

## Neighborhood Traffic Management Program (NTMP) Enrollment Application

Date: \_\_\_\_\_

Thank you for your interest in the NTMP! To apply to have your street evaluated for traffic calming, you must get more than 50% of the residents and/or property owners to sign in support. You can do so by collecting physical signatures on this form, having individuals complete the online form at [www.ci.wheatridge.co.us/1841/Neighborhood-Traffic-Management-Program](http://www.ci.wheatridge.co.us/1841/Neighborhood-Traffic-Management-Program), or a combination of the two. **To determine the number of signatures you need, please contact us at [ntmp@ci.wheatridge.co.us](mailto:ntmp@ci.wheatridge.co.us) or 303-235-2864.** When this form is complete, please scan it and email it to [ntmp@ci.wheatridge.co.us](mailto:ntmp@ci.wheatridge.co.us) or mail it to City of Wheat Ridge, Attn: Engineering Division, 7500 W. 29th Avenue, Wheat Ridge CO 80033.

Street name: \_\_\_\_\_ Street segment: From \_\_\_\_\_ To \_\_\_\_\_

Main contact name: \_\_\_\_\_ Contact phone: \_\_\_\_\_

Contact email: \_\_\_\_\_

We, the undersigned, support studying our street segment, which may result in the installation of traffic calming devices (i.e., speed humps, medians, signage, etc.) on our street.

Name (Printed)	Address	Contact info (email and/or phone)	Signature

Once enrolled, city staff will conduct a traffic analysis and design improvements if they are warranted. After these steps are complete, we'll share the data and the design, and you'll have a chance to provide input. For more information on the process and annual timeline, check out the program website at [www.ci.wheatridge.co.us/1841/Neighborhood-Traffic-Management-Program](http://www.ci.wheatridge.co.us/1841/Neighborhood-Traffic-Management-Program). Please contact us with any questions!
