings, including two different bricks and several siding and accent colors. Front elevations have variation in plane depth through offsets in the building façade, recessed entries and window bays, and incorporation of balconies. Publicly visible side and rear elevations, including those adjacent to the central park and to Upham also feature enhanced elevations with additional material changes and inset garage doors.

Drainage

The site is relatively flat and there is no storm sewer in Upham Street, so the applicant has worked closely with Jeffco Public Schools to coordinate shared use of an existing detention facility immediately east of the site on the school district's property. The school district has provided written consent to this arrangement and an access and maintenance agreement is prepared to be executed if the project is approved by the City. The developer will be responsible for slight modifications to the existing detention design to accommodate the additional volume from the townhome project.

SDP Criteria for Review

The request appears to comply with the SDP criteria in Section 26-305 of the code, and staff makes the following findings based on the criteria:

• The proposed specific development plan is consistent with the purpose of a planned development. The purpose of utilizing planned development zoning is to provide flexibility while accommodating well-designed, innovative developments that demonstrate efficient use of land and may not be feasible under a standard zone district. The SDP achieves these goals and proposes a particularly unique townhome development with an

emphasis on front yard and shared open space that promotes a neighborhood-like character within the development.

- The proposed specific development plan is consistent with the design intent or purpose of the approved outline development plan.
- The proposed uses indicated in the specific development plan are consistent with the uses approved by the outline development plan.
- The site is appropriately designed and is consistent with the development guidelines established in the outline development plan.
- Adequate infrastructure/facilities are available to serve the subject property, or the applicant will upgrade and provide such where they do not exist or are under capacity.
- The proposed specific development plan is in substantial compliance with the applicable standards set forth in the *Architectural and Site Design Manual*, *Streetscape Design Manual*, and other applicable design standards.

RECOMMENDATIONS:

Based on compliance with the SDP review criteria, staff is recommending approval of this request.

RECOMMENDED MOTION:

"I move to approve Resolution No. <u>19-2019</u>, a resolution approving a Specific Development Plan for property located at 4000-4066 Upham Street, for the following reasons:

- 1. City Council has conducted a proper public hearing that meets all public notice requirements as required by Section 26-109 of the Code of Laws.
- 2. The proposed Specific Development Plan has been reviewed by the Planning Commission, which has forwarded its recommendation of approval.
- 3. All requirements of a Specific Development Plan have been met.

Or,

"I move to deny Resolution No. <u>19-2019</u>, a resolution approving a Specific Development Plan for property located at 4000-4066 Upham Street, for the following reasons:

- 1.
- 2.
- 3. "

REQUEST FOR CITY COUNCIL ACTION

TITLE: RESOLUTION NO. <u>20-2019</u> – A RESOLUTION APPROVING A MAJOR SUBDIVISION FOR PROPERTY LOCATED AT 4000-4066 UPHAM STREET (CASE NO. WS-18-02 / RIDGETOP VILLAGE)

| PUBLIC HEARING BIDS/MOTIONS RESOLUTIONS | | S FOR 1 st READING S FOR 2 nd READING | |
|---|--------|--|--|
| QUASI-JUDICIAL: | YES | □ NO | |
| Community Development Dire | ctor (| City Manager | |

ISSUE:

The applicant is requesting approval of a major subdivision for property located at 4000 to 4066 Upham Street. The purpose of this request is to establish lot lines, tracts, easements, and right-of-way dedications for the proposed townhome development.

On April 8, 2019, a public hearing was conducted for this request, but there was no vote on this resolution after the rezoning (Council Bill 02-2019) failed to be approved. If the zoning is approved upon reconsideration, a vote will be required for this subdivision plat.

PRIOR ACTION:

Planning Commission heard this request at a public hearing on February 7, 2019. Planning Commission gave a recommendation of approval for the subdivision plat for the following reasons:

- 1. All requirements of the subdivision regulations have been met.
- 2. The plat is consistent with zoning on the property.
- 3. Utility districts can serve the property with improvements installed at the developer's expense.

With the following conditions:

- 1. Sheet 2 shall be updated prior to the City Council public hearing to remove the existing parcel line between 4062 and 4066 Upham Street.
- 2. Note 4 shall be updated prior to recordation to indicate the current zoning as PRD.
- 3. The applicant shall continue to coordinate utility service with the appropriate agencies and any updated information regarding dry utility easements shall be reflected on the plat at recordation.
- 4. The developer shall enter into a subdivision improvement agreement prior to recordation of the subdivision plat.
- 5. The developer shall pay parks fees at the time of plat recording in the amount of \$84,907.86.
- 6. The Homeowners' Association covenants and/or metropolitan district service plan shall be reviewed by Staff prior to issuance of a building permit.
- 7. All minor corrections occur prior to City Council public hearing.
- 8. Prior to SDP and subdivision recordation the applicant enters into a formal agreement with any necessary easements with Jefferson County Public Schools as required by the City.

Some conditions have been addressed by the applicant, and those which have been addressed are not included in City Council's recommended motion. The staff report and meeting minutes from the February 7 Planning Commission meeting are attached to the preceding CAF for Council Bill 02-2019.

FINANCIAL IMPACT:

Fees in the amount of \$1,400 were collected for the review and processing of Case No. WS-18-02. Park land fees in lieu of land dedication in the amount of \$84,907.86 will be due prior to issuance of building permits. Building permit fees and use tax will be paid for each of the townhome building permits.

BACKGROUND:

Please refer to the Council Action Form for Council Bill 02-2019 for background information regarding the property. The subdivision plat prepares land for development by establishing lot lines, dedicating right-of-way, and establishing easements. Key components of the subdivision are described here. The three-page plat document is included with the Planning Commission staff report.

Lot Configuration

The proposed lot layout corresponds to the SDP with establishment of 38 townhome lots. Because of the proposed yard spaces, the lots are larger than the building footprints, and several lots are irregular in shape or oversized because they include additional side yard space. A plat note on the cover sheet restricts the property from being developed as anything other than attached townhomes.

Tract Configuration

A series of nine tracts are established for a variety of purposes in the development. The purpose of each tract is noted in a table on sheet one of the plat. The tracts accommodate sidewalks, plantings, alleys, parking, the community park, and the right-of-way (ROW) dedication along Upham Street.

The ROW dedication will accommodate construction of the City's local street standard, including on-street parking, curb, gutter, and an attached 5-foot sidewalk. The southern portion of the ROW dedication is wider and effectively dedicates the eastern half of Upham Street because it was never officially deeded to the City and has existed as a prescriptive easement.

Easements

The third sheet of the proposed subdivision shows the easements that traverse the site. Wheat Ridge is not a full-service city, so the applicant has been actively working with utility providers to identify where wet and dry utility service will be located. Some easements are shown on the plat, and some will be created by separate document. Drainage easements are provided at the far eastern end of the property where inlet structures convey flows to the offsite detention facility. A note on the cover sheet provides a blanket cross access easement over all tracts within the property boundary, including for alleys, sidewalks and the park.

Homeowners' Association / Metropolitan District

The City typically requires formation of a Homeowners' Association (HOA) to maintain tracts within a subdivision. A standard condition of approval requires staff review of HOA covenants to ensure maintenance of common areas and drainage. The applicant has been working to form a metropolitan district to serve this function. Formation of such a district would be subject to City Council review and approval; review of the service plan is tentatively scheduled for May 2019.

Fees in Lieu of Parkland

Pursuant to Section 26-414 of the Code of Laws, parkland dedication is required for all new residential subdivisions. When land is not dedicated for a public park, a fee in lieu of parkland is required. The park for the project is not a public park and does not fulfill this requirement. Credit is given, however, for the four pre-existing single-family homes, so the total fee owed will be \$84,907.86. This fee is required to be paid at the time of plat recording as a condition of approval.

RECOMMENDATIONS:

A subdivision plat is a technical document and review is a ministerial action. The plat complies with the requirements of the subdivision regulations (Article VII in Chapter 26 of the Municipal Code) and is consistent with the proposed ODP and SDP. For that reason, staff is recommending approval of the request.

RECOMMENDED MOTION:

"I move to approve Resolution No. <u>20-2019</u>, a resolution approving a major subdivision for property located at 4000-4066 Upham Street, for the following reasons:

- 1. City Council has conducted a proper public hearing that meets all public notice requirements as required by Section 26-109 and 26-407 of the Code of Laws.
- 2. The requested subdivision has been reviewed by the Planning Commission, which has forwarded its recommendation of approval.
- 3. The subdivision plat has been found in compliance with Article IV of Chapter 26 of the Code of Laws.
- 4. All agencies can provide services to the property with improvements installed at the developer's expense.

and with the following conditions:

- 1. Note 4 shall be updated prior to recordation to indicate the zoning as PRD.
- 2. The applicant shall continue to coordinate utility service with the appropriate agencies and any updated information regarding dry utility easements shall be reflected on the plat at recordation.
- 3. The developer shall enter into a subdivision improvement agreement prior to recordation of the subdivision plat.
- 4. The developer shall pay parks fees at the time of plat recording in the amount of \$84,907.86.
- 5. The Homeowners' Association covenants and/or metropolitan district service plan shall be reviewed by Staff prior to issuance of a building permit.
- 6. Prior to recordation the applicant shall enter into a formal agreement with Jefferson County Public Schools as required by the City.

Or,

"I move to deny Resolution No. <u>20-2019</u>, a resolution approving a major subdivision for property located at 4000-4066 Upham Street,, for the following reasons:

1. 2. 3. "

Community Development Director

NO

City Manager

ISSUE:

The applicant is requesting approval of a zone change from Residential-Three (R-3) to Planned Residential Development (PRD) with an Outline Development Plan (ODP) for property located at 3300 Ames Street (northeast corner of W. 33rd Avenue and Ames Street). The purpose of this request is to prepare the property for the development of two duplexes.

PRIOR ACTION:

Planning Commission heard the request at a public hearing on April 4, 2019, and recommended approval of the zone change and ODP for the following reasons:

1. The proposed zone change will promote the public health, safety, or welfare of the community and does not result in an adverse effect on the surrounding area.

Council Action Form – Rezoning Property at 3300 Ames Street from R-3 to PRD May 13, 2019 Page 2

- 2. The proposed zone change is consistent with the goals and objectives of the City's Comprehensive Plan.
- 3. The proposed zoning is consistent with the intent of a planned development, compatible with surrounding land uses, and will result in a high-quality development.
- 4. The criteria used to evaluate a zone change support the request.

With the following conditions:

1. The minimum lot area shall be revised to 8,425 square feet.

The minor correction has been addressed, so the first condition is not included in City Council's recommended motion. The staff report and meeting minutes from the April 4 Planning Commission meeting are enclosed.

FINANCIAL IMPACT:

Fees in the amount of \$1,079 were collected for the review and processing of Case No. WZ-18-25. If approved, parkland dedication fees in lieu will be paid through the subdivision review process. Building permit and plan review fees, along with building use tax will be paid as part of the issuance of building permits.

BACKGROUND:

The subject property is located at the northeast corner of W. 33rd Avenue and Ames Street at 3300 Ames Street. The property is approximately four-tenths of an acre in size. Currently the property is vacant. Ownership of the subject property has transferred several times in recent years. The site consists of four parcels: two developable lots and two tracts from the vacated alley previously located between Ames Street and Sheridan Boulevard.

Surrounding Land Uses

The property is currently zoned Residential-Three (R-3). The properties to the north and south are also zoned R-3; the lot to the north contains a three-story apartment building. Properties across Ames Street to the west, and properties further to the south, are zoned Residential-One C (R-1C) which permits small-lot single-family homes. There is a senior living facility to the east of the property which is zoned Neighborhood Commercial (NC). There is a mix of single-family and multi-family uses in the immediate surrounding area.

Current and Proposed Zoning

The property is currently zoned Residential-Three (R-3), which permits medium-density residential development, ranging from single-family to multi-unit developments up to 12 units per acre. If the subject property were consolidated into a single parcel, the current zoning would allow up to five (5) townhome units. The applicant wants to develop two duplexes, so a total of four (4) units; however, that cannot be accommodated in R-3 because of minimum lot size requirements.

The applicant is therefore requesting the property be rezoned to Planned Residential Development to facilitate the development of two duplexes. The request is essentially a downzone. They have proposed to limit the allowed uses to single-family and two-family uses. The proposed density is

Council Action Form – Rezoning Property at 3300 Ames Street from R-3 to PRD May 13, 2019 Page 3

9.29 units per acre, which is a lower allowance than the 12 units per acre allowed under the current R-3 zoning. The PRD also establishes a lower maximum building height, and a smaller lot size and width than R-3.

Outline Development Plan

The proposed Planned Residential Development (PRD) zoning and Outline Development Plan are intended to accommodate two duplexes for a total of four units. Each of the units will have a detached, rear-loaded two-car garage. Access will be provided from a shared driveway off of W. 33rd Avenue. In general, the development standards follow the R-3 standards with some modifications to accommodate smaller lot development and in response to the surrounding multi-family, institutional, and small lot single-family uses. In the spirit of providing high quality development through a PRD, the project proposes reduced building height, increased open space, and architectural standards.

The proposed development standards are analyzed in more detail on pages 3 and 4 of the Planning Commission staff report. The request complies with the zone change criteria in Section 26-303 of the City Code, and staff makes the following findings based on the criteria:

- The change of zone promotes the health, safety, and general welfare of the community and will not result in a significant adverse effect. The proposed development is a compatible land use and density with the surrounding land uses, and the investment contributes to a variety of housing types in the area. The zoning and new housing stock will likely add value to the area. The site design, setbacks, reduced building heights, and enhanced open space will add visual interest. The proposed zoning complies with safety and access requirements from the fire district. It arguably provides a more compatible land use for the area than alternatives allowed under the current R-3 zoning, such as a five-unit townhome development.
- The development proposed on the subject property is not feasible under any other zone district. The R-3 requirement for 9,000 square feet of lot area and 75 feet of lot width for duplexes would not permit two duplexes to be built under the current zoning. However, because the site is larger than 12,500 square feet and greater than 100 feet wide, it is eligible for up to five attached townhome units. Developing two duplexes under the R-3 standards would require lot width variances, plus lot size variances since the required water quality tract is subtracted from the duplex lot areas. The PRD zoning is necessary to avoid an unreasonable number of variances.

The density proposed is one unit less than what would be allowed under the R-3 zoning, but the R-3 zoning does not accommodate the smaller lot and smaller scale construction for duplexes that is proposed. Given the proposed use, the surrounding conditions, and the requirement for a water quality tract, the PRD zoning is the most appropriate zone change option. It will also allow the applicant to commit to enhanced architecture and landscaping not normally required in other zone districts, including R-3.

- Adequate infrastructure/facilities are available to serve the types of uses allowed by the change of zone, or the applicant will upgrade and provide such where they do not exist or are under capacity. Service providers and utility districts have indicated no concerns with the proposal; they can serve the property with improvements installed at the developer's expense.
- The change of zone is in conformance, or will bring the property into conformance, with the City of Wheat Ridge comprehensive plan goals, objectives and policies, and other related policies or plans for the area. *Envision Wheat Ridge*, the City's 2009 comprehensive plan, is organized around six key values, one of which is to "promote vibrant neighborhoods and an array of housing options." With single family homes, midcentury apartments, and age-restricted facilities, the area already has a diversity of housing options. The provision of a duplex introduces a complementary option that reflects this key value of the comprehensive plan.

The site is located in the "neighborhood buffer" designation area, which encompasses the east side of Ames Street parallel to Sheridan Boulevard. The neighborhood buffer area encourages improvement of underutilized properties, including a mix of residential uses. The proposed zone change is consistent with the neighborhood buffer designation, and the duplex project supports the City's stated goals of increasing options for homeownership and attracting a range of household types. It will act as a transition from the higher-intensity Sheridan Boulevard to the lower-intensity single-family uses to the east and south. It will also facilitate development of a long-vacant lot.

Related Applications

Rezoning to a planned development in the City of Wheat Ridge entails approval of two documents. The first is the Outline Development Plan, which, if approved, changes the zoning designation on the land, establishes allowed uses and development standards for the property, and establishes access configurations for vehicles, pedestrians, and bicycles. The second document is the Specific Development Plan (SDP), which focuses on specific details of a development such as site design, architecture, landscaping, and drainage design.

Section 26-302 of the Municipal Code allows for concurrent *or* sequential applications for the ODP and SDP. In this case, the applicant is requesting concurrent review of the ODP and SDP.

Both applications will be presented together at the public hearing. The SDP is described in the following Council Action Forms that accompany Resolution No. <u>30-2019</u>.

RECOMMENDATIONS:

The application in this case is for the rezoning of property. This action is quasi-judicial, and as a result, the applicant is entitled to a public hearing on the application.

Council Action Form – Rezoning Property at 3300 Ames Street from R-3 to PRD May 13, 2019 Page 5

As Council is aware, rezoning in Wheat Ridge is accomplished by ordinance (Charter Sec. 5.10; Code Section 26-112). Ordinances require two readings, and by Charter, the public hearing takes place on <u>second</u> reading.

Per City Code, the City Council shall use the criteria in Section 26-603 of the code to evaluate the applicant's request for a zone change. A detailed Planning Commission staff report is enclosed with this criteria analysis, as well as additional information on the existing conditions and zone districts. Staff is ultimately recommending approval of this request.

RECOMMENDED MOTION:

"I move to approve Council Bill No. <u>06-2019</u> an ordinance approving the rezoning of property located at 3300 Ames Street from Residential-Three (R-3) to Planned Residential Development (PRD) with approval of an Outline Development Plan, on second reading, and that it takes effect 15 days after final publication, for the following reasons:

- 1. The Planning Commission has recommended approval of the rezoning after conducting a proper public hearing.
- 2. The proposed rezoning has been reviewed by the Community Development Department, which has forwarded its recommendations of approval.
- 3. The proposed rezoning has been found to comply with the "criteria for review" in Section 26-603 of the Code of Laws.

Or,

"I move to deny Council Bill No. <u>06-2019</u>, an ordinance approving the rezoning of property located at 3300 Ames Street from Residential-Three (R-3) to Planned Residential Development (PRD) with approval of an Outline Development Plan, for the following reasons: and direct the City Attorney to prepare a Resolution of Denial,

to be scheduled for Council consideration at the next available regular business meeting."

REPORT PREPARED/REVIEWED BY:

Scott Cutler, Planner II Kenneth Johnstone, Community Development Director Patrick Goff, City Manager

CITY OF WHEAT RIDGE INTRODUCED BY COUNCIL MEMBER KUETER COUNCIL BILL NO. <u>06</u> ORDINANCE NO. _____ Series of 2019

TITLE: AN ORDINANCE APPROVING THE REZONING OF PROPERTY LOCATED AT 3300 AMES STREET FROM RESIDENTIAL-THREE (R-3) TO PLANNED RESIDENTIAL DEVELOPMENT (PRD) WITH AN OUTLINE DEVELOPMENT PLAN (ODP) (CASE NO. WZ-18-25 / FEASTER)

WHEREAS, Chapter 26 of the Wheat Ridge Code of Laws establishes procedures for the City's review and approval of requests for land use cases; and,

WHEREAS, Ames Partners LLC submitted a land use application for approval of a zone change to the Planned Residential Development (PRD) District for property at 3300 Ames Street; and,

WHEREAS, the City of Wheat Ridge has adopted a Comprehensive Plan, Envision Wheat Ridge, which calls for vibrant neighborhoods and diversification of housing stock and household types; and,

WHEREAS, the proposed duplex development is more compatible with the area than alternatives otherwise allowed under the current zoning; and,

WHEREAS, the zone change criteria support the request; and,

WHEREAS, the City of Wheat Ridge Planning Commission held a public hearing on April 4, 2019 and voted to recommend approval of the rezoning of the property to Planned Residential Development (PRD).

NOW THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WHEAT RIDGE, COLORADO:

Section 1. Upon application by Ames Partners, LLC for approval of a zone change ordinance from Residential-Three (R-3) to Planned Residential Development (PRD) for property located at 3300 Ames Street, and pursuant to the findings made based on testimony and evidence presented at a public hearing before the Wheat Ridge City Council, a zone change is approved for the following described land:

LOTS 10 AND 11 TOGETHER WITH THE 1/2 OF THE VACATED ALLEY ADJOINING SAID LOTS, A RESUBDIVISION OF BLOCK 5 OF COLUMBIA HEIGHTS, COUNTY OF JEFFERSON, STATE OF COLORADO.

THE EAST 1/2 OF THE VACATED ALLEY ADJOINING LOTS 12 AND 13, A SUBDIVISION OF BLOCK 5 COLUMBIA HEIGHTS, AS VACATED BY

ATTACHMENT 1

INSTRUMENT RECORDED JULY 1ST 1957 IN BOOK 1068 PAGE 60, COUNTY OF JEFFERSON, STATE OF COLORADO.

Section 2. Vested Property Rights. Approval of this zone change does not create a vested property right. Vested property rights may only arise and accrue pursuant to the provisions of Section 26-121 of the Code of Laws of the City of Wheat Ridge.

Section 3. Safety Clause. The City of Wheat Ridge hereby finds, determines, and declares that this ordinance is promulgated under the general police power of the City of Wheat Ridge, that it is promulgated for the health, safety, and welfare of the public and that this ordinance is necessary for the preservation of health and safety and for the protection of public convenience and welfare. The City Council further determines that the ordinance bears a rational relation to the proper legislative object sought to be attained.

Section 4. Severability: Conflicting Ordinance Repealed. If any section, subsection or clause of the ordinance shall be deemed to be unconstitutional or otherwise invalid, the validity of the remaining sections, subsections and clauses shall not be affected thereby. All other ordinances or parts of ordinances in conflict with the provisions of this Ordinance are hereby repealed.

Section 5. Effective Date. This Ordinance shall take effect 15 days after final publication, as provided by Section 5.11 of the Charter.

INTRODUCED, READ, AND ADOPTED on first reading by a vote of 8 to 0 on this 22nd day of April 2019, ordered it published with Public Hearing and consideration on final passage set for **Monday, May 13, 2019 at 7:00 o'clock p.m**., in the Council Chambers, 7500 West 29th Avenue, Wheat Ridge, Colorado, and that it takes effect 15 days after final publication.

READ, ADOPTED AND ORDERED PUBLISHED on second and final reading by a vote of _____ to ____, this _____ day of _____, 2019.

SIGNED by the Mayor on this _____ day of _____, 2019.

William "Bud" Starker, Mayor

ATTEST:

Janelle Shaver, City Clerk

Approved as to Form

Gerald Dahl, City Attorney

Planning Commission Case Nos. WZ-18-25 and WZ-18-26 / Ames Partners Duplexes

JURISDICTION:

All notification and posting requirements have been met; therefore, there is jurisdiction to hear this case.

I. REQUEST

Case No. WZ-18-25 is an application for approval of a zone change with an Outline Development Plan (ODP) and Specific Development Plan (SDP) for property located at the northeast corner of W. 33rd Avenue and Ames Street. The purpose of the request is to change the zoning from Residential-Three (R-3) to Planned Residential Development (PRD) to allow for the construction of two duplexes.

Rezoning to a planned development in the City of Wheat Ridge entails approval of two documents. The first is the Outline Development Plan (ODP). The approval of the ODP changes the zoning designation on the land, establishes allowed uses and development standards for the property, and establishes access configurations for vehicles, pedestrians, and bicycles. The second document is the Specific Development Plan (SDP), which focuses on specific details of a development such as site design, architecture, landscaping, and drainage design. The SDP must be found to be compliant with the ODP in order to be approved. Case No. WZ-18-26 is the application for approval of the SDP.

Section 26-302 of the Municipal Code allows for concurrent *or* sequential applications for the ODP and SDP. In this case, the applicant is requesting concurrent review of the ODP and SDP. Because of this, the City Council is the final approving body for both documents.

In addition, a minor subdivision plat is being processed for the site, Case No. MS-18-07, which is required to be reviewed by Planning Commission. The plat is currently under review by staff and will track behind the ODP/SDP in public hearings; Planning Commission will review the plat at a later hearing after City Council has reviewed the zone change request.

II. EXISTING CONDITIONS/PROPERTY HISTORY

The subject property is located in southeast Wheat Ridge, on the northeast corner of W. 33rd Avenue at Ames Street. Sheridan Boulevard is located half a block to the east. The site is vacant and was previously owned by the apartment building to the north *(Exhibit 1, Aerial)*. Ownership of the subject property has transferred several times in recent years. The site consists of four lots: two developable parcels and two tracts for the vacated alley between Ames Street and Sheridan Boulevard.

The property is zoned Residential-Three (R-3), which permits medium to high-density residential development, ranging from single-family to multi-unit developments *(Exhibit 2, Zoning Map)*. Lots to the north and south (across W. 33rd Avenue) are also zoned R-3. Much of the surrounding neighborhood, including the lots directly across Ames Street, are zoned Residential-One C (R-1C), which permits small-lot single-family homes. The senior living facility to the east of the property is zoned Neighborhood Commercial (NC).

As stated above, the subject property is vacant. The lot was platted as part of a Resubdivision of Block 5 Columbia Heights in 1945. Both sides of the alleyway were vacated over time, including the east side of the alley in 1957. No alley exists currently, though the lots remain.

Under the current zoning, the site can be developed with up to five residential units; the code allows one unit for every 3,630 square feet of land area. In recent years, staff has reviewed applications from prior property owners that included townhome development. The current property owner is proposing four (4) units as part of two (2) duplexes. Because the duplexes would be detached and require separate lots, each duplex lot would need to meet the minimum R-3 size and width standards. These standards are presented in the table below:

| R-3 Development Standards | Minimum lot area | Minimum lot width |
|----------------------------------|------------------|-------------------|
| Single-family | 7,500 sf | 60' * |
| Duplex | 9,000 sf | 75' * |
| Multifamily (3+ units) | 12,500 sf | 100'* |

* Corner lots must be at least 80 feet wide on both street frontages

The subject property has 124.25 feet of frontage along Ames Street and 151 feet of frontage along W. 33rd Avenue for a total area of 18,762 square feet. The overall area would allow for two duplex lots and the proposed four units is within R-3 density standards. However, the dimensions of the property cannot meet minimum lot width requirements for two duplex lots and a simple replat would result in several variances. For these reasons, the applicant has proposed a rezoning to Planned Residential Development.

III. OUTLINE DEVELOPMENT PLAN

Attached is a copy of the proposed Outline Development Plan for the site, which contains two sheets *(Exhibit 3, Outline Development Plan)*. The first page is a cover page with certification and signature blocks for the property owners, Planning Commission, City Council, and the Mayor. There is also a character of development statement, list of permitted uses, and other standard notes. The second page includes the conceptual layout of the property, including driveways and building orientation.

Allowable Uses

Uses permitted per the ODP are duplexes, single family homes, and accessory uses (home occupations and household pets). Detached accessory structures such as sheds and gazebos are also permitted.

Development Standards

In general, the development standards follow the R-3 standards with some modifications to accommodate smaller lot development and in response to the surrounding multi-family, institutional, and small lot single family uses. In the spirit of providing a high quality development through a PRD, the project proposes reduced building height, increased open space, and architectural standards.

• Size, Setback, Lot Coverage – The ODP calls for the following development standards which vary slightly from R-3 as noted in the table:

| Standard | Proposed | Compared to R-3 |
|-----------------------------|-------------------|-----------------|
| Minimum Lot Size | 8,450 square feet | 550 sf less |
| Minimum Lot Width | 53 feet | 22-27 feet less |
| Maximum Building Coverage | 40 % | Same |
| Front setback (Ames Street) | 25 feet | Same |
| Side setbacks | 8 feet | 2 feet less |
| Rear setback | 5 feet | 5 feet less |

- Density The proposed density is 9.29 units per acre, which is less than the current R-3 zoning which allows up to 12 units per acre, and far less than the maximum for Planned Developments, which is 21 units per acre. The applicant would be allowed up to 5 units under the R-3 zoning, but has proposed 4 units in the ODP/SDP. Duplexes are an appropriate land use situated between multi-family, institutional, and small lot single-family uses.
- Parking The ODP states all parking shall be in conformance with Section 26-501 of the City Code. For two-family residential (duplexes), 2 off-street spaces per dwelling unit must be provided. Both Ames Street and W. 33rd Avenue also allow public street parking. The applicant has proposed on-site parking be in the form of detached garages.
- Building height Maximum building height is limited to 29 feet, which is lower than the City's standard 35-foot height limit. This effectively limits the structure to a two-story home. Detached garages are limited to 15 feet in height, which is consistent with other residential zone districts.
- Architecture The ODP proposes a traditional architectural design and states that the duplexes will be two stories, with vertical and horizontal wood siding, asphalt shingle pitched roofs, and covered front porches. The City does not have architectural standards for single-family homes or duplexes.
- Access Vehicular access is to be gained from a single access point from W. 33rd Avenue into a private rear driveway, where the garages can be accessed. The fronts of the duplexes will face Ames Street.
- Open space All landscaping and open space requirements shall conform with Section 26-502 of the Municipal Code. However, the applicant has proposed an increased minimum landscaping requirement of 40%, up from the Code-required 25%.
- Code compliance In all other areas, the project is proposed to comply with the zoning code including lighting, fencing, streetscape design, and setback encroachments.

IV. ZONE CHANGE CRITERIA

Staff has provided an analysis of the zone change criteria outlined in Section 26-303.D. The Planning Commission shall base its recommendation in consideration of the extent to which the following criteria have been met:

1. The change of zone promotes the health, safety, and general welfare of the community and will not result in a significant adverse effect on the surrounding area.

The proposed development is a compatible land use and density with the surrounding land uses, and the investment contributes to a variety of housing types in the area. The zoning and new housing stock will likely add value to the area. The site design, setbacks, reduced building heights, and enhanced open space will add visual interest.

The Planned Residential Development zoning is expected to have a positive impact on the neighborhood from a property value perspective. The proposed zoning complies with safety and access requirements of the fire district. The project will not result in significant adverse effects on the surrounding area. The proposed duplex zoning arguably provides a more compatible land use for the area than alternatives allowed under the current R-3, such as a five-unit townhome development.

Staff concludes that this criterion has been met.

2. The development proposed on the subject property is not feasible under any other zone district, and would require an unreasonable number of variances or waivers and conditions.

The current R-3 zoning would allow up to 5 attached townhome units on the property, and because the W. 33rd Avenue frontage is wider, they would likely face that direction. Multifamily in R-3 is allowed on sites larger than 12,500 square feet and 100 feet wide, which the property exceeds, and 1 unit per 3,630 square feet of land area is allowed. However, the applicant desires a duplex construction type to reduce the impact and scale of the development *(Exhibit 8, Applicant Letter)*.

In R-3, duplexes require 9,000 square feet of lot area each, with 75 feet of lot width. Although overall site area is sufficient for two duplexes at 18,762 square feet, the site is too narrow to facilitate two duplex lots, at 148 feet along W. 33rd Avenue and 124.25 feet along Ames Street. The required water quality area also requires the reduction of overall lot sizes since water quality areas are required to be in separate unbuildable tracts. Developing two duplexes under the R-3 standards would require lot width variances, plus lot size variances since the water quality tract is subtracted from the duplex lot areas. Therefore, the PRD zoning is necessary to avoid an unreasonable number of variances.

The density proposed is one unit less than what would be allowed under the R-3 zoning, but the R-3 zoning does not accommodate the smaller lot and smaller scale construction that is proposed. Given the proposed use, the surrounding conditions, the requirement for a water quality tract, and the surrounding conditions, the PRD zoning is the most appropriate zone change option. It will also allow the applicant to commit to enhanced architecture and landscaping not normally required in other zone districts, including R-3.

Staff concludes that this criterion has been met.

3. Adequate infrastructure/facilities are available to serve the types of uses allowed by the change of zone, or the applicant will upgrade and provide such where they do not exist or are under capacity.

All of the service providers and utility districts have indicated that they have no concerns with the proposal and have indicated they can serve the property with improvements installed at the developer's expense. The development of the site will require upgrades to the sidewalks and curb ramp along the street frontages of the site.

Staff concludes that this criterion <u>has</u> been met.

4. The Planning Commission shall also find that at least <u>one (1)</u> of the following conditions exists:

a. The change of zone is in conformance, or will bring the property into conformance, with the City of Wheat Ridge comprehensive plan goals, objectives and policies, and other related policies or plans for the area.

Envision Wheat Ridge, the City's 2009 comprehensive plan, is organized around six key values, one of which is to "promote vibrant neighborhoods and an array of housing options." With single family homes, mid-century apartments, and age-restricted facilities; the area already has a diversity of housing options. The provision of a duplex introduces a complementary option that reflects this key value of the comprehensive plan.

Within *Envision Wheat Ridge*, the Structure Plan map provides high-level guidance for achieving the City's vision by designating development priorities and future land areas *(Exhibit 4, Comprehensive Plan)*. The "neighborhood buffer" designation encompasses the east side of Ames Street between W. 26th Avenue and W. 41st Avenue, parallel to Sheridan Boulevard. The west side of Ames is designated "neighborhood." The neighborhood buffer area encourages improvement of underutilized properties, including a mix of residential uses. The proposed zone change is consistent with the neighborhood buffer designation, and the duplex project supports the City's stated goals of increasing options for homeownership and attracting a range of household types. It will also act as a transition from the higher-intensity Sheridan Boulevard to the lower-intensity single-family uses to the east and south. Lastly, it will facilitate development of a long-vacant lot.

Staff concludes that this criterion has been met.

b. The existing zone classification currently recorded on the official zoning maps of the City of Wheat Ridge is in error.

Staff finds no evidence of an error on the official zoning maps.

Staff concludes that this criterion is not applicable.

c. A change of character in the area has occurred or is occurring to such a degree that it is in the public interest to encourage redevelopment of the area or to recognize the changing character of the area.

The area has long included a mix of housing types, ages, and densities. The investments and changes complement the diversity of land uses in the area and strengthen the residential market.

Staff concludes that this criterion <u>has</u> been met.

d. The proposed rezoning is necessary in order to provide for a community need that was not anticipated at the time of the adoption of the City of Wheat Ridge comprehensive plan.

Staff finds no evidence of an unanticipated need. The proposed zone change responds directly to goals identified in the comprehensive plan.

Staff concludes that this criterion is not applicable.

Staff concludes that the criteria used to evaluate zone change support this request.

V. SPECIFIC DEVELOPMENT PLAN

Attached is a copy of the proposed Specific Development Plan (SDP), which includes nine sheets regarding site design, building design, and landscaping *(Exhibit 5, Specific Development Plan)*. In addition to the standard certification and signature blocks, the site data table confirms the SDP complies with the development standards provided by the ODP. Key components of the site design are described below.

Site Design

The duplex buildings are proposed to face Ames Street, which matches the existing conditions in the neighborhood. Detached garages will be provided for each unit, with a private walkway from the duplex unit through a private yard to the garage. The garages will be accessed from a private driveway on the east side of the site, off of W. 33rd Avenue. Yards will be fenced, providing privacy for the residents and also for the neighboring properties. New sidewalks will be constructed on the property frontage, with a new curb ramp at the corner of W. 33rd Avenue and Ames Street to meet ADA requirements. The setbacks on both streets are context appropriate, attempting to match the surrounding conditions.

Architecture

The City does not have architectural requirements for single or two-family buildings, which includes duplexes. However, the applicant has proposed enhanced architecture, with vertical board and batten siding, grey asphalt shingles, and variations in siding patterns on the side façades. Each unit will have a covered porch. The detached garages will match the duplexes in color and materials. The duplexes will be two stories with pitched roofs in a more traditional or farmhouse style.

Landscaping

The ODP requires each lot to be at least 40% landscaped. The SDP proposes each lot to be 41.48% landscaped, with additional landscaping to be provided in the water quality area at the north of the site. A total of 4 street trees are provided, plus 17 shrubs, and 46 ornamental grasses. Each duplex will have a landscaped front yard and private rear yard with a concrete patio and sod yard.

Drainage

Drainage is accommodated in a water quality area on its own tract at the north of the site, between the northern duplex and the neighboring property. This area will contain irrigated turf, sod, and rock mulch, as well as plantings on the east side. The area is sized sufficiently for the added impervious surface on the site, and acts as an additional buffer between the proposed development and the apartment building to the north. Based on the total area of impervious surface being less than 10,000 square feet, full-flood attenuation is not required.

VI. SPECIFIC DEVELOPMENT PLAN CRITERIA

Criteria for the review of SDP documents is provided in Section 26-305.D. Staff has provided analysis of these criteria below. Planning Commission shall base its decision in consideration of the extent to which the criteria have been met.

1. The proposed specific development plan is consistent with the purpose of a planned development as stated in section 26-301 of the zoning and development code.

The purpose of utilizing planned development zoning is to provide flexibility while accommodating well-designed, innovative developments that demonstrate efficient use of land and may not be feasible under a standard zone district. The SDP achieves these goals and proposes unique duplexes with an emphasis on enhanced landscaping and architecture.

Staff has concluded that the SDP is consistent with these goals by adding to the diversity of housing types in Wheat Ridge, while maintaining the overall character of the neighborhood through smaller building footprints and two-story buildings.

Staff concludes that this criterion has been met.

2. The proposed specific development plan is consistent with the design intent or purpose of the approved outline development plan

The SDP is consistent with the intent and character statements of the outline development plan.

Staff concludes that this criterion has been met.

3. The proposed uses indicated in the specific development plan are consistent with the uses approved by the outline development plan.

The proposed uses in the SDP are identical to those of the outline development plan.

Staff concludes that this criterion has been met.

4. The site is appropriately designed and it consistent with the development guidelines established in the outline development plan.

The SDP is consistent with the development guidelines of the outline development plan in all respects including related to height, density, setbacks, parking, landscaping, fencing, and building design.

Staff concludes that this criterion has been met.

5. Adequate infrastructure/facilities are available to serve the subject property, or the applicant will upgrade and provide such where they do not exist or are under capacity.

All responding agencies have indicated they can serve the property with improvements installed at the developers' expense.

Staff concludes that this criterion <u>has</u> been met.

6. The proposed specific development plan is in substantial compliance with the applicable standards set forth in the Architectural and Site Design Manual, Streetscape Design Manual, and other applicable design standards.

The proposed SDP is in conformance with the design standards established in the ODP.

Because both W. 33rd Avenue and Ames Street are classified as local streets, the *Streetscape Design Manual* does not apply. However, the sidewalks and curb ramp are being upgraded to the City's standard for local streets, and landscaping is being provided along the street frontage in excess of zoning code requirements.

Staff concludes that this criterion has been met.

Staff concludes that the criteria used to evaluate the SDP support the request.

VII. NEIGHBORHOOD MEETING & PUBLIC INPUT

Pursuant to Section 26-109 of the Code of Laws, the applicant notified all property owners and residents within 600 feet of the site of the neighborhood meeting. Neighborhood meetings are required prior to submittal of an application for a zone change.

The neighborhood input meeting was held on November 8, 2018. Two (2) members of the public attended the meeting in addition to the applicant and staff. A full summary of the meeting is attached in *Exhibit 7, Neighborhood Meeting Notes*.

Public noticing is required prior to public hearings. As of the date of this publication, staff received one (1) phone call about the application, with a message of support. If any comments are provided prior to the Planning Commission public hearing on April 4, they will be entered into the record and distributed to Commissioners at the public hearing.

VIII. AGENCY REFERRAL

All affected service agencies were contacted for comment on the zone change request and regarding the ability to serve the property. Specific referral responses follow:

Wheat Ridge Public Works: No concerns with the ODP/SDP. The subdivision plat and civil construction plans are under review and must be approved prior to application for building permit.

West Metro Fire Protection District: No comments or concerns; access is sufficient.

Wheat Ridge Water District: No comments, can serve.

Wheat Ridge Sanitation District: No objections, can serve.

Xcel Energy: No objections. Utility coordination is ongoing.

Century Link: No objections.

IX. STAFF CONCLUSIONS AND RECOMMENDATION

Staff has concluded that the proposed rezoning and Outline Development Plan are consistent with the zone change criteria and the Specific Development Plan is consistent with the planned development regulations, with the goals and policies of the City's guiding documents, and with the ODP. Because

the requirements for an ODP/SDP have been met and the review criteria support the ODP/SDP, a recommendation for <u>approval</u> is given.

X. SUGGESTED MOTIONS – ZONE CHANGE (ODP)

Option A:

"I move to recommend APPROVAL of Case No. WZ-18-25, a request for approval of a zone change from Residential-Three (R-3) to Planned Residential Development with an Outline Development Plan (ODP) for property located at the northeast corner of W. 33rd Avenue and Ames Street, for the following reasons:

- 1. The proposed zone change will promote the public health, safety, or welfare of the community and does not result in an adverse effect on the surrounding area.
- 2. The proposed zone change is consistent with the goals and objectives of the City's Comprehensive Plan.
- 3. The proposed zoning is consistent with the intent of a planned development, compatible with surrounding land uses, and will result in a high-quality development.
- 4. The criteria used to evaluate a zone change support the request.

Option B:

"I move to recommend DENIAL of Case No. WZ-18-25, a request for approval of a zone change from Residential-Three (R-3) to Planned Residential Development with an Outline Development Plan (ODP) for property located at the northeast corner of W. 33rd Avenue and Ames Street, for the following reasons:

- 1. 2.
- 3. ..."

XI. SUGGESTED MOTIONS – SPECIFIC DEVELOPMENT PLAN

Option A:

"I move to recommend APPROVAL of Case No. WS-18-26, a request for approval of a Specific Development Plan on property located at the northeast corner of W. 33rd Avenue and Ames Street, for the following reasons:

- 1. The specific development plan is consistent with the purpose of a planned development, as stated in Section 26-301 of the City Code.
- 2. The specific development plan is consistent with the intent and purpose of the outline development plan.
- 3. The proposed uses are consistent with those approved by the outline development plan.
- 4. All responding agencies have indicated they can serve the property with improvements installed at the developer's expense.
- 5. The specific development plan is in substantial compliance with the applicable standards set forth in the outline development plan and with the City's adopted codes and policies.

(Option B on next page)

Option B: "I move to recommend DENIAL of Case No. WS-18-26, a request for approval of a Specific Development Plan on property located at the northeast corner of W. 33rd Avenue and Ames Street, for the following reasons:

1.

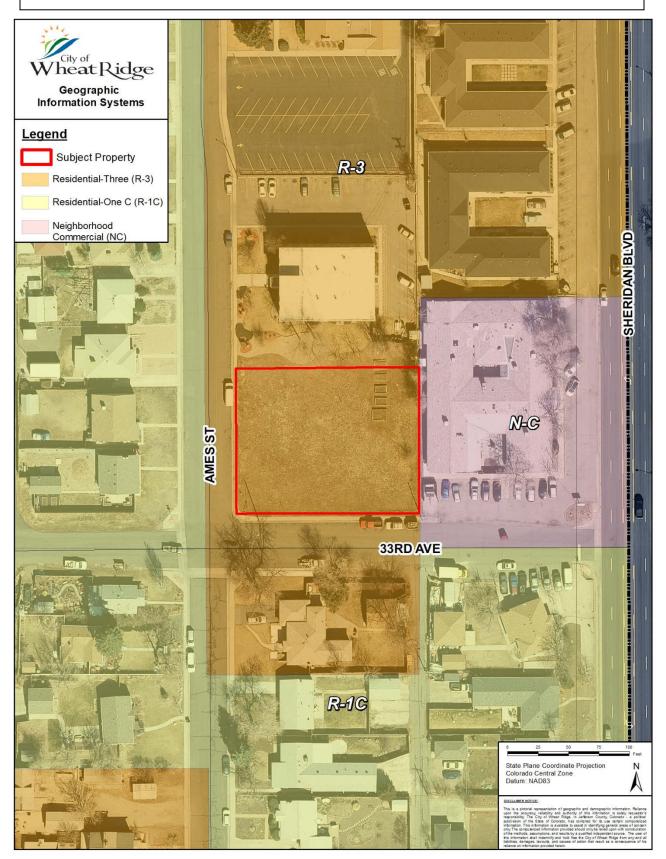

- 2.
- 3. ..."

ALLOWED USES:

- ALLOWED USES
- PRIMARY USES:
- SINGLE FAMILY •
- DUPLEXES •
- ACCESSORY USES:
- HOME OCCUPATIONS, PURSUANT TO SECTION 26-613 OF THE WHEAT RIDGE CODE OF LAWS. HOUSEHOLD PETS, LIMITED TO NO MORE THAN 3 DOGS AND 4 CATS.
- DETACHED ACCESSORY STRUCTURES (SHEDS, GAZEBOS) ARE PERMITTED.

AMES PARTNERS PLANNED RESIDENTIAL DEVELOPMENT

VICINITY MAP - NOT TO SCALE

CHARACTER OF NEIGHBORHOOD:

THE AMES PARTNERS DUPLEXES COMPLIES DIRECTLY WITH THE WHEAT RIDGE COMPREHENSIVE PLAN BY PRESERVING AND ENHANCING THE NEIGHBORHOOD, PROVIDING HOUSING DIVERSITY, AND ENHANCING COMMUNITY CHARACTER. THE PROJECT IS PEDESTRIAN FRIENDLY, CLEARLY DEFINES PEDESTRIAN AND PARKING AREAS, AND WILL BE VISUALLY ATTRACTIVE USING WELL-THOUGHT OUT LANDSCAPING, FACADES, STREET PRESENCE, AND APPROPRIATELY SCALED RESIDENCES. ARCHITECTURE WILL BE TRADITIONAL AND WILL FEATURE COVERED FRONT PORCHES, VERTICAL AND HORIZONTAL WOOD SIDING, OPEN REAR PATIOS, CEDAR FENCES, ASPHALT SHINGLE SLOPED ROOFS, AND A HIGH LEVEL OF CONSTRUCTION QUALITY NOT TYPICALLY FOUND ON PRODUCTION HOMES. EACH UNIT FEATURES 3 BEDROOMS, 3 BATHROOMS, AND EXCLUSIVE OWN 2-CAR GARAGES, DETACHED FROM THE PRIMARY RESIDENTIAL BUILDINGS, ACCESSED FROM THE ALLEY. THE PROJECT WILL REQUIRE A ZONE CHANGE FROM R-3 TO PRD.

PLANNING COMMISSION CERTIFICATION:

RECOMMENDED FOR APPROVAL THIS DAY OF 20__ BY THE WHEAT RIDGE PLANNING COMMISSION.

EXHIBIT 6: SITE PHOTOS

View of the subject property looking northeast along Ames Street. The neighboring apartment building can be seen in the background. The water quality area would be located in the space between the northern lot and the apartment building, acting as an additional buffer.

View of the site looking east from Ames Street. The neighboring apartment building is to the left, and the commercial assisted living facility is in the background. The proposed alley and single-story garages provide a separation and buffer between the subject site and the assisted living.

View of the subject property looking north from W. 33rd Avenue. Both adjacent lots can be seen in the photo. The driveway would be located to the west (left) of the assisted living facility, allowing access to the detached garages.

View of the subject property looking north from W. 33rd Avenue, up Ames Street. The buildings across Ames Street are primarily single-family homes on small lots.

EXHIBIT 7: NEIGHBORHOOD MEETING

NEIGHBORHOOD MEETING NOTES

| Meeting Date: | November 8, 2018 | |
|----------------------|--|--|
| Attending Staff: | Scott Cutler, Planner II | |
| Location of Meeting: | Wheat Ridge Municipal Building | |
| Property Address: | Vacant lot, NE corner of W. 33 rd Ave & Ames Street | |
| Property Owner(s): | Novy Development LLC | |
| Applicant: | Jay Feaster | |
| Applicant Present? | Yes | |
| Existing Zoning: | Residential-Three (R-3) | |
| Existing Comp. Plan: | Neighborhood Buffer | |

Existing Site Conditions: The site is located at the northeast corner of Ames Street and W. 33rd Avenue near the eastern border of Wheat Ridge. It is currently vacant, with the exception of some gardening boxes. The property is zoned Residential-Three (R-3), which permits medium to high-density residential development, ranging from single-family to multi-unit developments. Properties to the north and south (across W. 33rd Avenue) are also zoned R-3. Much of the surrounding neighborhood, including the properties directly across Ames Street, are zoned Residential-One C (R-1C), which permits small-lot single-family homes. The senior living facility to the east of the property is zoned Neighborhood Commercial (NC).

The site consists of four parcels: two large, platted lots on Ames Street, and two narrow (each approximately 8-feet wide) tracts at the eastern edge of the property. These tracts were created when the 16-foot wide alley was vacated. When vacations occur, the land being vacated is split between the properties abutting the vacated land. A former owner of the subject site acquired the neighbor's 8-foot portion of the alley, thus giving the full width of the former alley to the subject property. The four parcels total approximately 18,720 square feet (a survey will determine the exact figure).

Applicant Preliminary Proposal: The applicant has proposed to rezone the property from R-3 to Planned Residential Development (PRD), allowing them to subdivide the property for two duplexes. Due to the number of variances required by the applicant's proposed subdivision and future development if using the R-3 zoning, a PRD was pursued to eliminate the need for variances and to ensure high-quality architectural and site design. The two-story duplexes would have rear detached garages accessed from an alley off of W. 33rd Avenue.

The following is a summary of the neighborhood meeting:

- In addition to the applicant and staff, 2 residents from the neighborhood attended the meeting; see attached sign-up sheets.
- Staff explained the purpose of the neighborhood meeting, and informed the members of the public of the rezoning and planned development process.
- Staff discussed the site, its zoning and land use.
- The applicant presented their proposal and answered further questions, with help from staff.
- The members of the public were informed of their opportunity to make comments during the process and at the required public hearings.

The following issues were discussed regarding the zone change request and proposed future development:

- A resident notified the applicant and staff of some code enforcement issues in the neighborhood, including a nearby business that dumps water in the vacant lot. *Staff passed the information along to Code Enforcement and the Stormwater Manager.*
- Parking issues were discussed, including potential illegal parking and abandoned vehicles. *The proposed development includes on-site garages for each duplex unit, and will make street changes to make street parking safer. The applicant noted that developing the site may ward off some of the illegal activity that currently occurs there. Staff noted that Wheat Ridge has a 72 hour parking limit in one location on the street, but that all streets in this area allow public parking.*
- What is the arrangement of the duplexes?
 - Two duplexes are planned for a total of four units. They would be two stories with pitched roofs, and detached garages in the rear. Most likely they would be 3 bedrooms, 2.5 bathrooms, with an unfinished basement, for a total of approximately 2,000 square feet. Interior details haven't been worked out yet, but the applicant showed images of potential finishes.
- What is the proposed sale price? Approximately \$650-700 thousand, but the final price will be determined by the cost of construction and market viability. The applicant noted that similar homes sell for upwards of \$750-800 thousand just a few blocks east in Denver.
- A resident noted that the water table is fairly high in this area. *Noted, the applicant obtained a soils test for the property.*
- A fence was suggested along the rear property line adjacent to the nursing home. *The applicant explained the site design and said that the backyards would be fenced.*

EXHIBIT 8: APPLICANT LETTER

Dear City of Wheat Ridge,

We are exciting about the opportunity to build one of our new homes in Wheat Ridge. We take great pride in our work; it is truly a passion for us.

The previously proposed construction project with the previous owner consisted of a row home with three floors and reaching a height of almost 35 feet. This construction form has seen a great deal of backlash from the Sloan Lake Denver neighborhood where new construction and soaring new buildings litter the landscape. But our lot is not Denver and we felt that something of this nature would severely detract from the neighborhood feel. The original owners site plan was oriented with the front doors facing 33rd instead of Ames, like the remainder of the neighbors. They did this to squeeze 5 units onto the lot and affectively would have ended up paving over a good portion of the lot with drive aisles and patio work. There would be no private space for the home owners and because of the height, it would infringe upon the privacy of the neighbors. Again, we felt that this just would not be appropriate in Wheat Ridge, which is why decided to drop to only 4 units and reorient the fronts of the homes back onto Ames street. We also dropped the 3rd floors and plan to do only 2 story units with pitched roofs similar to a more traditional design aesthetics and basements. We feel this would allow our new homes to be more welcomed into the community by giving the block congruity, giving these new homes nice front setbacks but also private back yards.

To accomplish this, we would like to apply for a Planned Development at this time. Please see our proposed site plan and please let us know if we can provide anything further to the city or the neighbors. This is our first time working with the city of Wheat Ridge, so please let us know what our next steps should be. Thank you for your consideration.

Sincerely,

Jay Feaster Ames Partners LLC 720-891-7916 Team@FeasterRealty.com B. <u>Case Nos. WZ-18-25 and WZ-18-26</u>: An application filed by Ames Partners, LLC for approval of a zone change from Residential-Three (R-3) to Planned Residential Development (PRD) with approval of an Outline Development Plan (ODP) and Specific Development Plan (SDP) for development of two duplexes located at the northeast corner of W. 33rd Avenue and Ames Street.

Mr. Cutler gave a short presentation regarding the zone change, Specific Development Plan and the application. He entered into the record the contents of the case file, packet materials, the zoning ordinance, and the contents of the digital presentation. He stated the public notice and posting requirements have been met, therefore the Planning Commission has jurisdiction to hear this case.

Commissioner PETERSON commented on page 6, #4, letter C and explained the condition has not been met and does not need to be.

Commissioner VOS asked if the R-3 designation does not permit the configuration of duplexes the applicant wants without applying for multiple variances.

Mr. Cutler agreed and added that if the applicant stays with the R-3 zoning they could put 5 attached townhomes on the site.

Ms. Mikulak added that the City is prohibited in processing lot size variances to add additional units.

Commissioner OHM asked if the landscape plan meets the streetscape standards.

Mr. Cutler explained that the Street Scape Manual requires 4 street trees per street frontage and the applicant is going to be required to build a wider attached sidewalk with current ADA ramps at the corner.

Commissioner OHM also asked if sight distance triangles are a requirement on the landscape plan.

Mr. Cutler said there is no sight distance triangle for this landscape plan because the distance would be 15 ft. x 15 ft. and is not even close for these local streets.

Commissioner VOS mentioned a sign-up sheet not being included in her agenda packet.

Jay Feaster, Applicant 19510 West 55th Place, Golden

Mr. Feaster did not have anything to add to the presentation.

Commissioner PETERSON asked how the duplexes will be owned.

Planning Commission Minutes April 4, 2019

ATTACHMENT 3

Mr. Feaster said each door will be sold individually.

Commissioner SIMBAI asked why batten siding had been chosen for the duplexes.

Mr. Feaster said it is durable and will give more of a cottage look which stucco would not even though it is durable as well. Batten will also complement the neighborhood.

Commissioner LARSON asked if there is enough room for in the private alley for cars to get in and out of. He also wondered if there will be on street parking.

Jessie Donovan, Engineer 3253 N Gaylord Street, Denver

Mr. Donovan explained that the City requires a 5-foot pull out at the end of the alley for the last unit to have enough room to back out of the garage and drive away. He added there will be on street parking as well.

Commissioner VOS asked that if this zone change is approved, can the applicant sell the property and a more dense building be built.

Mr. Cutler said that is not a possibility. He explained that once the ODP is approved the zoning will be established for the property which will limit the property to only single family homes or a duplex development. He added that the ODP is meant to show the development standards and the SDP provided the specific standards, for example, showing exactly where the buildings will be placed.

Commissioner LEO said she has a concern that duplexes can be non-owner occupied.

Mr. Feaster said that of the 45 duplexes he has built and sold he has yet to see a loan that has not been an owner occupied loan.

Ms. Mikulak added that City Code and Federal Fair Housing laws would not allow the City to regulate if the duplexes are owner or renter occupied.

Commissioner OHM asked what the two fences on the north and south are for and why they extend out beyond the line of the building.

Mr. Feaster and Mr. Donovan said they are privacy fences and they extend to maximize the visual space between the units.

Commissioner OHM asked about the 4.5-foot sidewalk on the east side of the garages and didn't think that is not a normal width for a sidewalk.

Mr. Donovan explained that it is not a sidewalk but an approach to the garages with a slight slope from the alley and is considered a driveway apron.

Commissioner PETERSON asked if there is any requirements for permeable patios and walkways.

Mr. Cutler said there are requirements for open space on properties and the code for duplexes requires 25% of the lot be open space. He explained the applicant is proposing 42% of the lot be pervious, so they are well exceeding the requirement.

Mr. Westberg added that permeable pavers are allowed as part of a water quality treatment, but this property has a separate water quality facility so the pavers are not required.

Commissioner LARSON asked if the units will have basements.

Mr. Feaster said there will be unfinished basements with 9 foot ceilings and egress windows.

Tom Sunheim 5601 West 35th Avenue

Mr. Sunheim is happy with what is being proposed for this site and thinks it will be a good fit for the neighborhood.

Commissioner VOS said she appreciates the less density, architecture and the character of the project.

It was moved by Commissioner LARSON and seconded by Commissioner PETERSON to recommend APPROVAL of Case No. WZ-18-25, a request for approval of a zone change from Residential-Three (R-3) to Planned Residential Development with an Outline Development Plan (ODP) for property located at the northeast corner of W. 33rd Avenue and Ames Street, for the following reasons:

- 1. The proposed zone change will promote the public health, safety, or welfare of the community and does not result in an adverse effect on the surrounding area.
- 2. The proposed zone change is consistent with the goals and objectives of the City's Comprehensive Plan.
- 3. The proposed zoning is consistent with the intent of a planned development, compatible with surrounding land uses, and will result in a high-quality development.
- 4. The criteria used to evaluate a zone change support the request.

With the following condition:

1. The minimum lot area shall be revised to 8,425 square feet.

Motion carried 7-0.

It was moved by Commissioner ANTOL and seconded by Commissioner SIMBAI to recommend APPROVAL of Case No. WS-18-26, a request for approval of a Specific Development Plan on property located at the northeast corner of West 33rd Avenue and Ames Street, for the following reasons:

- 1. The specific development plan is consistent with the purpose of a planned development, as stated in Section 26-301 of the City Code.
- 2. The specific development plan is consistent with the intent and purpose of the outline development plan.
- **3.** The proposed uses are consistent with those approved by the outline development plan.
- 4. All responding agencies have indicated they can serve the property with improvements installed at the developer's expense.
- 5. The specific development plan is in substantial compliance with the applicable standards set forth in the outline development plan and with the City's adopted codes and policies.

Motion carried 7-0.

ITEM NO: <u>9</u>. DATE: May 13, 2019

REQUEST FOR CITY COUNCIL ACTION

TITLE: RESOLUTION NO. <u>30-2019</u> – A RESOLUTION APPROVING A SPECIFIC DEVELOPMENT PLAN (SDP) FOR PROPERTY LOCATED AT 3300 AMES STREET (CASE NO. WZ-18-26 / FEASTER)

| ☑ PUBLIC HEARING □ BIDS/MOTIONS ☑ RESOLUTIONS | | S FOR 1 ST READING S FOR 2 ND READING |
|---|---------|--|
| QUASI-JUDICIAL: | YES | □ NO |
| Community Development Di | irector | City Manager |

ISSUE:

The applicant is requesting approval of a Specific Development Plan (SDP) for property located at 3300 Ames Street (northeast corner of W. 33rd Avenue and Ames Street). Approval of an SDP is the second step in the City's approval process for a Planned Residential Development; it provides site plan and design details for the subject property.

PRIOR ACTION:

Planning Commission heard this request at a public hearing on April 4, 2019. Planning Commission gave a recommendation of approval for the SDP for the following reasons:

- 1. The specific development plan is consistent with the purpose of a planned development, as stated in Section 26-301 of the City Code.
- 2. The specific development plan is consistent with the intent and purpose of the outline development plan.
- 3. The proposed uses are consistent with those approved by the outline development plan.

Council Action Form –3300 Ames Street SDP May 13, 2019 Page 2

- 4. All responding agencies have indicated they can serve the property with improvements installed at the developers' expense.
- 5. The specific development plan is in substantial compliance with the applicable standards set forth in the outline development plan and with the City's adopted design manuals.

The staff report and meeting minutes from the April 4 Planning Commission meeting are attached to the preceding CAF for Council Bill 06-2019.

FINANCIAL IMPACT:

Fees in the amount of \$1,079 were collected for the review and processing of Case No. WZ-18-25 and WZ-18-26. Parkland fees in lieu of land dedication in the amount of \$9,989.16 will be paid prior to the issuance of any building permits, as will typical building permit fees and associated use tax.

BACKGROUND:

For background information regarding the property, please refer to the Council Action Form for Council Bill 06-2019 which relates to the proposed rezoning and Outline Development Plan (ODP). The ODP includes general development parameters, whereas the Specific Development (SDP) provides details regarding site design, building design, and landscaping. Key components of the site design are described here. The SDP plan is included with the Planning Commission staff report.

Proposed Development

Site Design

The duplex buildings are proposed to face Ames Street, which matches the existing conditions in the neighborhood. Detached garages will be provided for each unit, with a private walkway from the duplex unit through a private yard to the garage. The garages will be accessed from a private shared driveway on the east side of the site off of W. 33rd Avenue. Yards will be fenced. New sidewalks will be constructed on both streets of the property frontage. The setbacks on both streets are designed to be context-appropriate, attempting to match the surrounding conditions.

Landscaping

The ODP requires each lot to be at least 40% landscaped, and the SDP proposes each lot to exceed that requirement. Additional landscaping will be provided in the water quality area at the north end of the site. A total of 4 street trees are provided, plus 17 shrubs, and 46 ornamental grasses. Each duplex unit will have a landscaped front yard and a private rear yard with a concrete patio and sod.

Architecture

The City does not have architectural requirements for single or two-family buildings, which includes duplexes. However, through the SDP process the applicant has proposed enhanced architecture, with vertical board and batten siding, grey asphalt shingles, and variations in siding patterns on the side façades. Each unit will have a covered porch. The detached garages will match the main buildings. The duplexes will be two stories with pitched roofs in a more traditional style.

Council Action Form –3300 Ames Street SDP May 13, 2019 Page 3

Drainage

Drainage is accommodated in a water quality area on its own tract at the north end of the site, between the northern duplex and the neighboring property. This area will contain irrigated turf, sod, and rock mulch, as well as plantings on the east side. The area is sized sufficiently for the added impervious surface on the site, and acts as an additional buffer between the proposed development and the apartment building to the north. Based on the total area of impervious surface being less than 10,000 square feet, full-flood attenuation is not required.

SDP Criteria for Review

The request appears to comply with the SDP criteria in Section 26-305 of the code, and staff makes the following findings based on the criteria:

- The proposed specific development plan is consistent with the purpose of a planned development. The purpose of utilizing planned development zoning is to provide flexibility while accommodating well-designed, innovative developments that demonstrate efficient use of land and may not be feasible under a standard zone district. The SDP achieves these goals and proposes a unique and context-sensitive duplex design with an emphasis on enhanced landscaping and architecture.
- The proposed specific development plan is consistent with the design intent or purpose of the approved outline development plan.
- The proposed uses indicated in the specific development plan are consistent with the uses approved by the outline development plan.
- The site is appropriately designed and is consistent with the development guidelines established in the outline development plan.
- Adequate infrastructure/facilities are available to serve the subject property, or the applicant will upgrade and provide such where they do not exist or are under capacity.
- The proposed specific development plan is in substantial compliance with the applicable standards established in the ODP and other applicable design standards. The applicant is upgrading sidewalks and curb ramps to the City's standard for local streets and landscaping is being provided along the street frontage in excess of code requirements.

RECOMMENDATIONS:

Based on compliance with the SDP review criteria, staff is recommending approval of this request.

RECOMMENDED MOTION:

"I move to approve Resolution No. <u>30-2019</u>, a resolution approving a Specific Development Plan for property located at 3300 Ames Street, for the following reasons:

- 1. City Council has conducted a proper public hearing that meets all public notice requirements as required by Section 26-109 of the Code of Laws.
- 2. The proposed Specific Development Plan has been reviewed by the Planning Commission, which has forwarded its recommendation of approval.
- 3. All requirements of a Specific Development Plan have been met.

Council Action Form –3300 Ames Street SDP May 13, 2019 Page 4

Or,

"I move to deny Resolution No. <u>30-2019</u>, a resolution approving a Specific Development Plan for property located at 3300 Ames Street, for the following reasons:

- 1.
- 2.
- 3. "

CITY OF WHEAT RIDGE RESOLUTION NO. <u>30</u> Series of 2019

TITLE: A RESOLUTION APPROVING A SPECIFIC DEVELOPMENT PLAN FOR PROPERTY LOCATED AT 3300 AMES STREET (CASE NO. WZ-18-26 / FEASTER)

WHEREAS, Chapter 26 of the Wheat Ridge Code of Laws establishes procedures for the City's review and approval of requests for land use cases; and,

WHEREAS, Ames Partners, LLC submitted a land use application for approval of a Specific Development Plan for property at the northeast corner of W. 33rd Avenue and Ames Street (3300 Ames Street); and,

WHEREAS, the Specific Development Plan will allow for reinvestment in the community and provisions of duplexes that fulfill a key value of the Comprehensive Plan by diversifying the housing stock; and,

WHEREAS, all requirements for a Specific Development Plan have been met; and,

WHEREAS, the City Council has conducted a public hearing complying with all public notice requirements as required by Section 26-109 of the Code of Laws.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF WHEAT RIDGE, COLORADO, AS FOLLOWS:

THE SPECIFIC DEVELOPMENT PLAN FOR PROPERTY LOCATED AT 3300 AMES STREET (CASE NO. WZ-18-26 / FEASTER) IS HEREBY APPROVED FOR THE FOLLOWING REASONS:

- 1. City Council has conducted a proper public hearing, meeting all public notice requirements as required by Section 26-109 of the Code of Laws.
- 2. The proposed Specific Development Plan has been reviewed by the Planning Commission, which has forwarded its recommendation of approval.
- 3. All requirements of a Specific Development Plan have been met.

DONE AND RESOLVED by the City Council this 13th day of May, 2019.

Bud Starker, Mayor

ITEM NO: <u>10.</u> DATE: May 13, 2019

REQUEST FOR CITY COUNCIL ACTION

TITLE: COUNCIL BILL NO. <u>07-2019</u> – AN ORDINANCE REMOVING THE LOCAL HISTORIC LANDMARK STATUS FROM AN ACCESSORY STRUCTURE ON PROPERTY LOCATED AT 11480 W. 44th AVENUE (CASE NO. WHL-19-01 / McENTIRE)

| PUBLIC HEARING BIDS/MOTIONS RESOLUTIONS | ORDINANCE | ES FOR 1 ST READING (05/13/2019) ES FOR 2 ND READING (06/10/2019) |
|---|-----------|--|
| QUASI-JUDICIAL: | YES | □ NO |
| LLL P. JH Community Development D | irector | City Manager |

ISSUE:

The applicant is requesting removal of the local historic landmark status from an accessory structure on property located at 11480 W. 44th Avenue in the Agricultural-One (A-1) zone district. The current owner purchased the property in 2013.

Section 26-913.A.3 of the City Code allows an application for removal of historic designation to be submitted at the request of a new owner, but only to the extent public financial assistance has not been received to benefit the exterior historic elements of the property.

PRIOR ACTION:

The structure was designated as a local historic landmark in 1998, processed under Case No. WHL-98-01 and passed by ordinance.

FINANCIAL IMPACT:

Fees in the amount of \$320 were collected for the review and processing of Case No. WHL-19-01.

BACKGROUND:

The subject property is located on the south side of W. 44th Avenue between Robb Street and Tabor Street. The property is approximately one acre in size. Currently the property is vacant with the exception of an approximately 576 square foot barn at the rear of the property.

As noted previously, in 1998, City Council approved an ordinance designating the barn on the property as a local historic landmark under Case No. WHL-98-01. Since then, the property has changed hands and the current owner is desirous of removing the local historic status of the barn.

City Code allows for an application for removal of historic designation to be submitted by the owner of the property, provided that it is the request of a new owner (not the owner who requested the designation) and to the extent public financial assistance has not been received to benefit the exterior historic elements of the property. No public funds have been distributed to repair the barn. Staff has determined that the applicant is eligible to apply for the removal of the historic designation, which requires a public hearing at City Council. There are no discretionary review criteria if the request meets these two standards related to ownership and funding.

RECOMMENDATIONS:

The application in this case is for the removal of a historic status of an accessory structure. This action is quasi-judicial, and as a result, the applicant is entitled to a public hearing on the application.

Historic designations (or their removal) in Wheat Ridge is accomplished by ordinance (Charter Sec. 5.10; Code Section 26-913). Ordinances require two readings, and by Charter, the public hearing takes place on <u>second</u> reading.

First reading in these cases is a procedural action that merely sets the date for the (second reading) public hearing. No testimony is taken on first reading. Because it is important that the applicant and all interested parties have their due process rights to a hearing, the City Attorney advises Council to approve ordinances on first reading. This merely sets the date for the public hearing, and for this reason, the packet materials provided on first reading are generally limited.

RECOMMENDED MOTION:

"I move to approve Council Bill No. <u>07-2019</u> an ordinance approving the removal of local historic status for an accessory structure at 11480 W. 44th Avenue on property zoned Agricultural-One (A-1), on first reading for the sole purpose of ordering it published for a public hearing set for Monday, June 10, 2019 at 7 p.m. in City Council Chambers, and, if adopted, that it take effect 15 days after final publication."

ATTACHMENTS: 1. Council Bill No. <u>07-2019</u>

CITY OF WHEAT RIDGE INTRODUCED BY COUNCIL MEMBER COUNCIL BILL NO. <u>07</u> ORDINANCE NO. Series of 2019

TITLE: AN ORDINANCE REMOVING THE LOCAL HISTORIC LANDMARK STATUS FROM AN ACCESSORY STRUCTURE ON PROPERTY LOCATED AT 11480 W. 44th AVENUE (CASE NO. WHL-19-01 / McENTIRE)

WHEREAS, Chapter 26 of the Wheat Ridge Code of Laws establishes procedures for the City's review and approval of requests for land use cases; and,

WHEREAS, the property owner of 11480 W. 44th Avenue is requesting removal of the local historic landmark status of an accessory structure on their property; and,

WHEREAS, Section 26-913.A.3 of the City Code allows for removal of historic designation at the request of a new property owner to the extent public financial assistance has not been received to benefit the exterior historic elements of the property; and,

WHEREAS, the property owner is a new owner who did not request the original historic landmark status and no public funds have been received to renovate the structure; and,

WHEREAS, there are no discretionary review criteria if the request meets the two standards related to new ownership and funding;

NOW THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WHEAT RIDGE, COLORADO:

<u>Section 1</u> Findings of Fact. The Wheat Ridge City Council hereby finds that the property owner is eligible to remove the historic landmark designation from the accessory structure. The ownership has changed since the original designation and public financial assistance has not been received to repair the structure.

<u>Section 2.</u> Removal of Historic Landmark Designation. Pursuant to the authority vested in it by Section 26-913 of the Wheat Ridge Code of Laws, the Wheat Ridge City Council hereby removes the local historic designation from the barn on the property at 11480 W. 44th Avenue.

Section 3. Safety Clause. The City of Wheat Ridge hereby finds, determines, and declares that this ordinance is promulgated under the general police power of the City of Wheat Ridge, that it is promulgated for the health, safety, and welfare of the public and that this ordinance is necessary for the preservation of health and safety and for the protection of public convenience and welfare. The

ATTACHMENT 1

City Council further determines that the ordinance bears a rational relation to the proper legislative object sought to be attained.

Section 4. Severability: Conflicting Ordinance Repealed. If any section, subsection or clause of the ordinance shall be deemed to be unconstitutional or otherwise invalid, the validity of the remaining sections, subsections and clauses shall not be affected thereby. All other ordinances or parts of ordinances in conflict with the provisions of this Ordinance are hereby repealed.

<u>Section 5.</u> <u>Effective Date.</u> This Ordinance shall take effect 15 days after final publication, as provided by Section 5.11 of the Charter.

INTRODUCED, READ, AND ADOPTED on first reading by a vote of _____ to ____ on this 13th day of May, 2019, ordered it published with Public Hearing and consideration on final passage set for **Monday, June 10, 2019, at 7:00 o'clock p.m**., in the Council Chambers, 7500 West 29th Avenue, Wheat Ridge, Colorado, and that it takes effect 15 days after final publication.

READ, ADOPTED AND ORDERED PUBLISHED on second and final reading by a vote of _____ to ____, this _____ day of _____, 2019.

SIGNED by the Mayor on this _____ day of _____, 2019.
